Economism

Five years and more than 100,000 copies after it was first published, it's hard to imagine anyone working in Web design who hasn't read Steve Krug's "instant classic" on Web usability, but people are still discovering it every day. In this second edition, Steve adds three new chapters in the same style as the original: wry and entertaining, yet loaded with insights and practical advice for novice and veteran alike. Don't be surprised if it completely changes the way you think about Web design. Three New Chapters! Usability as common courtesy -- Why people really leave Web sites Web Accessibility, CSS, and you -- Making sites usable and accessible Help! My boss wants me to _____. -- Surviving executive design whims "I thought usability was the enemy of design until I read the first edition of this book. Don't Make Me Think! showed me how to put myself in the position of the person who uses my site. After reading it over a couple of hours and putting its ideas to work for the past five years, I can say it has done more to improve my abilities as a Web designer than any other book. In this second edition, Steve Krug adds essential ammunition for those whose bosses, clients, stakeholders, and marketing managers insist on doing the wrong thing. If you design, write, program, own, or manage Web sites, you must read this book." -- Jeffrey Zeldman, author of Designing with Web Standards

The Finer Things

Here is a bracing deconstruction of the framework for understanding the world that is learned as gospel in Economics 101, regardless of its imaginary assumptions and misleading half-truths. Economism: an ideology that distorts the valid principles and tools of introductory college economics, propagated by self-styled experts, zealous lobbyists, clueless politicians, and ignorant pundits. In order to illuminate the fallacies of economism, James Kwak first offers a primer on supply and demand, market equilibrium, and social welfare: the underpinnings of most

popular economic arguments. Then he provides a historical account of how economism became a prevalent mode of thought in the United States—focusing on the people who packaged Econ 101 into sound bites that were then repeated until they took on the aura of truth. He shows us how issues of moment in contemporary American society—labor markets, taxes, finance, health care, and international trade, among others—are shaped by economism, demonstrating in each case with clarity and élan how, because of its failure to reflect the complexities of our world, economism has had a deleterious influence on policies that affect hundreds of millions of Americans.

The Progress Principle

Marjorie and her family spend the summer at Grandma's farm.

The Old Man and The Sea

What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance.

The Book Thief

Whether you realise it or not, you probably enjoy bad movies. If you've ever been amused by cheesy '80s action, or laughed at a shoddy horror movie monster then you've paddled in the so-bad-it's-good shallows. The deep waters beyond can be intimidating, teeming as they are with dreck. But among the unmentionables are some of the most ridiculous and enjoyable movies ever made, you just need to know where to look. Exposing good-bad action movies, science fiction and fantasy, horror - and the rest - The Bad Movie Bible includes films such as Batman & Robin, The Room, Troll 2, Miami Connection, Nick Fury: Agent of Shield, Black Devil Doll From Hell, and Hell Comes to Frogtown. The Bad Movie Bible is the first in the series of light-hearted movie bibles, analysing and eulogising cinematic subcultures. AUTHORS: Author Rob Hill has worked in the visual effects and post production industry for 15 years and has written widely on cinema and genre films. He co-wrote the multimillion selling 501 Movies and his most recent work is Top 10 Lists: Movies (both for Octopus Publishing Group). Editor Emma Hill has spent the past 14 years in illustrated non-fiction, working across a variety of genres including popular culture, craft, cookery, art and travel for the UK and co-edition markets. SELLING POINTS: * Most movies aren't very good. That shouldn't be a surprise to anyone. But nor should it be a surprise that some are so bad they possess a unique appeal arising specifically from their inadequacies. This book is a celebration of, and guide to, those movies * Analysis and reviews of 101 of the best good-bad movies of the last fifty years * Exclusive interviews with heroes and villains as diverse as Dame Joan Collins and Tommy Wiseau * First-hand accounts from genre legends who explain what went wrong, and why it isn't their fault * Unique behind-the-scenes images * Future classics are exposed, old mysteries solved 240 colour photographs

Measure What Matters

Over 300 family-friendly jokes to make your dad's day. He'll love these terrible rib-ticklers - specially selected by a panel of the funniest fathers.

Thug Kitchen 101

The best-selling authors of It Starts With Food outline a scientifically based, step-by-step guide to weight loss that explains how to change one's relationship with food for better habits, improved digestion and a stronger immune system. 150,000 first printing.

