The Well and the Shallows

New York Times bestseller • Finalist for the Pulitzer Prize "This is a book to shake up the world." —Ann Patchett Nicholas Carr's bestseller *The Shallows* has become a foundational book in one of the most important debates of our time: As we enjoy the internet's bounties, are we sacrificing our ability to read and think deeply? This 10th-anniversary edition includes a new afterword that brings the story up to date, with a deep examination of the cognitive and behavioral effects of smartphones and social media.

Where Divers Dare

No profession pits man against nature more brutally than king crab fishing in the frigid, unpredictable waters of the Bering Sea. The yearly death toll is staggering (forty-two men in 1988 alone); the conditions are beyond most imaginations (90-mph Arctic winds, 25-foot seas, and super-human stretches of on-deck labor); but the payback, if one survives can be tens of thousands of dollars for a month-long season. In a breathtaking, action-packed account that combines his personal story with the stories of survivors of the industry's most harrowing disasters, Spike Walker re-creates the boom years of Alaskan crab fishing--a modern-day gold rush that drew hundreds of fortune-and adventure-hunters to Alaska's dangerous waters--and the crash that followed.

Lost Voyages

Thousands of Shipwrecks off Cape Cod So many ships have piled up on the hidden sand bars off the coast between Chatham and Provincetown that those fifty miles of sea have been called an "ocean graveyard" containing an estimated 3,500 shipwrecks including that of the *Whydah Gally*, the famed pirate ship of Black Sam Bellamy that went down with over 4.5 tons of gold, silver, jewels and other treasures off Marconi Beach. In fact, between Truro and Wellfleet alone, according to the U.S. Lifesaving Service, there had been more than 1,000 wrecks from 1850 until the Cape Cod Canal was opened in 1918. Ship Ashore! When a storm struck the Cape in the early days, no one was surprised to hear the alarm: "Ship ashore! All hands perishing!" The townspeople would turn out on the beach, but usually the surf was too high for them to attempt a rescue; and by the time the storm was over, there was usually no one alive to rescue. The First Recorded Wreck The first recorded wreck was the *Sparrow-*

Bookmark File PDF Dangerous Shallows In Search Of The Ghost Ships Of Cape Cod

Hawk which ran aground at Orleans in 1626 after successfully the sailing more than 3,000 miles from England to Cape Cod. The 25 people aboard the tiny 29 ft craft were able to get ashore safely, and the ship was repaired. But, before it could set sail, the ship was sunk by another storm, buried in the sand, and wasn't seen for over two hundred years. In 1863, after storms had shifted the sands again, the skeleton of the Sparrow-Hawk reappeared briefly. So the ocean takes and gives back and takes again. (The ribs of the ship are now on display at the Cape Cod Maritime Museum). The stories of heroism, bravery, treachery, valor and sadness behind the scores of shipwrecks are chronicled here in graphic detail.

Shallow Graves

For fans of Holly Black and Nova Ren Suma, a gripping, hauntingly atmospheric novel about murder, revenge, and a world where monsters—human and otherwise—lurk at the fringes. When seventeen-year-old Breezy Lin wakes up in a shallow grave one year after her death, she doesn't remember who killed her or why. All she knows is that she's somehow conscious—and not only that, she's able to sense who around her is hiding a murderous past. In life, Breezy was always drawn to the elegance of the universe and the mystery of the stars. Now she must set out to find answers and discover what is to become of her in the gritty, dangerous world to which she now belongs—where killers hide in plain sight, and a sinister cult is hunting for strange creatures like her. What she finds is at once empowering, redemptive, and dangerous. Tense, complex, and wholly engaging, *Shallow Graves* is a stunning first novel from Kali Wallace.

