Way of the Warrior Kid

Completely updated edition of one of the classic works of conservative literature Long before the advent of conservative talk radio and Fox News, Robert Ringer was an outspoken advocate for the cause of freedom and free enterprise. In this classic work—updated for the 21st century—Ringer’s basic premise is that liberty must be given a higher priority than all other objectives. The economic and political calamity that he warned about in the late seventies is now upon us, and his new edition of Restoring the American Dream is sure to resonate with the feelings of today’s angry voters. In his book, Ringer explains that:

- The American Dream is not about increased government benefits and government-created “rights,” but, rather, about individualism, self responsibility, and freedom—including the freedom to succeed or fail on one’s own
- The barbarians are not at the gates; they are already inside
- Ordinary citizens no longer tell their elected officials what to do. Rather, government tells them what to do—and backs it up with force
- The desire of people to band together to bring about quick, short term solutions to their problems through government intervention has perpetuated a cycle that has nearly destroyed the American Dream With Washington continuing to expand government power and spending at a record pace, Restoring the American Dream is a voice of sanity in a world gone mad.

The 10X Rule

How To Download eBook Action Nothing Happens Until You Take

New York Times #1 bestselling author Robert Ringer shows you how to take action and take control of your life. Ideas can change the world. But ideas, preparation, and even intelligence are all but useless without action, because action is the starting point of all progress. Nothing happens until something moves, so if you wait for something or someone to act on you, you likely will be unable to control the consequences. Defying conventional wisdom, *Action!* explains why, contrary to popular belief, you don't need to be motivated to take action. If necessary, force yourself to take action, and motivation will follow. In other words, action is the key to the brain's ignition. Take action first, and your creative juices will rise to the occasion, which, in turn, will motivate you to take still more action. Robert Ringer makes it clear that long-term happiness is a result of taking rational actions that are in accordance with universal principles. As such, rather than focusing on happiness, the author urges the reader to focus on truthful, value-oriented, self-disciplined action, because such action will lead to happiness as sure as day follows night. *Action!* is an exhilarating reminder that there's a lot more to life than merely surviving. Filled with humorous and enriching stories and anecdotes, *Action!* exhorts the reader to "Forget about taking action next week; forget about taking action tomorrow; forget about taking action in an hour. When you close this book, get up out of your chair and take action now."

Summary of the 10x Rule

Identifying "action" as the most important virtue in measuring success, the author offers a humorous collection of anecdotes that are designed to encourage readers to take action in the moment and approach life with a "carpe diem" attitude.

Meditations

Identifies the force's shaping today's--and tomorrow's--world, describes the traits necessary for success, and explores specific areas of action that will ensure success and survival

Looking Out for #1

95% of what people think, feel and do, is determined by habits. Habits are ingrained but not unchangeable--new, positive habits can be learned to replace worn-out, ineffective practices with optimal behaviors that can cause dramatic, immediate benefits to the bottom line. In *Million Dollar Habits*, Tracy teaches readers how to develop the habits of successful men and women so they too can think more

How To Download eBook Action Nothing Happens Until You Take

effectively, make better decisions, and ultimately double or triple their income. Readers will learn how to organize their finances, increase health and vitality, sustain loving relationships, build financial independence, and take a leadership role to turn visions into reality.

Action!

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Look for *CROSSED*, the sequel to *MATCHED*, in Fall 2011! Watch a Video

Million Dollar Habits

Throughout your life, you've had parents, coaches, teachers, friends, and mentors who have pushed you to be better than your excuses and bigger than your fears. What if the secret to having the confidence and courage to enrich your life and work is simply knowing how to push yourself? Using the science habits, riveting stories and surprising facts from some of the most famous moments in history, art and business, Mel Robbins will explain the power of a "push moment." Then, she'll give you one simple tool you can use to become your greatest self. It take just five seconds to use this tool, and every time you do, you'll be in great company. More than 8 million people have watched Mel's TEDx Talk, and executives inside of the world's largest brands are using the tool to increase productivity, collaboration, and engagement. In *The 5 Second Rule*, you'll discover it takes just five seconds to: Become confident Break the habit of procrastination and self-doubt Beat fear and uncertainty Stop worrying and feel happier Share your ideas with courage *The 5 Second Rule* is a simple, one-size-fits-all solution for the one problem we all face—we hold ourselves back. The secret isn't knowing what to do—it's knowing how to make yourself do it. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

