## Notes from a Small Island

With dazzling wit and astonishing insight, Bill Bryson—the acclaimed author of *The Lost Continent*—brilliantly explores the remarkable history, eccentricities, resilience and sheer fun of the English language. From the first descent of the larynx into the throat (why you can talk but your dog

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

can't), to the fine lost art of swearing, Bryson tells the fascinating, often uproarious story of an inadequate, second-rate tongue of peasants that developed into one of the world's largest growth industries.

### **A Walk in the Woods**

Before New York Times bestselling author Bill Bryson wrote *The Road to Little Dribbling*, he took this delightfully irreverent jaunt around the unparalleled floating nation of Great Britain, which has produced zebra crossings, Shakespeare, Twiggie Winkie's Farm, and places with names like Farleigh Wallop and Titsey.

### **A Walk In The Woods**

A loving and hilarious—if occasionally spiky—valentine to Bill Bryson's adopted country, Great Britain. Prepare for total joy and multiple episodes of unseemly laughter. Twenty years ago, Bill Bryson went on a trip around Britain to discover and celebrate that green and pleasant land. The result was *Notes from a Small Island*, a true classic and one of the bestselling travel books ever written. Now he has traveled about Britain again, by bus and train and rental car and on foot, to see what has changed—and what hasn't. Following (but not too closely) a route he dubs the Bryson Line, from Bognor Regis in the south to Cape Wrath in the north, by way of places few travelers ever get to at all, Bryson rediscovers the wondrously beautiful, magnificently eccentric, endearingly singular country that he both celebrates and,

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

when called for, twits. With his matchless instinct for the funniest and quirkiest and his unerring eye for the idiotic, the bewildering, the appealing, and the ridiculous, he offers acute and perceptive insights into all that is best and worst about Britain today. Nothing is more entertaining than Bill Bryson on the road—and on a tear. *The Road to Little Dribbling* reaffirms his stature as a master of the travel narrative—and a really, really funny guy. From the Hardcover edition.

### **A Walk in the Forest**

The forest is calling me with a woodwind song . . . The branches wave a green, friendly greeting. This way? That way? The flowers light a path for me! Wander through the woods, where wildlife and plants are waiting to be discovered in this immersive and magical paper-cut world. Helen Musselwhite's intricate and beautifully crafted paper scenes are accompanied by Louise Greig's lyrical voice in this magical walk through the woods. An enchanting story which is also a beautiful work of art and a fantastic gift to treasure and share.

### **Neither Here Nor There**

Be inspired by Marjolein Bastin's passion for the natural world in this unique, inspirational sketchbook. The artist keeps detailed sketchbooks of the things she encounters in nature, combining both art and words. She draws inspiration from these sketchbooks to create her fully wrought, exquisitely detailed pieces of art. This book features sketches selected by Marjolein, with facing pages showing her finished

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

art that was inspired by the sketches. Blank pages are included after each beautiful spread for the user's own drawings and thoughts. With a durable cover, an envelope in the back for nature finds, and a bound ribbon bookmark, this sketchbook is both beautiful and useful.

### **Men to Avoid in Art and Life**

Rainbow Eagle, an Okla-Choctaw Native American, is honored with the responsibility of teaching an ancient Native American Peace Shield drawing. These original instructions can help bring all of life back into relationship. This traditional wisdom is to be offered to all People, to bring spiritual balance and to restore peace on Mother Earth.

### **Koya Bound**

Set in the midst of the Cold War, Lee Blessing's powerful and startling play dramatises a stand-off between U.S. and Soviet arms negotiators as they battle for supremacy. Full of tension and humour *A Walk in the Woods* shows how the relationship between the two experts evolves as they stroll in the woods above Geneva, away from the glare of the negotiating table. But will this escape lead to a true breakthrough or just more posturing? In this revised version of the play, originally performed at Northern Stage, Vermont, and directed by Nicholas Kent, a woman plays the role of the U.S. negotiator.

### **Inspired by Nature Sketchbook**

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

of nature. Perfect for colorists of all ages. Captions.

