The Happiest Mommy You Know

This is your year! Your best life comes from being the best you. That's why it isn't enough to focus only on setting goals and organizing your schedule for the new year. Real change, the kind that transforms you and gives you freedom to live a life you're proud of, comes from the inside out. The Christy Wright Goal Planner was created for women who want to live a life that matters. In addition to setting goals and scheduling your time, each month you'll focus on growing in one area of life--starting with your spirit, mind, and body, then moving out to your relationships and resources--so you can live your life on purpose. What you'll see each month: **TEACHING** Christy encourages and challenges you to work on yourself by focusing on the most important areas of your life, including your spirit, mind, body, relationships, and resources. **JOURNAL** Guided journal questions and prayer prompts help you internalize what you're learning and grow in your faith. **ACTION PLAN** These worksheets and templates are an opportunity to put what you're learning into practice. The action you take is what will truly change your life! **CALENDAR** The monthly and weekly calendars help you plan your schedule, manage your time, tackle your goals, and even knock out your to-do list. **REVIEW** This is a time for you to pause and reflect on the previous month before you dive into the next one. Whether you want to dream a new dream, tackle a new goal, or just manage your time more intentionally, The Christy Wright Goal Planner will help you do all of that and become a better version of yourself in the process.

is dealt with in the worst possible way. These are just a few of the unforgettable characters who populate Gwendolyn Knapp's hilarious and heartbreaking--yet ultimately uplifting--memoir debut, *After a While You Just Get Used to It*. Growing up among a dying breed of eccentric Florida crackers, Gwendolyn Knapp thinks she has it rough. What with her mother, Margie, who stockpiles Utne Readers and lightly damaged jewel CD cases on the off chance they'll come in useful someday; her aunt Susie, who boasts more prison stays than remaining teeth; and her great-aunt Libby and Libby's "older-than-death" dog, Britches; Knapp's childhood is unique, to say the least. But not long after Knapp moves to New Orleans, Margie packs up her House of Hoarders and follows along. As if Knapp weren't struggling enough to keep herself afloat, working odd jobs and trying to find love while suffering from irritable bowel syndrome, the thirty-year-old realizes that she's never going to escape her family's unendingly dysfunctional drama. Knapp honed her writing chops and distinctive Southern Gothic-humor style writing short pieces and participating in the renowned reading series Literary Death Match. Now, like bestselling authors Jenny Lawson, Laurie Notaro, and Julie Klausner before her, Knapp bares her sad and twisted life for readers everywhere to enjoy"--

Strange Planner

It's a calendar, a planner, and so much more. Combining organizational finesse with zesty Boynton illustrations, "Mom's Family Desk Planner" goes everywhere and anywhere Mom does. And now this planner runs a full 16 months, beginning boldly when school starts in September 2008, and ending gracefully on New Year's Eve 2009. On the lefthand side of each spread is an emissary from the Boynton menagerie to brighten your week (a cat, a rhino, a penguin, the obligatory cow). On the righthand side, there's a week-at-a-glance grid with two generously-sized write-in columns, one for Mom's schedule, one for the family's comings and goings. Section 2 of the desk planner features space for important phone numbers from doctors to school contacts to restaurants. Then there are tear-out grocery and to-do lists, and some extra pages for scribbling down important and/or inconsequential things. And stickers! Put them on special dates, or perhaps use them to lavishly decorate your tax return. After all, Moms need to have fun too."

Sadie Robertson—star of A&E’s Duck Dynasty and Dancing with the Stars and darling of the third-generation of the Robertson family—shares a devotional book for young women and teen girls to help navigate their complicated, fun, stressful lives and apply powerful biblical principles to everyday life. Eighteen-year-old Sadie Robertson understands what it’s like to be a teenager and young woman in today’s demanding world. She has managed to “live original” and still uphold her family values and faith convictions. In her new devotional, Sadie shares the principles and values that guide her life, shows how she stays confident and encouraged, and offers helpful advice about living with purpose. This year-long devotional is perfect for today’s teenage girls and young women. Each week has five devotional offerings to choose from, as well as two days “off” to give you some flexibility. Whether you need a personal message from Sadie, a quick Scripture to remember, or space to journal, this devotional allows you to customize and select what you need each day. Sadie covers a wide range of topics including self-confidence, social media, bullying, dating, peer pressure, and more. It’s not always easy to live in today’s culture and hold onto your values and beliefs, but this devotional encourages you to stay positive and live a fulfilling life.

