Fear Less

In 2007, Anna Akana lost her teen sister, Kristina, to suicide. In the years that followed, Anna realized that the one thing that helped her process her grief and begin to heal was comedy. So, she turned to stand-up comedy and YouTube as a form of creative expression. Now she relays the hard-won advice she herself could have used when she

was younger. Tackling everything from falling in love to becoming financially independent to staying safe on the Internet, she opens up about mistakes she made when she was a teenager and what young women everywhere can learn from her.

The Self-Love Experiment

At the end of her bestselling memoir *Eat,*

Pray, Love, Elizabeth Gilbert fell in love with Felipe - a Brazilian-born man of Australian citizenship who'd been living in Indonesia when they met. Resettling in America, the couple swore eternal fidelity to each other, but also swore to never, ever, under any circumstances get legally married. (Both survivors of difficult divorces. Enough said.) But providence intervened one day in the form of the U.S. government, who - after unexpectedly detaining Felipe at an American border crossing - gave the couple a choice: they could either get married, or Felipe would never be allowed to enter the country again. Having been effectively sentenced to wed, Gilbert tackled her fears of marriage by delving completely into this topic, trying with all her might to discover (through historical research, interviews and much personal reflection) what this stubbornly enduring old institution actually is. The result is *Committed* - a witty and intelligent contemplation of marriage that debunks myths, unthreads fears and suggests that sometimes even the most romantic of souls must trade in her amorous fantasies for the humbling responsibility of adulthood. Gilbert's memoir - destined to become a cherished handbook for any thinking person hovering on the verge of marriage - is ultimately a clear-eyed celebration of love, with all the complexity and consequence that real love, in the real world, actually entails.

The Best American Travel Writing 2013

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of

unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand.

Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

Succulent Wild Woman

The cowboys, strippers, labourers and magicians of Pilgrims are all on their way to being somewhere, or someone, else. Some are browbeaten and world-weary, others are deluded and naïve, yet all seek companionship as fiercely as they can. A tough East Coast girl dares a western cowboy to run off with her; a matronly bar owner falls in love with her nephew; an innocent teenager falls

hopelessly for the local bully's sister. These are tough heroes and heroines, hardened by their experiences, who struggle for their epiphanies. Yet hope is never far away and though they may act blindly, they always act bravely. Sharply drawn and tenderly observed, *Pilgrims* is filled with Gilbert's inimitable humour and warmth.

The Right to Write

The majority of us would not necessarily define ourselves as artists. We're parents, students, businesspeople, friends. We're working hard, trying to make ends meet, and often longing for a little more--more time, more love, more security, more of a sense that there is more out there. The truth? We need not look around so much. God is within us and he wants to shine through us in a million little ways. *A Million Little Ways* uncovers the creative, personal imprint of God on every individual. It invites the discouraged parent, the bored Christian, the exhausted executive to look at their lives differently by approaching their critics, their jobs, and the kids around their table the same way an artist approaches the canvas--with wonder, bravery, and hope. In her gentle, compelling style, Emily Freeman encourages readers to turn down the volume on their inner critic and move into the world with the courage to be who they most deeply

are. She invites regular people to see the artistic potential in words, gestures, attitudes, and relationships. Readers will discover the art in a quiet word, a hot dinner, a made bed, a grace-filled glance, and a million other ways of showing God to the world through the simple human acts of listening, waiting, creating, and showing up.

A Wizard of Earthsea

"I believe we can change the world. But first, we've got to stop living in fear of being judged for who we are." Rachel Hollis has seen it too often: women not living into their full potential. They feel a tugging on their hearts for something more, but they're afraid of embarrassment, of falling short of perfection, of not being enough. In *Girl, Stop Apologizing*, #1 New York Times bestselling author and founder of a multimillion-dollar media company, Rachel Hollis sounds a wake-up call. She knows that many women have been taught to define themselves in light of other people—whether as wife, mother, daughter, or employee—instead of learning how to own who they are and what they want. With a challenge to women everywhere to stop talking themselves out of their dreams, Hollis identifies the excuses to let go of, the behaviors to adopt, and the skills to acquire on the path to growth, confidence, and

believing in yourself.

Winner of a Catholic Press Association Award: Soft cover-spirituality books. (Third Place). For thirty years, beginning with *Fresh Bread* in 1985, Joyce Rupp has comforted millions with books such as *Praying Our Goodbyes* and *May I Walk You Home*. For the first time, she shares the story of her own grief in the wake of her mother's death, offering readers both a profile of her mother's resilient spirit and a voice of compassion for their own experience of loss. In this heartfelt memoir about her mother Hilda's final years, Joyce Rupp shares the lessons her mother taught

her, especially to "fly while you still have wings." As a poor farmer's wife and the mother of eight living on rented land in Maryhill, Iowa, Hilda lived a life of hard labor and constant responsibility--from milking cows and raising chickens to keeping the farm's financial ledger. Rupp shows how the difficulties of her mother's early years and family life, including the loss of a twenty-three-year-old son, forged a resilience that guided her through the illnesses and losses she faced in later years. This affectionate profile of their relationship is, at the same time, an honest self-examination, as Rupp shares the ways she sometimes failed to listen to, accept, and understand her mother in her final years. Rupp begins each chapter with a meditative poem that captures the essence of each stage in the journey. Her unflinching candor and profound faith illumine this story of a mother and daughter with a universal spirit of hope, reconciliation, and peace.