### **The Mother Tongue**

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

### **The Road**

In the company of his friend Stephen Katz (last seen in the bestselling *Neither Here nor There*), Bill Bryson set off to hike the Appalachian Trail, the longest continuous footpath in the world. Ahead lay almost 2,200 miles of remote mountain wilderness filled with bears, moose, bobcats, rattlesnakes, poisonous plants, disease-bearing ticks, the occasional chuckling murderer and - perhaps most alarming of all - people whose favourite pastime is discussing the relative merits of the external-frame backpack. Facing savage weather, merciless insects, unreliable maps and a fickle companion whose profoundest wish was to go to a motel and watch *The X-Files*, Bryson gamely struggled through the wilderness to

achieve a lifetime's ambition - not to die outdoors.

### **The World Made Straight**

The inspiration for Chloé Zhao's 2020 Golden Lion award-winning film starring Frances McDormand. "People who thought the 2008 financial collapse was over a long time ago need to meet the people Jessica Bruder got to know in this scorching, beautifully written, vivid, disturbing (and occasionally wryly funny) book." —Rebecca Solnit From the beet fields of North Dakota to the campgrounds of California to Amazon's CamperForce program in Texas, employers have discovered a new, low-cost labor pool, made up largely of transient older adults. These invisible casualties of the Great Recession have taken to the road by the tens of thousands in RVs and modified vans, forming a growing community of nomads. Nomadland tells a revelatory tale of the dark underbelly of the American economy—one which foreshadows the precarious future that may await many more of us. At the same time, it celebrates the exceptional resilience and creativity of these Americans who have given up ordinary rootedness to survive, but have not given up hope.

daily life--in a new and revelatory light.

## **Our Walk in the Woods**

The age-old question for every leader—how do we bring out the best in those we lead? Anyone who has run a company, raised a family, lead an army, or coached a team struggles to find the key to help others excel and realize their potential. It is surprising how often we resort to criticism vs. an approach that actually results in a better worker and a better person. What if we could speak Words of Life that transform those under our influence and ignite fires of intrinsic motivation? What if those we lead found great purpose in what they do and worked at their jobs with all their heart? Isn't that what leaders, parents and teachers really want? Ultimately, don't we hope to foster intrinsic motivation so that the individuals we lead become better employees, better students or better athletes? Recent discoveries of brain science and the wisdom of top CEO's that Dr. Tim Irwin interviewed for this book give us the answers we've long sought. In most organizations, the methods used to provide feedback to employees such as performance appraisal or multi-rater feedback systems, in fact, accomplish the exact opposite of what we intend. We inadvertently speak Words of Death. Brain science tells us that these methods tend to engage a natural "negativity bias" that is hardwired in us all. Science in recent years discovered that affirmation sets in motion huge positive changes in the brain. It releases certain neuro chemicals associated with well-being and higher performance. Amazingly, criticism creates just the opposite neural reaction. The most primitive part of the brain goes into hyper defense mode, compromising our performance, torpedoing our motivation and limiting access to our higher-order strengths. How do we redirect employees who are out-of-line without engaging our natural "negativity bias?" Leaders must

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

forever ban the term, “Constructive Criticism.” Brain science tells us that we can establish a connection between the employee’s work and his or her aspirations. This book calls for a new approach to align workers with an organization’s mission, strategy and goals, called Alliance Feedback.

### **Shakespeare**

Bill Bryson’s bestselling biography of William Shakespeare takes the reader on an enthralling tour through Elizabethan England and the eccentricities of Shakespearean scholarship—updated with a new introduction by the author to commemorate the 400th anniversary of Shakespeare’s death William Shakespeare, the most celebrated poet in the English language, left behind nearly a million words of text, but his biography has long been a thicket of wild supposition arranged around scant facts. With a steady hand and his trademark wit, Bill Bryson sorts through this colorful muddle to reveal the man himself. His Shakespeare is like no one else's—the beneficiary of Bryson's genial nature, his engaging skepticism, and a gift for storytelling unrivaled in our time.