From graduates and teachers to parents and self-starting business aspirants, Canfield offers readers practical help and inspiration for getting from where they are to where they want to be. The book includes:

- Success Basics- Take 100% Responsibility For Your Life; Clarify Your Vision; Decide What You Want; Be Willing to Pay the Price; Stay Focused on Your Core Genius; Unleash the Power of Goal-Setting; Build a Powerful Support Team; Surround Yourself with Successful People; and more.
- Success Thoughts & Attitudes- Acknowledge Your Positive Past; Fuel Your Success with Passion and Enthusiasm; Have an Attitude of Gratitude; Transform Your Inner Critic Into Your Inner Coach; Stay Motivated with the Masters; Transcend Your Limiting Beliefs; and more.
- Success Is a Verb- Take Action; Feel the Fear and Do It Anyway; Use Feedback to Your Advantage; Slow Down to Go Faster; Commit to Never-Ending Improvement; Reject Rejection; Practice Persistence; Practice the Rule of 5; and more.
- Building Successful Relationships- Drop Out of the 'ain't it awful' Club; Practice Uncommon Appreciation; Be Hear Now; Speak with Impeccability; Tell the Truth Faster; Keep Your Agreements; Forgive and Move On; Treat Everyone with Respect; Create Win-Win Solutions; Trust in Trust
- Success & Money- Spread the Wealth Around; Pay Yourself First; Fund Your Future; Master the Spending Game; Give More to Get More; Find a Way to Serve
- Becoming a Success Warrior- Practice Radical Awareness; Maintain the Witness Position; Inquire Within; Become a Spiritual Warrior; Create Reservoirs of Boundless Energy; Make Room for REM; De-Stress for Success
- Success Starts Now- Go For It!; Empower Yourself by Empowering Others

Filled with memorable and inspiring stories of CEO's, world-class athletes, celebrities, and everyday people, The Success Principles will give you the courage and the heart to start living the principles of success today. Go for it!

Atomic Habits

Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that

How To Download eBook Action Nothing Happens Until You Take

is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

Matched

In this timeless classic, Robert Ringer, "the mentor to mentors," guides you on the most exciting and rewarding journey of your life with his life-changing ideas, strategies, and insights. Whether it be your business or personal life, Ringer helps you understand the realities of how the world really works as opposed to how others might like you to believe it works so they can use you to get what they want. Most important, this legendary author writes from the vantage point of someone who has been in the tribulation trenches and not only survived, but prospered. And in his trademark, satirical style, he does it in a way that is not only practical, but both entertaining and easy to understand. Simply put, there has never been a single source of workable wisdom to equal that contained in Looking Out for #1. And because human nature and universal laws never change, Robert Ringer's philosophy is as relevant today as it was when this landmark book was first published. Read Looking Out for #1 today and join the millions of people in all walks of life who have discovered the true path to purpose, prosperity, and peace of mind by tapping into Robert Ringer's treasure chest of profound knowledge and wisdom.

Unlock your innate entrepreneurial talents, take rewarding risks, and launch and run a successful business The Entrepreneurial Instinct explains that entrepreneurial success is not the result of education, IQ, access to capital, or even an earth-shattering business plan. Instead, it comes from the

How To Download eBook Action Nothing Happens Until You Take

instincts that enable entrepreneurs to take risks for gain and utilize adaptable action-oriented business planning. The Entrepreneurial Instinct shows you how to tap into your innate abilities to become a financially successful entrepreneur. Monica Mehta is a Managing Principal at Seventh Capital, a New York-based investment firm where she is actively involved with the day-to-day operations of portfolio companies.

