Firefly

The new Sherlock Holmes novel from the New York Times bestselling author of *The Age of Odin* and *Firefly - Big Damn Hero*. It is 1890, and in the days before Christmas Sherlock Holmes and Dr John Watson are visited at Baker Street by a new client. Eve Allerthorpe - eldest daughter of a grand but somewhat eccentric Yorkshire-based dynasty - is greatly distressed, as she believes she is being haunted by a demonic Christmas spirit. Her late mother told her terrifying tales of the sinister Black Thurrick, and Eve is sure that she has seen the creature from her bedroom window. What is more, she has begun to receive mysterious parcels of birch twigs, the Black Thurrick's calling card. Eve stands to inherit a fortune if she is sound in mind, but it seems that something - or someone - is threatening her sanity. Holmes and Watson travel to the Allerthorpe family seat at Fellscar Keep to investigate, but soon discover that there is more to the case than at first appeared. There is another spirit haunting the family, and when a member of the household is found dead, the companions realise that no one is beyond suspicion.

Sherlock Holmes and the Christmas Demon

A collection of stunning brand-new exclusive original art celebrating the TV series *Firefly*. An original glossy coffee table book bursting with brand new and exclusive art. The book includes over 120 pieces by professional artists, illustrators, concept artists, comics artists and graphic designers. The featured artists include Joe Corroney, Rian Hughes, John J Hill, Sandra Kamenz, Angel Onofre, Stephen Sampson (The Dark Inker), Liza Shumskaya, and Angel Trancon. From character portraits, faux book covers and poster concepts, to iconic scenes, wanted posters and renderings of *Serenity*, each artist puts their own stamp on the *Firefly* universe.

Firefly: Generations

On Earth, Federation President Nanietta Bacco gathers allies and adversaries to form a desperate last line of defense against an impending Borg invasion. In deep space, Captain Jean-Luc Picard and Captain Ezri Dax join together to cut off the Collective's route to the Alpha Quadrant. Half a galaxy away, Captain William Riker and the crew of the Starship Titan

have made contact with the reclusive Caeliar—survivors of a stellar cataclysm that, two hundred years ago, drove fissures through the structure of space and time, creating a loop of inevitability and consigning another captain and crew to a purgatory from which they could never escape. Now the supremely advanced Caeliar will brook no further intrusion upon their isolation, or against the sanctity of their Great Work. For the small, finite lives of mere mortals carry little weight in the calculations of gods. But even gods may come to understand that they underestimate humans at their peril.

Firefly: The Gorramn Shiniest Language Guide and Dictionary in the 'Verse

At midnight, in a secret medical clinic in Washington, D.C., two foreign doctors and their team are completing plastic surgery on an anonymous client who is changing the appearance of his face, among other things. After the procedure, the client begins to stir—and suddenly the operating room erupts in violence and the clinic is ablaze. Washington police conduct an arson investigation, with inconclusive results. But one tantalizing fragment of evidence suggests that a terrorist bombing may be imminent. The presidential inauguration is quickly approaching and Washington's police, fire, intelligence, military, federal, and White House security teams are making frantic preparations. Because of the strain on manpower, retired Secret Service agent Swamp Morgan is recalled to active duty. His task: investigate the incineration of the medical clinic as a "firefly"—Washington-speak for something that looks like a threat but isn't. As Swamp begins what he thinks is a routine check-and-dismiss, the clinic's missing client begins preparations for his mission: to launch an attack on the American government - a decapitation strike intended to wipe out both the outgoing and incoming administrations. As the crucial day approaches, Swamp, the only agent to take the firefly seriously, must operate alone as the clock clicks down to a breathtaking finale. Filled with brilliant twists and turns and heart-in-your-throat suspense, *Firefly* offers first class entertainment from beginning to end.