### **Spring in the Woods**

The adventures of a motley crew in search of an elusive prey.

### **The Invisible Life of Addie LaRue**

A field guide designed to get kids out and exploring the woods! This unique, simple nature kit gives kids an accessible, engaging introduction to the woods—and the animals, insects, flora, and rocks that a nature walk will most likely reveal. Since the guide focuses on the most popular North American wildlife, kids will feel instantly rewarded when they spot a chipmunk, sugar maple, or monarch butterfly. The portable, fully illustrated, flexibound guide includes tree-climbing tips, a chart for identifying animal droppings, a feature on edible forest finds, and more. It is packaged in a beautiful treasure box with magnetic closure, complete with compartments for kids' prized discoveries, such as berries, acorns, and pebbles. Tucked into two of the compartments—and visible through the die-cut frame on the treasure box's cover—are a mesh collecting bag for mess-free gathering and a magnifying jar for close-up observing.

### **Nomadland: Surviving America in the Twenty-First Century**

Ruby is worried about the fox in the woods. Nonetheless she bravely agrees to go for a walk there with her father and her toy rabbit Rabby. As they walk she and her father talk about fox's appetite for rabbits and agree that the fox wouldn't be interested in chasing her. Unbeknownst to her, Rabby falls from her backpack and is spotted by the fox. Is this the end of Rabby? In a surprising and reassuring ending Rabby is returned to Ruby in the nick of time. This delightful and simply clever story about being afraid - a reworking of the theme of the classic *We're Going on a Bear Hunt* - has many layers that will stand repeated reading and discussion with young children. By the author and illustrator of *Noah's Bed*.

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

### **The Universal Peace Shield of Truths: Ancient American Indian Peace Shield Teachings**

A Chicago Tribune Noteworthy Book A GoodReads Reader's Choice In One Summer Bill Bryson, one of our greatest and most beloved nonfiction writers, transports readers on a journey back to one amazing season in American life. The summer of 1927 began with one of the signature events of the twentieth century: on May 21, 1927, Charles Lindbergh became the first man to cross the Atlantic by plane nonstop, and when he landed in Le Bourget airfield near Paris, he ignited an explosion of worldwide rapture and instantly became the most famous person on the planet. Meanwhile, the titanically talented Babe Ruth was beginning his assault on the home run record, which would culminate on September 30 with his sixtieth blast, one of the most resonant and durable records in sports history. In between those dates a Queens housewife named Ruth Snyder and her corset-salesman lover garroted her husband, leading to a murder trial that became a huge tabloid sensation. Alvin “Shipwreck” Kelly sat atop a flagpole in Newark, New Jersey, for twelve days—a new record. The American South was clobbered by unprecedented rain and by flooding of the Mississippi basin, a great human disaster, the relief efforts for which were guided by the uncannily able and insufferably pompous Herbert Hoover. Calvin Coolidge interrupted an already leisurely presidency for an even more relaxing three-month vacation in the Black Hills of South Dakota. The gangster Al Capone tightened his grip on the illegal booze business through a gaudy and murderous reign of terror and municipal corruption. The first true “talking picture,” Al Jolson’s *The Jazz Singer*, was filmed and forever changed the motion picture industry. The four most powerful central bankers on earth met in secret session on a Long Island estate and made a fateful

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

decision that virtually guaranteed a future crash and depression. All this and much, much more transpired in that epochal summer of 1927, and Bill Bryson captures its outsized personalities, exciting events, and occasional just plain weirdness with his trademark vividness, eye for telling detail, and delicious humor. In that year America stepped out onto the world stage as the main event, and *One Summer* transforms it all into narrative nonfiction of the highest order.

