Firefly - the Big Damn Cookbook

While trying to figure out if the mysterious masked man known as Baron Cauchemar is truly the force for good that he seems, Sherlock Holmes and Dr. Watson embark on one of their strangest adventures yet. Original.

Crimson Peak: The Official Movie Novelization

Five hundred years in the future, Captain Mal Reynolds and his crew aboard the Serenity get more than they bargained for when they take on two passengers who are fugitives from an omnipotent consortium that dominates the galaxy.

The Ascension Machine

From Joss Whedon (Buffy the Vampire Slayer, Marvel's The Avengers) comes a new era of Firefly, as the definitive story of the Unification War is told at last! Serenity's crew is divided, as Captain Malcolm "Mal" Reynolds and his First Mate Zoe Washburn are arrested for crimes committed during the Unification War and they each are forced to choose a side. But Mal and Zoe aren't ready to go quietly, and after escaping from the Unificators, bounty hunters sent by the government to bring them to trial, they find themselves stranded on a far flung planet, with nothing but each other—and the memories of their many mistakes—for company. War can make villains of even the best men, and their quest for redemption will put them at odds with their crew, their family and each other, forcing them to make a choice: fix the past or fight for the future. Collects issues #5-8.

Untied Kingdom

Welcome to the Justice Academy - the galaxy's best superhero college! Teen grifter Grey arrives at the school carrying a lie: he isn't really tech heir Mirabor Gravane. At the first opportunity Grey plans to leave the Academy. That is until he makes the mistake of starting to like his fellow students. The Justice Academy promises to "equip you with the skills to be the hero the galaxy needs" and Grey is beginning to believe the hype. But as he takes more risks to protect his secret, events spiral

out of his control. When the real Gravane is kidnapped, Grey and his new friends must come together to mount a rescue and defend a city from an attack by hostile super-powered aliens. If he is to succeed, or even survive, Grey must decide who he is, and does he want to be a superhero?

Trading In Danger

During a mysterious blackout, Angelo DeMarco, the son of New York City's most powerful family, is kidnapped. NYPD detectives Catherine Chandler and Tess Vargas are on the case when they learn of a second missing person: Cat's father has disappeared from his prison cell on Rikers Island. Vincent is desperate to help Cat, but as tensions rise, the couple becomes caught in a trap where the only way out is to confront their pasts and prove their epic love.

Firefly - Big Damn Hero

The world is broken Corban wants nothing more than to be a warrior under King Brenin's rule - to protect and serve. But that day will come all too soon. And the price he pays will be in blood. Evnis has sacrificed - too much it seems. But what he wants - the power to rule -- will soon be in his grasp. And nothing will stop him once he has started on his path. Veradis is the newest member of the warband for the High Prince, Nathair. He is one of the most skilled swordsman to come out of his homeland, yet he is always under the shadow of his older brother. Nathair has ideas - and a lot of plans. Many of them don't involve his father, the High King Aquilus. Nor does he agree with his father's idea to summon his fellow kings to council. The Banished Lands has a violent past where armies of men and giants clashed in battle, but now giants are seen, the stones weep blood and giant wyrms are stirring. Those who can still read the signs see a threat far greater than the ancient wars. For if the Black Sun gains ascendancy, mankind's hopes and dreams will fall to dust and it can never be made whole again. MALICE is a dark epic fantasy tale of blind greed, ambition, and betrayal.

Firefly Legacy Deluxe Edition

From 1977 to the end of 1986, Duncan McNab was a member of the NSW Police Force. Most of his service was in criminal investigation. The many unsolved deaths and disappearances of young gay men are the crimes that continue to haunt him. Around 80 men died or disappeared in NSW from the late 70s to early 90s during an epidemic of gay-hate crimes. The line between a vicious assault and murder is a slender one and this was a time of brutal attacks on gay men, featuring gangs of young thugs like the 'Parkside Killers' and 'Bondi Boys', who took to the growing gay rights community with fists and feet. Even more troubling are incidents in which gay men disappeared and have never been found, or where deaths were initially dismissed by the NSW Police as either misadventure or suicide. We now know that a number of these men were hunted down by gangs and thrown over beachside cliffs near the nation's top tourist spots. Investigation of crimes against gay men wasn't always high on the list of priorities for the police and over twenty years later they are still slow to come to grips with their own dismal track record. The families of the victims, and some journalists, have not given up and continue to push the NSW Police Force for more answers. This book is the story of a unique time in our history when social change, politics, devastating disease and police culture collided, and you could get away with murder.

