New York Times Bestseller The Trump administration is remaking the government. It's Even Worse Than You Think: What the Trump Administration Is Doing to America tells us exactly how it is making America

## Read Free And The Last Trump Shall Sound

worse again. Bestselling author and longtime Trump observer David Cay Johnston shines a light on the political termites who have infested our government under the Trump Administration, destroying it from within and compromising our jobs, safety, finances, and more. No journalist knows Donald Trump better than David Cay Johnston, who has been following him since 1988. It's Even Worse Than You Think: What the Trump Administration Is Doing to America goes inside the administration to show how the federal agencies that touch the lives of all Americans are being undermined. Here is just some of what you will learn: The Wall. Mexican President Enrique Pena Nieto told President Trump that Mexico will never pay for the border wall. So, Trump is proposing putting a tariff on Mexican imports. But a tariff will simply raise the price of Mexican goods in the US, meaning American consumers will end up paying for the wall—if it ever gets built. Climate Change. Welcome to the new EPA, run by Scott Pruitt, a lawyer who has spent much of his career trying to destroy the agency he now heads. Secrecy reigns at the new EPA because Pruitt meets with industry executives to find out which clean air and clean water provisions they most want to roll back, and keeps staffers in the dark to make sure these pro-pollution plans don't leak prematurely. Stocking the Swamp. Contrary to his promise to "drain the swamp" in Washington, DC, Trump has filled

## Read Free And The Last Trump Shall Sound

his cabinet with millionaires and billionaires, from Treasury Secretary Steven Mnuchin, a Goldman Sachs and hedge fund veteran who made much of his fortune foreclosing on homeowners to billionaire heiress Education Secretary Betsy DeVos, who has already put the interests of bankers ahead of debt-burdened students and their families. The Kleptocracy. Under Donald Trump conflict of interest is passé. When Trump isn't in Washington, he stays at one of his properties, where the taxpayers pick up the tab for staffers, Secret Service, and so on, all at full price. And back in Washington, everyone now knows that the Trump International Hotel is the only place to stay if you want to do business with the administration. Meanwhile sons Donald Jr. and Eric run an eyes-wide-open blind trust of Trump holdings to avoid the appearance of conflict of interest—but not the reality.

President Trump's Washington, dishing the hilarious and frightening dirt on the charlatans, conspiracy theorists, ideologues, and run-of-the-mill con artists who have infected the highest echelons of American political power. For the past three years, reporting from the White House, the Trump hotel, and other dens of intrigue and influence, Lachlan Markay and Asawin Suebsaeng have revealed the sordid shenanigans of a rogue's gallery of Trumpworld incompetents and improbable A-listers -- earning them angry denunciations (or at least some vexed side-eye) from Trumpists such as the actor Jon Voight and Trump's former campaign czar and renowned obfuscator Corey Lewandowski as well as requisite threats of physical violence and ruin. Sinking in the Swamp will similarly pull no punches. Everyone from assorted Trump family members to Stephen Miller, Sean Hannity, and Diamond & Silk to Trumpworld's even more obscure accomplices will be plumbed, prodded, and exposed for their roles in the most shambolic moment in modern American political history. When they go low, Swin and Lachlan are right there with them, recorders running and notebooks at the ready. Sinking in the Swamp is an uncompromising account of the financial and moral degradation of our capital, told with righteous indignation and through the lens of key power players and foot soldiers whose own antics have often escaped the notice of the

overworked press corps. As the 2020 election approaches, this page-turning, letting-it-all-hang-out narrative shows how the nation got to this nadir, tracing the story back to years before Trump's improbable run for the White House and cataloguing the stomach-turning moments that followed.

### **The Mueller Report: Report on the Investigation into Russian Interference in the 2016 Presidential Election**

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

## **A Different Flesh**

New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of Days—and a discovery in the Middle East that turns the world upside down. What would happen if the ancient prophecy of the End of Days came true? It is certainly the last thing Eric Katz, a secular archaeologist from Los Angeles, expects during what should be a routine dig in Jerusalem. But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America, a dirty bomb is detonated in downtown Tel Aviv, and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount. There, Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again. Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events, and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny? But as to what that force desires . . . well, that is the question.