### **The Road to Little Dribbling**

*Woods Cop: True Stories of the Maine Warden Service* is a collection of 21 stories from two former colonels, two lieutenants, two sergeants, four district wardens, a warden pilot, and one currently active duty corporal. Altogether, their cumulative experiences account for more than 300 years of warden experience. Before reality TV cameras, GPS devices, and dashboard computers, these wardens presided over a coming of age era for the Maine Warden Service. It was a time when a compass, map, and their wits were what mattered most in the field. Every day offered the potential for an exciting new adventure, many of which endangered the wardens themselves. This book recreates the full warden experience. In addition to hair-raising, life-and-death scenarios, the collection covers moments such as a child innocently outing his parents as “looking for deer” at night, the doldrums of a stakeout, and the grief of tragedy. The stories have been written in a third person, narrative format to ensure consistency in style and to help readers feel the excitement of a twig snapped in the dark, the frustration of second guessing yourself when lives are at stake, and the duty to do what’s right, even if it means breaking the law.

# Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

## **Extraordinary Influence**

Part inspiration, part information narrative for our story is based on walking meditation, also known as mindful walking; an active practice that requires you to be consciously aware and moving in the environment rather than sitting with your eyes closed. Just as *The Life-Changing Magic of Tidying Up*, Marie Kondo's mega-selling book (over 4 million copies sold worldwide) provides readers with a life/spiritual philosophy embedded in the how-to of minimalism (with practical tips for de-cluttering of one's home), *A Walk in the Wood* provides a narrative grounded in the simple act of slowing down, observing what is around us, and being present. Appealing to adults who are actively searching ways to join the JOMO movement (Joy of Missing Out and being content just "being"), *A Walk in the Wood* also makes for a perfect gift for stressed-out family members and friends.

## **A Walk Through the Woods**

A classic from the New York Times bestselling author of *A Short History of Nearly Everything* and *The Body*. Back in America after twenty years in Britain, Bill Bryson decided to reacquaint himself with his native country by walking the 2,100-mile Appalachian Trail, which stretches from Georgia to Maine. The AT offers an astonishing landscape of silent forests and sparkling lakes—and to a writer with the comic genius of Bill Bryson, it also provides endless opportunities to witness the majestic silliness of his fellow human beings. For a start there's the gloriously out-of-shape Stephen Katz, a buddy from Iowa along for the walk. Despite Katz's overwhelming desire to find cozy restaurants, he and Bryson

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

eventually settle into their stride, and while on the trail they meet a bizarre assortment of hilarious characters. But *A Walk in the Woods* is more than just a laugh-out-loud hike. Bryson's acute eye is a wise witness to this beautiful but fragile trail, and as he tells its fascinating history, he makes a moving plea for the conservation of America's last great wilderness. An adventure, a comedy, and a celebration, *A Walk in the Woods* has become a modern classic of travel literature.

### **A Walk in the Wood**

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A New York Times Notable Book One of the Best Books of the Year The Boston Globe, The Christian Science Monitor, The Denver Post, The Kansas City Star, Los Angeles Times, New York, People, Rocky Mountain News, Time, The Village Voice, The Washington Post

### **Awol on the Appalachian Trail**

Bryson brings his unique brand of humour to travel writing as he shoulders his backpack, keeps a tight hold on his wallet and heads for Europe. Travelling with Stephen Katz--also his wonderful sidekick in A Walk in the Woods--he wanders from Hammerfest in the far north, to Istanbul on the cusp of Asia. As he makes his way round this incredibly varied continent, he retraces his travels as a student twenty years before with caustic hilarity.

### **A Walk in the Woods**

Join the fun of finding and counting all the animals, flowers, and insects, as more and more appear on a lively walk through the woods during the springtime. Packed with repetition that young children love and that also helps them learn, this is an entertaining introduction to colors, numbers, and the seasons.

### **Robert Redford and the American West**

As a young girl and her dog stroll through the woods at the beginning of spring, they each have a very different perspective of their walk together.

### **The Facts and Fictions of Minna Pratt**

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

Emma Gatewood was the first woman to hike the entire Appalachian Trail alone, as well as the first person—man or woman—to walk it twice and three times and she did it all after the age of 65. This is the first and only biography of Grandma Gatewood, as the reporters called her, who became a hiking celebrity in the 1950s and '60s. She appeared on TV with Groucho Marx and Art Linkletter, and on the pages of Sports Illustrated. The public attention she brought to the little-known footpath was unprecedented. Her vocal criticism of the lousy, difficult stretches led to bolstered maintenance, and very likely saved the trail from extinction. Author Ben Montgomery was given unprecedented access to Gatewood's own diaries, trail journals, and correspondence. He also unearthed historic newspaper and magazine articles and interviewed surviving family members and hikers Gatewood met along the trail. The inspiring story of Emma Gatewood illustrates the full power of human spirit and determination.

