Star Wars

THE NEW YORK TIMES BESTSELLER An unexpected offer threatens the bond between Qui-Gon Jinn and Obi-Wan Kenobi as the two Jedi navigate a dangerous new planet and an uncertain future. A Jedi must be a fearless warrior, a guardian of justice, and a scholar in the ways of the Force. But perhaps a Jedi ' s most essential duty is to pass on what they have learned. Master Yoda trained Dooku; Dooku trained Qui-Gon Jinn; and now Qui-Gon has a Padawan of his own. But while Qui-Gon has faced all manner of threats and danger as a Jedi, nothing has ever scared him like the thought of failing his apprentice. Obi-Wan Kenobi has deep respect for his Master, but struggles to understand him. Why must Qui-Gon so often disregard the laws that bind the Jedi? Why is Qui-Gon drawn to ancient Jedi prophecies instead of more practical concerns? And why wasn ' t Obi-Wan told that Qui-Gon is considering an invitation to join the Jedi Council—knowing it would mean the end of their partnership? The simple answer scares him: Obi-Wan has failed his Master. When Jedi Rael Aveross, another former student of Dooku, requests their assistance with a political dispute, Jinn and Kenobi travel to the Royal Court of Pijal for what may be their final mission together. What should be a simple assignment quickly becomes clouded by deceit, and by visions of violent disaster that take hold in Qui-Gon ' s mind. As Qui-Gon ' s faith in prophecy grows, Obi-Wan ' s faith in him is tested—just as a threat surfaces which will demand that Master and Apprentice come together as never before, or be divided forever.

Star Wars Adventures: Defend the Republic!

A razor-sharp tale of two couples, two marriages, a bar, and a San Francisco start-up from a best-selling, award-winning novelist. This is a story about two marriages. Or is it? It begins with a wedding, held in the small San Francisco forest of Bottle Grove--bestowed by a wealthy patron for the public good, back when people did such things. Here is a cross section of lives, a stretch of urban green where ritzy guests, lustful teenagers, drunken revelers, and forest creatures all wait for the sun to go down. The girl in the corner slugging vodka from a cough-syrup bottle is Padgett--she's keeping something secreted in the woods. The couple at the altar are the Nickels--the bride is emphatic about changing her name, as there is plenty about her old life she is ready to forget. Set in San Francisco as the tech-boom is exploding, Bottle Grove is a sexy, skewering dark comedy about two unions--one forged of love and the other of greed--and about the forces that can drive couples together, into dependence, and then into sinister, even supernatural realms. Add one ominous shape-shifter to the mix, and you get a delightful and strange spectacle: a story of scheming and yearning and foibles and love and what we end up doing for it--and everyone has a secret. Looming over it all is the income disparity between San Francisco's tech community and . . . everyone else.

Sherlock Holmes - The Patchwork Devil

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED • A companion novel inspired by Star Wars: Battlefront, this action-packed adventure follows a squad of soldiers caught in the trenches of the ultimate galactic war between good and evil. The bravest soldiers. The toughest warriors. The ultimate survivors. Among the stars and across the vast expanses of space, the Galactic Civil War rages. On the battlefields of multiple worlds in the Mid Rim, legions of ruthless stormtroopers—bent on crushing resistance to the Empire wherever it arises—are waging close and brutal combat against an armada of freedom fighters. In the streets and alleys of ravaged cities, the front-line forces of the Rebel Alliance are taking the fight to the enemy, pushing deeper into Imperial territory and grappling with the savage flesh-and-blood realities of war on the ground. Leading the charge are the soldiers—men and women, human and nonhuman—of the Sixty-First Mobile Infantry, better known as Twilight Company. Hard-bitten, war-weary, and ferociously loyal to one another, the members of this renegade outfit

doggedly survive where others perish, and defiance is their most powerful weapon against the deadliest odds. When orders come down for the rebels to fall back in the face of superior opposition numbers and firepower, Twilight reluctantly complies. Then an unlikely ally radically changes the strategic equation—and gives the Alliance's hardest-fighting warriors a crucial chance to turn retreat into resurgence. Orders or not, alone and outgunned but unbowed, Twilight Company locks, loads, and prepares to make its boldest maneuver—trading down-and-dirty battle in the trenches for a game-changing strike at the ultimate target: the very heart of the Empire's military machine. Praise for *Battlefront: Twilight Company* “A novel that ties in to a video game based on a sprawling sci-fi franchise shouldn't be this good. . . . *Battlefront: Twilight Company* effortlessly thrusts readers onto the frontlines of the Galactic Civil War in a gripping tale.” —New York Daily News “Compelling . . . an entertaining journey through a galaxy in turmoil . . . *Battlefront: Twilight Company* explores what happens to the cannon fodder fighting and dying in the background of space opera's cinematic action sequences. Focusing on the life of a few low-ranking Rebel grunts caught up in a vast interstellar conflict, the novel is an enjoyable tale of interstellar adventure and drama.” —IGN “Satisfyingly complex, immersive and moving . . . a war story unlike any Star Wars book that's come before it.” —Roqoo Depot “A military thriller [with] some pretty impressive actions scenes [and] the lived-in, gritty feel of the original trilogy . . . [Alexander] Freed shows us the military side of the Star Wars universe in a way that we haven't seen much before, while also giving readers new perspectives on classic characters and moments.” —Tech Times “*Twilight Company* is one of the greatest Star Wars stories ever about someone doggedly, cynically coming to understand why acting according to the light side is important.” —Den of Geek “The strongest canon piece of Star Wars literature thus far . . . sure to be a fan-pleasing favorite . . . Explosive action scenes and dark humor only punctuate this character-driven tale [with] heavy world-building and cameos from other characters throughout the Star Wars pantheon.” —Alternative Nation