The Success Principles(TM) - 10th Anniversary Edition

#1 NEW YORK TIMES BESTSELLER * "The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon."--Andrew Solomon, author of The Noonday Demon With a new afterword It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible--food shortages, refugee emergencies, climate wars and economic devastation. An "epoch-defining book" (The Guardian) and "this generation's Silent Spring" (The Washington Post), The Uninhabitable Earth is both a travelogue of the near future and a meditation on how that future will look to those living through it--the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. The Uninhabitable Earth is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation--today's. Praise for The Uninhabitable Earth "The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet."--Farhad Manjoo, The New York Times "Riveting. . . . Some readers will find Mr. Wallace-Wells's outline of possible futures alarmist. He is indeed alarmed. You should be, too."--The Economist "Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the 'eerily banal language of climatology' in favor of lush, rolling prose."--Jennifer Szalai, The New York Times "The book has potential to be this generation's Silent Spring."--The Washington Post "The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book."--Alan Weisman, The New York Review of Books

Death of a Salesman

How To Download eBook Action Nothing Happens Until You Take

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

How To Win Friends And Influence People

Achieve "Massive Action" results and accomplish your business dreams! While most people operate with only three degrees of action—no action, retreat, or normal action—if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of "Massive Action,"

How To Download eBook Action Nothing Happens Until You Take

allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the "Estimation of Effort" calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule, remove luck and chance from your business equation, and lock in massive success.

A Civil Action

With an enduring grasp of human nature, Dale Carnegie's How to Win Friends and Influence People teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's How to Win Friends and Influence People, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

The 5 Second Rule

Celebrate Earth Day with Dr. Seuss and the Lorax in this classic picture book about protecting the environment! I am the Lorax. I speak for the trees. Dr. Seuss's beloved story teaches kids to speak up and stand up for those who can't. With a recycling-friendly "Go Green" message, The Lorax allows young readers to experience the beauty of the Truffula Trees and the danger of taking our earth for granted, all in a story that is timely, playful and hopeful. The book's final pages teach us that just one small seed, or one small child, can make a difference. Printed on recycled paper, this book is the perfect gift for Earth Day and for any child-or child at heart-who is interested in recycling, advocacy and the environment, or just loves nature and playing outside. Unless someone like you cares a whole awful lot, nothing is going to get better. It's not. "Pretty much all the stuff you need to know is in Dr. Seuss."
-President Barack Obama

Getting what You Want

The #1 New York Times bestseller. Over 1 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; and much more. Atomic

How To Download eBook Action Nothing Happens Until You Take

Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Daily Stoic

The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen.

Nothing Lasts Forever (Basis for the film Die Hard)

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster Die Hard. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed - all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight to the death. Ho ho ho!

The author shares his insights into achieving success in every area of life--from business and financial security to romance.

Across the River and Into the Trees

• More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH - LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

The Lorax

How To Download eBook Action Nothing Happens Until You Take

M?ric Casaubon's famous 1634 translation of Meditations was the first English version of the Stoic masterwork to be reprinted many times because of its widespread popularity. The Shakespearean language has been called difficult by modern standards but the poetic Elizabethan prose greatly enhances this deeply spiritual work. Aurelius is no less eloquent or articulate than in later versions and the power of his thoughts and ideas are beautifully conveyed.

The Obstacle is the Way

In candid terms the book explains what intimidation is, why you become intimidated, and how you can avoid the mental lapses that can cause even the most successful people to sometimes fall victim to intimidation.