### **Open Season**

Minna wishes for many things. She wishes she understood the quote taped above her mother's typewriter: Fact and fiction are different truths. She wishes her mother would stop writing long enough to really listen to her. She wishes her house were peaceful and orderly like her friend Lucas's. Most of all, she wishes she could find a vibrato on her cello and play Mozart the way he deserves to be played. Minna soon discovers that some things can't be found—they just have to happen. And as she waits for her vibrato to happen, Minna begins to understand some facts and fictions about herself.

### **Grandma Gatewood's Walk**

As prophesized, a young house cat becomes an apprentice warrior in a clan of wild cats, where he faces many dangers and treachery both within and outside of his new clan.

### **The Hunting of the Snark**

ROBERT REDFORD has played many Westerners on the big screen: a romantic outlaw in Butch Cassidy and the Sundance Kid (1969) with Paul Newman, a sheriff in Tell Them Willie Boy is Here (1968), a mountain man in Jeremiah Johnson (1972), a rodeo cowboy in The Electric Horseman (1979) with Jane Fonda, a Montana rancher in The Horse Whisperer (1998), which he also directed. He is the founder of Sundance, an admirer of Native American art and culture and a committed environmentalist. He embodies the best values of the American West.

### **A Walk in the Woods**

A Walk in the Forest is a stunning invitation to discover the woods as a place for both imaginative play and contemplation: collect pinecones, feathers, or stones; follow the tracks of a deer; or listen to the chirping of birds and the whisper of trees. Build a shelter and play hide-and-seek. Pretend the woods are a jungle, or shout out loud to stir up the birds! The forest comes alive in all its mysterious glory in Maria Dek's charming watercolor images and poetic text.

### **Coraline**

## Read Free A Walk In The Woods Rediscovering America On The Appalachian Trail

NOW A MAJOR MOTION PICTURE STARRING NOAH WYLE, JEREMY IRVINE, MINKA KELLY, ADELAIDE CLEMENS, STEVE EARLE, AND HALEY JOEL OSMENT. "ONE OF THE MAJOR WRITERS OF OUR TIME."—THE ATLANTA JOURNAL-CONSTITUTION Travis Shelton is seventeen the summer he wanders into the woods onto private property outside his North Carolina hometown, discovers a grove of marijuana large enough to make him some serious money, and steps into the jaws of a bear trap. After hours of passing in and out of consciousness, Travis is discovered by Carlton Toomey, the wise and vicious farmer who set the trap to protect his plants, and Travis's confrontation with the subtle evils within his rural world has begun. Before long, Travis has moved out of his parents' home to live with Leonard Shuler, a one-time schoolteacher who lost his job and custody of his daughter years ago, when he was framed by a vindictive student. Now Leonard lives with his dogs and his sometime girlfriend in a run-down trailer outside town, deals a few drugs, and studies journals from the Civil War. Travis becomes his student, of sorts, and the fate of these two outsiders becomes increasingly entwined as the community's terrible past and corrupt present bear down on each of them from every direction, leading to a violent reckoning—not only with Toomey, but with the legacy of the Civil War massacre that, even after a century, continues to divide an Appalachian community. Vivid, harrowing yet ultimately hopeful, *The World Made Straight* is Ron Rash's subtlest exploration yet of the painful conflict between the bonds of home and the desire for independence.