Firefly: The Unification War Deluxe Edition

CLASSIC SF—NOW AVAILABLE AS AN EBOOK FOR THE FIRST TIME! The Families. Insanely rich and richly insane. With world-spanning business interests, glamour and power,

they are monarchs, Mafia and movie stars rolled into one. Since the Borgias and Medicis united in the 17th century the Families have transfixed, transformed and ruled the world. Top British Family the Gleeds are hosting the social event of the year, their annual ball. Venice has been reconstructed in the grounds of their estate and should provide the perfect romantic backdrop for Provender—their disaffected heir upon whom the Family line depends—to finally find a wife. But Provender shows no sign of settling down with any of the social beauties his mother parades before him and in the moment when love does begin to blossom, Provender is kidnapped by an anti-Familial revolutionary. The future of the Gleeds, and of Europe, depends on the skills of two Anagrammatic Detectives—while Provender’s own future depends on the dark eyes and equally dark wit of a girl called Is. Provender Gleed emerges as some of its author’s best work thus far. Its satire strikes vigorously home in the end, and its motivating love story is wonderfully conceived and handled. Nick Gevers, Locus Pick up James Lovegrove’s latest novel and you can rest assured that you are in the safe hands of a master craftsman. There a few things sweeter than reading a writer who’s so absolutely in love with the English language, and Lovegrove is clearly head over heels. SFX This is a book about quiet competence—Provender and Isis, his kidnapper’s accomplice, are one of the more charming couples in recent fiction because they are both too smart and too able for simple romance. An entirely quieter sort of British SF. Roz Kaveney, Time Out Provender Gleed shows, if more evidence was required, that James Lovegrove is one of the foremost novelists of his generation. Interzone

Firefly - The Magnificent Nine

Ever wondered how the crew of Serenity would fare if they landed back on Earth-That-Was? Would we see etiquette classes by Inara? Remedial math lessons from Jayne? Could River make it as a psychic poker champ? And what kind of carnage could Saffron cause with a charity kissing booth? Find out in this cute cartoon collection from Joey Spiotto.

Firefly: The Unification War

1894. The monstrous Hound of the Baskervilles has been dead for five years, along with its no less monstrous owner, the naturalist Jack Stapleton. Sir Henry Baskerville is living contentedly at Baskerville Hall with his new wife Audrey and their young son Harry. Until, that is, Audrey’s lifeless body is found on the moors, drained of blood. It would appear some fiendish creature is once more at large on Dartmoor and has, like its predecessor, targeted the unfortunate Baskerville family. Sherlock Holmes and Dr Watson are summoned to Sir Henry’s aid, and our heroes must face a marauding beast that is the very stuff of nightmares.

Star Trek: Destiny #2: Mere Mortals

Sky piracy is a bit out of Darian Frey’s league. Fate has not been kind to the captain of the airship Ketty Jay—or his motley crew. They are all running from something. Crake is a daemonist in hiding, traveling with an armored golem and burdened by guilt. Jez is the new navigator, desperate to keep her secret from the rest of the crew. Malvery is a disgraced doctor, drinking himself to death. So when an opportunity arises to steal a chest of gems from a vulnerable airship, Frey can’t pass it up. It’s an easy take—and the payoff will finally make him a rich man. But when the attack goes horribly wrong, Frey suddenly finds himself the most wanted man in Vardia, trailed by bounty hunters, the elite Century Knights, and the dread queen of the skies, Trinica Dracken. Frey realizes that they’ve been set up to take a fall but

doesn't know the endgame. And the ultimate answer for captain and crew may lie in the legendary hidden pirate town of Retribution Falls. That's if they can get there without getting blown out of the sky.

Firefly: Bad Company #1

THE TRUTH ABOUT MAL REYNOLDS' PAST IS REVEALED. Captain Mal Reynolds thought he could outrun his past, but when a simple mission goes wrong, he's forced to confront it in the form of the Unificators, mercenaries deputized to hunt down war criminals and they've got Mal and Zoe at the top of their list! War can make villains of even the best men, and Mal's quest for redemption will put him at odds with his own crew, forcing him to make a choice: fix the past or fight for the future. Fans have demanded it for years and now the definitive story of the Unification War—the intergalactic civil war that divided friends and family alike—is told at last in this official continuation of the hit Firefly television series. New York Times best-selling writer Greg Pak (Star Wars, Mech Cadet Yu) and artist Dan McDaid (Judge Dredd), along with series creator & story consultant Joss Whedon (the visionary writer/director behind Buffy The Vampire Slayer, Marvel's The Avengers and more), take you back to the battleground where it all began and reveal a secret history that might end it all. Collects Firefly #1-12, plus an exclusive short story not available anywhere else!

