The Milepost 2020

C'est La F-cking Vie 2021 Planner

During the first half of the twentieth century, degradation, poverty, and hopelessness were commonplace for African Americans who lived in the South's countryside, either on farms or in rural communities. Many southern blacks sought relief from these conditions by migrating to urban centers. Many others, however, continued to live in rural areas. Scholars of African American rural history in the South have been concerned primarily with the experience of blacks as sharecroppers, tenant farmers, textile workers, and miners. Less attention has been given to other aspects of the rural African American experience during the early twentieth century. *African American Life in the Rural South, 1900-1950* provides important new information about African American culture, social life, and religion, as well as economics, federal policy, migration, and civil rights. The essays particularly emphasize the efforts of African Americans to negotiate the white world in the southern countryside. Filling a void in southern studies, this outstanding collection provides a substantive overview of the subject. Scholars, students, and teachers of African American, southern, agricultural, and rural history will find this work invaluable.

Carpe Diem

Featuring delightfully irreverent phrases, lovely calligraphy, and illustrated backgrounds, this coloring book invites adults to color their f*cking stress away! With a range of profanity from upbeat swears to hilariously sassy sayings, 30 different expletives offer creative stimulation and cathartic release for any mood. Designs are printed on thick, removable, frame-worthy pages—with metallic ink patterns on the back of each page—making them easy to share and display.

The Little Book of Shit

Community health nurses need specialized knowledge and skills to succeed in their unique role in health promotion and disease prevention. This thoroughly updated and revised second edition of *Community and Public Health Nursing* provides students with an excellent foundation in the theories and concepts of community nursing while also delivering practical, step-by-step guidance in conducting community nursing projects in different settings and situations. This engaging text presents real-world public and community health issues as a context for understanding the complex realities of community nursing with diverse populations. The book is informed by over thirty years of practice, education, and research in community health nursing and is packed with case studies and practice examples. Its team-based approach emphasizes collaboration with communities and other health professionals to promote the health of individuals, families, groups, and communities. Discussion questions, key terms, learning objectives, classroom and seminar exercises, and online resources create a structured framework for learning. The second edition also features new content on health equity, health literacy, and community health nursing in disaster and emergency management. With an emphasis on understanding the clinical application of theories and standards, this text is the perfect resource for community health nursing courses.

'With ordinary talent and extraordinary perseverance, all things are attainable'. Thomas Fowell Buxton We all know someone who's strong and resourceful, who never gives up, and who meets any challenge with their head held high. Whether it's a friend, a partner or a relative, this little book celebrates your loved one for being the resilient person they are, and their ability to tackle anything that comes their way. Packed with cheering quotes and statements, it's the perfect way to tell them: 'you make me proud'.

So. Many. Stickers.

Is Joe Biden the right Democrat to face Trump in 2020? Decide by reading this guide to his policies, accomplishments as vice president to Barack Obama, and complicated past as a Congressman. Even before he decided to run, Joe Biden was the most popular Democratic candidate for president in 2020. On the heels of serving as vice president, and close friend, to Barack Obama, Biden's resume and likability position the former Congressman from Delaware as the favorite for the nomination. He holds a strong lead in the polls. But Joe Biden's legacy is much more complicated. He chaired the Foreign Relations and Senate Judiciary Committees, but his treatment of Anita Hill in the Clarence Thomas Supreme Court hearings will be a black mark on his candidacy. He oversaw successful Great Recession relief and the Violence Against Women Act and ultimately received the Presidential Medal of Freedom, but the racial statements from his past will reflect poorly when promoted by Republicans and fellow Democratic candidates. And Biden has faced allegations of inappropriate touching by several women. Meet the Candidates 2020: Joe Biden: A Voter's Guide will explore these contradictions and help you decide if Biden is your choice for 2020. The Meet the Candidates 2020 series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Each book gives an

unbiased, political insider ' s analysis of each contender, featuring: candidate interviews; an introduction by campaign advisor, Democratic Coalition co-founder, and Dworkin Report host Scott Dworkin; and compilation and writing by Occupy Democrats Editor at Large Grant Stern. In two hours of reading, you ' ll understand their defining characteristics, credentials, campaign issues, challenges, presidential chances, and everything else you need to know to decide who should challenge Donald Trump. Whether it ' s for Elizabeth Warren, Joe Biden, Bernie Sanders, Kamala Harris, Pete Buttigieg, Cory Booker, or another, Meet the Candidates is what you need to make an informed vote for president in 2020.

