Knowledge of word meanings is critical to success in reading. A reader cannot fully understand a text in which the meaning to a significant number of words is unknown. Vocabulary knowledge has long been correlated with proficiency in reading. Yet, national surveys of student vocabulary knowledge have demonstrated that student growth in vocabulary has been stagnant at best. This volume offers new insights into vocabulary knowledge and vocabulary teaching. Articles range from a presentation of theories of vocabulary that guide instruction to innovative methods and approaches for teaching vocabulary. Special emphasis is placed on teaching academic and disciplinary vocabulary that is critical to success in content area learning. Our hope for this volume is that it may spark a renewed interest in research into

lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss.

A counselor and popular Washington Post contributor offers a new take on grades 6-8 as a distinct developmental phase--and the perfect time to set up kids to thrive. Middle school is its own important, distinct territory, and yet it's either written off as an uncomfortable rite of passage or lumped in with other developmental phases. Based on her many years working in schools, professional counselor Phyllis Fagell sees these years instead as a critical stage that parents can't afford to ignore (and though "middle school" includes different grades in various regions, Fagell maintains that the ages make more of a difference than the setting). Though the transition from childhood to adolescence can be tough for kids, this time of rapid physical, intellectual, moral, social, and emotional change is a unique opportunity to proactively build character and confidence. Fagell helps parents use the middle school years as a low-stakes training ground to teach kids the key skills they'll need to thrive now and in the future, including making good friend choices, negotiating conflict, regulating their own emotions, be their own advocates, and more. To answer parents' most common questions and struggles with middle school-aged children, Fagell combines her professional and personal expertise with stories and advice from prominent psychologists, doctors, parents, educators, school professionals, and middle schoolers themselves.

A magical adventure to delight the imagination. A curl-up-on-the-sofa snuggle of a debut from a uniquely talented author. Eleven year-old Tilly has lived above her grandparents' bookshop ever since her mother disappeared shortly after she was born. Like the rest of her family, Tilly loves nothing more than to escape into the pages of her favourite stories. One day Tilly realises that classic children's characters are appearing in the shop through the magic of 'book wandering' - crossing over from the page into real life. With the help of Anne of Green Gables and Alice in Wonderland. Reading Success for Struggling Adolescent Learners

Whether you're a first-time ESL/EFL/TEFL teacher or an instructor without a textbook, you need more activities for your conversion or speaking classes. If you're tired of wading through the junk on the Internet, then Jackie and Jennifer are here to help. During her decade of experience as a CELTA/DELTA certified teacher, author Jackie Bolen has developed countless games and activities for her students. Jennifer Booker Smith has taught kids for years and has even given up cushy teacher-training jobs to return to the elementary classroom. They're sharing their low-prep/no-prep ideas with ESL teachers throughout the world. In 39 No-Prep/Low-Prep ESL Speaking Activities, you'll get over three-dozen ideas to use in your own classroom. The highly-detailed descriptions will show you exactly how to use the activities during your lessons. The clearly and concisely explained activities will help you add instructional variety and put the focus back on your students. If you're extremely busy or you're simply out of new ideas, Jackie and Jennifer's book makes it easy to try out new and exciting activities your students will love! Buy the book to get new lesson plans ready to go in minutes!
