### Creative Haven Dogs Color by Number Coloring Book

When it is time to relax and unwind from the activities of the day, there is simply nothing better than a cup of hot cocoa and your favorite coloring pencils and books. With the explosion of interest in adult coloring books, adults of all ages have been able to rediscover the joys of exploring their creative minds. However, some of us never really mastered the art of choosing the right colors. We are more than just color-blind; we are color-challenged. In this unique twist on the coloring books for adults genre, C.R. Gilbert has added an extra element to her coloring book designs. From the mind of the artist, you will find two copies of each design -- one with numbers and one without numbers. You will also find a key that describes the recommended color combinations, and you will find two practice templates to help you to explore new color combinations before diving into coloring the actual design. There is actually no better method available to help you learn how to combine the colors of the rainbow into any design you attempt. When you begin this journey, you will see
