Aliana Fagan spent her childhood traveling the world, dreaming of legendary heroes and mythical lands. But after the sudden death of her parents, she hides behind the safety of her camera and her art until a vivid recurring dream compels her to dig into her father's research about Avalon and Camelot. When she is hurled into a magical realm by forces she thought were only the stuff of fairy tales, she finds herself thrown into an adventure she could never have imagined. Nearly everything she thought she knew about Arthurian legend was wrong. The independent eighteen-year-old is shocked to find that the people of Avalon think that she is the Destined One, the only person who can summon King Arthur back to life from his hidden chamber. Most surprising of all is that it's up to her to lead the Knights of the Round Table on an epic quest-an adventure that will transport them across the seven magic realms to reclaim all that has been lost so they can defeat the evil Mordrid for good. But first, she must bring the ancient warriors into her world

and reunite them with their lost brothers. Chaperoning the legendary knights-with-a-chivalry-complex as they navigate the modern world is a constant challenge, and she certainly never thought she'd be caught between her intense feelings for the noble Sir Galahad and her growing friendship with the King. To fulfill the prophecy, Aliana will have to discover the meaning of friendship, bravery, loyalty, true love, and forgiveness. But can she do it all in time to save the realms from Mordrid's impending Armageddon?

Fitchburg was incorporated as a town 250 years ago. Many of the original 40 family founders served as Minutemen, beginning the tradition of volunteers like Orlando Boss, Henry Spooner, Norman Tucker, and Richard and Thomas Bresnahan serving in the Civil War, World War I, and World War II. Led by strong businessmen who also were public servants such as Alvah Crocker, Sylvanus Sawyer, Rodney Wallace, and George Simonds, the city grew to 40,000. Fitchburg has always welcomed immigrants who have enriched the community's history. Mayor Lisa Wong is the first Asian American mayor to have been elected in Massachusetts. Named an All-America city in 1970, Fitchburg remains proud of its heritage, celebrates its past, and anticipates the future. *Legendary Locals of Fitchburg* provides another historical view in the city's sescentennial year."

A definitive deep-dive into queer history and culture with hit reality show *RuPaul's Drag Race* as a touchstone, by the creators of the pop culture blog *Tom and Lorenzo* From the singular voices behind

Tom and Lorenzo comes the ultimate guide to all-things RuPaul's Drag Race and its influence on modern LGBTQ culture. *Legendary Children* centers itself around the idea that not only is RuPaul's Drag Race the queerest show in the history of television, but that RuPaul and company devised a show that serves as an actual museum of queer cultural and social history, drawing on queer traditions and the work of legendary figures going back nearly a century. In doing so, Drag Race became not only a repository of queer history and culture, but also an examination and illustration of queer life in the modern age. It is a snapshot of how LGBTQ folks live, struggle, work, and reach out to one another--and how they always have--and every bit of it is tied directly to Drag Race. Each chapter is an examination of a specific aspect of the show--the Werk Room, the Library, the Pit Crew, the runway, the Untucked lounge, the Snatch Game--that ties to a specific aspect of queer cultural history and/or the work of certain legendary figures in queer cultural history.

David Friedrich Strauss's *Das Leben Jesu kritisch bearbeitet* (1835) brought about a new dawn in Biblical criticism by applying the 'myth theory' to the life of Jesus. Strauss treated the Gospel narrative like any other historical work, and denied all supernatural elements in the Gospels. *Das Leben Jesu* created an overnight sensation and Strauss became embroiled in fierce controversy. This earliest English version of 1846 was translated by the novelist George Eliot, and was her first published book.

## **Legendary Locals of East Aurora**

In the tradition of *On Beauty*, *On Ugliness* and *The Infinity of Lists*, Umberto Eco presents an enthralling and erudite illustrated tour of the fabled places that have awed and eluded us through the ages. From the epic poems of Homer to contemporary science fiction, from the Holy Scriptures to modern mythology and fairy tale, literature and art are full of illusory places we have at some time believed are real, and onto which we have projected our dreams, ideals and fears. Umberto Eco leads us on an illuminating journey through these legendary lands - Atlantis, Thule and Hyperborea, the Earth's interior and the Land of Cockaigne - and explores utopias and dystopias where our imagination can confront concepts that are too incredible, or too challenging, for our limited real world. In *The Book of Legendary Lands* the author's text is accompanied by several hundred carefully assembled works of art and literature; the result is a beautifully illustrated volume with broad and enduring appeal.

Nestled along the banks of Cazenovia Creek, East Aurora is a cultural center of western New York State that has flourished because of the diverse talents of its people. Native Americans lived in East Aurora for thousands of years before the first settlers came to the area in 1804. One of the first pioneers, Martha Richardson Adams, carried her infant child on horseback all the way from Massachusetts. East Aurora grew rapidly after the War of 1812, evolving into an important business center south of Buffalo. By the 1880s, the village had become a horse-racing capital, where thousands came to Cicero Hamlin's farm to get a glimpse of his legendary horse, Mambrino King. As the century came to a close, hundreds of creative types were drawn to the Roycroft Campus, where Elbert Hubbard had established an arts and crafts colony. Despite modern developments, East Aurora remains a small village at heart, where the owners of the barbershop, bookstore, pharmacy, coffee shop, theater, and old-fashioned 5 & 10 still greet you at the door.
