Cursive Handwriting Workbook for Kids: Learning Cursive for 2nd 3rd 4th and 5th Graders, 3 in 1 Cursive Tracing Book Including over 100 Pages of Exercises with Letters, Words and Sentences Recommended by teachers Did you know that the learning process of writing by hand helps train up the child's brain to practice and improve on several skills all at once: visual, touch, and motor. Learning cursive handwriting in children has been found to be vital for every child's spelling skills and fluency, as thorough practice enables them to recognize words as they read them later on. It's been suggested that cursive writing provides the brain similar benefits as when it learns to play a musical instrument. All the handwriting practices in this book are designed to encourage writing proficiency, while they learn the English language, at the same time. This workbook is great for writing beginners in 2nd, 3rd, 4th and 5th grade. It can also be fun for preschool and kindergarten kids who wants to learn cursive since the book has funny images of cats and dogs. What's inside?: Part 1 starts off with the alphabet where writing letters in both capital and lowercase forms are practiced through tracing and connecting the dots. Each letter is presented with directional arrows to guide the hand movements of the child as he or she learns to write. We've also added the numbers 1-10 to the first chapter. Part 2 consists of age-appropriate words to be traced and copied. Part 3 moves on to practicing sentences. Unlike other cursive workbooks this book has plenty of space with a whole page for practicing each letter. This is a fun cursive workbook choice for all parents who hope to begin

Writing by hand, especially in cursive, is vital in training the brain to practice and, thus improve, more skills and senses all at once: hand-eye coordination, patience, self-control, and a sense of involvement and ownership. All this, while learning more about the English language. In this workbook, you will find various writing exercises in over 130 pages. The lines in the book are wide/legal ruled with the measurements: 3/8", 9mm distance between the top line and the bottom line, with a dotted midline. The letter size is customized for teenagers and young adults alike, to help with learning cursive writing on legal ruled lines. What's inside? Part 1 starts off with the Alphabet where writing letters in both lowercase and capital forms are practiced through tracing and connecting the dots. Each letter is presented with directional arrows to guide the hand movements. This book has plenty of space with a whole page for practicing each letter. Part 2 and 3 moves on to writing inspirational quotes in cursive from some of the greatest thinkers, leaders and artists throughout history like: Leonardo da Vinci, Abraham Lincoln, Socrates, Queen Victoria, Voltaire and many others. There are two worksheets for each quote. You will gain thorough practice in writing words first, which are extracted from the quote with a traceable cursive font. The next step moves on to writing the entire sentence from the quote multiple times. Go to the top-right of the page and click "Add to Cart"