Firefly: The Unification War

The Firefly Encyclopedia is a lavish guide to Joss Whedon's much-loved creation. The book includes a detailed timeline of events, in-depth character studies from Badger to Zoe, a guide to the science of the show, and sections of script with accompanying notes from the author. Alongside all of this are countless images of the characters, ships, weapons, props and sets. This is a must-have item for all fans of the 'Verse.

Malice

A new era of Firefly canon in the fourth original novel tie-in of the much-missed Firefly series from creator Joss Whedon. A mysterious star map On an Outer Rim moon, Captain Malcolm Reynolds ends a card game the lucky winner of an old map covered in mysterious symbols. The former owner insists it's worthless; back on Serenity, River Tam is able to interpret it. An ancient legend River claims the map points the way to one of the Arks: legendary generation ships that brought humans from Earth- That-Was to the 'Verse. The salvage potential alone is staggering. A drifting relic As the crew approach the aged floating ship, they find it isn't quite as dead as it first seemed. The closer they get, the more agitated River becomes. She claims something is waiting on board, something powerful, and very angry

The Age of Odin

Collects three "Firefly" companions that present exclusive material from the popular television series, including interviews from the cast and crew, storyboards, production photographs, and discussions of the "Firefly" fandom.

Sherlock Holmes - The Labyrinth of Death

Thrown out of the Space Academy in disgrace, Ky Vatta, the daughter of a leading interstellar trading dynasty, is given the chance to redeem herself by captaining one of Vatta's oldest ships on its voyage to the scrapyards, but her journey takes on unexpected challenges when she finds herself and her crew trapped in the middle of a colonial war, in the first volume in a new military science fiction series. Reprint.

Sherlock Holmes and the Christmas Demon

The new Sherlock Holmes novel from the New York Times bestselling author of *The Age of Odin* and *Firefly - Big Damn Hero*. It is 1890, and in the days before Christmas Sherlock Holmes and Dr John Watson are visited at Baker Street by a new client. Eve Allerthorpe - eldest daughter of a grand but somewhat eccentric Yorkshire-based dynasty - is greatly distressed, as she believes she is being haunted by a demonic Christmas spirit. Her late mother told her terrifying tales of the sinister Black Thurrick, and Eve is sure that she has seen the creature from her bedroom window. What is more, she has begun to receive mysterious parcels of birch twigs, the Black Thurrick's calling card. Eve stands to inherit a fortune if she is sound in mind, but it seems that something - or someone - is threatening her sanity. Holmes and Watson travel to the Allerthorpe family seat at Fellscar Keep to investigate, but soon discover that there is more to the case than at first appeared. There is another spirit haunting the family, and when a member of the household is found dead, the companions realise that no one is beyond suspicion.

Alien: River of Pain (Novel #3)

They live amongst us, abhored, marginalised, despised. They are vampires, known politely as Sunless. The job of policing their community falls to the men and women of the Sunless Housing and Disclosure Executive - SHADE. Captain John Redlaw is London's most feared and respected SHADE officer. But when the vampires start rioting within their ghettos, and angry humans respond with violence of their own, even Redlaw may not be able to keep the peace. Especially when political forces are aligning to introduce a radical answer to the Sunless problem, one that will resolve the situation once and for all.

Lightless

Presents exclusive material from the popular television series, including interviews from the cast and crew, storyboards, production photographs, discussions of the "Firefly" fandom, and four short stories continuing their adventures.

