Harley Quinn Vol. 2: Joker Loves Harley

This is a Batman story like no other—the harrowing and eloquent autobiographical tale of writer Paul Dini's courageous struggle to overcome a desperate situation. The Caped Crusader has been the all-abiding icon of justice and authority for generations. But in this surprising original graphic novel, we see Batman in a new light—as the savior who helps a discouraged man recover from a brutal attack that left him unable to face the world. In the 1990s, legendary writer Paul Dini had a flourishing career writing the hugely popular BATMAN: THE ANIMATED SERIES and TINY TOON ADVENTURES. Walking home one evening, he was jumped and viciously beaten within an inch of his life. His recovery process was arduous, hampered by the imagined antics of the villains he was writing for television including the Joker, Harley Quinn and the Penguin. But despite how bleak his circumstances were, or perhaps because of it, Dini also always imagined the Batman at his side, chivvying him along during his darkest moments. A gripping graphic memoir of one writer's traumatic experience and his deep connection

with his creative material, DARK NIGHT: A TRUE BATMAN STORY is an original graphic novel that will resonate profoundly with fans. Art by the incredible and talented Eduardo Risso (100 BULLETS, TRANSMETROPOLITAN).

Harley Quinn: The Rebirth Deluxe Edition Book 2

The definitive story of Harley Quinn by her co-creator, Paul Dini, and Pat Cadigan, revealing the secrets of her history even as she seeks to kill Batman. Dr. Harleen Quinzel grew up in an abusive household with a criminal and became a psychologist to deal with her own broken family. At Arkham Asylum, she attempted to treat the Joker and instead fell hopelessly in love with him, helping him escape and becoming a member of his organization. Quinzel became Harley Quinn, a bizarre contradiction of violence and mercy. She blames Batman for her inability to maintain a stable relationship with the arch-villain, and that causes her to have an abiding hatred for the hero, who she seeks to kill. Upon capture she becomes a violent inmate at Belle Reve Penitentiary, and is assigned to the group of government-maintained super villains known as the Suicide Squad. Copyright © 2017 DC Comics. Harley Quinn Vol. 1: Die Laughing

With just five dollars and a knapsack to her name, 15-year-old Harleen Quinzel is sent to live in Gotham City. She's not worried, though—she's battled a lot of hard situations as a kid, and knows her determination and outspokenness will carry her through life in the most dangerous city in the world. And when Gotham's finest drag queen, Mama, takes her in, it seems like Harley has finally found a place to grow into her most "true true" with new best friend Ivy at Gotham High. But when Mama's drag cabaret becomes the next victim in the wave of gentrification that's taking over the neighborhood, Harley's fortune takes another turn. Now Harleen is mad. In turning her anger into action, she is faced with two choices: join activist Ivy, who's campaigning to make the neighborhood a better place to live, or team up with her anarchist friend Joker, who plans to take down Gotham one corporation at a time. From Eisner Award and Caldecott Honor-winning author Mariko Tamaki (*This One Summer*) and Eisner Award-nominated artist Steve Pugh comes a coming-of-age story about choices, consequences, and how a weird kid from Gotham goes about defining her world for herself.