101 So Bad, They're Good Teacher Jokes

Many bakers speak of their sourdough starter as if it has a magical life of its own, so it can be intimidating to those new to the sourdough world; fortunately with Artisan Sourdough Made Simple, Emilie Raffa removes the fear and proves that baking with sourdough is easy, and can fit into even a working parent's schedule! Any new baker is inevitably hit with question after question. Emilie has the answers. As a professionally trained chef and avid home baker, she uses her experience to guide readers through the science and art of sourdough. With step-by-step master recipe guides, readers learn how to create and care for their own starters, plus they get more than 60 unique recipes to

bake a variety of breads that suit their every need. Sample specialty recipes include Roasted Garlic and Rosemary Bread, Golden Sesame Semolina Bread, Blistered Asiago Rolls with Sweet Apples and Rosemary, No-Knead Tomato Basil Focaccia, Make-Ahead Stuffed Spinach and Artichoke Dip Braid and Raspberry Gingersnap Twist. With the continuing popularity of the whole foods movement, home cooks are returning to the ancient practice of bread baking, and sourdough is rising to the forefront. Through fermentation, sourdough bread is easier on digestion—often enough for people who are sensitive to gluten—and healthier. Artisan Sourdough Made Simple gives everyone the knowledge and confidence to join the fun, from their first rustic loaf to beyond. This book has 65 recipes and 65 photos.

A Book of Bad Jokes, Pitiful Puns, Woeful Wordplay and Ridiculous Riddles (Hardcover)

Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from Louis Sachar's new middle-grade novel, *Fuzzy Mud*. "A smart jigsaw puzzle of a novel." --The New York Times WINNER OF THE BOSTON GLOBE-HORN BOOK AWARD A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK SELECTED FOR NUMEROUS BEST BOOK OF THE YEAR AND ALA HONORS

I Hope They Serve Beer In Hell

Celery juice is everywhere for a reason: because it's saving lives as it restores people's health one symptom at a time. From celebrities posting about their daily celery juice routines to people from all walks of life sharing pictures and testimonials of their dramatic recovery stories, celery juice is revealing itself to ignite healing when all odds seem against it. What began decades ago as a quiet movement has become a global healing revolution. In *Celery Juice: The Most Powerful Medicine of Our Time Healing Millions Worldwide*, Anthony William, the originator of the global celery juice movement, introduces you to celery juice's incredible ability to create sweeping improvements on every level of our health: • Healing the gut and relieving digestive disorders • Balancing blood sugar, blood pressure, weight, and adrenal function • Neutralizing and flushing toxins from the liver and brain • Restoring health in people who suffer from a vast range of chronic and mystery illnesses and symptoms, among them fatigue, brain fog, acne, eczema, addiction, ADHD, thyroid disorders, diabetes, SIBO, eating disorders, autoimmune disorders, Lyme disease, and eye problems After revealing exactly how celery juice does its anti-inflammatory, alkalizing, life-changing work to provide these benefits and many more, he gives you the powerful, definitive guidelines to do your own celery juice cleanse correctly and successfully. You'll get instructions on how to make the juice, how much to drink, when to drink it, and what to expect as your body begins to detox, plus answers to FAQs such as "Is it safe to drink celery juice while pregnant or breastfeeding?", "Is blending better than juicing?", and "Can I take my medications with it?" Here is everything you need to know--from the original source--to receive the full gift of what Anthony calls "one of the greatest healing tonics of all time."

Speak

My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I am completely baffled as to how you can congratulate yourself for being a womanizer and a raging drunk, or think anyone cares about an idiot like you. Do you really think that exploiting the insecurities of others while getting wasted is a legitimate thing to offer?" "Thank you, thank you, thank you--for sharing with us your wonderful tales of drunken revelry, for teaching me what it means to be a man, for just existing so I know that there is another option; I too can say 'screw the system' and be myself and have fun. My life truly began when I finished reading your stories. Now, when faced with a quandary about what course of action I should take, I just ask myself, 'What Would Tucker Do?'--and I do it, and I am a better man for it." "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so

hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you." "You are the coolest person I can even imagine existing. If you slept with my girlfriend, it'd make me love her more."

Digital Minimalism

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Be the Bridge

Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold.

The Water of Possibility

The perfect gift for Father's Day! "Dad, can you put my shoes on?" "No, I don't think they'll fit me." Ah, the dad joke—humor that reminds us of all the lovable, embarrassing dads out there. Be prepared for the obvious, silly, and awkward in this massive collection of the best groan-worthy dad jokes around, including clever quips, overly literal dialogue, and punny one-liners. These jokes may be on porpoise, but they whale definitely make you laugh: I used to hate facial hair, but then it started growing on me. I'm reading a book about anti-gravity. It's impossible to put down! Q: What's the hardest thing about learning to ride a bicycle? A: The road. With over 600 knee-slappers, head-shakers, and groan-makers, Dad Jokes is packed with enough witty quips and cheesy-but-grate jokes for you to hold your own against even the most embarrassing of dads. But remember—you don't have to be a dad to tell dad jokes!

