Dive Diving Logbook: Scuba Diving Log Book, 110 Pages, 216 Dives

In the tradition of Jon Krakauer ' s Into Thin Air and Sebastian Junger ' s The Perfect Storm comes a true tale of riveting adventure in which two weekend scuba divers risk everything to solve a great historical mystery – and make history themselves. For John Chatterton and Richie Kohler, deep wreck diving was more than a sport. Testing themselves against treacherous currents, braving depths that induced hallucinatory effects, navigating through wreckage as perilous as a minefield, they pushed themselves to their limits and beyond, brushing against death more than once in the rusting hulks of sunken ships. But in the fall of 1991, not even these courageous divers were prepared for what they found 230 feet below the surface, in the frigid Atlantic waters sixty miles off the coast of New Jersey: a World War II German U-boat, its ruined interior a macabre wasteland of twisted metal, tangled wires, and human bones – all buried under decades of accumulated sediment. No identifying marks were visible on the submarine or the few artifacts brought to the surface. No historian, expert, or government had a clue as to which U-boat the men had found. In fact, the official records all agreed that there simply could not be a sunken U-boat and crew at that location. Over the next six years, an elite team of divers embarked on a quest to solve the mystery. Some of them would not live to see its end. Chatterton and Kohler, at first bitter rivals, would be drawn into a friendship that deepened to an almost mystical sense of brotherhood with each other and with the drowned U-boat sailors – former enemies of their country. As the men ' s marriages frayed under the pressure of a shared obsession, their dives grew more daring, and each realized that he was hunting more than the identities of a lost U-boat and its nameless crew. Author Robert Kurson ' s account of this quest is at once thrilling and emotionally complex, and it is written with a vivid sense of what divers actually experience when they meet the dangers of the ocean ' s underworld. The story of Shadow Divers often seems too amazing to be true, but it all happened, two

Shadow Divers

So you've finished a dive. The water was crystal clear and the reef was teeming with marine life. Before you pack up to go home, you record the information from your dive in your logbook. After all, the dive is not officially over until you complete your dive log. Dive logs are a common sight around dive shops these days. Keeping them after every dive is a habit all scuba divers are encouraged to develop from their first scuba course, and which many divers continue throughout their diving careers. But, why do we keep dive logs? Dive logs were first used to ensure safe dive planning of repetitive dives. Divers would

File Type PDF Divers Log Scuba Diver Log Book With Vintage Octopus Cover Track Record 120 Dives

record the information from previous dives in a logbook, so that they could calculate the safe parameters for their next one. With the advent of dive computers, planning has become largely obsolete. But there are other reasons to keep dive logs. Proof of your experience as a diver
A valuable reference for future dives
A learning tool for divers who want to improve their skills.
Allows you to capture and preserve your memories.
Logs can create a connection with other divers
Happy safe diving, enjoy your dive, enjoy your logging!

Diving Log Book

SCUBA DIVING LOG BOOK Love your underwater trips? If you're a diver and looking for ways to breakthrough from beginner to experienced, we have a simple trick for you. Keep an up-to-date diving logbook! Upgrade your favorite scuba diving hobby by recording each course you do in this Scuba Diving Log Book. We want to help you remember your dives using the best dive log possible. We have designed our log book to be: **RESOURCEFUL**- This Scuba Diving Log Book is perfect for taking notes and drawing plans for both under the water and on land/boat. It has blank pages for you to write sections such as date, dive number, dive site, time, location, dive partner, type of water, weather, depth, start and end time and other notes. **PERSONAL**- Learn how to calculate how much weight you need, write down equipment needs and repair notes, record your milestones, keep a list of fish sightings and remember your dive trip. Take the time to write down your adventures, keep track of the lessons learned, and improve on what you did last time because this will give you inspiration to pack your dive bag and inspire another trip. **CONVENIENT**- Nothing beats turning old pages and reliving memories from your diving holidays. This dive log doesn't need batteries, doesn't take you time to log in and its size makes it easy to carry with you in all your trips. The format is nicely laid out making dive entries a breeze. **IT'S BUILT TO LAST**- The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. **WELL-CRAFTED INTERIOR**- We used only thick, white paper to avoid ink bleed-through. The lines are printed, clear, thin and soft gray for easy visibility and less visual distractions when you are reading or writing. **PERFECT SIZE**- With its 15.24 x 22.86 cm (6" x 9") dimensions, you can squeeze it into a bag with ease. It's the perfect size- easy to carry! **COOL COVERS!**- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Take the time to write down your adventures to have a better diving experience on your next trip. Grab your copy now!

Diving Logbook

Scuba junkies get ready! I have been diving for awhile now and never actually enjoyed the process of recording my dives afterwards. I felt like I needed a dictionary to interpret what on earth was going on with those data pages and it was honestly embarrassing to have to ask! So, I redesigned them to be both organized, visually pleasing AND still have space for all the important data! I want people to enjoy writing about their dive experiences, not cringe looking at the page. Designed by a diver for divers, I hope you have as much fun with this log book as I do:)-Record up to 50 dives on beautifully designed, easy to follow log pages - for the beginner or master diver-60 pages total: room for up to 8 certifications,