Firefly

When Ellen Ripley finally returns to Earth, she learns that the planet LV-426—now called Acheron—has been colonized. But LV-426 is where Ripley and the crew of the *Nostromo* found the original Xenomorph—the killing machine known as the Alien. Protected by the Colonial Marines, the colonists seek to terraform the storm-

swept planet. Two such residents are Anne and Russell Jordan, seeking a fortune that eluded them on Earth. On Acheron, Anne gives birth to the colony's first newborn. Rebecca Jordan, also known as Newt. The wildcatters discover a vast, decaying spaceship. The horseshoe-shaped vessel is of particular interest to Weyland-Yutani, and may be the answer to their dreams. But what Anne and Russ find on board proves to be the stuff, not of dreams, but of nightmares. Alien TM & © 1979, 2013 Twentieth Century Fox Film Corporation. All Rights Reserved.

CLASSIC SF—NOW AVAILABLE AS AN EBOOK FOR THE FIRST TIME! After a series of disastrous political decisions the United Kingdom has finally fallen foul of the International Community. Ostracized and bombed at random, the country has fallen apart. With the infrastructure in ruins, tiny communities struggle on relying on ancient traditions and myth for their structure and identity. In the village of Downbourne the mayor has styled himself the Green Man. But even he is powerless to stop a raid on the village by a London based gang who kidnap a number of the village's women. One of them is the schoolmaster's wife. Their marriage was an arid disaster, but the schoolmaster feels bound to do the right thing and sets off on a journey through an England at once terrifying and magical to get her back. But does this particular damsel even want to be rescued?

Serenity Volume 3: The Shepherd's Tale

The first original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. The Battle of Serenity Valley was the turning point that led the Independents to their defeat at the hands of the Alliance. Yet the Browncoats had held the valley for weeks against all odds, before being ordered to lay down their arms. Command stated they refused to send in airpower because the ground war was "too hot." But the soldiers who were there insist that was not true. While picking up a new cargo on Persephone, Captain Malcolm Reynolds is kidnapped by a bunch of embittered veteran Browncoats who suspect him of sabotaging the Independents during the war. As the rest of the crew struggle to locate him, Mal is placed on trial for his life, fighting compelling evidence that someone did indeed betray them to the Alliance all those years ago. As old comrades and old rivals crawl out of the woodwork, Mal must prove his innocence, but his captors are desperate and destitute, and will settle for nothing less than the culprit's blood.

Redlaw

As Wash's life flashes before him, he revisits untold moments in his life, from growing up on a planet ravaged by pollution, to meeting the woman of his dreams in Zoe. And in those final moments, Wash will reach out to connect with a surprising someone he never thought possible to meet, proving that some bonds transcend our mortal coils. With original short stories from superstar creative teams, learn the untold past, present, and

maybe even future of the best pilot in the 'Verse—Hoban "Wash" Washburne."

Beauty & the Beast: Vendetta

The second original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. The second original novel from the much-missed Space Western Firefly, produced with Joss Whedon as consulting editor, set between the TV series and the movie Serenity. A cosmic cry for help Captain Mal Reynolds is in a fix. He'd like nothing more than to find honest smuggling work that stays under the Alliance's radar and keeps the good ship Serenity in the sky. But when an old flame of Jayne Cobb's sends a desperate plea across the galaxy, his crew has other ideas. A cut-throat bandit On the arid, far-flung world of Thetis, the terrifying Elias Vandal is threatening to overrun the town of Coogan's Bluff with his trigger-happy army. He wants control of the only thing standing between its people and dustbowl ruin: their water supply. The Magnificent Nine When the crew land at the hardscrabble desert outpost, they discover two things: a savage outlaw gang who will stop at nothing to get what they want, and that Jayne's former girlfriend, Temperance, is singlehandedly raising a teenage daughter, born less than a year after she and Jayne parted ways. A daughter by the name of Jane McCloud

Getting Away With Murder

Detective Catherine Chandler is on a mission to unveil the truth behind her past and discover the secrets surrounding her family. Yet, things become more complicated when she becomes romantically involved with the handsome doctor Vincent Keller, who harbors a dark secret of his own - he turns into a terrifying beast when angered. Together, they struggle to maintain their relationship whilst being pursued by the mysterious organization known as Muirfield.