## **A Very Stable Genius**

Set in the fictional town of Castle Rock,

## Read Free And The Last Trump Shall Sound

Maine A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting mankind—a “compulsive page-turner” (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people's futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With “powerful tension that holds the reader to the story like a pin to a magnet” (The Houston Post), *The Dead Zone* is a “faultlessly paced...continuously engrossing” (Los Angeles Times) novel of second sight.

### **Alternative Truths**

A near-future 'alternate history,' *And the Last Trump Shall Sound* is a series of three stories detailing our future as a divided nation. A politically fractured nation watches as the Republicans solidify their hold over the US with a series of electoral victories and judicial appointments. Mike Pence leads the country, succeeding Donald Trump as the flag-bearer of an increasingly

## Read Free And The Last Trump Shall Sound

populist movement. There are parts of the country, however, that cannot abide by what they view as a betrayal of the nation's founding principles. At what point do these communities break down and the unthinkable suddenly becomes the only possible solution. Harry Turtledove, James Morrow, and Cat Rambo give us three novellas, each following the other, describing the frightening possible consequences of our increased polarization

### **How to Think Like Shakespeare**

A New York Times Bestseller and #1 Wall Street Journal Bestseller! LET TRUMP BE TRUMP: THE INSIDE STORY OF HIS PRESIDENCY is the ultimate behind-the-scenes account of how he became President of the United States. Donald Trump was a candidate, and now a president, like none that have come before. His startling rise to the White House is the greatest political tale in the history of our republic. Much has been written about this once-in-a-millennial event but all of those words come from authors outside the orbit of Donald Trump. Now, for the first time, comes the inside story. Written by the guys in the room-two of Trump's closest campaign advisors-Let Trump Be Trump is the eyewitness account of the stories behind the headlines. From the Access Hollywood recording and the Clinton accusers, to Paul Manafort, to the last-moment comeback and a victory that reads like

## Read Free And The Last Trump Shall Sound

something out of the best suspense novel, *Let Trump Be Trump* pulls back the curtain on a drama that has mesmerized the whole world—including the palace intrigues of the Mooch, Spicer, Preibus, Bannon, and more. By turns hilarious and intimate, *Let Trump Be Trump* also offers a view of Donald Trump like you've never seen him, the man whose success in business was built not only on great skill but on loyal relationships and who developed the strongest of bonds with the band of outsiders and idealists who became his team because they believed in him and his message. Written by Trump's campaign manager, the fiery Corey Lewandowski, and Dave Bossie, the consummate political pro and the plaintiff in the famous Citizens United Supreme Court case who helped steer the last critical months of the Trump campaign, *Let Trump Be Trump* is destined to be the seminal book about the Trump campaign and presidency.

lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, *Never Give Up* will help you deal with your own personal challenges, failures, and weaknesses.

### **The Jefferson Bible**

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

### **Alternate Peace**

\*io9's New Sci-Fi and Fantasy Books You Need to Put On Your Radar This Fall From the modern master of alternate history and New York Times bestselling author Harry Turtledove, *Through Darkest Europe* envisions a world dominated by a prosperous and democratic Middle East—and under threat from the world's worst trouble spot. Senior investigator Khalid al-Zarzisi is a modern

## Read Free And The Last Trump Shall Sound

man, a product of the unsurpassed educational systems of North Africa and the Middle East. Liberal, tolerant, and above all rich, the countries and cultures of North Africa and the Middle East have dominated the globe for centuries, from the Far East to the young nations of the Sunset Lands. But one region has festered for decades: Europe, whose despots and monarchs can barely contain the simmering anger of their people. From Ireland to Scandinavia, Italy to Spain, European fundemantalists have carried out assassinations, hijackings, and bombings on their own soil and elsewhere. Extremist fundamentalist leaders have begun calling for a "crusade", an obscure term from the mists of European history. Now Khalid has been sent to Rome, ground zero of backwater discontent. He and his partner Dawud have been tasked with figuring out how to protect the tinpot Grand Duke, the impoverished Pope, and the overall status quo, before European instability starts overflowing into the First World. Then the bombs start to go off. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

