Paddling Alaska

"The Alaska River Guide" offers the most up-to-date, authoritative information for planning every kind of trip, from a mellow float on an urban river to a month-long expedition on a river with a variety of recreational challenges. More than 90 trip possibilities Let you plan an Alaska river trip suitable for beginners and families or for experienced whitewater kayakers.

A Canoeing and Kayaking Guide to Kentucky

The New River is one of the most changeable and fickle rivers on the East Coast--and also one of the most beautiful and rewarding. It attracts anglers, canoeists, kayakers, rafters, bird watchers, rock climbers, and those who simply enjoy the great outdoors. The New River Guide provides an indispensable overview of this untamed and scenic waterway as it winds through three states, including the bucolic South Fork in North Carolina, the ridges of Virginia, and the gorges of West Virginia. Both casual and hardcore anglers will learn of the best places to fish for smallmouth bass. Canoeists will find the most enticing sections to paddle, whether they prefer placid stretches or white water. Rafters and kayakers headed for Class IV rapids in the New River Gorge will find The New River Guide a must-read. This new edition for 2015 includes updated and expanded information on favorite float trips, fishing spots, access points, bass lines and lures, and river guides and other resources.

Chattooga River where he worked as a whitewater stuntman during the filming of Deliverance and later accompanied Jimmy Carter in running the most feared rapids on that river. Be it a first descent of a thundering falls or an extended wilderness journey to a remote corner of the earth, Woodward brings the experience to life with insight, humor and remarkable accuracy of detail.

Alaska

An inspirational bucket list for anyone interested in rafting, kayaking, or canoeing--from armchair traveler to recreational paddler to hard-core white-water enthusiast. From the Penobscot to the Potomac, the New to the Suwannee, the Colorado to the Snake, America's Great River Journeys entices people to experience America from its free-flowing waterways. Vivid descriptions of our nation's fifty finest river trips are complete with stunning photos of each leg of each journey, an engaging narrative, and practical tips about the length of trips, seasonal preferences, difficulty of white water, joys of camping along the shores, availability of professional outfitters, and other details. Through beautiful photography and compelling writing, America's Great River Journeys is a celebration of the best rivers for canoeing, kayaking, and rafting--from Alaska to Florida--along 7,000 miles of our nation's spectacular waterways in twenty-eight states.

America's Great River Journeys

Kayaking the Inside Passage

The James River is Virginia's premier river for recreation, and The James River Guide is the key to enjoying it, whether you are an angler, kayaker, rafter, or bird watcher. Twenty-nine locator maps provide vital information on the river, all the way from its headwaters near Iron Gate to the dramatic fall line at Richmond. The longest river in the Old Dominion, the James offers some of the best smallmouth bass fishing in the state. Spring blossoms, fall color, and the fascinating history of the batteaux era's canals lend the James a unique charm. There is something for everyone. River runners will face everything from placid stretches of calm water to white-water rapids that should only be tackled by the most experienced paddler. This new edition for 2015 includes updated and expanded information on favorite float trips, including new coverage of the marvelous Maury River, the main tributary of the Upper James; favorite fishing spots; updated access points; classic fishing lures; and directories of river guides and other resources.

When Jana becomes withdrawn after her mother's death, her grandfather helps her learn to cope with the loss.

A Canoeing and Kayaking Guide to the Ozarks

How To Download eBook Alaska River Guide Canoeing Kayaking And Rafting In The Last Frontier Canoeing Kayaking Guides Menasha

Canoeing & Kayaking West Virginia is the definitive guide to whitewater in the Mountain State. More than 40 years after the initial printing, this book continues to bring paddlers the best of West Virginia's waters: from classics rivers, such as the Gauley, the New, and the Tygart, to steep creeks like North Fork of Blackwater and Meadow River. At-a-glance information for each river section helps boaters pick rivers to match their ability and current weather conditions, while river descriptions, gauge and shuttle route information provide additional critical information. Whether boating in kayaks, canoes, or sit-on-tops, paddlers will find more than enough rivers to fit their interest or skill level. In addition, literary interludes scattered throughout each book will invoke the spirit of paddling, encouraging readers' contemplation of past and future trips. Appendices include websites, gauge information, and safety information, making this book a valuable resource in planning out the next trip.

New River Guide

In the heartland of America rise the Ozark Mountains, teeming with cascading, free-flowing streams. Situated astride the Missouri/Arkansas border, the Ozarks represent a canoeing and kayaking wonderland. Still a comprehensive, accurate and readable guide, but now with a new design and format, A Canoeing & Kayaking Guide to the Ozarks (formerly Ozark Whitewater) catalogs the varied rivers of the region. Inside are updated descriptions of all the classic rivers, including the Buffalo National and Little Missouri, as well as exciting new reports of today's steep creek runs: Bryant, Turkey, and many others. This guide is the definitive sourcebook for Ozark river sport.