Shallows

The story of one extraordinary mariner, and of the struggle between the young United States and Britain for dominance of transatlantic trade. Born in a small village on Cape Cod in 1809, Asa Eldridge grew up to become one of the world's greatest shipmasters. Even today, he still holds the record for the fastest crossing of the Atlantic by a sailing ship. But this record is only part of his story, which includes voyages to numerous countries, command of Cornelius Vanderbilt's private yacht, an early move into steamships, and a mysterious end that eerily foreshadowed the Titanic disaster half a century later. In recounting Eldridge's fascinating career, Vincent Miles also tells a much broader story: of the rise of America's merchant navy to a dominant position over Britain's in the decades following the War of 1812, and of the government-subsidized British response that created the legendary Cunard Line. Along the way, he offers a guided tour of the maritime trade that shaped America, and a memorial to the courageous men who made it possible.

Arctic Explorations: the Second Grinnell Expedition in Search of Sir John Franklin, 1853, '54, '55

Tim Winton's first Miles Franklin-winner, *Shallows* revolves around the ruthless commerce of whaling, and Queenie Cookson, who joins the fight to end it. Whales have always been the life-force of Angelus, a small town on the south coast of Western Australia. Their annual passing defines the rhythms of a life where little changes, and the town depends on their carcasses. So when the battle begins on the beaches outside their town, and when Queenie Cookson, a local girl, joins the Greenies to make amends for the crimes of her whaling ancestors, it can only throw everything into chaos. *Shallows* is that rare thing, not historical fiction, but fiction which brings the history of a place to life . . . a major work of Australia literature.' Washington Post 'A profound and inspiring work of fiction.' The Age 'This is dazzling, dazzling. It makes the heart pound.' Los Angeles Times 'Shallows is more than a passionate meditation on the tragedy of whaling; it is in some ways a minimalist Moby Dick, a questioning of the ways of God

to man and of man to God.' Sydney Morning Herald

Attack on Orleans

Spiritual lethargy is one of the greatest dangers to confront a believer in his or her day-to-day walk with God. A. W. Tozer said, "There are only three directions from which danger comes to the Christian life. They are the world through which we journey, the god of this world and our own mortified flesh." In this never-before-published book, the renowned teacher issues a clarion call for all Christians to awaken to the times in which we live and stand boldly against spiritual and moral slumber. Tozer's focus is on those few believers who will heed the call to arouse themselves rise up in the face of the great temptation to malaise that is before us, believing that God always begins with one or two who hear and heed His voice, and refuse to become weary in their pursuit of Him.

The Year of Dangerous Days

Hidden History of Cape Cod

Arctic Explorations; the second Grinnell Expedition in search of Sir. J. Franklin, 1853,'54,'55 Illustrated by engravings, from sketches by the author, etc

From Jennifer Donnelly, the critically acclaimed New York Times bestselling author of *A Northern Light* and *Revolution*, comes a mystery about dark secrets, dirty truths, and the lengths to which people will go for love and revenge. For fans of Elizabeth George and Libba Bray, *These Shallow Graves* is the story of how much a young woman is willing to risk and lose in order to find the truth. Jo Montfort is beautiful and rich, and soon—like all the girls in her class—she'll graduate from finishing school and be married off to a wealthy bachelor. Which is the last thing she wants. Jo dreams of becoming a writer—a newspaper reporter like the trailblazing Nellie Bly. Wild aspirations aside, Jo's life seems perfect until tragedy strikes: her father is found dead. Charles Montfort shot himself while cleaning his pistol. One of New York City's wealthiest men, he owned a newspaper and was a partner in a massive shipping firm, and Jo knows he was far too smart to clean a loaded gun. The more Jo hears about her father's death, the more something feels wrong. Suicide is the only logical explanation, and of course people have started talking, but Jo's father would never have resorted to that. And then she meets Eddie—a young, smart, infuriatingly handsome reporter at her father's newspaper—and it becomes all too clear how much she stands to lose if she keeps searching for the truth. But now it might be too late to stop. The past never stays buried forever. Life is dirtier than Jo Montfort could ever have imagined, and this time the truth is the dirtiest part of all. Praise for *These Shallow Graves*: "These Shallow Graves delivered all that I adore: lovely prose, historical intrigue, unique characters and setting. I devoured this book!"-Ruta Sepetys, New York Times bestselling author of *Between Shades of Gray* and *Out of the Easy* "An intelligent, personable heroine-Jo Montfort's hopes for an enlightened future uncover a dark past, resulting in a splendidly hair-raising tour of the brightest and darkest corners of Victorian New York."-Elizabeth Wein, New York Times bestselling author of *Code Name Verity* and *Black Dove, White Raven* "A fast-paced Gilded Age crime thriller that plunges its intrepid investigative-journalist heroine into the sordid underworld of nineteenth-century New York City and into her own family's dark secrets."-Julie Berry, award-winning author of *All the Truth That's In Me* "Jo Montfort is a gutsy modern heroine in a beguiling tale of old New York. Money, murder, betrayal, and family secrets. I loved spending time in this world!"-Elizabeth Ross, author of William C. Morris Award finalist *Belle Epoque* [STAR] "Fast-paced and thrillingly smart, insightful, timely depiction of a young woman poised

