They can lead to a burst of creativity, shed light on a challenging relationship, or reveal a deeper understanding of a difficult situation. Your dreams often know you better than you know yourself. The Guided Dream Journal will help you learn how to keep a dream journal and work with your dreams. This engaging journal helps you record, explore, and reflect on the themes and symbols that appear in your nightly visions. From helping you remember a long-forgotten memory to solving a seemingly impossible problem, there are so many answers in our dreams that can help us understand our waking life--learn how to interpret them. The Guided Dream Journal includes: Dream variety--Learn about the different types of dreams like lucid, recurring, nightmares, and others, and discover how knowing the storyline, pattern, and genre of your dream can help you determine its deeper meaning. Dream escort--Supportive prompts show you how to pinpoint signs, track insights, and keep a record of your breakthroughs over time. In the know--Use the dream dictionary to better understand and interpret 100 of the most common symbols, settings, colors, animals, and more that show up in dreams. When you want to discover and understand the significance

of your dreams, The Guided Dream Journal is your go-to resource.