Amy Knapp's Family Organizing Handbook

INSTANT NEW YORK TIMES BESTSELLER "An astounding triumph . . . Profound . . . Achingly wise . . . A recovery memoir like no other." --Entertainment Weekly (A) "Riveting . . . Beautifully told." --Boston Globe "An honest and important book . . . Vivid writing and required reading." --Stephen King "Perceptive and generous-hearted . . . Uncompromising . . . Jamison is a writer of exacting grace." --Washington Post From the New York Times bestselling author of *The Empathy Exams* comes this transformative work showing that sometimes the recovery is more gripping than the addiction. With its deeply personal and seamless blend of memoir, cultural history, literary criticism, and reportage, *The Recovering* turns our understanding of the traditional addiction narrative on its head, demonstrating that the story of recovery can be every bit as electrifying as the train wreck itself. Leslie Jamison deftly excavates the stories we tell about addiction--both her own and others'--and examines what we want these stories to do and what happens when they fail us. All the while, she offers a fascinating look at the larger history of the recovery movement, and at the complicated bearing that race and class have on

our understanding of who is criminal and who is ill. At the heart of the book is Jamison's ongoing conversation with literary and artistic geniuses whose lives and works were shaped by alcoholism and substance dependence, including John Berryman, Jean Rhys, Billie Holiday, Raymond Carver, Denis Johnson, and David Foster Wallace, as well as brilliant lesser-known figures such as George Cain, lost to obscurity but newly illuminated here. Through its unvarnished relation of Jamison's own ordeals, *The Recovering* also becomes a book about a different kind of dependency: the way our desires can make us all, as she puts it, "broken spigots of need." It's about the particular loneliness of the human experience—the craving for love that both devours us and shapes who we are. For her striking language and piercing observations, Jamison has been compared to such iconic writers as Joan Didion and Susan Sontag, yet her utterly singular voice also offers something new. With enormous empathy and wisdom, Jamison has given us nothing less than the story of addiction and recovery in America writ large, a definitive and revelatory account that will resonate for years to come.

The Recovering

"Give your Mom the gift of a memory. Give her the gift of gratitude. Give her the gift of the stories you share, written in your own words. Whether you choose to complete this book in an afternoon or over the course of many days, by the time you're finished, it will be a keepsake a commemoration of her love, her hard work, and everything she means to you."

What looks like a consciously altruistic effort to encapsulate one woman's entire life into lessons for the benefit of womankind may be just that: after divulging every gruesome detail of her spiral into anorexia and subsequent self-discoveries in this memoir, Knapp died of lung cancer last June at age 42. Similar in tone to her previous *Drinking: A Love Story*, this work is candid and persuasive enough to reach many women with analogous problems. But it's more than one woman's tragic story; multitudinous interviews with women with eating disorders, excerpts from classic feminist texts and sociological statistics lend credence and categorize the book under cultural studies as much as self-help. Knapp hypothesizes that the feminists who came after the revolutionary 1960s, herself included, were stifled rather than empowered by the overwhelming choices before them. They gained "the freedom to hunger and to satisfy hunger in all its varied forms." Unfortunately, writes Knapp, size-obsessed fashion magazines and other social messages contradict a woman's right to desire, contributing to the rise in eating disorders and other illnesses. Knapp observes an aspect of the backlash against the feminist movement: when "women were demanding the right to take up more space in the world," they were being told by a still patriarchal society "to grow physically smaller." Though Knapp admits it's "easier to worry about the body than the soul," she hopes creating a dialogue about anorexia will enable all women to nourish both.

Jennifer Knapp's meteoric rise in the Christian music industry ended abruptly when she walked away and came out publicly as a lesbian. This is her story—of coming to Christ, of building a career, of admitting who she is, and of how her faith remained strong through it all. At the top of her career in the Christian music industry, Jennifer Knapp quit. A few years later, she publicly revealed she is gay. A media frenzy ensued, and many of her former fans were angry with what they saw as turning her back on God. But through it all, she held on to the truth that had guided her from the beginning. In this memoir, she finally tells her story: of her troubled childhood, the love of music that pulled her through, her dramatic conversion to Christianity, her rise to stardom, her abrupt departure from Christian Contemporary Music, her years of trying to come to terms with her sexual orientation, and her return to music and Nashville in 2010, when she came out publicly for the first time. She also talks about the

importance of her faith, and despite the many who claim she can no longer call herself a believer, she maintains that she is both gay and a Christian. Now an advocate for LGBT issues in the church, Jennifer has witnessed heartbreaking struggles as churches wrestle with issues of homosexuality and faith. This engrossing, inspiring memoir will help people understand her story and to believe in their own stories, whatever they may be.

Who Stole Mona Lisa?

In *Drink: The Intimate Relationship Between Women and Alcohol*, award-winning journalist Anne Dowsett Johnston combines in-depth research with her own personal story of recovery, and delivers a groundbreaking examination of a shocking yet little recognized epidemic threatening society today: the precipitous rise in risky drinking among women and girls. With the feminist revolution, women have closed the gender gap in their professional and educational lives. They have also achieved equality with men in more troubling areas as well. In the U.S. alone, the rates of alcohol abuse among women have skyrocketed in the past decade. DUIs, “drunkorexia” (choosing to limit eating to consume greater quantities of alcohol), and health problems connected to drinking are all rising—a problem exacerbated by the alcohol industry itself. Battling for women’s dollars and leisure time, corporations have developed marketing strategies and products targeted exclusively to women. Equally alarming is a recent CDC report showing a sharp rise in binge drinking, putting women and girls at further risk. As she brilliantly weaves in-depth research, interviews with leading researchers, and the moving story of her own struggle with alcohol abuse, Johnston illuminates this startling