## Read Free And The Last Trump Shall Sound

NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER USA TODAY BESTSELLER "'BLITZ, Trump Will Smash the Left and Win', by David Horowitz. Amazon #1 Bestseller. Hot book, great author!" – President Donald J. Trump

BUCKLE UP–2020 WILL BE THE POLITICAL RIDE OF YOUR LIFE! IN NOVEMBER TRUMP WILL SMASH THE LEFT AND WIN! “We love David Horowitz. He thinks Trump is gonna win in a landslide in November, and he gives reasons why in the book, and he says Republicans are gonna be singing 'Happy Days Are Here Again' once November comes and the election is over and the votes are counted.” – Rush Limbaugh “He is one of the bravest guys. He found the real intent [of the Left] was to control America. He has never, ever sat down. A true national treasure.” – Glenn Beck “If you’re interested in debating deranged liberals with facts, you won’t want to miss this latest book.” – Donald Trump, Jr. “BLITZ is a MUST-read for those who want to better understand what is really happening in the ‘idea war’ for the soul of America.” – Governor Mike Huckabee

BLITZ reveals the attacks made against Trump have been the most brutal ever mounted against a sitting president of the United States. Blinded by deep-seated hatred of his person and his policies, the left even desperately tried to oust Trump in a failed impeachment bid. Horowitz shows that their very attacks–targeting a man whose mission has been to “Drain the Swamp” and “Make America Great Again” backfired, turning Trump

## Read Free And The Last Trump Shall Sound

himself into a near martyr while igniting the fervor of his “base.” With the 2020 election upon us, New York Times bestselling author David Horowitz chronicles the brutal battles, bitter backlash, and leftwing lies Trump has faced as Democrats repeatedly try to sabotage his presidency. You’ll discover the left’s terrifying socialist and, in some cases, communist agendas as you’ve never seen them before. Trump’s response? In the meantime, he’s going to steamroll this opposition in November using the same playbook he has used to win before. In BLITZ you will find shocking revelations: The 9 biggest dangers to America the left poses—their agenda will blow your mind. Show me the money: naming the billionaires and fat cats really out to get Trump. How patriotism suddenly became “white nationalism” linking Trump to Hitler and the KKK . The growing secularism of the left and how the hate pushed against Christians will backfire. Why every effort to demonize Trump and his supporters is failing like crazy. Obama’s agenda: how the former president casts a much greater shadow over Trump’s political woes than you ever imagined. The Genius: how Trump’s brilliant strategy has worked and will continue to work, making him president again in 2021! The effort to remove and destroy our duly elected President may be the greatest challenge America has faced since the Civil War, explains Horowitz. For the first time BLITZ exposes the left’s strategy to take down Trump, and how Trump

not only beat them at their own game, but how he's turning the tables on them to achieve a stunning reelection win come November. "An indispensable book—BLITZ— explaining why today's Democrats are so dangerous and why President Trump is their nemesis." — Mark R. Levin, New York Times bestselling author of Unfreedom of the Press "BLITZ is the latest must-read from Horowitz: insightful, hard-hitting, controversial, and uncompromising. Ignore him at your peril." — Peter Schweizer, New York Times bestselling author of Clinton Cash and Profiles in Corruption "This is the book your anti-Trump relatives and friends should read as clear a moral indictment of the anti-Trump left as has been written." — Dennis Prager, President of PragerU and New York Times bestselling author "Unparalleled insight into the current political climate, how we got here and what it means for 2020 elections." — Sean Spicer, Host of Spicer & Co., Newsmax TV "Horowitz understands the left's malevolent goals and how to stop them. This is a must read-book!" — Charlie Kirk, New York Times bestselling author of The MAGA Doctrine "[David Horowitz] author and political activist believes President Donald Trump should focus on the issue of keeping Americans safe to help secure his re-election in the fall." — One News Now

