If you feel overwhelmed by the complexity of TOEFL, Collins Skills for TOEFL iBT Test can help. This book helps you handle the integrated aspect of the tasks in the test, and give you tips and strategies for the different question types you will face. Collins Skills for the TOEFL iBT Test is a two book series (1 Listening/Speaking; 2 Reading/Writing) to help learners prepare for the 'Test of English as a Foreign Language', used by over 7,500 institutions in 130 countries as a measure of language ability. To date, 25 million learners have taken the test around the world. In particular these books are aimed at helping learners handle the integrated-skill aspect of the test, where they are required to produce responses based on mixed input. The books help learners to familiarise with the TOEFL test. Learners focus on improving their skills and test-taking times for specific sections of the test, and look at solutions for how to overcome the most common challenges of the test. The books provide clear strategies and tips to help learners improve their score. Summary * Quick Guide: question overviews give learners an easy reference to the characteristics of each question type * Challenges and Solutions: these sections offer strategy and skills reviews to help learners learn how to overcome the most common challenges. * Get it right: gives a quick overview of the most important steps for doing well on each question type and includes useful vocabulary and expressions * Answer Analysis: teaches learners how to rule out distracter answer options * Progressive Practice: encourages independent learning by offering a graded progression of content and task sets * Review Test sections: offer timed TOEFL test-taking guides and help learners practice what they've learned in a simulated environment * Audio CD: enables effective TOEFL practice * Highly experienced author team, who have written TOEFL materials before and worked as teachers preparing learners for the test.

Second Language Educational Experiences for Adult Learners provides an up-to-date review of the theory and practice of adult second language education. The primary objective is to introduce core ideas that should inform the design, development, and delivery of language learning experiences that take the typical forms of materials, courses, teaching, and assessment. Divided into three sections, the book first addresses what we know about adult second language acquisition and how individuals may acquire languages differently from each other. In the second section, key educational design elements—from pedagogical methods to curriculum to assessment—are then introduced from the perspective of research-based understandings about effective practices. Rounding out the volume is an overview of critical issues for language educational innovation, including supporting teachers, localizing materials and instruction, evaluating and improving education, and working with technology. Each chapter concludes with a set of recommended “ design principles ” that should guide readers toward high-

quality, valuable, and empirically supported language educational experiences. This volume will be of interest to researchers and students investigating instructed language learning, designers creating useful language learning materials, and language teaching innovators seeking to improve outcomes in diverse instructional settings around the world.

The Michigan Guide to Teaching EAP Skills for the TOEFL IBT

Developing Skills for the TOEFL IBT(Intermediate)

Oxford Preparation Course for the TOEFL iBT Exam is a communicative, theme-based approach to learning the skills needed to take the TOEFL Internet-based Test (iBT). Activities incorporate thorough explanation and practice of the four skills tested on the TOEFL. This multimedia program integrates the student book, audio CD, DVD, and interactive website. Within each thematic chapter, there is a selection of academic topics from the four TOEFL-tested subject areas of Life Science, Physical Science, Social Science and Arts. With this multi-disciplinary approach, students sample the range of topics addressed on the exam and yet feel a sense of cohesion in their study. Skills introduced in each

chapter are reinforced through varied and engaging readings, audio recordings, and videos. The academic-skills approach combined with high-interest, thematic academic content allows for better retention of information and makes for a better classroom text that keeps students interested. As well, the approach to skill testing in the book is in-line with the Educational Testing Service's (ETS) pedagogical approach to the TOEFL, with a heavy focus on the Academic Word List. In order to increase students' comprehension of tested material and improve their test scores, Oxford Preparation Course for the TOEFL iBT Exam includes a complete answer key that explains the reasons why each answer is correct or incorrect. Two complete practice tests are available on the book's companion website. The Oxford Preparation Course for the TOEFL iBT Exam DVD contains lectures and authentic content to enliven the classroom and make instructors' jobs easier.

Increase your TOEFL iBT score by increasing your speaking and writing scores. How? By using the strategy called argument mapping. Why argument mapping? Because the TOEFL iBT speaking and writing sections are all argument-based tasks. That means if you want high speaking and writing scores, you must know how to map out (develop and deliver) spoken and written arguments, quickly and proficiently. With argument mapping, you will be able to do just that. Best of all, you can apply argument mapping to all six speaking tasks and both writing tasks. That means you will spend less time reading about strategies and more time practicing them. You Will Also Learn: * Essential rhetorical strategies and opinion development strategies * Step-by-step basic

responses for all speaking and writing tasks * Step-by-step advanced responses for all speaking and writing tasks * Step-by-step emergency responses for all speaking and writing tasks * How to revise your spoken and written responses to maximize scoring * How to rate spoken and written responses quickly and proficiently

ARGUMENT DEVELOPMENT Learn basic and advanced argument development strategies to maximize your speaking and writing scores. By doing so, you can increase your TOEFL score.

ARGUMENT MAPPING Learn test-proven speaking and writing strategies quickly and proficiently using the graphics-based strategy called argument mapping.

SCORING STRATEGIES Learn how to think like a TOEFL rater so you know exactly what to say and write to maximize scoring.

DEVELOPING SKILLS FOR THE TOEFL IBT: LISTENING (SECOND EDITION)(MP3 CD

The updated edition of the book that has changed millions of lives with its insights into the growth mindset. After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school,

work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own. Praise for Mindset “ A good book is one whose advice you believe. A great book is one whose advice you follow. This is a book that can change your life, as its ideas have changed mine. ” —Robert J. Sternberg, co-author of Teaching for Wisdom, Intelligence, Creativity, and Success “ An essential read for parents, teachers [and] coaches . . . as well as for those who would like to increase their own feelings of success and fulfillment. ” —Library Journal (starred review) “ Everyone should read this book. ” —Chip Heath and Dan Heath, authors of Made to Stick “ One of the most influential books ever about motivation. ” —Po Bronson, author of NurtureShock “ If you manage people or are a parent (which is a form of managing people), drop everything and read Mindset. ” —Guy Kawasaki, author of The Art of the Start 2.0
