The Miraculous Journey of Edward Tulane

39 ESL Warm-Ups

A counselor and popular Washington Post contributor offers a new take on grades 6-8 as a distinct developmental phase--and the perfect time to set up kids to thrive. Middle school is its own important, distinct territory, and yet it's either written off as an uncomfortable rite of passage or lumped in with other developmental phases. Based on her many years working in schools, professional counselor Phyllis Fagell sees these years instead as a critical stage that parents can't afford to ignore (and though "middle school" includes different grades in various regions, Fagell maintains that the ages make more of a difference than the setting). Though the transition from childhood to adolescence can be tough for kids, this time of rapid physical, intellectual, moral, social, and emotional change is a unique opportunity to proactively build character and confidence. Fagell helps parents use the middle school years as a low-stakes training ground to teach kids the key skills they'll need to thrive now and in the future, including making good friend choices, negotiating conflict, regulating their own emotions, be their own advocates, and more. To answer parents' most common questions and struggles with middle school-aged children, Fagell combines her professional and personal

expertise with stories and advice from prominent psychologists, doctors, parents, educators, school professionals, and middle schoolers themselves.

The ELL Teacher's Toolbox

Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Life After ESL

Even experienced ESL teachers get stuck in a rut. It's time to find some fresh ideas! Whether you're a first-time ESL/EFL/TEFL teacher, an experienced but overwhelmed instructor, or an instructor without a textbook, you need more activities for your conversation or speaking classes. If you're tired of wasting time wading through the junk on the Internet, then Jackie is here to help. During her

decade of experience as a CELTA/DELTA certified teacher, author Jackie Bolen has developed countless games and activities for her students. She's sharing her low-prep/no-prep ideas with ESL teachers throughout the world. In 39 No-Prep/Low-Prep ESL Speaking Activities, you'll get over three-dozen ideas to use in your own classroom. The highly-detailed descriptions will show you exactly how to use the activities during your lessons. Jackie's clearly and concisely explained activities will help you add instructional variety and put the focus back on your students. If you're extremely busy or you're simply out of new ideas, Jackie's book makes it easy to try out new and exciting activities your students will love! ESL Listening Activities for Teenagers and Adults

Adult English language learners who lack print literacy or experience with formal education encounter a unique set of challenges in their lives and their efforts to learn English. Educators and policymakers are similarly challenged by how best to help these adults acquire English literacy. This booklet reviews a variety of research, including that on language acquisition, literacy development in adults and children, cognition and brain functioning, adult education, and professional development. Though research on this specific group of adult learners is sparse, available findings suggest that they need programs and classes separate from those for other beginning-level English language learners, with particular attention

paid to cultural influences and their experiences (or lack thereof) with formal education. Those who teach these adults can benefit from professional development opportunities that focus closely on the specific backgrounds, strengths and needs of these learners.

ESL Intermediate/Advanced Writing

100 TESOL Activities for Teachers is a teacher training manual and activity guide that has been used by teacher training groups from Korea, China, Japan, Iraq, Peru, Mexico and many other parts of the world as part of the popular TESOL Certificate Program: Teach English Now! from Coursera and Arizona State University. Designed to be practical, these techniques support the general need to communicate, interact, and make language come alive in the classroom. The manual is organized into 3 distinct parts: * The first section introduces teachers to some of the most common activities in English language teaching, followed by activities categorized by reading, writing, listening, speaking, vocabulary, and icebreakers. * The second section provides a unique model of lesson planning. This adaptable model helps teachers prepare organized routines to make classes more effective and easier to prepare. Includes activities for discussion, giving instructions, guided and less-guided practice, and independent practice. * The third section includes downloadable, photocopiable worksheets for the activities described in the manual.

Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and

day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from Louis Sachar's new middle-grade novel, *Fuzzy Mud*.