### **The Doctrine and Covenants of the Church of Jesus Christ of Latter-day**

## **Saints**

With every presidential election, Americans puzzle over the peculiar mechanism of the Electoral College. The author of the Pulitzer finalist *The Right to Vote* explains the enduring problem of this controversial institution. Every four years, millions of Americans wonder why they choose their presidents through the Electoral College, an arcane institution that permits the loser of the popular vote to become president and narrows campaigns to swing states. Most Americans would prefer a national popular vote, and Congress has attempted on many occasions to alter or scuttle the Electoral College. Several of these efforts—one as recently as 1970—came very close to winning approval. Yet this controversial system remains. Alexander Keyssar explains its persistence. After tracing the Electoral College's tangled origins at the Constitutional Convention, he explores the efforts from 1800 to 2019 to abolish or significantly reform it, showing why each has thus far failed. Reasons include the tendency of political parties to elevate partisan advantage above democratic values, the difficulty of passing constitutional amendments, and, especially, the impulse to preserve white supremacy in the South, which led to the region's prolonged backing of the Electoral College. The most common

## Read Free And The Last Trump Shall Sound

explanation—that small states have blocked reform for fear of losing influence—has only occasionally been true. Keyssar examines why reform of the Electoral College has received so little attention from Congress for the last forty years, as well as alternatives to congressional action such as the National Popular Vote Interstate Compact and state efforts to eliminate winner-take-all. In analyzing the reasons for past failures while showing how close the nation has come to abolishing the institution, *Why Do We Still Have the Electoral College?* offers encouragement to those hoping to produce change in the twenty-first century.

### **The Trump Prophecies**

"This book offers a short, spirited defense of rhetoric and the liberal arts as catalysts for precision, invention, and empathy in today's world. The author, a professor of Shakespeare studies at a liberal arts college and a parent of school-age children, argues that high-stakes testing and a culture of assessment have altered how and what students are taught, as courses across the arts, humanities, and sciences increasingly are set aside to make room for joyless, mechanical reading and math instruction. Students have been robbed of a complete education, their imaginations stunted by this myopic focus on bare literacy and numeracy. Education is

## Read Free And The Last Trump Shall Sound

about thinking, Newstok argues, rather than the mastery of a set of rigidly defined skills, and the seemingly rigid pedagogy of the English Renaissance produced some of the most compelling and influential examples of liberated thinking. Each of the fourteen chapters explores an essential element of Shakespeare's world and work, aligns it with the ideas of other thinkers and writers in modern times, and suggests opportunities for further reading. Chapters on craft, technology, attention, freedom, and related topics combine past and present ideas about education to build a case for the value of the past, the pleasure of thinking, and the limitations of modern educational practices and prejudices"--

### **The Constitution Demands It**

New York Times bestselling author Harry Turtledove's thought-provoking forays into the past have produced such intriguing "what-if" novels as *Ruled Britannia*, *Days of Infamy*, and *Opening Atlantis*. Now "the maven of alternate history" (The San Diego Union-Tribune) envisions the election of a United States President whose political power will redefine what the nation is—and what it means to be American... President Herbert Hoover has failed America. The Great Depression that rose from the ashes of the 1929 stock market crash still casts its dark shadow over the

## Read Free And The Last Trump Shall Sound

country. Despairing and desperate, the American people hope one of the potential Democratic candidates—New York governor Franklin D. Roosevelt and California congressman Joe Steele—can get the nation on the road to recovery. But fate snatches away one hope when a mansion fire claims the life of Roosevelt, leaving the Democratic party little choice but to nominate Steele, son of a Russian immigrant laborer who identifies more with the common man than with Washington D.C.'s wealthy power brokers. Achieving a landslide victory, President Joe Steele wastes no time pushing through Congress reforms that put citizens back to work. Anyone who gets in his way is getting in the way of America, and that includes the highest in the land. Joe Steele's critics may believe the government is gaining too much control, but they tend to find themselves in work camps if they make too much noise about it. And most people welcome strong leadership, full employment, and an absence of complaining from the newspapers—especially as Hitler and Trotsky begin the kind of posturing that seems sure to drag America into war.

