The Four Positions of the Holy Spirit

The Full Blessing of Pentecost

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."

The Second Wind of the Holy Spirit

Wah Lenge Walip Tikin Jisas

This book by Pastor Charles Morris is a tool for discovering the work and ministry of the person of the Holy Spirit in the life of a believer. This teaching is vital to understanding the four positions of the Holy Spirit as He moves and works in the lives of individuals. The Holy Spirit, a divine personality, comes along BESIDE US, convicting us and wooing us to the heart of the Father. Once we are born again, the Holy Spirit moves WITHIN US, revealing the character of the Father to us and through us. When we are baptized with the Holy Spirit, He comes UPON US, imbuing us with power to be a bold witness in these last days. As we surrender daily to the leadership of the person of the Holy Spirit, He FILLS US with His presence and leads us in His will and ways. In addition to the studying the work and ministry of the person of the Holy Spirit, this book also gives the biblical proof or evidences of each position of the Holy Spirit in the life of a believer.

Man: The Dwelling Place of God

A wise, measured, and deeply passionate invitation to a Spirit-filled life Are you trying your best to be a good Christian but still feel something's missing? Do the peace and joy you long for seem to elude you? Does following Christ sometimes feel like a lot of work—or like it's just not working very well? Much

has been written and spoken—and argued!—about the Holy Spirit and what it means to be filled with the Spirit. Charles Stanley cuts through the confusion and introduces you to a living Person as real and active as God the Father and Christ the Son. Through personal stories, biblical exploration, and insightful explanation, he will help you discover: who the Spirit is—and how to develop a relationship with Him who the Spirit isn't—and how to avoid damaging misconceptions how being “filled” with the Spirit actually works what the Bible really teaches about spiritual “signs” such as speaking in tongues how the Spirit can increase your capacity for faith, hope, love, and personal transformation what it means to “hear” the Spirit’s voice how to make the most of your unique spiritual gifting to build up Christ’s body what happens when the Spirit’s power is unleashed in your workplace, your family life, your friendships, and every other area of your life In *The Spirit-Filled Life* Charles Stanley reveals how to recognize and begin to live with the guiding presence of the Holy Spirit.

Be Filled with the Spirit

True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. This book is packed with truth, giving the insight on how the Holy Spirit is the power behind the Church, the Christian life, and the sustainability needed to follow Jesus.

The Acts of the Apostles

R. A. Torrey's books have probably helped more people understand the Bible and have led more souls to Christ than the writings of anyone since the Apostle Paul. Not only was Torrey a great Bible teacher and preacher, he was also filled with the Holy Spirit. He lived what he preached. In his worldwide revival crusades, Torrey presented three main teachings: on Christ, on prayer, and on the person of the Holy Spirit. This book focuses on the latter teaching: *The Holy Spirit: Who He Is and What He Does*. In addition to Torrey's teaching on the person of the Holy Spirit, this book presents seven of his shorter teachings, which he shared at Moody Bible Institute, in the churches he pastored, and in various places around the world. These seven teachings are on: *The Deity of Jesus Christ, The Power of the Blood, The Power of the Holy Spirit, The Power of Prayer, The Power of the Word of God, The Place of Prayer in Evangelism, Keep Praying Until God Answers*. When you read this book, you will receive definite personal blessing in your heart, life, and service, and you will know who the Holy Spirit is and what He does. Book jacket.

Delighting in God

Containing meticulous, up-to-date scholarship yet written in a flowing, enjoyable style, this comprehensive book takes readers on a journey through a breathtaking array of literary texts, encompassing the literature of Israel, early Judaism, the Greco-Roman world, and the New Testament. John R. Levison's skill with ancient texts -- already demonstrated in his acclaimed *The Spirit in First-Century Judaism* -- is here extended to a myriad of other expressions of the Spirit in antiquity.

Be Filled With The Holy Spirit

We believe it, we preach it, we strive for it—but still for many, the kind of free-flowing life in the fullness of the Spirit is more dream-like than reality.

Be Filled Now

Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

Filled with the Spirit

Living into the Life of Jesus

The Holy Spirit

Many people believe in God and believe that God is everywhere, but they have yet to experience his presence. *Delighting in God* is the message Tozer intended to be the follow-up to 'The Knowledge of the Holy'. He demonstrates how the attributes of God—those things God has revealed about himself—are

a way to understand the Christian life of worship and service. We are here to serve and adore him, but we can only fulfill that role by acknowledging who he is, which is the essence of the Christian life and the source of all our fulfillment, joy, and comfort. To understand who we are, we need to understand who God is. His very character and nature are reflected through us. Unless we fully grasp who we are, we'll never become all God wants us to be.