on the brink of a new world after the shattering of another."-Booklist, Starred [STAR] "Action-packed chapters propel this compelling mystery[and] the injustices Donnelly highlights remain all too relevant."-Publishers Weekly, Starred [STAR] "A riveting historical mystery-thriller[that] succeeds as a wonderfully paced thriller, a heart-pounding romance and an unflinching look at the hard choices one young woman must make when society disparages her dreams."-Shelf Awareness, Starred "A beautifully written mystery."-School Library Journal "[A] fast-paced thrillerthe story races to its surprising conclusion."-Kirkus Reviews "A heroine you can't help cheering on."-The Horn Book From the Hardcover edition.

Past the Shallows

This true account of a German submarine on the Massachusetts coast was called “an action-packed page-turner” by Sen. John McCain. On the morning of July 21, 1918—the final year of the First World War—a new prototype of German submarine surfaced three miles off the coast of Cape Cod, Massachusetts. The vessel attacked an unarmed tugboat and its four barges. A handful of the shells fired by the U-boat's deck guns struck Nauset Beach, giving the modest town of Orleans the distinction of being the only spot in the United States to receive enemy fire during the entire war. On land, lifesavers from the US Coast Guard launched a surfboat under heavy enemy fire to save the sailors trapped aboard the tug and barges. In the air, seaplanes from the Chatham Naval Air Station dive-bombed the enemy raider with payloads of TNT. This book chronicles the attack from the first shell fired to the aftermath, and celebrates the resilience of a small New England town.

Arctic Explorations in Search of Sir John Franklin

Skip Rock Shallows

A Los Angeles Times Best Non-Fiction Book of 2007 A Boston Globe Best Non-Fiction Book of 2007 Amazon.com Editors pick as one of the 10 best history books of 2007 Winner of the 2007 John Lyman Award for U. S. Maritime History, given by the North American Society for Oceanic History "The best history of American whaling to come along in a generation." —Nathaniel Philbrick The epic history of the "iron men in wooden boats" who built an industrial empire through the pursuit of whales. "To produce a mighty book, you must choose a mighty theme," Herman Melville proclaimed, and this absorbing history demonstrates that few things can capture the sheer danger and desperation of men on the deep sea as dramatically as whaling. Eric Jay Dolin begins his vivid narrative with Captain John Smith's botched whaling expedition to the New World in 1614. He then chronicles the rise of a burgeoning industry—from its brutal struggles during the Revolutionary period to its golden age in the mid-1800s when a fleet of more than 700 ships hunted the seas and American whale oil lit the world, to its decline as the twentieth century dawned. This sweeping social and economic history provides rich and often fantastic accounts of the men themselves, who mutinied, murdered, rioted, deserted, drank, scrimshawed, and recorded their experiences in journals and memoirs. Containing a wealth of naturalistic detail on whales, Leviathan is the most original and stirring history of American whaling in many decades.