### **Revelations**

In advance of the 2020 election, legal scholar Lawrence Douglas prepares readers for a less-than-peaceful transition of power. It

## Read Free And The Last Trump Shall Sound

doesn't require a strong imagination to get a sense of the mayhem Trump will unleash if he loses a closely contested election. It is no less disturbing to imagine Trump still insisting that he is the rightful leader of the nation. With millions of diehard supporters firmly believing that their revered president has been toppled by malignant forces of the Deep State, Trump could remain a force of constitutional chaos for years to come. WILL TRUMP GO? addresses such questions as: How might Trump engineer his refusal to acknowledge electoral defeat? What legal and extra-legal paths could he pursue in mobilizing a challenge to the electoral outcome? What legal, political, institutional, and popular mechanisms can be used to stop him? What would be the fallout of a failure to remove him from office? What would be the fallout of a successful effort to unseat him? Can our democracy snap back from Trump? Trump himself has essentially told the nation he will never accept electoral defeat. A book that prepares us for Trump's refusal to concede, then, is hardly speculative; it is a necessary precaution against a coming crisis.

use to distort facts and the truth are also used here in South Korea This book is a great opportunity to problem solvers to learn how God's principles work in human society." ASSOC. PROF. I-SOO JOE Handong Global University, School of Management & Economics, South Korea

### **The First Blast of the Trumpet Against the Monstrous Regiment of Women**

Salamis is the fifth novel in Harry Turtledove's critically acclaimed Hellenic Traders series. Creating an intricately detailed world (as Turtledove is famous for doing), the series details the adventures of two cousins, Menedemos and Sostratos who work as seaborne traders following the death of Alexander the Great. In 306 BC, the small, free, and independent polis of Rhodes is trying to stay neutral between the local great powers, each ruled by one of Alexander the Great's marshals: Asia Minor, controlled by one-eyed Antigonos, and the Egypt of Ptolemaios. Antigonos' son, Demetrios, comes to Rhodes seeking an alliance against Ptolemaios. The Rhodians, who trade a lot with Egypt, refuse his offer. Menedemos and Sostratos take the Aphrodite to Egypt for business and to tell Ptolemaios what has been going on. Just before they leave, they learn Demetrios has invaded the island of Cyprus, which Ptolemaios dominates. He is advancing

## Read Free And The Last Trump Shall Sound

on the southeastern town of Salamis, where Ptolemaios' brother, Menelaos, has concentrated his forces. After they pass on their news, Menedemos does business in the brash new city of Alexandria while Sostratos travels up the Nile to old, old Memphis to trade there, and to see the Pyramids and the Sphinx. Ptolemaios, meanwhile, readies a fleet to rescue his brother and drive Demetrios back to Asia Minor. Ptolemaios, needing shipping to carry weapons for the army he intends to land, coerces Menedemos into bringing the Aphrodite along as part of his expeditionary force. And so, very much against their will, Menedemos and Sostratos become small parts of one of the ancient world's greatest naval battles.

by history (Spoiler alert: not well) in Traitor. Donald Trump is unfit in almost every respect for the high office he holds. But what distinguishes him from every other bad leader the U.S. has had is that he has repeatedly, egregiously, betrayed his country. Regardless of how Senate Republicans have let him off the hook, the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous. He has clearly broken faith with the people of the country he was chosen to lead, starting long before he took office, then throughout his time in the White House. And we may not yet have seen the last of his crimes. But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history: is the president of the United States the greatest threat this country faces in the world? We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective. After his examination of traitors including Benedict Arnold, Aaron Burr, and leaders of the Confederacy, David Rothkopf concludes that Donald Trump and his many abettors have committed the highest-level, greatest, most damaging betrayal in the history of the country.