Firefly - the Big Damn Cookbook

In the mid-1870s, a violent spray of comets hits Earth, decimating cities, erasing shorelines, and changing the world's climate forever. And just as Earth's temperature dropped, so was civilization frozen in time. Instead of advancing technologically, humanity had to piece itself back together. In the twenty-first century, boats still run on steam, messages arrive by telegraph, and the British Empire, with its capital now in Delhi, controls much of the world. The other major world leader is the Czar of All the Russias. Everyone predicts an eventual, deadly showdown. But no one can predict the role that one man, Captain Athelstane King, reluctant spy and hero, will play.

Serenity Handbook

Gideon Coxall was a good soldier but bad at everything else, until a roadside explosive device leaves him with one deaf ear and a British Army half-pension. So when he hears about the Valhalla Project, it's like a dream come true. They're recruiting former service personnel for excellent pay, no questions asked, to take part in unspecified combat operations. The last thing Gid expects is to find himself fighting alongside ancient Viking gods. The world is in the grip of one of the worst winters it has ever known, and Ragnarok—the fabled final conflict of the Sagas—is looming.

The Age of Odin

Man vs Machine it is 1895, and Sherlock Holmes is settling back into life as a consulting detective at 221B Baker Street, when he and Watson learn of strange goings-on amidst the dreaming spires of Oxford. A Professor Quantock has built a wondrous computational device, which he claims is capable of analytical thought to rival the cleverest men alive. Naturally Sherlock Holmes cannot ignore this challenge. He and Watson travel to Oxford, where a battle of wits ensues between the great detective and his mechanical counterpart as they compete to see which of them can be first to solve a series of crimes, from a bloody murder to a missing athlete. But as man and machine vie for supremacy, it becomes clear that the Thinking Engine has its own agenda

Encounters of Sherlock Holmes

The woman who travelled further than any human ever had before, stranded decades from home, encountering new worlds and species and overcoming one of Starfleet's greatest threats – the Borg – on their own remote and hostile territory.

Firefly - the Ghost Machine

If you've ever wondered what it's like to soar through space like a leaf on the wind in a Firefly spaceship, this is the manual for you. The Firefly-class transport ship was originally created by the Allied Spacecraft Corporation, but since the Browncoats' Independence War, it has become a favourite among smugglers on the Rim worlds. The aircraft's many nooks, crannies, and hidden compartments give it an incredible cargo capacity, and its speed and small size make it the perfect getaway vehicle. The many secrets of Serenity are revealed in this fascinating crew-created owner's manual, which features in-depth technical specifications and insightful commentary from the entire crew. Designed as an in-world crew-made manual for the ship, this book will allow fans of Firefly and Serenity to explore the iconic Firefly-class Series 3 ship in a whole new way.

The Firefly

A new era of Firefly canon in the fourth original novel tie-in of the much-missed Firefly series from creator Joss Whedon. A mysterious star map On an Outer Rim moon, Captain Malcolm Reynolds ends a card game the lucky winner of an old map covered in mysterious symbols. The former owner insists it's worthless; back on Serenity, River Tam is able to interpret it. An ancient legend River claims the map points the way to one of the Arks: legendary generation ships that brought humans from Earth- That-Was to the 'Verse. The salvage potential alone is staggering. A drifting relic As the crew approach the aged floating ship, they find it isn't quite as dead as it first seemed. The closer they get, the more agitated River becomes. She claims something is waiting on board, something powerful, and very angry

Christopher Pratt

From Joss Whedon (Buffy the Vampire Slayer, Marvel's The Avengers) comes a new era of Firefly, as the definitive story of the Unification War is told at last! Serenity's crew is divided, as

Captain Malcolm "Mal" Reynolds and his First Mate Zoe Washburn are arrested for crimes committed during the Unification War and they each are forced to choose a side. But Mal and Zoe aren't ready to go quietly, and after escaping from the Unificators, bounty hunters sent by the government to bring them to trial, they find themselves stranded on a far flung planet, with nothing but each other—and the memories of their many mistakes—for company. War can make villains of even the best men, and their quest for redemption will put them at odds with their crew, their family and each other, forcing them to make a choice: fix the past or fight for the future. Collects issues #5-8.