Don't Make Me Think

Shadow and Bone

When the Kato family moves to a small town in Alberta, Sayuri and her little brother, Keiji, explore the cellars of their new home and discover a magical world called Living Earth, but when Keiji disappears, Sayuri needs all her courage to find him again.

Artisan Sourdough Made Simple

"It's official: excessive "internetting," smartphoning, and social media make us miserable. But it doesn't have to be that way. Over the last decade, recognized journalist Blake Snow rigorously researched, tested, and developed several connectivity strategies for finding offline balance in an online world, which resulted in this, his first book. In *Log Off: How to Stay Connected after Disconnecting*, Snow passionately, succinctly, and sometimes humorously explains how to hit refresh for good, do more with less online, live large on low-caloric technology, increase facetime with actual people, outperform workaholics in half the time, and tunefully blend both analog and digital lives with no regrets. If the "offline balance movement" is real, this is its playbook." -- Back Cover

Dad Jokes

An illustrated, comprehensive guide to surviving an attack by hordes of the predatory undead explains zombie physiology and behavior, the most effective weaponry and defense strategies, how to outfit one's home for a long siege, and how to survive in any territory or terrain. Original. 35,000 first printing.

Medical Medium Celery Juice

Identifies four ways in which businesspeople compromise their objectives through ineffective over-standardizations or misguided practices, sharing practical advice on how to remain true to a business ideal, promote healthy change, and communicate authentically. 35,000 first printing.

101 So Bad, They're Good Irish Dad Jokes: Funny Dad Gift Idea Perfect for Saint Patrick's Day, Father's Day, and Dad Birthday

#1 New York Times Bestseller Legendary venture capitalist John Doerr reveals how the goal-setting system of Objectives and Key Results (OKRs) has helped tech giants from Intel to Google achieve explosive growth—and how it can help any organization thrive. In the fall of 1999, John Doerr met with the founders of a start-up whom he'd just given \$12.5 million, the biggest investment of his career. Larry Page and Sergey Brin had amazing technology, entrepreneurial energy, and sky-high ambitions, but no real business plan. For Google to change the world (or even to survive), Page and Brin had to learn how to make tough choices on priorities while keeping their team on track. They'd have to know when to pull the plug on losing propositions, to fail fast. And they needed timely, relevant data to track their progress—to measure what mattered. Doerr taught them about a proven approach to operating excellence: Objectives and Key Results. He had first discovered OKRs in the 1970s as an engineer at Intel, where the legendary Andy Grove ("the greatest manager of his or any era") drove the best-run company Doerr had ever seen. Later, as a venture capitalist, Doerr shared Grove's brainchild with more than fifty companies. Wherever the process was faithfully practiced, it worked. In this goal-setting system, objectives define what we seek to achieve; key results are how those top-priority goals will be attained with specific, measurable actions within a set time frame. Everyone's goals, from entry level to CEO, are transparent to the entire organization. The benefits are profound. OKRs surface an organization's most important work. They focus effort and foster coordination. They keep employees on track. They link objectives across silos to unify and strengthen the entire company. Along the way, OKRs enhance workplace satisfaction and boost retention. In *Measure What Matters*, Doerr shares a broad range of first-person, behind-the-scenes case studies, with narrators including Bono and Bill Gates, to demonstrate the focus, agility, and explosive growth that OKRs have spurred at so many great organizations. This book will help a new generation of leaders capture the same magic.

Hook. Wet Hot American Summer. Valley of the Dolls. There are some movies that defy traditional critical assessment -- films that are panned by reviewers, but that go on to become beloved classics and cult phenoms anyway. Ever been crushed to learn your favorite movie -- or a new one you're dying to see -- has been given the big green splat from Rotten Tomatoes' infamous Tomatometer? The site's editors stand by their critics and scores, but they also feel your pain: Fresh films shouldn't get all the glory! In *Rotten Movies We Love*, the RT team celebrates 101 Rotten movies that can't be missed, including: Box office behemoths that bombed with critics: *Space Jam*, *Maleficent*, *Bad Boys* Sci-fi treasures so bad they're awesome: *Cherry 2000*, *Zardoz*, *Masters of the Universe* Rare Rottens from Fresh directors: *The Life Aquatic with Steve Zissou*, *Marie Antoinette*, *Legend*, *Willow* Deeply beloved cult classics: *The Last Dragon*, *Empire Records*, *The Craft*, *MacGruber* Underrated gems ahead of their time: *The Strangers*, *Event Horizon*, *Practical Magic*, *The Cable Guy* Sequels worth a second look: *Home Alone 2*, *Rocky IV*, *Jurassic Park III*, *Return to Oz* Featuring 16 essays from some of the world's most well-known film critics -- Leonard Maltin, Terri White, Amy Nicholson, David Fear, K. Austin Collins, and more -- and punctuated with black-and-white film stills and punchy graphics, it's a fun romp through the quirkier corners of film history, sure to delight any cinephile or pop-culture fanatic.

