The Immortal Rules

In Ben Bova's novel JUPITER, physicist Grant Archer led an expedition into Jupiter's hostile planetwide ocean, attempting to study the unusual and massive creatures that call the planet their home. Unprepared for the hostile environment and crushing pressures, Grant's team faced certain death as their ship malfunctioned and slowly sank to the planet's depths. However one of Jupiter's native creatures--a city-sized leviathan--saved the doomed ship. This creature's act convinced Grant that the huge creatures were intelligent, but he lacked scientific proof. Now, several years later, Grant prepares a new expedition to prove once and for all that the huge creatures are intelligent. The new team faces dangers from both the hostile environment and from humans who will do anything to make sure the mission is a failure, even if it means murdering the entire crew. The Day My Fart Followed Me Home

Why did aliens come to Earth? Thirteen-year-old Ben Archer continues to unravel this mystery in book 2 of The Alien Skill Series.

The New Recruit

Deputy Sergeant David Wolf has been waiting sixteen years for today's opportunity to follow in the footsteps of his late father -- to become Sheriff of Sluice County, headquartered in the small ski resort town of Rocky Points, Colorado. What he's offered, however, isn't quite what he's expecting. And for Wolf, refusing turns out to be harder, and much deadlier, than he could have anticipated. When a rich and powerful enemy corrupts the SCSD from within, Wolf becomes hunted by his own department, along with a special forces killing machine who's psychotic lust for blood is never denied. In this action-packed second David Wolf novel, Wolf draws on all his skills to evade certain death in the high Rocky Mountain forest, and in the process unveils a disturbing mystery. One that if he can unravel, will do no less than rewrite his entire past, and ensure he's around to see his future.

Dawn of Eden

JAMIE Parker Hoffstraeder is gorgeous, cocky, and totally irrational. He also broke my heart when he left town eleven years, four months, and twenty-eight days ago. Not that I'm counting. I don't mind admitting it: I was young. I got burned. I learned my lesson. But the guy swaggers back into O'Leary like he owns the damn place and suddenly I'm expected to welcome him to my town - to my life - like nothing's changed? Yeah, that I mind. It's only a matter of time until he's gone again. And there's no way I'll give him a chance to take another piece of me when he goes. PARKER Jameson Burke is the most arrogant, infuriating human on the planet. He's also taller, broader, and impossibly hotter than he was before I left town. But, whatever. It's fine. I can handle it. Coming back to O'Leary was supposed to be like coming home. I hadn't realized that there's no statute of limitations on how long your first love and former best friend is allowed to hate your guts, or how much bad luck can befall a person in a short

time. But, I can handle that, too or at least pretend to. When Jamie and I are thrown together in a blizzard, though, everything changes in the space of one single, scorching night. Suddenly, I'm dreaming of a future I can't have, and he's stuck in a past he can't let go. It feels like we're playing with fire. And this time I'm the one who's gonna burn.

Priceless

A sweeping historical fantasy saga based on the hit podcast Tumanbay Tumanbay: the most magnificent city on earth. The beating heart of a vast empire. A city of dreams - where those who arrived as slaves now reside in the seat of power. But the wheel of fate is never still: from the gilded rooftops to the dark catacombs, there are secrets waiting to be uncovered. For Gregor, Master of the Palace Guard, the work of rooting out spies and traitors is never done. His brother, the great General Qulan, must quell a distant rebellion. Whilst Shajah, chief wife to the Sultan, is suspicious that her new maid Sarah is not who she claims to be. And a mysterious stranger arrives with a gift for the Sultan himself. A gift that will change Tumanbay forever

Aliens: Phalanx

After the conclusion of The Silver Anklet, Taras triumphant return to Morni is short-lived. Taras deceased former stepmother, Kali, seeks revenge through her daughter, Layla. And so begins a series of carefully orchestrated events to cast suspicion on Tara: a dead dog in the village temple, contaminated well water, and whispers that Tara is still possessed. Layla fuels the villagers blind superstitions and fears. Soon all of Morni is against Tara, even her own family. Death seems to be the only way to stop her evil stepsister. Tara turns to Lord Yama and his deadly conch for help. He takes her to the Underworld to seek advice, but when she returns, she has only 24 hours to prove her innocence and to save the village before she must go back to the World of the Dead. Forever. Can Tara believe in herself once more to defeat Layla, or will Lord Yama and his deadly conch claim their next victim? The harrowing conclusion to the thrilling Tara Trilogy answers these questions and more.

