Yes, God Speaks

The Bible in 52 Weeks

Edging into forty-something, Karen and Pam found themselves in a state of stuck. They had checked off many of their major life goals—career, husband, children, friends—but they'd lost momentum. After griping over drinks one night, they came up with a plan to face their fears, rediscover their interests, try new things, and renew their relationships. They challenged themselves to try one new thing every week for a year—from test-driving a Maserati to target practice at a shooting range to ballroom dance lessons—and to blog about their journeys. They quickly realized it was harder than they ever imagined but came through it with a sense of clarity and purpose that has them itching to share the possibilities with the millions of middle-aged women out there who feel the same way about one or many areas of their lives. Getting "unstuck" doesn't have to mean running a marathon, traveling the world, or ending a relationship with your partner. Through their experiences and a good dose of no-nonsense advice, Karen and Pam show readers how achieving small goals can give you a renewed sense of accomplishment and how you can keep growing, learning, and moving forward at any age. Interspersed with personal stories is expert advice from doctors, psychiatrists, artists, and even a poker diva (who also happens to be a Fortune 500 executive).

In Quiet Moments

Enjoying life (zoe) in Christ comes in the choices we make moment-by-moment. Holy in the Moment explores the practical power of choices to grow in holiness without the pressure of perfectionism. Through gentle encouragement, biblical insights, and applicable ideas learn to discern feelings and overcome distractions and shame, adapt God's equation for obedience, live a praying life, discover methods for practicing holiness in parenting and the importance of rest, embrace biblical love and forgiveness, and understand how work becomes holy. Find healing and wholeness with simple choices to love God, embrace truth, and enjoy every moment of life with practical ways to be holy by choosing to trust God, rely on his wisdom, and live from his resources.