The Big Book of Dad Jokes

Why did the Irishman get gold teeth? What do you call it when you prank an Irishman on Sunday? Did you hear about the Irishman who fainted on a carousel? Everyone loves a good laugh and there are few funnier lines than the ones you get in a good old-fashioned Irish joke. But when you add really bad Dad humor into the mix, the jokes descend to a whole new level, so much that they become good. In this book, *101 So Bad, They're Good Irish Dad Jokes*, you'll laugh yourself silly, impress (or not) your friends and enjoy a rollicking good time that will make everyone Erin go Bragh-ha-ha! So if you ever wondered why the Irish army is so strict about their uniforms or why the Irishman moved his modem into the barn, then get a copy of this hilarious book and find out. Perfect for dipping in and out of whenever you are feeling down or just need a laugh, *101 So Bad, They're Good Irish Dad Jokes*, is a book every home should have. Great dad gift idea for Saint Patrick's, birthday, and Christmas!

Dad Jokes

A pocket-sized volume of the best (worst?) dad jokes.

The Zombie Survival Guide

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an

art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

The Bad Movie Bible

Dad jokes. They make you cringe, they make you groan but the one thing they have in common is they come from dad. Be it during a wedding toast or when introducing your dad to someone you want to impress, dad never fails to insert a dad joke wherever he can. This dad joke book makes a great gift for the dad who has everything and has heard everything. Or maybe you want to buy it for yourself and come prepared the next time dad wants to have a joke off. In any event, *101 So Bad, They're Good Dad Jokes* will have your eyes rolling into the back of your head faster than dad can strip to his tighy-whities on a hot summer day!

Maniac Magee

A leading advocate for racial reconciliation offers a clarion call for Christians to move toward relationship and deeper understanding in the midst of a divisive culture. With racial tensions as high within the church as outside the church, it is time for Christians to become the leaders in the conversation on racial reconciliation. This power-packed guide helps readers deepen their understanding of historical factors and present realities, equipping them to participate in the ongoing dialogue and to serve as catalysts for righteousness, justice, healing, transformation, and reconciliation.

101 So Bad, They're Good Dad Jokes

From wallpaper and flooring to furniture and accessories, Christiane Lemieux explores the elements of resilient home design. In this beautiful, lavishly illustrated 400-page volume, she covers the traditions, tools, and major players in the home-goods industries so that homeowners learn how to identify the hallmarks of timeless, heirloom-quality pieces. Christiane and dozens of other home-design experts also offer advice on how to live well with these pieces. A visual timeline shows the history of artisan tile, a studio visit goes behind the scenes with the high-end wallpaper company de Gournay, and tastemakers' interiors dripping with style and luxury give timeless decorating ideas. The Finer Things is equal parts inspiration and practical classic.

Little Book of Dad Jokes: So Bad They're Good

A Newbery Medal winning modern classic about a racially divided small town and a boy who runs. Jeffrey Lionel "Maniac" Magee might have lived a normal life if a freak accident hadn't made him an orphan. After living with his unhappy and uptight aunt and uncle for eight years, he decides to run--and not just run away, but run. This is where the myth of Maniac Magee begins, as he changes the lives of a racially divided small town with his amazing and legendary feats.

The Whole30

When was the last time you listened to someone, or someone really listened to you? "If you're like most people, you don't listen as often or as well as you'd like. There's no one better qualified than a talented journalist to introduce you to the right mindset and skillset—and this book does it with science and humor." -Adam Grant, #1 New York Times bestselling author of Originals and Give and Take "An essential book for our times." -Lori Gottlieb, New York Times bestselling author of Maybe You Should Talk to Someone At work, we're taught to lead the conversation. On social media, we shape our personal narratives. At parties, we talk over one another. So do our politicians. We're not listening. And no one is listening to us. Despite living in a world where technology allows constant digital communication and opportunities to

connect, it seems no one is really listening or even knows how. And it's making us lonelier, more isolated, and less tolerant than ever before. A listener by trade, New York Times contributor Kate Murphy wanted to know how we got here. In this always illuminating and often humorous deep dive, Murphy explains why we're not listening, what it's doing to us, and how we can reverse the trend. She makes accessible the psychology, neuroscience, and sociology of listening while also introducing us to some of the best listeners out there (including a CIA agent, focus group moderator, bartender, radio producer, and top furniture salesman). Equal parts cultural observation, scientific exploration, and rousing call to action that's full of practical advice, *You're Not Listening* is to listening what Susan Cain's *Quiet* was to introversion. It's time to stop talking and start listening.