Cobra Kai: the Karate Kid Saga Continues - Johnny's Story

The first book in Philip K. Dick's final trilogy (followed by The Divine Invasion and The Transmigration

of Timothy Archer), VALIS encapsulates many of the themes that Dick was obsessed with over the course of his career. A disorienting and bleakly funny novel, VALIS (which stands for Vast Active Living Intelligence System) is about a schizophrenic man named Horselover Fat (who just might also be known as Philip Dick); the hidden mysteries of Gnostic Christianity; and reality as revealed through a pink laser. VALIS is a theological detective story, in which God is both a missing person and the perpetrator of the ultimate crime. Taking place in the same universe as Dick's soon-to-be-published Exegesis, VALIS is a dense novel, but one that is absolutely essential to understanding the author's off-kilter worldview. Much like Dick himself, the reader is left wondering what is real, what is fiction, and what the price is for divine inspiration.

The Time Hunters

Thirteen-year-old Ben Archer is kidnapped. Will his alien power save or destroy him?

The Fire

If Stan Pollux had known he would be spending his summer holidays in the outer reaches of our solar system, he would have put on different underpants. But when he gets kidnapped by the Planet Dragon Mercury, most things suddenly seem small and insignificant. Stan finds himself in a universe of dragons who had once ruled the skies as gods: Mars, Venus, Saturn and even Uranus way out back. This is shaping up to be the best summer holiday in the history of the cosmos until Stan discovers his stupid sister is missing and that Pluto (AKA Hades) is trying to use her to destroy the Solar System. And it will be all Stan's fault if he doesn't get Poppy back. So, all Stan has to do is learn how to fight like a hero in space armour, defeat the dragon god of the Underworld, Hades, rescue his sister and save the world. All before his parents realise she is missing.

Ben Archer and the Alien Skill (The Alien Skill Series, Book 2)

The #1 New York Times best-selling author of *Infected* delivers medieval carnage as a pre-industrial society fights extinction at the hands of a massive infestation of Xenomorphs. Ataegina was an isolated world of medieval castles, varied cultures, and conquests, vibrant until the demons rose and spread relentless destruction. Swarms of lethal creatures with black husks, murderous claws, barbed tails and dreaded "tooth-tongues" raged through the lowlands, killing ninety percent of the planet's population. Terrified survivors fled to hidden mountain keeps where they eke out a meager existence. When a trio of young warriors discovers a new weapon, they see a chance to end this curse. To save humanity, the trio must fight their way to the tunnels of Black Smoke Mountain--the lair of the mythical Demon Mother.

"Car chases, explosions and action galore—awesome."—Kirkus Reviews on Scan At the cliffhanger ending of Scan, Tate loses the very thing he was fighting to protect, what his father had called the key to human survival. Tate doesn't have much time to worry about it because he needs to get away, to ensure he and Christina are safe. His father left him one last thing that can do just that—a safe house, which turns out to be a clue to what's really threatening the planet. As Tate follows the clues his father left behind, he starts to uncover the truth, realizing he's up against an enemy he's only beginning to

understand. A riveting, fast-paced "we are not alone" adventure, Burn thrills to the very end.

The Hive

A Step 3 BIOGRAPHY READER about the unsung historical figure and Founding Mother Elizabeth Schuyler Hamilton. Hamilton, the musical, is igniting American history fever in adults and kids--especially about the central figures of the play. Kids clearly want to know more, and this companion to early reader Alexander Hamilton: From Orphan to Founding Father will fill the void. Eliza Hamilton was so much more than just Alexander Hamilton's wife. She was a spirited girl who grew up to be a strong woman with a big heart and amazing strength of character. She rescued many children in need during her life. In fact, she and others established New York City's first orphanage--which became a place that is still helping needy children to this day. She lived for 50 years after Hamilton's death in the infamous duel, and she preserved his historical legacy and contributed to American history with other Founding Mothers in ways that will finally be shared widely with those newly interested in Colonial and Revolutionary War times. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics--for children who are ready to read on their own.

"The thing is, it wasn't meteors that fell into the woods that night. It was alien spacecraft." Government agents have taken every precaution to cover up the truth about an event dubbed The Cosmic Fall: when UFOs crash near a peaceful town, the media are led to believe it was fallen meteors. But the government agents weren't counting on young Ben Archer being a witness. Nor were they counting on there being a lone survivor of the crash: an alien man called Mesmo. Thus begins a police hunt to capture the boy and the alien, as, among the agents, hides Mesmo's treacherous enemy who quietly spurs on the investigation. And although the destinies of boy and alien become inextricably linked, one question hovers above their unlikely friendship: why did the aliens come to Earth in the first place?