## Revelation

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-

## **Traitor**

From a study of Bible prophecy, the endtime world leader who will unite Church and State to bring about the 666 Mark of the Beast is identified. How will we survive America's economic collapse amid the COVID-19 pandemic when Iran will attack the US fleet in the Gulf? We will keep going by the love and grace of Christ, who forewarns us of what is ahead so that we can be prepared. When He invited Peter and the disciples to pray with Him in Gethsemane, they did not value that invitation until it was too late. We must not repeat their error today.

## **Will He Go?**

Whether set in terrestrial oceans or on far-off space stations, Cat Rambo's masterfully told stories explore themes of gender, despair, tragedy, and the triumph of both human and non-human alike. Cats talk, fur wraps itself around you, aliens overstay their welcome, and superheroes deal with everyday problems. Rambo has been published in Asimov's, Weird Tales, and Tor.com among many others. She was an editor for Fantasy Magazine, has written numerous nonfiction articles and interviews, and has volunteered time with Broad Universe and Clarion West.

She has been shortlisted for the Endeavour Award, the Million Writers Award, the Locus Awards, a World Fantasy Award, and most recently a Nebula Award.

### **Near + Far**

The second entry in the alternate-world 1950s series finds General MacArthur igniting a nuclear war that nearly destroys the planet, placing once-untouched survivors in the middle of an escalating showdown between Russia and the U.S.

### **Only Begotten Daughter**

### **The Asylum of Dr. Caligari**

In November of 2016, the world witnessed the impossible. Nearly every household in America was tuned in to the election feeds, and every update pointed to a loss for the Republican Party. But when the map of the states flipped red in the final hour, there were a select few who weren't surprised. They had always known Trump was going to win. He was chosen for such a time as this. The prophecy had said so. This prophet, this reserved man of God, was retired firefighter Mark Taylor. The word given by the Holy Spirit was delivered on April 28, 2011, years before Trump's victory. The election, however, was only the

beginning. In this UPDATED AND EXPANDED release of *The Trump Prophecies*, Defender Publishing revisits what the Lord revealed to Mark Taylor in both the celebrated "Commander-In-Chief Prophecy" that played such a key role in bolstering Trump's 2016 win, as well as many other messages the Holy Spirit inspired Taylor to write about what would transpire next for the most powerful nation on earth today. Fast forward; Halfway into Trump's first term, have Taylor's prophecies come true? Is Trump who he said he was, and is he delivering on the promises he made during his campaign? And what of the other prophecies God gave Mark regarding economics, criminal justice, leadership turnover in the Supreme Court, and several other specific details? Have all of these inspired writings carried equal reliability as "Commander-In-Chief"? So far, Mark Taylor is batting a thousand.

### **Trump: The Art of the Deal**

Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's unique presidency with shocking new reporting and insight into its implications. "I alone can fix it." So went Donald J. Trump's march to the presidency on July 21, 2016, when he accepted

## Read Free And The Last Trump Shall Sound

the Republican presidential nomination in Cleveland, promising to restore what he described as a fallen nation. Yet over the subsequent years, as he has undertaken the actual work of the commander in chief, it has been hard to see beyond the daily chaos of scandal, investigation, and constant bluster. It would be all too easy to mistake Trump's first term for one of pure and uninhibited chaos, but there were patterns to his behavior and that of his associates. The universal value of the Trump administration is loyalty - not to the country, but to the president himself - and Trump's North Star has been the perpetuation of his own power, even when it meant imperiling our shaky and mistrustful democracy. Leonnig and Rucker, with deep and unmatched sources throughout Washington, D.C., tell of rages and frenzies but also moments of courage and perseverance. Relying on scores of exclusive new interviews with some of the most senior members of the Trump administration and other firsthand witnesses, the authors reveal the forty-fifth president up close, taking readers inside Robert Mueller's Russia investigation as well as the president's own hap-hazard but ultimately successful legal defense. Here for the first time certain officials who have felt honor-bound not to publicly criticize a sitting president or to divulge what they witnessed in a position of trust tell the truth for the benefit of history. This peerless and gripping narrative reveals