At the age of seventeen, Eustace Conway ditched the comforts of his suburban existence to escape to the wild. Away from the crushing disapproval of his father, he lived alone in a teepee in the mountains. Everything he needed he built, grew or killed. He made his clothes from deer he killed and skinned before using their sinew as sewing thread. But he didn't stop there. In the years that followed, he stopped at nothing in pursuit of bigger, bolder challenges. He travelled the Mississippi in a handmade wooden canoe; he walked the two-thousand-mile Appalachian Trail; he hiked across the German Alps in trainers; he scaled cliffs in New Zealand. One Christmas, he finished dinner with his family and promptly upped and left - to ride his horse across America. From South Carolina to the Pacific, with his little brother in tow, they dodged

cars on the highways, ate road kill and slept on the hard ground. Now, more than twenty years on, Eustace is still in the mountains, residing in a thousand-acre forest where he teaches survival skills and attempts to instil in people a deeper appreciation of nature. But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity. Told with Elizabeth Gilbert's trademark wit and spirit, this is a fascinating, intimate portrait of an endlessly complicated man: a visionary, a narcissist, a brilliant but flawed modern hero. The Last American Man is an unforgettable adventure story of an irrepressible life lived to the extreme. The Last American Man is a New York Times Notable Book and National Book Critics Circle Award Finalist.

The former superintendent at West Point and a psychologist explain why all successful

leaders rely on a foundation of strong character. Among the most successful leaders throughout history—from Abe Lincoln to Rosa Parks, Mahatma Gandhi to Susan B. Anthony, Martin Luther King, Jr. to Nelson Mandela—some were brilliant mathematicians and economists, others were creative visionaries, still others were masterful at strategic planning. Their mastery of their field wasn't the secret to their highly effective leadership. All of their skill, grit, resilience, charisma, and courage emanated from one thing: their strength of character. Character—the moral values and habits of an individual—is in the spotlight now more than perhaps at any other point in modern history. Politicians distort facts. Corporations cheat customers and investors. Athletes are caught using illegal supplements. In addition to harming our culture at large, these failures of character have a profound and undermining impact on leadership. The authors of this book are experts on the value of character, its correlation with successful leadership, and how to build it in individuals and prospective leaders. General Robert L. Caslen, Jr. served the US Army for over 43 years and served as Superintendent at the US Military Academy at West Point. Psychologist Dr. Michael D. Matthews is a Professor of Engineering Psychology at West Point who has focused on the psychology of character for years. Together they witnessed firsthand that

raw talent is not enough to stand on its own; successful leadership relies on the critical foundation of a strong character. In *The Character Edge* they leverage their perspectives to offer an empowering, story-driven argument—backed by the latest scientific research—that character is vital to success. They give readers the tools to build and sustain character in themselves and their organizations by testing readers' strengths of the gut, head and heart and teaching how to build trust and nurture the seeds of character.

'We should write because it is human nature to write' Julia Cameron In *The Right to Write*, Julia Cameron's most revolutionary book, the author asserts that conventional writing wisdom would have you believe in a false doctrine that stifles creativity. This isn't a book of rules and certainly not about how to write that query letter, how to find a market for your work, or how to find an agent. It's about using writing to bring clarity and passion to the act of living. The secrets in breaking loose from the grip of your established thought process, to unleash the wave of creativity striving to express itself within. Here are techniques and illustrative stories to help you make writing a natural, intensely personal part of life.

And this book includes the details of Cameron's own writing processes when creating her best selling books, which include the phenomenal and world famous *The Artist's Way* and *Vein of Gold*. For those jumping into the writing life for the first time and for those already living it, the art of writing will never be the same after reading this book. Provocative, thoughtful and exciting, you'll return to it again and again as you seek to liberate and cultivate the writer residing within you.

State of Wonder

Originally published in 1968, Ursula K. Le Guin's *A Wizard of Earthsea* marks the first of the six now beloved Earthsea titles. Ged was the greatest sorcerer in Earthsea, but in his youth he was the reckless Sparrowhawk. In his hunger for power and knowledge, he tampered with long-held secrets and loosed a terrible shadow upon the world. This is the tumultuous tale of his testing, how he mastered the mighty words of power, tamed an ancient dragon, and crossed death's threshold to restore the balance. This ebook includes a sample chapter of *THE TOMBS OF ATUAN*.