A Guide to Paddling in the Yukon

Paddle-to-the-Sea

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the

How To Download eBook Alaska River Guide Canoeing Kayaking And Rafting In The Last Frontier Canoeing Kayaking Guides Menasha

allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

Never Turn Back

A Complete Guide to Float Hunting Alaska

Based on an Athabascan Indian legend passed along for many generations from mothers to daughters of the upper Yukon River Valley in Alaska, this is the suspenseful, shocking, ultimately inspirational tale of two old women abandoned by their tribe during a brutal winter famine. Though these women have been known to complain more than contribute, they now must either survive on their own or die trying. In simple but vivid detail, Velma Wallis depicts a landscape and way of life that are at once merciless and starkly beautiful. In her old women, she has created two heroines of steely determination whose story of betrayal, friendship, community and forgiveness "speaks straight to the heart with clarity, sweetness and wisdom" (Ursula K. Le Guin).

Alaska on the Go

The only guide to feature the destinations in Alaska accessible by rail, car and ferry written by an author who grew up in Alaska and continues to live there today.

Packrafting

Fully updated and revised, this guide is the perfect introduction to hiking the great state of Alaska, with millions of acres of wilderness waiting to be explored. Wherever Waters Flow

With approximately 54,000 miles of streams and rivers, Kentucky has more miles of running water than any state except Alaska. Wet your paddling blade and whet your paddling appetite with the authority on paddling the waterways of Kentucky—A Canoeing & Kayaking Guide to Kentucky. Researched and written by veteran outdoor writers and paddlers Bob Sehlinger and Johnny Molloy, A Canoeing & Kayaking Guide to Kentucky is as vital to enjoying Kentucky's waterways as the boat itself. From the coal fields of Eastern Kentucky to Kentucky's western border along the Mighty Mississippi, this redesigned and completely updated guide to paddling the creeks, rivers, and coastal waterways of the Bluegrass State covers thousands of miles of paddling that range in difficulty from scenic floats down the Cumberland to whitewater runs of the Russell Fork. New maps, new river profiles, completely updated contact information, at-a-glance data that includes class, length, time, gauge, level, gradient, volume, and ratings for solitude and scenery make this guide an indispensable river companion.

Fast and Cold

More than 65 of the best paddling trips in the region are detailed in this guidebook.

Float Hunting Alaska's Wild Rivers

Don't Be Left Up a River... Without a PackraftPackrafts are lightweight, inflatable boats that can be carried in a backpack, on a bicycle or in a duffel bag. These compact, tough personal watercrafts are used to float rivers, run rapids, cross lakes, and even drop waterfalls, often as part of a broader wilderness expedition that includes backpacking. Packrafting is rapidly gaining in popularity, with increasingly varied options for gear, ranging by size, cost, and function. With the number of guided packrafting trips on the rise, this is the perfect book for the beginner interested in the up-and-coming sport.

Paddling the Yukon River and its Tributaries

Written with R. M. Patterson's characteristic sharp wit and observation, this classic tale chronicles the year he spent battling frigid temperatures and wild waters along the Nahanni River in Canada's Northwest Territories. Patterson originally travelled to the North with hopes of finding gold, and clues to the mysterious disappearance of earlier prospectors. Instead, he fell in love with the landscape, and through his meticulously recorded journals and hauntingly beautiful photographs he introduced the now-famous Nahanni River to the world. Patterson's bestselling first book is now back in print and ready to take readers down the treacherous and challenging waters of the Nahanni River once again.

Hiking Alaska

A comprehensive guide to seventy-nine routes. The author's anecdotes are thoroughly riveting.

Alaska River Guide

Nearly two million people visit Alaska every year, drawn to its spectacular views and endless activities. But with such size and so many options, it can seem overwhelming when it comes to planning a family vacation to the 49th state. The best place to start? With a local, of course. Journalist and Alaska resident Erin Kirkland knows every corner of the state, and she has crossed thousands of miles with her son. In *Alaska on the Go*, she offers a fresh take on exploring some of the most beautiful land in the world, with tips and tricks that only an insider knows. Serving as the perfect tour guide, Kirkland identifies the best and most kid-friendly destinations in cities across Alaska. She offers practical advice on everything from restaurants to rest stops and from weather surprises to wild animals. Photos, maps, and sample itineraries make it easy for parents to plan a trip that will delight and entertain everyone. The only family travel guide to Alaska written by a current Alaskan, *Alaska on the Go* makes the state more accessible than ever. Whether traveling via car, cruise ship, or dogsled, this practical, portable guide will open up a new world of memorable adventures.

