□The□ Works of Jonathan Swift;

I spent my 11th wedding anniversary planning my husband's funeral. If I could just figure out how to make that rhyme, it would be the beginning of a great country song. Involuntarily single. That's the true story of where Catherine Tidd finds herself just three weeks after turning thirty-one. Widowed with three children under six years old, a rusty resume, no fix-it skills, and no clue how to live life as a widow, Catherine can't help but be a little exasperated with her dead husband for leaving her to deal with life on her own. Catherine's now in charge of her life in a way she never wanted to be, in a way that would have most of us reeling and numb. But she soon realizes that when you call the shots, you can make pedicures one of the stages of grief□and that moving forward might be more

cleanse. It's a three-week program to reset your entire approach to food and eating. You'll discover why sugar makes you fat (and sick), where it's lurking, and how to live happier and healthier without it. As the former Editor-in-Chief of Women's Health and Cosmopolitan, Michele Promaulayko has spent the last decade at the forefront of the newest research about how sugar and artificial sweeteners affect your mind and body. What she discovered was that added sweeteners are at the center of every major and minor health crisis, from the ones you'd guess—like obesity, heart disease, and diabetes—to the ones that might surprise you, like acne, bad moods, digestion, and sleep loss. Giving up these “added sugars” can lead to weight loss and decreased diabetes risk, sure, but also better skin, better moods, and thicker hair. Even if your baseline is “I feel OK,” you don't know how much better you could be feeling once off the sweet stuff. Within just days, Sugar Free 3 users began to see and feel results: smoother, glowing skin, greater energy and clarity of thought, improved mood, better digestion and less bloat, better sleep, and significant weight loss—up to 7 pounds in the first week! “Michele has created a plan that's easy, effective, and for everyone. In just days, you'll feel better and look better than you ever have before!” says David Zinczenko, founder of Eat This, Not That! 5 THINGS YOU NEED TO KNOW 1. ## Chambers's Encyclopædia

Jay Robert Nash knows crime, not speculatively or academically but reportorially, at the level of the most intense and thorough investigative journalism. Some 50,000 entries in six volumes range from biblical times through 1988, and include a dictionary volume and an index volume. The entries present the most notable and important international criminal cases, persons, places, and events, as well as important persons in the fields of law enforcement, criminal justice, the judiciary, criminology, forensic medicine, pathology, penology, and criminal psychiatry and psychology. They also cover works of drama, fiction, film, poetry, and song, explaining the real-life role models for such works. Nash does fall prey to some common and insidious myths: his dictionary, for example, lists anarchism, anarcho-syndicalism, and anarchy, but not capitalism, which is clearly more intimately (i.e. structurally) and extensively connected with crime and criminality. But the areas he knows, he knows better than just about anyone else. Note: this is a continuity series encyclopedia, offering annual editions, the year 1989 to be covered in CrimeBook's 1990 annual. Published by CrimeBooks, Inc., 1213 Wilmette Avenue, Wilmette, IL 60091. Libraries and schools order from the distributor, Marshall Cavendish. Life never seemed so good. Well, at least that's how you'll feel after completing *Confessions of a Bipolar Firefighter*. Strap in. From the mountainous highs to the bottomless lows, this adventurous autobiography travels through the mind and experiences of a tremendously controversial, besieged, introspective and tormented man named James L. Nutt. It begins through the eyes of a child who endures extreme physical, sexual and emotional abuse and then transitions into his impoverished and naturally destructive teenager years accented by his proclivity for violence. After a tumultuous young adulthood, he grows into a working class firefighter who daringly climbs the ranks to chief. Normalcy appears to be attained as James and his newfound family gain a strong relationship with God. But the ebbs quickly return as James discovers his church pastor has embezzled thousands of dollars from offerings, and his wife passes from skin cancer leaving him to raise four children on his own. All the while, he continues to wage battles against his own bipolar disorder along with the vices of alcohol, drug abuse, sex and violence. Everything culminates to a fight with his own demons as a God-fearing man with an agenda to avenge those who have betrayed him. His mental illness exacerbates and his relationship with the Lord wavers as he struggles with completing his own vengeance versus allowing God to take the lead. Whether you believe him to be crazy or sane, right or wrong,

Sex. After. Baby. These three words are whispered by mothers everywhere who find themselves stumped and shocked by the state of their sex lives. Naughty Mommy Heidi Raykeil has been down that road and chronicles her experiences in her online column Sex in the Suburbs. Raykeil knows firsthand that there are still plenty of things our mothers (and friends, and doctors) don't tell us about motherhood, but that every mother should know. While the media continues to bombard us with images of sex everywhere we turn, the reality for married couples with children today is much different. Do-it-all-moms seem to be doing everything except IT. Raykeil is out to change that. Confessions of a Naughty Mommy is a funny, honest, and sexy account of Raykeil's search for her missing libido—lost in action after she gave birth to her daughter. She takes readers along on her journey from mystified and frustrated new mom through the bumpy awkwardness of reigniting the home fires during naptime and date night to a newfound discovery and appreciation of sex after baby. With humor, grit, and style, she shares what has worked for her and her husband, as they balance their dual roles of parents and lovers.
