Spirit of Place: Artists, Writers & The British Landscape

The Breath of Life

Lyrical and compelling, Spirit of Place examines the British landscape as it's portrayed in literature and art. English landscape painting is often said to be an eighteenth-century invention, yet when we look for representations of the countryside in British art and literature, we find a story that begins with Old English poetry and winds its way through history, all the way up to the present day. In Spirit of Place, Susan Owens illuminates how the British landscape has been framed, reimagined, and reshaped by generations of creative thinkers. To offer a panoramic view of the countryside throughout history, Owens dives into the work of writers and artists from Bede and the Gawain Poet to Thomas Gainsborough, Jane Austen, J. M. W. Turner, and John Constable, and from Paul Nash and Barbara Hepworth to Robert Macfarlane. Richly illustrated, including manuscript pages, early maps, paintings, film stills, and photographs, Spirit of Place is a compelling narrative of how we have been shown the British landscape.

“The Way of Peace” is an early self-help book by British writer James Allen. Self-help books aim to help the reader with problems, offering them clear and effective guidance on how obstacles can be passed and solutions found, especially with regard to common issues and day-to-day life. Such books take their name from the 1859 best-selling “Self-Help” by Samuel Smiles, and are often also referred to as "self-improvement" books. This particular self-help book concentrates on attaining inner peace and will be of considerable utility to those looking for life guidance in this respect. James Allen (1864–1912) was a British writer most famous for his inspirational poetry and work, as well as an early leader of the self-help movement. “As a Man Thinketh” (1903), his best known work, has been a significant source of inspiration for many self-help authors. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with an Essay from Within You is the Power by Henry Thomas Hamblin.