Firefly #1

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED AND KIRKUS

REVIEWS • With deeply moving human drama, nail-biting suspense—and bold speculation informed by a degree in physics—C. A. Higgins spins a riveting science fiction debut guaranteed to catapult readers beyond their expectations. Serving aboard the *Ananke*, an experimental military spacecraft launched by the ruthless organization that rules Earth and its solar system, computer scientist Althea has established an intense emotional bond—not with any of her crewmates, but with the ship’s electronic systems, which speak more deeply to her analytical mind than human feelings do. But when a pair of fugitive terrorists gain access to the *Ananke*, Althea must draw upon her heart and soul for the strength to defend her beloved ship. While one of the saboteurs remains at large somewhere on board, his captured partner—the enigmatic Ivan—may prove to be more dangerous. The perversely fascinating criminal whose silver tongue is his most effective weapon has long evaded the authorities’ most relentless surveillance—and kept the truth about his methods and motives well hidden. As the ship’s systems begin to malfunction and the claustrophobic atmosphere is increasingly poisoned by distrust and suspicion, it falls to Althea to penetrate the prisoner’s layers of intrigue and deception before all is lost. But when the true nature of Ivan’s mission is exposed, it will change Althea forever—if it doesn’t kill her first. Praise for *Lightless* “Gripping . . . sci-fi flavored with a hint of thriller.”—New York Daily News “[A] measured, lovely science-fiction debut [that is] more psychological thriller . . . contained, disciplined, tense . . . The plot is compulsive. . . . *Lightless* is the first of a planned series, and you can’t help looking forward to learning what’s next.”—The New York Times “*Lightless* is full of suspense and fun as hell to read.”—BuzzFeed “Absolutely brilliant . . . This is science fiction as it is meant to be done: scientific concepts wedded to and built upon human ideals.”—Seanan McGuire, New York Times bestselling author of the *October Daye* series “The stakes in this story are high—life and death, rebellion and betrayal—and debut novelist Higgins continually ratchets up the tension. . . . A suspenseful, emotional story that asks plenty of big questions about identity and freedom, this is a debut not to be missed.”—Kirkus Reviews (starred review) “A taut, suspenseful read.”—Tech Times “*Lightless* is an exercise in lighting a very slow fuse and building the tension to an unbearable pitch while making us guess just how apocalyptic the ultimate explosion will be. . . . It is a high-wire act, a wonderment, and a fine accomplishment from a name we’ll be seeing again.”—Sci Fi From the Hardcover edition.

CLASSIC SF—NOW AVAILABLE AS AN EBOOK FOR THE FIRST TIME! The Families. Insanely rich and richly insane. With world-spanning business interests, glamour and power, they are monarchs, Mafia and movie stars rolled into one. Since the Borgias and Medicis united in the 17th century the Families have transfixed, transformed and ruled the world. Top British Family the Gleeds are hosting the social event of the year, their annual ball. Venice has been reconstructed in the grounds of their estate and should provide the perfect romantic backdrop for Provender—their disaffected heir upon whom the Family line depends—to finally find a wife. But Provender shows no sign of settling down with any of the social beauties his mother parades before him and in the moment when love does begin to blossom, Provender is kidnapped by an anti-Familial revolutionary. The future of the Gleeds, and of Europe, depends on the skills of two Anagrammatic Detectives—while Provender’s own future depends on the dark eyes and equally

dark wit of a girl called Is. “Provender Gleed emerges as some of its author’s best work thus far. Its satire strikes vigorously home in the end, and its motivating love story is wonderfully conceived and handled.” Nick Gevers, Locus “Pick up James Lovegrove’s latest novel and you can rest assured that you are in the safe hands of a master craftsman. There a few things sweeter than reading a writer who’s so absolutely in love with the English language, and Lovegrove is clearly head over heels.” SFX “This is a book about quiet competence—Provender and Isis, his kidnapper’s accomplice, are one of the more charming couples in recent fiction because they are both too smart and too able for simple romance. An entirely quieter sort of British SF.” Roz Kaveney, Time Out “Provender Gleed shows, if more evidence was required, that James Lovegrove is one of the foremost novelists of his generation.” Interzone