Spirit-Filled

Desiring God

Do you long for something more in your relationship with God? Are you struggling to feel the presence of the Holy Spirit? Are you ready to embark on a Spirit-propelled adventure of restoration, renewal and transformation? When we do not experience God's life within us, our Christianity can deteriorate into a lifeless system of rules and empty rituals. If this describes you at the moment, know that you are not alone. Many spiritual seekers are tired of a superficial faith and yearn to know the fire of God's presence burning in their hearts. In *Holy Spirit Here and Now* Trevor Hudson shares his personal journey and offers practical guidance to help you experience the Holy Spirit moving in your ordinary life. Some of the common hurdles he addresses are: Feeling that the Holy Spirit is only available to religious professionals, but not to you Being put off by negative past experiences with people attempting to push you into an experience of the Holy Spirit Having a sense that something is lacking in your relationship with God Feeling that experiences of God's Spirit are far removed from our everyday lives Believing that experiencing the Holy Spirit is a once-off event rather than a lifetime journey. Trevor Hudson encourages you to allow every part of your life – your emotions, body, soul, relationships, career – to become an arena where the Holy Spirit can work. This is what it means to be truly filled with God's Spirit.

Paths to Power

What Do All Christians Believe? For many people, words like doctrine and theology cause their eyes to glaze over, or they find them difficult to understand and struggle to see how they are relevant to daily life. But theology is far from boring—it is the study of God and should lead to awe and wonder as we better understand who God is and what he has done for us. In *Core Christianity*, author, pastor, and theologian Mike Horton tackles the essential and basic beliefs that all Christians share. What is “core” to the Christian faith? In addition to unpacking these beliefs in a way that is easy to understand, Horton shows why they matter to our lives today. This introduction to the basic doctrines of Christianity is a helpful guide by a respected theologian and a popular author, and it includes discussion questions for individual or group use. *Core Christianity* is perfect for those who are new to the faith, as well as those who have an interest in deepening in their understanding of what it means to be a follower of Jesus Christ.

Renewal Theology

Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, *Renewal Theology* represents the first exhaustive, balanced articulation of charismatic theology. *Renewal Theology* discusses: Book One--God, the World, and Redemption - Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: -

an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.

How You Can Be Filled With the Holy Spirit

These are not drunk, as you suppose... (Acts 2:15). —Peter preaching to the crowd after the descent of the Holy Spirit at Pentecost We tend to overlook Peter's opening words to the crowd that first Pentecost morning, to our own peril. His denial of drunkenness in the wake of the outpouring of the Holy Spirit should stop us in our tracks. What was going on here? How did the apostles experience the Holy Spirit? What was he teaching them? How was he empowering them? What does this scene in the streets of Jerusalem mean for us today? Father Raniero Cantalamessa offers pastoral advice and leads the reader through passages of Scripture and the Fathers of the Church to remind us of the incalculable power of the Spirit available to us. This spiritual "intoxication" is an infilling—through the sacraments, especially the Eucharist, and the action of God—that purifies us of sin, renews the heart and enlightens the mind. As St. Augustine said of the Spirit, "He found you empty and he filled you...I like this kind of intoxication. The Spirit of God is both drink and light."

The Person of the Holy Spirit

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Living in the Power of the Holy Spirit

