Large Address Book

With lively, and instantly recognisable illustrations from Quentin Blake, and quotes from the phenomenally successful Roald Dahl classics, there can be no better way to keep track of your friends and family than with the utterly wondercrump Roald Dahl address book. The book is tabbed throughout with two letters per section. Each section is introduced with a quote about the home of a famous Dahl character. Can you guess who lives here: 'As soon as he was inside, he stopped and turned and rolled the great stone back into place so that the entrance to his secret cave was completely hidden from outside.' (Hint: it's a Giant secret cave!) The layout is designed to be clear and user-friendly, with plenty of space for details, including mobile and email. There are also pages to ensure that you never forget the birthdays of your Glamourly Friends or Whooshey Relations, or the addresses of any of your favourite places to visit - scrumdiddlyumptious shops and propsposterous places alike! The address book will form a fantastic companion volume for the Roald Dahl diary, but also works just as well as a stand-alone product.

Celestial Large Address Book

Address Book

Address books allow easy access to your friends, family, business associates and others by maintaining their email and other contact and there's nothing quite like a traditional address book to store all those precious contacts. Here are reasons for you to get one: VERSATILE USE - There's a lot you can store in this journal aside from your Contacts and Addresses. Add in their Home, Mobile, Work/Fax Numbers with Space For Notable Dates like Birthdays.USEFUL & CONVENIENT - Simple and convenient, this log book design allows for easy filling out of information with enough space for writing.A NOTEBOOK BUILT TO LAST- The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use.WELL-CRAFTED INTERIOR- We used only thick, white paper to avoid ink bleed-through. The columns are clearly marked to make it easy to fill out and to cross reference.PERFECT SIZE- With its 15.24 x 22.86 cm (6" x 9") dimensions, you can squeeze it into a purse with ease. It's easier to transport, the perfect size-easy to carry!COOL COVERS!- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Store all correspondence details of your friends and family in one secure and reliable place, and enjoy referencing them in one of our beautifully-designed address books. Get one today!

Kiss Me, Kate

Finalist for the 2020 Kirkus Prize for Nonfiction | One of Time Magazines's 100 Must-Read Books of 2020 | Longlisted for the 2020 Porchlight Business Book Awards "An entertaining quest to trace the origins and implications of the names of the roads on which we reside." □Sarah Vowell, The New York Times Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, The Address Book illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.

Shit I Can't Remember

With El Capitan, Apple brings never-before-seen features to OS X—like a split-screen desktop, improved window controls, and amazing graphics. The new edition of David Pogue's #1 bestselling Mac book shows you how to use key new features such as swiping gestures, Notes, a new Spotlight search system, the Safari pinning feature, and Split View. Missing Manuals creator David Pogue is one of the most widely recognized technology authors in the world. A former New York Times technology columnist, he founded and now produces videos for Yahoo Tech.

Marble Address Book

At first it seemed impossible - a radio signal that came not from Earth but from far beyond the nearest stars. But then the signal was translated, and what had been impossible became terrifying. For the signal contains the information to build a Machine that can travel to the stars. A Machine that can take a human to meet those that sent the message. They are eager to meet us: they have been watching and waiting for a long time. And now they will judge.

Password Log Book

Waisting time on finding contact information of our friends We wrote addresses of our friends in a notebook, but when we need to find one, we couldn't find it immediately. We had to flip pages on one by one, one by one, back and forth. However, we still couldn't find the information we needed because the information is unorganized. That's why we need to use an address notebook with alphabetical sections. This address organizer is 6 x 9 inches, large, . It contains more slots to write address information and large enough for large print There are 157 pages in this address notebook. The book contains areas to fill-in contact information - name / address / phone / email / birthday / notes, 5 sets per page. Each area for address comes with two blank lines to write in so that you can jot down the information more comfortably with plenty of room. The interior of the book is also presented in alphabetical order, A to Z respectively, each letter for 4 pages. You can have just a glance on a page to see which A-Z section you are at. The alphabetical sections are carefully designed to present a stylish appearance with large text. In short, it's beautiful, neat and easy to look