Serenity

A lot has happened since Finding Serenity. We learned River’s secret; Mal took on the Alliance. Our favorite crew became Big Damn Heroes. And the Browncoats proved that hard work, passion and a little fan coordination can do the impossible. Serenity Found takes the contents of Finding Serenity even further, exploring not just the show but the events of the film as well, to create an anthology that’s even more thought-provoking, fascinating and far-thinking than its predecessor. * Acclaimed science fiction author Orson Scott Card lauds “Serenity” as film sci-fi finally done right * Writer and comedian Natalie Haynes reveals the real feminist savvy of the “Firefly” universe: the girls get the guns and the gags * Pop culture critic Michael Marano connects damaged, ass-kicking River to the other weaponized women of the Whedonverse * Multiverse executive producer Corey Bridges explains why the world of “Firefly” is the perfect setting for an MMORPG * Mutant Enemy’s visual effects wizard Loni Peristere relates what he’s learned from Joss about telling stories, and tells a story of his own about Serenity’s design * Television Without Pity recapper Jacob Clifton frames “Serenity” as a parable about media: how it controls us, how we can control it and how to separate the signal from the noise * And Nathan Fillion, “Firefly” and “Serenity’s” Captain Malcolm Reynolds, shares his affinity for Mal and his love of Mal’s ship and crew.

Firefly: Generations

The official follow-up to the critically acclaimed hit film Serenity, that sees the band of space outlaws scattered to the far ends of the universe, on the run from the Alliance From the heart of the Whedonverse comes the next chapter of Firefly! Picking up where the critically acclaimed film Serenity left off, the ‘Verse is on the brink of war, and Captain Mal and his crew are on the run from the Alliance and an old, unstoppable foe. Babies are born, friends are lost, and there’s a new sheriff in town to lead the Browncoats into battle. With the crew scattered to the far ends of the ‘Verse, it’ll take quite a gamble to pull them back together . . . but when the chips are down, never bet against Captain Malcolm Reynolds! Contains: * Leaves on the Wind #1-6 * “The Warrior and the Wind” * No Power in the ‘Verse #1-6

Firefly

In a follow-up to the film "Serenity," Malcolm and his crew are separated after revealing the crimes undertaken by the Alliance, and River must lead the former Browncoats on a dangerous mission that, with hope, will reunite them.

Sherlock Holmes: The Thinking Engine

Kicking off a new Firefly epic, discover the secret history of Mal and his mother, and a new brewing war to end all wars from New York Times bestselling writer Greg Pak (Star Wars, X-Men), and artists Davide Gianfelice (Wolverine: Weapon X) and Lalit Kumar Sharma (Daredevil). Mal has handed himself into the Alliance but it turns out he's not the one they want. The infamous Ma Reynolds—that's Mal's mom—is at the top of the Alliance's Most Wanted, and if Mal doesn't get to her first, the Alliance will! Collects Firefly: The Outlaw Ma Reynolds #1 and Firefly #13-15.

Firefly Legacy Edition Book Two

Presenting a series of essays about the cancelled television program "Firefly," discussing the cult appeal of its characters, the difficulties of its plot, and the conflict between its creator and television executives which caused its run to be short-lived.

