This book shows how to use punctuation, and how to play with language using tongue twisters, riddles, and poems. Developed in consultation with leading educational experts to support curriculum learning, English Made Easy (previous ISBN 9781405363457) is a great way to improve your child's English skills - "the more you practise, the better you'll be!" Carol Vorderman

### **English Made Easy**

This is a fun and user-friendly way to learn English. English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units present language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

### **Practice Makes Perfect: Basic English, Premium Third Edition**

This comprehensive guide to American Sign Language features more than 3,500 separate signs, a step-by-step approach to signing, and exercises and drills to increase speed and understanding

### **Carol Vorderman's English Made Easy**

The book has been intended to meet the necessities of the students who wish not only to score high marks in Grammar or

any section of English but also to speak and write correct English; and correct English as I would like to think, is neither too free an informal style which challenges language structure nor excessively immaculate a sentence structure which won't, making it impossible to recognize idioms established by usage. It is, on the contrary, a happy fusion of the two, for even dynamic neutrality or peaceful co-existence is not enough. This book in your grasp is immensely useful for the applicants preparing for various competitive examination or need to realize what English is. After the end of each chapter, error spotting exercise is given which will be extremely useful for quick grasp & learning as well as in competitive exams. I will keep on making this book more exciting and more improved editions will be launched. A very special thanks to Pankaj Sharma and my family members who kept me motivated all the way.

### **Practice Book, Level 1**

#### **English Made Easy**

Part of a sequential series for teaching English to grades 1-8. Level 1 includes daily lessons for first grade students. Covers study skills, readiness, sentence jingles, noun jingles, complete sentences, vocabulary words, subject noun, verb, adverb, adjective, article adjective, capitalization, punctuation, synonyms, antonyms, paragraph, topic, singular and plural nouns, common and proper nouns, writing letters and thank-you notes, and more.

#### **English Made Easy Volume Two**

Let Carol Vorderman help your child to get a head start in English. English Made Easy is packed with notes and tips to make learning about English easy and fun! Follow the exercises with your child, then reward them with gold stars for their efforts. Each title contains a progress chart so your child can keep track of all the exercises they have completed. A great way to improve your child's early alphabet skills - "the more you practice, the better you'll be!" Carol Vorderman

#### **ENGLISH MADE EASY**

## **Science Made Easy Materials and Their Properties Ages 7-9 Key Stage 2**

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. This absolutely essential language guide and workbook will expand your English vocabulary in no time. Spilling over with thousands of entries for useful words and phrases, this is the perfect study aid for any adult learning English as a foreign language. With 3,000 words across hundreds of pages, English Vocabulary Builder brings you everything you need to know and much, much more. From activities, family, holidays, science, and work to animals, feelings, health, sports, and weather, just about every subject in the English language is covered in eye-catching, illustrative detail. All the vocabulary is shown with both UK and US spellings, and every word can be heard with its own audio recording in the accompanying app available for download. Additional interactive exercises ensure language learning is an easy, entertaining, and educational experience. This book is part of DK's best-selling English for Everyone series, which is suitable for all levels of English language learners and provides the perfect reading companion for study, exams, work, or travel. With audio material available on the accompanying website and Android/iOS apps, there has never been a better time to learn English.

## **First Grade Workbook**

Our personal and political worlds are rife with arguments and disagreements, some of them petty and vitriolic. The inability to compromise and understand the opposition is epidemic today, from countries refusing to negotiate, to politicians pandering to their base. Social media has produced a virulent world where extreme positions dominate. There is much demonization of the other side, very little progress is made, and the end result is further widening of positions. How did this happen, and what might be done to address it? Walter Sinnott-Armstrong says there is such a thing as a "good" argument: Reasonable arguments can create more mutual understanding and respect, and even if neither party is convinced by the other, compromise is still possible. Think Again shows the importance of good arguments and reveals common misunderstandings. Rather than a means to persuade other people or beat them in an intellectual competition, Sinnott-Armstrong sees arguments as an essential tool for constructive interaction with others. After showing how the failure of good arguments has led us to society's current woes, he shows readers what makes a good argument. In clear, lively, and practical prose, and with plentiful examples from politics, popular culture, and everyday life, Sinnott-Armstrong explains what defines an argument, identifies the components of good arguments as well as fallacies to avoid, and demonstrates what good arguments can accomplish. Armed with these tools, readers will be able to spot bad reasoning and bad arguments, and to advance their own views in a forceful yet logical way. These skills could even help repair our tattered civic culture.

## **Pratiyogita Darpan**

Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. ### **How To Win Friends and Influence People**

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Ideal for anyone who wants to learn English to native-speaker standard and prepare for major English exams including IELTS, TOEIC, and TOEFL, this fun and engaging visual guide to the most common and useful English idioms and phrases will help you understand and remember English idiomatic expressions and their meanings, making your English more fluent and natural. English for Everyone: English Idioms combines an innovative visual teaching method with the best of DK design to make one of the most difficult aspects of learning English as a foreign language incredibly easy. Hundreds of expressions are

presented in context, with crystal-clear definitions and attractive illustrations that show each idiom's literal and idiomatic meaning. The book also covers English collocations and commonly confused words, helping you avoid the kind of mistakes that native English speakers would never make. Each teaching module is followed by tightly focused practice exercises to help you remember what you have learned. Extensive supporting audio is integrated throughout the course, with every expression in the context of its sample sentence recorded by native English speakers. The audio is free and available online, and can be played, paused, and repeated as often as you like, to help you perfect your pronunciation of each expression. Suitable for learners at all levels, English for Everyone: English Idioms is an exciting and intuitive guide to improving your understanding of English and the style of your written and spoken English.