The Merchant of Venice

A Search for Sovereignty approaches world history by examining the relation of law and geography in European empires between 1400 and 1900. Lauren Benton argues that Europeans imagined imperial space as networks of corridors and enclaves, and that they constructed sovereignty in ways that merged ideas about geography and law. Conflicts over treason, piracy, convict transportation, martial law, and crime created irregular spaces of law, while also attaching legal meanings to familiar geographic categories such as rivers, oceans, islands, and mountains. The resulting legal and spatial anomalies influenced debates about imperial constitutions and international law both in the colonies and at home. This study changes our understanding of empire and its legacies and opens new perspectives on the global history of law.

Working on the Edge

Notes and Queries

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

These Shallow Graves

The Shallows: What the Internet Is Doing to Our Brains

“If you read only one book this year, make sure it’s this” (The Sunday Times, London): An award-winning debut novel from a rising star in Australia—a hauntingly beautiful story about the bond of brotherhood and the fragility of youth. Joe, Miles, and Harry are growing up on the remote southern coast of Tasmania—a stark, untamed landscape swathed by crystal blue waters. The rhythm of their days is dictated by the natural world, and by their father’s moods. Like the ocean he battles daily to make a living as a fisherman, he is wild and volatile—a hard drinker warped by a devastating secret. Unlike Joe, Harry and Miles are too young to move out, and so they attempt to stay as invisible as possible whenever their father is home. Miles tries his best to watch out for Harry, but he can’t be there all the time. Often alone, Harry finds joy in the small treasures he discovers by the edge of the sea—shark eggs, cuttlefish bones, and the friendship of a mysterious neighbor. But sometimes small treasures, or a brother’s love, simply are not enough...

Hunters in the Shallows

This gripping memoir by the world’s foremost marine geologist is an enthralling blend of maritime history, popular science, and Clive Cussler-style adventure. David L. Mearns has discovered some of the world’s most fascinating and elusive shipwrecks. From the mighty battleship HMS Hood (sunk in a

Bookmark File PDF Dangerous Shallows In Search Of The Ghost Ships Of Cape Cod

pyrrhic duel with the Bismarck) to solving the mystery of HMAS Sydney, to the crumbling wooden skeletons of Vasco da Gama's sixteenth century fleet, Mearns has searched for and found dozens of sunken vessels in every ocean of the world. The Shipwreck Hunter chronicles his most intriguing finds. It describes the extraordinary techniques used, the detailed research and mid-ocean stamina (and courage) required to find a wreck thousands of feet beneath the sea, as well as the moving human stories that lie behind each of these oceanic tragedies. Combining the adventuring derringdo of Indiana Jones with the precision of a scientist, The Shipwreck Hunter opens an illuminating porthole into the shadowy depths of the ocean.

Walloomsac

Lilly Gray Corbett has just graduated from medical school and decided to accept an internship in the coal camp of Skip Rock, Kentucky. Her beau, Paul, is doing his residency in Boston and can't understand why Lilly would choose to work in a backwater town. But having grown up in the mountains, Lilly is drawn to the stubborn, superstitious people she encounters in Skip Rock—a town where people live hard and die harder and where women know their place. Lilly soon learns she has a lot to overcome, but after saving the life of a young miner, she begins to earn the residents' trust. As Lilly becomes torn between joining Paul in Boston and her love for the people of Skip Rock, she crosses paths with a handsome miner—one who seems oddly familiar. Her attraction for him grows, even as she wrestles with her feelings and wonders what he's hiding.