### **A Walk in the Woods**

In the company of his friend Stephen Katz (last seen in the bestselling *Neither Here nor There*), Bill Bryson set off to hike the Appalachian Trail, the longest continuous footpath in the world. Ahead lay

almost 2,200 miles of remote mountain wilderness filled with bears, moose, bobcats, rattlesnakes, poisonous plants, disease-bearing ticks, the occasional chuckling murderer and - perhaps most alarming of all - people whose favourite pastime is discussing the relative merits of the external-frame backpack. Facing savage weather, merciless insects, unreliable maps and a fickle companion whose profoundest wish was to go to a motel and watch The X-Files, Bryson gamely struggled through the wilderness to achieve a lifetime's ambition - not to die outdoors.

### **Into the Wild**

Men to Avoid in Art and Life pairs classical fine art with modern captions that epitomize the spirit of mansplaining. This hilarious book perfectly captures those relatable moments when a man explains to a woman a subject about which he knows considerably less than she does. Situations include men sharing keen insight on the female anatomy, an eloquent defense of catcalling, or offering sage advice about horseback riding to the woman who owns the horse. • These less qualified men of antiquity dish out mediocrity as if it's pure genius • For the women who have endured overbearing men over the centuries • Written with hilariously painful accuracy "Now, when you're riding a horse, you need to make sure to keep a good grip on the reins." "These are my horses." Through cringe-induced empathy, this timeless gift book of shared experiences unites women across history in one of the most powerful forms of resistance: laughter. • Started as a Twitter thread and quickly gained widespread popularity. • Makes a perfect book for women and feminists with a wry sense of humor, millennials, anyone who loves memes and Internet humor, as well as history and art buffs. • You'll love this book if you love books like Men Explain Things to Me by Rebecca Solnit, Milk and Vine: Inspirational Quotes from Classic Vines by

shortlist of some of the best of the rest. The readable and deeply informed text describes the physical topography of each site, in context with the regional characteristics, incorporating information on vegetation, flora, wildlife habitats (with particular reference to rare, endangered or site specific species), as well as a wealth of social, cultural or industrial history. Spellbinding photographs taken throughout the seasons show the diverse interiors of the woodlands, with a range of views into and out of the woods, placing them in their landscape context. Also included are accompanying images of woodland details - fungi, flowers, wildlife, and historic features.

### **Priestdaddy**

ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF 2017 NAMED ONE OF THE 50 BEST MEMOIRS OF THE PAST 50 YEARS BY THE NEW YORK TIMES SELECTED AS A BEST BOOK OF THE YEAR BY: The Washington Post \* Elle \* NPR \* New York Magazine \* Boston Globe \* Nylon \* Slate \* The Cut \* The New Yorker \* Chicago Tribune WINNER OF THE 2018 THURBER PRIZE FOR AMERICAN HUMOR “Affectionate and very funny . . . wonderfully grounded and authentic. This book proves Lockwood to be a formidably gifted writer who can do pretty much anything she pleases.” – The New York Times Book Review From Patricia Lockwood—a writer acclaimed for her wildly original voice—a vivid, heartbreakingly funny memoir about balancing identity with family and tradition. Father Greg Lockwood is unlike any Catholic priest you have ever met—a man who lounges in boxer shorts, loves action movies, and whose constant jamming on the guitar reverberates “like a whole band dying in a plane crash in 1972.” His daughter is an irreverent poet who long ago left the Church’s country. When an unexpected crisis leads her and her husband to move back

into her parents' rectory, their two worlds collide. In *Priestdaddy*, Lockwood interweaves emblematic moments from her childhood and adolescence—from an ill-fated family hunting trip and an abortion clinic sit-in where her father was arrested to her involvement in a cultlike Catholic youth group—with scenes that chronicle the eight-month adventure she and her husband had in her parents' household after a decade of living on their own. Lockwood details her education of a seminarian who is also living at the rectory, tries to explain Catholicism to her husband, who is mystified by its bloodthirstiness and arcane laws, and encounters a mysterious substance on a hotel bed with her mother. Lockwood pivots from the raunchy to the sublime, from the comic to the deeply serious, exploring issues of belief, belonging, and personhood. *Priestdaddy* is an entertaining, unforgettable portrait of a deeply odd religious upbringing, and how one balances a hard-won identity with the weight of family and tradition.
