New CPT Code Available for Reporting and Tracking COVID-19

Because CPT codes directly affect how much a patient will pay for medical care, offices, hospitals, and other medical facilities are very strict about how coding is done. They usually employ professional medical coders or coding services to ensure procedures are coded correctly.

MCD Search - CMS

Billing and Coding articles typically include CPT/HCPCS procedure codes, ICD-10-CM diagnosis codes, as well as Bill Type, Revenue, and CPT/HCPCS Modifier codes. The code lists in the article help explain which services (procedures) the related LCD applies to, the diagnosis codes for which the service is covered, or for which the service is not