On the Journey to Achievement

Make success the habit of a lifetime. In Million Dollar Habits, bestselling author Robert Ringer has done it again. He has shattered the mold of tradition-bound ideas and designed a winning new philosophy to be used every day. Inside this get-tough-with-yourself guide, you'll find the simple but vital habits that can change your outlook and lead to big results—personally, professionally, and financially. You'll learn: The Reality Habit: Recognize what is real in your life, and take the first step toward making your dreams come true. The Attitude Habit: Recognize that you are in control. Things don't happen to you, you make things happen. The Present Living Habit: Recognize that happiness is not a goal in your life, but a state of mind. Strive for a better future, but live for today. With Robert Ringer coaching you, these and dozens of other million dollar habits will be yours in no time. And before you know it, you'll be turning negatives into positives, and turning your life around without even thinking twice!

The City of Ember

Willy Loman has been a salesman all his life, but at sixty he is forced to take stock of his life and face its futility and failure. His predicament gives him heroic stature in this modern-day tragedy.

The Uninhabitable Earth

Reframing advice from icons throughout history, including Ulysses S. Grant, Amelia Earhart and Steve

How To Download eBook Action Nothing Happens Until You Take

Jobs, for today's world, this motivational guide shows readers how to overcome obstacles and turn them into advantages.

The ONE Thing

This true story of an epic courtroom showdown, where two of the nation's largest corporations were accused of causing the deaths of children from water contamination, was a #1 national bestseller and winner of the National Book Critics Circle Award. Described as “a page-turner filled with greed, duplicity, heartache, and bare-knuckle legal brinkmanship by The New York Times, A Civil Action is the searing, compelling tale of a legal system gone awry—one in which greed and power fight an unending struggle against justice. Yet it is also the story of how one man can ultimately make a difference. Representing the bereaved parents, the unlikeliest of heroes emerges: a young, flamboyant Porsche-driving lawyer who hopes to win millions of dollars and ends up nearly losing everything, including his sanity. With an unstoppable narrative power reminiscent of Truman Capote's In Cold Blood, A Civil Action is an unforgettable reading experience that will leave the reader both shocked and enlightened. A Civil Action was made into a movie starring John Travolta and Robert Duvall. From the Trade Paperback edition.

The Entrepreneurial Instinct: How Everyone Has the Innate Ability to Start a Successful Small Business

During World War II, Colonel Richard Cantwell, an American soldier, falls in love with a young Italian countess in Venice

Things Fall Apart

From the team that brought you The Obstacle Is the Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno,

How To Download eBook Action Nothing Happens Until You Take

Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

How You Can Find Happiness During the Collapse of Western Civilization

In this first book of a new illustrated middle grade series by a #1 New York Times bestselling author, Marc learns to become a Warrior Kid after his uncle Jake, a Navy SEAL, comes to stay for the summer.

To be Or Not to be Intimidated?

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Good to Great

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven

times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

Million Dollar Habits

One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, *Things Fall Apart* is the compelling story of one man's battle to protect his community against the forces of change Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave,

kind, human spirit' John Updike With an Introduction by Biyi Bandele

The Purpose Driven Life

Stop Procrastinating Get More of the Important Things Done—Today! There just isn't enough time for everything on our to-do list—and there never will be. Successful people don't try to do everything. They learn to focus on the most important tasks and make sure those get done. They eat their frogs. There's an old saying that if the first thing you do each morning is eat a live frog, you'll have the satisfaction of knowing you're done with the worst thing you'll have to do all day. For Tracy, eating a frog is a metaphor for tackling your most challenging task—but also the one that can have the greatest positive impact on your life. *Eat That Frog!* shows you how to organize each day so you can zero in on these critical tasks and accomplish them efficiently and effectively. In this fully revised and updated edition, Tracy adds two new chapters. The first explains how you can use technology to remind yourself of what is most important and protect yourself from what is least important. The second offers advice for maintaining focus in our era of constant distractions, electronic and otherwise. But one thing remains unchanged: Brian Tracy cuts to the core of what is vital to effective time management: decision, discipline, and determination. This life-changing book will ensure that you get more of your important tasks done—today!

The Curious Incident of the Dog in the Night-Time

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.