Serenity: No Power in the 'Verse

It is 1895, and Sherlock Holmes's new client is a High Court judge, whose free-spirited daughter has disappeared without a trace. Holmes and Watson discover that the missing woman—Hannah Woolfson—was herself on the trail of a missing person, her close friend Sophia. Sophia was recruited to a group known as the Elysians, a quasi-religious sect obsessed with Ancient Greek myths and rituals, run by the charismatic Sir Philip Buchanan. Hannah has joined the Elysians under an assumed name, convinced that her friend has been murdered. Holmes agrees that she should continue as his agent within the secretive yet seemingly harmless cult, yet Watson is convinced Hannah is in terrible danger. For Sir Philip has dreams of improving humanity through classical ideals, and at any cost...

Firefly - The Ghost Machine

Tough times haven't ended for Mal Reynolds and his crew aboard the Serenity. When a call for help to find a missing friend takes them to an Alliance post on the Outer Rim, they encounter a new force building strength to fight the battle of the Browncoats--soon leading the crewmembers to question their individual values . . . Discovering that their friend is in Alliance custody and that an Alliance Operative is on the way, Mal concentrates his energy on the problem at hand and strikes an uneasy partnership for a daring rescue. But this is only the beginning of the story. Success will be when the Serenity's crew makes it off this planet alive and all accounted for . . . Georges Jeanty (Buffy Season 8, Season 9, Serenity) returns to the 'verse! iZombie creator Chris Roberson writes the continuing adventures of Mal and the crew. Follows the film Serenity, and the comics series Serenity: Leaves on the Wind. Executive Producer Joss Whedon! Firefly: New Sheriff in the 'Verse Vol. 1

Gideon Coxall was a good soldier but bad at everything else, until a roadside explosive device leaves him with one deaf ear and a British Army half-pension. So when he hears about the Valhalla Project, it's like a dream come true. They're recruiting former service personnel for excellent pay, no questions asked, to take part in unspecified combat operations. The last thing Gid expects is to find himself fighting alongside ancient Viking gods. The world is in the grip of one of the worst winters it has ever known, and Ragnarok - the fabled final conflict of the Sagas - is looming.

Provender Glead

One of Serenity's greatest mysteries is finally revealed in *The Shepherd's Tale*, filling in the life of one of the show's most beloved characters—Shepherd Book! Who was Book before meeting Mal and the rest of the Serenity crew? How did he become one of their most trusted allies? And how did he find God in a bowl of soup? Answers to these and more questions about Book's past are uncovered in this original graphic novel by rising stars Zack Whedon (Dr. Horrible, Terminator, Fringe) and Chris Samnee (Blackest Night: Tales of the Corps, Daredevil). A pivotal chapter in the ongoing Serenity saga, *The Shepherd's Tale* is also a rollicking, action-packed epic in its own right! • "Dark Horse's Serenity displays the key ingredients of the series in a substantial and entertaining way."—BrokenFrontier.com

Beauty & the Beast: Some Gave All

The fourth original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. Mal and the crew take receipt of a sealed crate which they are being paid to transport to Badger, no questions asked. Yet once their cargo is safely stowed aboard, River insists Mal should "space" it out of the airlock, for it contains, she insists, ghosts. With supplies running low, the crew desperately need another pay day, but soon find themselves paralysed by hallucinations of their deepest hopes and desires, so vivid they cannot be distinguished from reality. River is the only one unaffected, and desperately tries to awaken her crew mates, while the fantasies turn sour, and the ship begins to spin out of control.

Firefly: The Unification War Deluxe Edition

Man vs Machine it is 1895, and Sherlock Holmes is settling back into life as a consulting detective at 221B Baker Street, when he and Watson learn of strange goings-on amidst the dreaming spires of Oxford. A Professor Quantock has built a wondrous computational device, which he claims is capable of analytical thought to rival the cleverest men alive. Naturally Sherlock Holmes cannot ignore this challenge. He and Watson travel to Oxford, where a battle of wits ensues between the great detective and his mechanical counterpart as they compete to see which

of them can be first to solve a series of crimes, from a bloody murder to a missing athlete. But as man and machine vie for supremacy, it becomes clear that the Thinking Engine has its own agenda

Finding Serenity
