Badlands. Trees are leaning, and less frequent. Hopefully we get more control over the vanilla world generation in the next update, which may allow for longer rivers. I'm in the same boat as you and would love continents, and not big lakes. 121 alphas collection collected by Tibon\_leader. 147 favorite stuff collected by IdioticEd2008

Punch (aka Nightbeat) possesses a unique transformation ability that allows him to adopt a second robot mode—posing as a Decepticon named Counterpunch to spy on the 'Cons as a double agent.. On the surface, Punch is a stoic individual that can take charge and keep others calm in a crisis. However, this is an act that hides how paranoid he's become.