Canyons and Ice

Presents the story of a sled dog named Granite, who became deathly ill, but recovered to become lead dog for Susan Butcher as she raced the one-thousand-mile Iditarod race in Alaska.

The Alaska River Guide

Montana's rivers hold a wealth of riches, and *Paddling Montana*, fully updated and revised, features over thirty river trips for avid paddlers, floaters, and anglers. History buffs can follow the routes of Lewis and Clark along the Missouri, the Jefferson, the Beaverhead, and the Bitterroot. Whitewater enthusiasts can head for the Gallatin or the Madison's Beartrap Canyon. Look inside to find: Full-color photos GPS coordinates Detailed river descriptions Maps showing access points and river miles Level of difficulty, optimal flows, rapids, and other hazards Who to call for up-to-the minute information on floating conditions A brief overview of Lewis and Clark's historic paddle through Montana For more than twenty-five years, FalconGuides® have set the standard for outdoor guidebooks. Written by top experts, each guide invites you to experience the adventure and beauty of the outdoors.

Kayak Girl

The rich tapestry of Alaska is threaded together by 365,000 miles of waterways, from cascading mountain streams to meandering valley rivers, from the meltwaters of glaciers to broad rivers that empty into the sea. This guide profiles a wide variety of rivers from all over Alaska,

How To Download eBook Alaska River Guide Canoeing Kayaking And Rafting In The Last Frontier Canoeing Kayaking Guides Menasha

concentrating on trips for intermediate boaters, and including a few major expeditions for the experienced river-runner. A section on gear outlines what to take into the backcountry.

Paddling Northern California

Paddling the Yukon River and its Tributaries covers more than 4,000 miles of watery trail. The Yukon, Tanana, Porcupine, Koyukuk, and Kuskokwim Rivers are the five longest rivers in Alaska, extending into the Yukon Territory. This water flows freely, almost entirely undammed. Salmon surge against current. Moose, bears, and wolves wander the banks. Birds swarm in spectacular density. Roads rarely cross. Many residents live a subsistence lifestyle. No permits are required to be here. These channels are a natural path through the last large wilderness in North America. Paddling the Yukon River and its Tributaries approaches journeys of this magnitude like a through-hiker on the Appalachian Trail, but with a canoe or kayak. Each river is described from beginning to end, detailing access points, resupply options, and navigation tips throughout the flow. There are 35 original maps. Although the approach assumes long voyages, information is supplied for a range of trip lengths. Anything from an afternoon to a weekend to a week to a two-month float is possible. Paddling the Yukon River and its Tributaries is the only guide book to paddling the entire Yukon River from beginning to end.

Alaska Paddling Guide

"In Canyons and Ice, Kaylene Johnson recounts the adventures of Dick Griffith, who has undertaken a series of remarkable wilderness journeys across Alaska, Canada, Mexico, and the American West over the past six decades. On at least one of these trips he barely survived. Stoical, utterly self-reliant, and attracted by challenges of immense scale, Griffith brings to mind heroic figures of an earlier, less craven era -- stalwart individuals like Shackleton, Amundsen, Nansen, and Stefansson who explored some of the least hospitable places on earth without benefit of GPS, Gore-Tex, or the possibility of rescue. Unlike most of his celebrated antecedents, however, Griffith's motives for seeking a life of risk and hardship had nothing to do with a desire for wealth or prestige. As this gripping and inspiring book explains, Griffith is simply afflicted with an irresistible inclination to attempt what others say can't be done. When asked what possesses a man to repeatedly strike out alone across hundreds of miles of rugged, lonely country, he replies, Every so often, it's just time to walk."--P. [4] of cover.

James River Guide

The Inside Passage is something of a holy grail for contemporary sea kayakers. It is without question the most scenic and challenging paddling trip in North America. Revised with route updates, map improvements, and stunning color photography, Kayaking the Inside Passage will aid kayakers in planning paddling trips on the rugged Pacific artery that runs along the western edge of North America. Robert Miller has traversed these waters for decades and created this inimitable guide to kayaking the entire 1,300-mile length of the Inside Passage along one select route with some alternate variations. No other paddling guide covers the entire length of the Inside Passage. Miller

How To Download eBook Alaska River Guide Canoeing Kayaking And Rafting In The Last Frontier Canoeing Kayaking Guides Menasha

includes complete historical and natural background, along with proficiency and equipment recommendations. Paddlers will get the most out of their experience with the advice and hard-won insight of a seasoned veteran.

Two Old Women

In Paddling Alaska, you can drive to all the lakes and rivers described in this guide. This fact might sound unremarkable, but Alaska is mostly wilderness, with few highways. This is the first guidebook to organize journeys in this manner.

Moon Alaska

Remote, wild, and all-around otherworldly, Alaska promises unforgettable adventure. Discover the heart of "The Last Frontier" with Moon Alaska.