Walkable City Rules

Ever been lost for words abroad? When you want to get your point across abroad there 's only one way to do it: by swearing your ar*e off! Impress the world with a stream of multi-lingual profanity from this nifty pocket book.

F*cking Planner Stickers

The Yorkshire-based publisher Bamforth & Co started producing 'saucy' postcards in 1910. These cheeky designs became synonymous with the English seaside resorts where they were sold, but were exported all over the world. After WW2, Bamforth artists began to satirise the classic comic archetypes that still resonate today - henpecked husbands, naughty nurses and randy milkmen. Contemporary concerns ranging from the contraceptive pill to the

Space Race also received the irreverent Bamforth treatment. Saucy Postcards: The Bamforth Collection celebrates the golden age of these comic gems, with a selection of more than 250 cards originally published from the early 1950s to the mid-1970s. The book's introduction reveals the story behind the company, and the battles with the postcard censorship committees that resulted in almost 150 prosecutions.

The Little Book of Foreign Swearwords

Dallas Van Zant Water polo god. Shameless flirt. Beautiful disaster in the most literal sense of that label. Trust me, it's not hyperbole. He's in big trouble with the law. What does this have to do with me, you ask? Unfortunately, a lot. For some reason, which I still can't quite wrap my brain around, I've been talked into driving him around as part of his plea deal. Problem is, he makes me nervous. I'm not good with people, men in particular, popular athletes especially. I've worked really hard to get my disability under control and one minute in his company and all my hard work flies out the window. To top it all off, I promised myself that I was going to make some serious changes this year. I'm tired of feeling awkward around boys. I'm tired of never having had a boyfriend. I'm tired of being lonely. But I'm also not the type to turn away a person in need. So I'll do what I must to help him out. I'll just pretend that I'm not enjoying his company. And I'll ignore the fact that he's sweet and funny. And I'll tell myself every day that he's out of my league. Because I'm as inexperienced as they come and Dallas Van Zant is nothing but wild.

She Believed She Could So She F-cking Did 2021 Pla

Evangeline Thorne is privileged. Beautiful and popular, if not a little jaded. A chance encounter with a green-eyed stuntman sets off a chain of events that turns her perfect, little world upside down. Short

on options and desperate for adventure, she joins the traveling carnival for the summer. Thrust into a world full of drama, deception, and secrecy, Evangeline tries to find herself and protect her heart in the process. Sebastian McAllister is cursed. He knows better than to think otherwise. He's content to live out the rest of his life traveling the country as one of the four Sons of Eastlake, seeking thrills the only way he knows how. The one thing he doesn't see coming is the spoiled blond with stars in her eyes. The only problem is, the more time he spends with her, the more hope starts to stir in his dormant heart. Too bad hope is a dangerous thing when you're a McAllister.

African American Life in the Rural South, 1900-1950

Strictly for grown-ups! This book puts the tease into brain-teasers with a compendium of crude crosswords, unbelievably wicked word searches, dirty dot-to-dots and other provocative puzzles to test your knowledge of the smuttiest lingo - a racy replacement for life's idle moments.

Carpe Fucking Diem 2020 Sweary Planner

Is 'shit' the most versatile word in the English language? Quite possibly! This little book presents some of the best uses of our favorite expletive. From doctors (Take two shits and call me in the morning) to waiters (You want fries with that shit?), and whether you're a Darwinist (It's survival of the shittest) or a Catholic (If shit happens, we deserve it), there's enough shit for everyone!

I Came. I Saw. I F-cking Conquered. 2021 Planner

A New York Times essayist shares her journey from a self-destructive college student to a devoted family woman and teacher

while illuminating the importance of trusting in a higher power and being truthful about life's challenges.

Meet the Candidates 2020: Joe Biden

A self-care guided journal for when you realize buying a scented candle isn't actually going to make you feel f*cking better Ah, self-care. Yoga classes, green juice, bubble baths, face goop. F*ck that. The new self-care is all about taking care of yourself in whatever way you need to feel good. Whatever your paycheck or location, your identity, social class, race, gender--self-care belongs to YOU. Self-care isn't just for the Insta-influencers doing all the yoga in their 150\$ athleisure while eating their acai bowls and touting their skincare routine. Self-care is for all of us--it's for the busy bitches, the stressed-out queens, the women who are doing it all and just need a minute for themselves. It's for the anxiety-ridden, the wellness-challenged, the people who need a break to focus on their own mental health. It's about identifying your core values and making the time to nurture them. It's about taking a look at the tough stuff--anxiety, mental health, self-love, boundaries, empowerment--and finding concrete ways to help. Self-care is about truly feeling f*cking radiant. With guided prompts, swearsayings, and an empowering AF attitude, this is the perfect journal for readers who are over the bullsh*t and are ready to take their self-care into their own hands.