## Read Free And The Last Trump Shall Sound

President Trump at his most unvarnished and exposes how decision making in his administration has been driven by a reflexive logic of self-preservation and self-aggrandizement - but a logic nonetheless. This is the story of how an unparalleled president has scrambled to survive and tested the strength of America's democracy and its common heart as a nation.

### **Sinking in the Swamp**

This novel by the New York Times-bestselling "master of alternate history" explores an America reshaped by a twist in prehistoric evolution (Publishers Weekly). What if mankind's "missing link," the apelike Homo erectus, had survived to dominate a North American continent where woolly mammoths and saber-toothed tigers still prowled, while the more advanced Homo sapiens built their civilizations elsewhere? Now imagine that the Europeans arriving in the New World had chanced on these primitive creatures and seized the opportunity to establish a hierarchy in which the sapiens were masters and the "sims" were their slaves. This is the premise that drives the incomparable Harry Turtledove's A Different Flesh. The acclaimed Hugo Award winner creates an alternate America that spans three hundred years of invented history. From the Jamestown colonists' desperate hunt for a human infant

kidnapped by a local sim tribe, to a late-eighteenth-century contest between a newfangled steam-engine train and the popular hairy-elephant-pulled model, to the sim-rights activists' daring 1988 rescue of an unfortunate biped named Matt who's being used for animal experimentation, Turtledove turns our world inside out in a remarkable science fiction masterwork that explores what it truly means to be human.

### **The Tunnel**

James Comey, former FBI Director and New York Times bestselling author of *A Higher Loyalty*, uses his long career in federal law enforcement to explore issues of justice and fairness in the US justice system. James Comey might best be known as the FBI director that Donald Trump fired in 2017, but he's had a long, varied career in the law and justice system. He knows better than most just what a force for good the US justice system can be, and how far afield it has strayed during the Trump Presidency. In his much-anticipated follow-up to *A Higher Loyalty*, Comey uses anecdotes and lessons from his career to show how the federal justice system works. From prosecuting mobsters as an Assistant US Attorney in the Southern District of New York in the 1980s to grappling with the legalities of anti-terrorism work as the Deputy Attorney General in the early 2000s to, of course, his

tumultuous stint as FBI director beginning in 2013, Comey shows just how essential it is to pursue the primacy of truth for federal law enforcement. Saving Justice is gracefully written and honestly told, a clarion call for a return to fairness and equity in the law.

### **Fallout**

The wait for The Mueller Report is over. This strikingly designed edition has been prepared by expert typographers - allowing for an optimised, immersive reading experience.

"From the moment [the report] was published, two separate news universes took shape. In one, the special counsel's report was presented as a smoking-gun chronicle of high crimes and misdemeanours. In the other, it was heralded as a credibility-shredding blow to the president's opponents."—The Atlantic  
Make up your own mind. The Mueller Report is a must read political blockbuster.

### **Joe Steele**

"Read this book and learn how best to protect our democracy." --Tom Steyer, founder of Need To Impeach  
The reasons Donald Trump must be impeached - as per the Founding Fathers - and what you can do to help make that happen  
Three veteran constitutional attorneys say there's no way around it: The Constitution demands that Donald Trump must be impeached.

## Read Free And The Last Trump Shall Sound

And in clear language using compelling logic rooted firmly in the Constitution, they detail why the time to start is now—not in the indefinite future after criminal investigations have ended. In fact, much of Trump’s impeachable conduct lies outside the scope of ongoing federal criminal investigations. Citing charges such as accepting illegal payments from foreign governments, using government agencies to persecute political enemies, obstructing justice, abusing the pardon power, and the undermining freedom of the press, they provide the factual and legal basis for eight articles of impeachment. In short, they argue, abuses threatening our constitutional democracy should be dealt with by the remedy that the Constitution provides for a lawless, authoritarian president: impeachment. And an informed citizenry should be part of the process. After all, they say, impeachment is not a constitutional crisis – impeachment is the cure for a constitutional crisis.