The Signature of All Things

Recently, Elizabeth Gilbert unpacked some boxes of family books that had been sitting

in her mother's attic for decades. Among the old, dusty hardbacks was a book called *At Home on the Range*, written by her great-grandmother, Margaret Yardley Potter. As Gilbert writes in her Foreword: 'I jumped up and dashed through the house to find my husband, so I could read parts of it to him: Listen to this! The humor! The insight! The sophistication! Then I followed him around the kitchen while he was making our dinner (lamb shanks), and I continued reading aloud as we ate. By the end of the night there were three of us sitting at that table. Gima had come to join us, and she was wonderful, and I was in love.' The cookbook was far ahead of its time. In it, Potter espouses the importance of farmer's markets and ethnic food (Italian, Jewish and German), derides preservatives and culinary shortcuts and generally celebrates a devotion to epicurean adventures. Potter takes car trips out to Pennsylvania Dutch country to eat pickled pork products, and to the eastern shore of Maryland, where she learns to catch and prepare eels so delicious, she says, they must be 'devoured in a silence almost devout'. Part scholar and part crusader for a more open food conversation than currently existed, it's not hard to see where Elizabeth Gilbert inherited both her love of food and her warm, infectious prose. *At Home on the Range* is a fascinating, humorous and useful cookbook from the past that is essential for the present day.

The Universe Has Your Back

A glorious, sweeping novel of desire, ambition, and the thirst for knowledge, from the # 1 New York Times bestselling author of *Eat Pray Love*, *Big Magic*, and *City of Girls* In *The Signature of All Things*, Elizabeth Gilbert returns to fiction, inserting her inimitable voice into an enthralling story of love, adventure and discovery. Spanning much of the eighteenth and nineteenth centuries, the novel follows the fortunes of the extraordinary Whittaker family as led by the enterprising Henry Whittaker—a poor-born Englishman who makes a great fortune in the South American quinine trade, eventually becoming the richest man in Philadelphia. Born in 1800, Henry's brilliant daughter, Alma (who inherits both her father's money and his mind), ultimately becomes a botanist of considerable gifts herself. As Alma's research takes her deeper into the mysteries of evolution, she falls in love with a man named Ambrose Pike who makes incomparable

paintings of orchids and who draws her in the exact opposite direction—into the realm of the spiritual, the divine, and the magical. Alma is a clear-minded scientist; Ambrose a utopian artist—but what unites this unlikely couple is a desperate need to understand the workings of this world and the mechanisms behind all life. Exquisitely researched and told at a galloping pace, *The Signature of All Things* soars across the globe—from London to Peru to Philadelphia to Tahiti to Amsterdam, and beyond. Along the way, the story is peopled with unforgettable characters: missionaries, abolitionists, adventurers, astronomers, sea captains, geniuses, and the quite mad. But most memorable of all, it is the story of Alma Whittaker, who—born in the Age of Enlightenment, but living well into the Industrial Revolution—bears witness to that extraordinary moment in human history when all the old assumptions about science, religion, commerce, and class were exploding into dangerous new ideas. Written in the bold, questing spirit of that singular time, Gilbert's wise, deep, and spellbinding tale is certain to capture the hearts and minds of readers.

A Million Little Ways

For many of us, life seems like a puzzle with missing pieces. We form plans and change

them; we choose one path then another, trying to find the right mate and career, hoping that we've made the right decision and that it will all work out. At some point, we ask ourselves the central question: What is the purpose of my life? Few writers approach the topic of life purpose with the clarity of Dan Millman, whose prior book *The Life You Were Born to Live* has reached more than a million readers worldwide. In *The Four Purposes of Life*, Millman distills decades of exploration and experience into a concise map of what we're here to accomplish on our life's journey. This book is for anyone seeking deeper insight into themselves and their lives, but especially for those at a crossroads, facing a challenge or change, when past approaches no longer work.

The Good Girl

Imagine experiencing your nighttime dreams with the same awareness you possess right now—fully functioning memory, imagination, and self-awareness. Imagine being able to use this power to be more creative, solve problems, and discover a deep sense of well-being. This is lucid dreaming—the ability to know you are dreaming while you are in a dream, and then consciously explore and change the elements of the dream. *A Field Guide to Lucid Dreaming*, with its evocative retro illustrations, shows exactly how to do it. Written by three avid, experienced lucid dreamers, this manual for the dream world takes the reader from step one—learning how to reconnect with his or her dreams—through the myriad possibilities of what can happen once the dreamer is lucid and an accomplished oneironaut (a word that comes from the Greek *oneira*, meaning dreams, and *nautis*, meaning sailor). Readers will learn about the powerful REM sleep stage—a window into lucid dreams. Improve dream recall by keeping a journal. The importance of reality checks, such as “The Finger”—during the day, try to

pass your finger through your palm; then, when you actually do it successfully, you'll know that you're dreaming. And once you become lucid, how to make the most of it. Every time you dream, you are washing up on the shores of your own inner landscape. Learn to explore a strange and thrilling world with *A Field Guide to Lucid Dreaming*.