The Shipwreck Hunter: A Lifetime of Extraordinary Discoveries on the Ocean Floor

Expedition Whydah

This early work by G. K. Chesterton was originally published in 1903. Gilbert Keith Chesterton was born in London in 1874. 'The Well and the Shallows' is one of Chesterton's works of fiction. He studied at the Slade School of Art, and upon graduating began to work as a freelance journalist. Over the course of his life, his literary output was incredibly diverse and highly prolific, ranging from philosophy and ontology to art criticism and detective fiction. However, he is probably best-remembered for his Christian apologetics, most notably in Orthodoxy (1908) and The Everlasting Man (1925). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

A Search for Sovereignty

In the tradition of Shadow Divers, this is the gripping true account of the search for German U-boat U-550, the last unfound, diveable wreck of a U-boat off the United States coast, and the battle in which it was sunk. On April 16, 1944, the SS Pan Pennsylvania was torpedoed and sunk by the German submarine U-550 off the coast of Nantucket, Massachusetts. In return the sub was driven to the surface with depth charges, and then sent to the bottom of the ocean by three destroyer escorts that were guarding the naval convoy. For more than sixty years the location of the U-boat's wreck eluded divers. In 2012, a team found it—the last undiscovered U-boat in dive-able waters off the Eastern Seaboard of the United States, more than three hundred feet below the surface. This is the story of their twenty-year quest to find this "Holy Grail" of deep-sea diving and their tenacious efforts to dive on this treacherous wreck—and of the stunning clash at sea that sealed its doom and brought the Battle of the Atlantic to America's doorstep. From the Hardcover edition.

The Lost Hero of Cape Cod

Discover the fascinating and nearly forgotten history amid Cape Cod's salty waves and sandy beaches—photos included. From Provincetown to Falmouth, the Cape's fifteen towns offer a plethora of hidden and enchanting tales. Learn why one of the most famous rescues in Coast Guard history spent nearly fifty years in the shadows without public notice. Discover which wild creature went from the nineteenth-century soup pot to enjoying conservation protection under state law. Historian Theresa Mitchell Barbo explores these mysteries and more, from the lost diary of a nineteenth-century schoolteacher to the reason Cape Codders call their lunch “the noontime dinner.” Join the author as she lifts the lid on the quirky and remarkable character of Cape Cod and its colorful past.

The Shallows

Documents hundreds of nineteenth and twentieth century shipwrecks in and around New York's waters

Precis of the Archives of the Cape of Good Hope: Letters despatched from the cape, 1652-1662. vol. I-III

Dangerous Shallows tells the story of a quest to solve maritime cold-cases. The odyssey takes the reader along for a moment-by-moment look at the events surrounding the loss of more than twenty different ships, and includes the stories of discovering their wrecks and learning about the final hours of each of these ships.

Cape Cod Shipwrecks

In the tradition of *The Wire*, the harrowing story of the cinematic transformation of Miami, one of America's most bustling cities—rife with a drug epidemic, a burgeoning refugee crisis, and police brutality—from journalist and award-winning author Nicholas Griffin Miami, Florida, famed for its blue skies and sandy beaches, is one of the world's most popular vacation destinations, with nearly twenty-three million tourists visiting annually. But few people have any idea how this unofficial capital of Latin America came to be. *The Year of Dangerous Days* is a fascinating chronicle of a pivotal but forgotten year in American history. With a cast that includes iconic characters such as Jimmy Carter, Fidel Castro,

Bookmark File PDF Dangerous Shallows In Search Of The Ghost Ships Of Cape Cod

and Janet Reno, this slice of history is brought to life through intertwining personal stories. At the core, there's Edna Buchanan, a reporter for the Miami Herald who breaks the story on the wrongful murder of a black man and the shocking police cover-up; Captain Marshall Frank, the hardboiled homicide detective tasked with investigating the murder; and Mayor Maurice Ferré, the charismatic politician who watches the case, and the city, fall apart. On a roller coaster of national politics and international diplomacy, these three figures cross paths as their city explodes in one of the worst race riots in American history as more than 120,000 Cuban refugees land south of Miami, and as drug cartels flood the city with cocaine and infiltrate all levels of law enforcement. In a battle of wills, Buchanan has to keep up with the 150 percent murder rate increase; Captain Frank has to scrub and rebuild his homicide bureau; and Mayor Ferré must find a way to reconstruct his smoldering city. Against all odds, they persevere, and a stronger, more vibrant Miami begins to emerge. But the foundation of this new Miami—partially built on corruption and drug money—will have severe ramifications for the rest of the country. Deeply researched and covering many timely issues including police brutality, immigration, and the drug crisis, *The Year of Dangerous Days* is both a clarion call and a re-creation story of one of America's most iconic cities.