The greatest need of the hour is that everyone who is saved from the lake of fire by the blood that was shed on the Cross by the Lord Jesus be filled with the Holy Spirit. The Lord's perfect will is that each believer be filled with the Holy Spirit and filled with power. The Bible says, "Therefore, do not be foolish, but understand what the Lord's will is. Do not get drunk with wine, which leads to debauchery. Instead, be filled with the Holy Spirit" (Ephesians 5: 17-18). The Lord wants to fill His children with the Holy Spirit and with His power. He is waiting anxiously to do this. Although He is anxious to do this, He can only fill those who are empty. Those who are filled with sin, self, the love of the world or the love of the things that are in the world cannot be filled with the Holy Spirit, because they are already filled with the wrong thing or with the wrong things. Below are seven heart conditions. The shaded part of the heart represents things in the heart that must be removed before the Lord can fill the heart. Some have more things standing in the way of their being filled with the Holy Spirit, while others have less. However, the Lord can only fill a heart overflowing with the Holy Spirit when all that already fills the heart has been removed. God's purposes in the New Covenant are tied to people who are filled with the Holy Spirit. To be filled with the Holy Spirit, a person must remove every other thing that fills his heart and life. We have thought about the things that often fill the hearts of people and so hinder them from being filled with the Holy Spirit. Below is such a list. Study the list carefully, going from one item to another. If you find anything on the list in your life, you have found what separates you from being filled with the Holy Spirit. Acknowledge its presence in your life. Ask and receive from the Lord the power to hate its illegal presence in your life. Uproot it from your heart and throw it away. Carry out the necessary restitution and never allow it to come back into your heart and life. After you have uprooted all that should not be in your life, you will have a pure heart (diagram 7). You may have to fast and pray so as to soften your heart, so that some things that resist departure from the heart should effectively be pushed out of your heart and life. You may ask me how long it will take to remove all the things that are listed and which should not be in your heart. The answer is that it depends on you. It could take 584 minutes or 584 hours or 584 days or 584 months, depending on how willing your heart is to let go all the things that do not please the Lord. Yes, it will depend on how urgently you want to be filled with the Holy Spirit. Those who are in a hurry to be filled with the Holy Spirit will be in a hurry to remove the obstacles that stand between them and the Spirit-filled life. Such people will take no rest and give God no rest until the obstacles are removed. Immediately you present a pure heart to God, He will fill it with the Holy Spirit. He is eagerly waiting to fill you. Empty yourself without delay.

How Jesus, Our Pattern, Was Filled with the Holy Spirit

Internationally recognized author and theologian Andrew Gabriel opens readers' eyes to who the Holy Spirit is, how He can be fully experienced, and what it means to be charismatic. Many Christians, not just those who identify with the charismatic tradition, want to experience the Holy Spirit more but are afraid of falling into excess. Some attend churches that rarely speak of the Holy Spirit and are left curious about how the Spirit moves. As a result, too many Christians hesitate to intentionally open themselves to the Spirit's presence. Written by Andrew Gabriel, an internationally acclaimed theologian of the Spirit, *Simply Spirit-Filled* reveals a breathtaking vision of what it means to live the Spirit-filled life. Gabriel matches the more charismatic experiences of God with a thoughtful and thorough theology lesson delivered from an honest and often humorous firsthand perspective. Through a tour of contemporary testimonies and biblical accounts of experiencing the Holy Spirit, this book reveals how to

discern the legitimate signs of the Spirit's presence. Simply Spirit-Filled encourages readers by showing them ways the Spirit is already quietly at work in and around them. Simply Spirit-Filled has a wonderful way of blending theology and application as it investigates praying in tongues, how to hear God speak, and the spiritual gifts. It offers answers to questions about being slain in the Spirit, the relationship of faith and the healing power of the Spirit, and what it means to be spiritual. Simply Spirit-Filled is a biblically rooted, pastorally sensitive, and well-informed introduction to some of the basics of the charismatic tradition. Gabriel brings clarity to the confusion as he nudges Spirit-experience junkies toward discernment and steers skeptics toward experiencing the Spirit as more than just idly dwelling within them.

Hendrickson presents two classic works on the Holy Spirit by A. W. Tozer, together in one volume for the first time. A superb addition to the best-selling Hendrickson Christian Classics series, Life in the Spirit combines Tozer's How to Be Filled with the Spirit and The Counselor: Straight Talk About the Holy Spirit from a Twentieth Century Prophet. In Tozer's own words, How to be Filled with the Holy Spirit "was made available to the Christian public with the prayer that it may lead thirsty believers to the fountain of living waters." Since its publication, hundreds of thousands of copies of this practical yet deeply devotional guide have been sold. How to be Filled with the Holy Spirit will refresh and open the reader to the filling of the Holy Spirit. In The Counselor, Tozer speaks to the current conflict and confusion about the Holy Spirit from a balanced, biblical perspective--not academic, but practical. Tozer promises that the Holy Spirit "is willing--yes, willing--to do for us all that Jesus would do if He were here on earth." The chapters of this book were originally preached as sermons at Southside Alliance Church in Chicago. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.
