"Switched at Birth" Between Hope and Fear (TV Episode 2015

Between Hope and Fear. A smart and compelling examination of the science of immunity, the public policy implications of vaccine denial, and the real-world outcomes of failing to vaccinate. If you have a child in school, you may have heard stories of long-dormant diseases suddenly reappearing—cases of measles, mumps, rubella, and whooping cough cropping up everywhere from elementary schools to Ivy League universities because a select group of parents refuse to vaccinate their children.

Between Hope and Fear. Much of Islam is about balance and moderation, that ever-so-famous middle road. To know Islam endorses this is a very comforting thought. It's especially important to keep this aspect of the religion in mind when coming upon verses about fearing and keeping hope in Allah. One particular scene of the Hereafter that always gets to me in the Quran describes the Day of Judgment.