### **Trump Never Give Up**

The World Fantasy Award-winning novel of a female deity trying to save a modern world gone mad—“Invites comparisons with Vonnegut and even Rushdie” (The Washington Post). Rejoice! A new messiah has come, and her name is Julie. Born to Murray Katz, the solitary (and celibate) keeper of an abandoned

## Read Free And The Last Trump Shall Sound

lighthouse on the Jersey shore, our protagonist arrives on Earth boasting supernatural abilities evocative of her divine half brother, Jesus. As a child, she revels in her talent for walking on water, resurrecting dead crabs, and treating fireflies as luminous alphabet blocks. But after she reaches adolescence, her life becomes as challenging and ambiguous as any mortal's. Not only is Julie Katz obliged to deal with a silver-tongued devil and self-righteous neo-Christian zealots, she must also figure out what sort of mission her mother—the female Supreme Being—has in mind for her. At once outrageous and affirming, this Nebula Award finalist is a magnificent work of contemporary satire that holds a mirror up to human nature, astutely reflecting our species' failings, foibles, and often misguided affections.

### **Alpha and Omega**

“No one does history-meets-the-fantastic like Morrow. The Asylum of Dr. Caligari is a great example—Impressionism versus expressionism, psychology in the asylum of ‘dreams,’ the weaponization of art, big laughs and big ideas, a wild imagination, and smooth, subtle writing.” —Jeffrey Ford, author of *A Natural History of Hell* It is the summer of 1914. As the world teeters on the brink of the Great War, a callow American painter, Francis

Wyndham, arrives at a renowned European insane asylum, where he begins offering art therapy under the auspices of Alessandro Caligari—sinister psychiatrist, maniacal artist, alleged sorcerer. And determined to turn the impending cataclysm to his financial advantage, Dr. Caligari will—for a price—allow governments to parade their troops past his masterpiece: a painting so mesmerizing it can incite entire regiments to rush headlong into battle. *The Asylum of Dr. Caligari* is a timely tale that is by turns funny and erotic, tender and bayonet-sharp—but ultimately emerges as a love letter to that mysterious, indispensable thing called art.

### **Saving Justice**

"Three alarming, eclectic novellas imagine a ravaged America left behind by the totalitarian reign of Donald Trump in this chilling anthology, which picks up after Trump's death in 2024 during 'the second great COVID outbreak' "--Publishers Weekly  
"In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed."-- First Corinthians 15:52  
From New York Times bestselling author, Harry Turtledove, critically-acclaimed novelist, James Morrow, and Nebula Award finalist, Cat Rambo, comes a masterful

anthology of three sensational novellas depicting a dark fictional future of the United States. And the Last Trump Shall Sound is a prophetic warning about where we, as a nation, may be headed. Mike Pence is President of the United States after years of divisive, dogmatic control by Donald Trump. The country is in turmoil as the Republicans have strengthened their stronghold on Congress, increasing their dominance. And with the support of the Supreme Court, more conservative than ever, State governments become more marginalized by the authoritarian rule of the Federal government. There are those who cannot abide by what they view as a betrayal of the nation's founding principles. Once united communities break down and the unthinkable suddenly becomes the only possible solution: the end of the Union. The authors' depiction of a country that is both unfamiliar and yet unnervingly all too realistic, make you realize the frightening possible consequences of our increased polarization--a dire warning to all of us of where we may be headed unless we can learn to come together again.

### **Trump's Unfinished Business**

Explores the New Testament book of Revelation in a historical first-century context, reinterpreting the book as a scathing attack on the decadence of Rome that was

## Read Free And The Last Trump Shall Sound

subsequently adopted by early Christians as a weapon against heresy.