The Duchess of the Shallows

An Essay on Labor

Hunters in the Shallows is the first book to examine the development and role of the small torpedo boat in U.S. naval history, from William Cushing's heroic attack on the Confederate ram *Albatross* in 1864, to PT operations in World War II. Moreover, it offers the first critical analysis of the PT's operational value. Culled from primary sources, this myth-buster covers the inside story of the scandalous 1939 Elco deal, offers new insight into the roles of Franklin D. Roosevelt and Douglas MacArthur in PT development, dares a shocking reappraisal of MacArthur's dramatic escape from Corregidor by PT boat in 1942, and reassesses the sinking of John F. Kennedy's PT-109. It also contains numerous photos and illustrations tracing American small torpedo boat development from the Civil War through World War II. Sure to be controversial, *Hunters in the Shallows* is a must read for naval professionals, military historians, and PT boat buffs alike.

Leviathan: The History of Whaling in America

A game is played in the fog-shrouded city of Rodas, and every citizen, from the nameless of the Shallows to the noblest of the Garden, is a player or a pawn. And no one is as he appears. Not Minette, brothel-keeper and obsessive collector of secrets. Not Uncle Cornelius, fearsome chief of the gang of brutes and murderers known as the Red. Not the cults of Death, Wisdom, and Illumination, eternally scheming and plotting along the Godswalk. And certainly not the orphaned bread girl known as Duchess. Yet armed with nothing more than her wits, her good friend Lysander and a brass mark of dubious origin Duchess will dare to play that game for the most coveted of prizes: initiation into a secret society of thieves, spies and rumormongers who stand supreme in a city where corruption and lies are

common coin. The Grey.

Search and Rescue

Notes by a Field-naturalist in the Western Tropics

If a novel is a work of prose of some length, this is a novel--but different in that it is more like life, which has no plots and does not reward virtue or punish vice, and in which characters appear and then, if the author doesn't kill them off, remain to the end. Life is messier than Tolstoy and Henry James were willing to admit. Here, in David R. Slavitt's farrago, one thing leads to another but without discernible direction until, at the end, there is a kind of resolution, a vision, however unreliable and approximate, of what the life of the speaker has been. It is a deeply thoughtful book but also laugh-out-loud funny. Like life, if we're lucky. "David Slavitt has (herein) written a book about or for which it is impossible simply to write a blurb-a word, it might interest you to know, coined in 1907 by Gelett Burgess. (Did you think of a purple cow, just then?) The text itself is indescribably (deliciously?) itself. Like the Walloomsac River, it just keeps rolling along, taking the reader irresponsibly with it-laughing out loud again and again and again; marveling at its rapid wit (white water?), the wide breadths of its erudition, the dangerous shallows of its overt and covert cheekiness; marking the vertiginous depths of its, yes, wisdom. To make a long blurb short, I haven't had this kind of significant fun since I stayed up 'til dawn one night in 1962 breathlessly reading Pale Fire for the very first time." -R. H. W. Dillard on Walloomsac: A Week on the River

The Dangers of a Shallow Faith

A Captivating Account of the Golden Age of Piracy, the Search for Sunken Treasure, and the Business of Underwater Exploration Bored by his successful life and obsessed with a boyhood dream of lost pirate treasure, Barry Clifford began a quest for legendary pirate Black Sam Bellamy's ship Whydah, which had supposedly wrecked off the coast of Cape Cod more than two centuries ago. Ignoring claims that he was a fool and a dreamer, Clifford pressed on, until he unbelievably found the Whydah and then the real story begins in a spellbinding story that will capture your imagination.