Carpe Diem

Ever spent another birthday wondering where your life has gone? Most of us are not living to our full potential. We've let go of our dreams and resigned ourselves to a life of quiet frustration. We go through the motions each day with a mentality that says "so high and no more". Tony Campolo says, ENOUGH! It's time to SEIZE

THE DAY! Every morning we have a new 24-hour opportunity to leave a lasting legacy on this world. In "Carpe Diem", Campolo will challenge you to let go of whatever is holding you back, and show you how to wake up refreshed, renewed and ready to make the most of the day you've been given. His contagious enthusiasm will get you revved up to take your life back into your own hands, and learn how to squeeze the last drop out of every day! Start living big, seize the day. Don't wait - your time is now! A Tony Campolo Classic!

You Make Me Proud

I Love How We Don't Have to Say I'm Your Favorite Co-Worker.

Book one in the hit series that's soon to be a major motion picture starring Amandla Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will

be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

History Channel This Day In Military History 2021

We've all heard the saying "seize the day." But what does it really mean--and how can we use it to jumpstart our lives? In the age of distraction, carpe diem is more essential than ever, and yet many of us simply don't employ it in our lives. In this thought-provoking and empowering book, cultural writer Roman Krznaric unpacks the history, philosophy, and modern-day applications of "seizing the day" and delivers a rousing call to action for anyone who wants to improve their lives--or our world. Carpe Diem is a far-ranging read, drawing on everything from the neuropsychology of regret to the anthropology of play, from medieval carnival rites to religious conceptions of the afterlife and early Japanese cinema. Offering food for thought as well as inspiring takeaways, the book examines not just the contributions of great thinkers throughout history, but also reveals insights from the lives of great seize-the-day practitioners including nightclub dancers, war photographers, bored housewives, and committed revolutionaries--offering a wide range of solutions to the daunting challenge of leading a meaningful life. From the Trade Paperback edition.

Carry On, Warrior

What Would You Do with a Yellow Envelope? After Kim and her husband decide to quit their jobs to travel around the world, they're given a yellow envelope containing a check and instructions to give the money away. The only three rules for the envelope: Don't overthink it; share your experiences; don't feel pressured to give it all away. Through Ecuador, Peru, Nepal, and beyond, Kim and Brian face obstacles, including major challenges to their relationship. As she distributes the gift to people she encounters along the way she learns that money does not have a thing to do with the capacity to give, but that giving—of ourselves—is transformational.

Community and Public Health Nursing

On the run from interplanetary assassins, covert operative Val Conyos'Phelium and former mercenary sergeant Miri Robertson have wound up stranded on a distant planet with no rescue in sight. Until they figure out a way back to Liad, these two lost souls must find a way to trust each another $\frac{3}{4}$ and let their love heal the dark wounds of their past. . . . Back on Liad, Shan yos'Galan, Val Con's cousin and foster brother, and his life-partner, Priscilla Mendoza, have initiated their own search for the missing member of Clan Korval. But what they don't know is that those who seek to destroy Val Con and Miri are just as determined to bring down Clan Korval. All the deadly enemy needs is someone to unwittingly lead them to their target. . . . At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Power of YES

They're here. They ride. The Four Horsemen of the Apocalypse. Born of a match between good and evil, four siblings stand between hell's minions and everything they want to destroy. They are the Lords of Deliverance, and they have the power to ward off Doomsday . . . or let it ride . . .

ROGUE RIDER Jillian Cardiff came to this remote mountain town to forget the demon attack that almost killed her. Instead, she rescues-and falls for-a gorgeous stranger who has no memory of anything other than his name. Handsome, charming, and protective, Reseph seems like the kind of man whom Jillian can trust. But with hints of a troubling history of his own, he's also the kind of man who can be very dangerous . . .

Reseph may not know why he mysteriously appeared in Jillian's life, but he knows he wants to stay. Yet when Jillian's neighbors are killed, and demon hunters arrive on the scene, Reseph fears that he's putting Jillian in danger. And once it's revealed that Reseph is also Pestilence, the Horseman responsible for ravaging the world, he and Jillian must face the greatest challenge of all: Can they forget the horrors of a chilling past to save the future they both desire?