Serenity

Sherlock Holmes: The Thinking Engine

The second original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. An old flame of Jayne Cobb's, Temperance McCloud, sends a message to Serenity, begging him for help. She lives on the arid, far-flung world of Tethys, and bandits are trying to overrun her town to gain control of their water supply: the only thing standing between its people and dustbowl ruin. Jayne tries to persuade the Serenity crew to join the fight, but it is only when he offers Vera, his favourite gun, as collateral that Mal realises he's serious. When the Serenity crew land at a hardscrabble desert outpost called Coogan's Bluff, they discover two things: an outlaw gang with an almost fanatical devotion to their leader who will stop at nothing to get what they want, and that Temperance is singlehandedly raising a teenage daughter, born less than a year after Temperance and Jayne broke up. A daughter by the name of Jane McCloud

Sherlock Holmes and The Beast of the Stapletons

The Peshawar Lancers

The third original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. Some hot property Mal's crew desperately need another payday, but not desperately enough to transport a Blue Sun flightcase to Badger, no questions asked, when the area is swarming with Alliance spacecraft equally keen to regain the stolen property. Yet Jayne refuses to miss out, and sneaks the case aboard Serenity. Lucid Dreams Within hours of secreting the case Jayne suddenly finds himself back on the Cobb homestead with his brother Matty miraculously cured of the damplung. Wash is at the controls of the highest-spec cruiser money can buy, the billionaire head of a 'verse-spanning business empire. All of the crew but River are soon immersed in vivid hallucinations of their deepest desires, while their bodies lie insensible on the ship. Fantasies gone sour Wash's empire begins to crumble; the Cobb ranch is under attack by merciless bandits. As everyone's daydreams turn nightmare, Serenity floats on a crash course towards a barren moon, with only River standing between the crew and certain oblivion.

Firefly - The Ghost Machine

The Ancient Egyptian gods have defeated all the other pantheons and claimed dominion over the earth, dividing it into warring factions. Lt. David Westwynter, a British soldier, stumbles into Freegypt, the only place to have remained independent of the gods' influence. There, he encounters the followers of a humanist leader known as the Lightbringer, who has vowed to rid mankind of the shackles of divine oppression. As the world heads towards an apocalyptic battle, there is far more to this freedom fighter than it seems

Finding Serenity

The fourth original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. Mal and the crew take receipt of a sealed crate which they are being paid to transport to Badger, no questions asked. Yet once their cargo is safely stowed aboard, River insists Mal should "space" it out of the airlock, for it contains, she insists, ghosts. With supplies running low, the crew desperately need another pay day, but soon find themselves paralysed by hallucinations of their deepest hopes and desires, so vivid they cannot be distinguished from reality. River is the only one unaffected, and desperately tries to awaken her crew mates, while the fantasies turn sour, and the ship begins to spin out of control.

Firefly: Back from the Black

Follow a renegade sorcerer off the edge of the map, in a thrilling adventure perfect for fans of Scott Lynch, Brandon Sanderson and Sebastien de Castell . . . Dashryn Cowl has run out of places to hide. The erstwhile sorcerer of the Imperial College fled the Bolgravian Empire when his high-flying family fell from grace, but the tyrannical empire is still hunting for him. So when he gets his hands on a map showing a place outside the known lands rich in istariol, the mineral that fuels sorcery, he sees a way back to power. There's only one problem: it means masquerading as an Imperial Cartomancer (an instant death sentence) and finding some dupes to help him mine the istariol in secret, no questions asked. But somehow, amid the dangers of the road (floods and avalanches, beasts, barbarians and monsters), a strange thing begins to happen: Dashryn starts to care about his ragtag followers and their strange odyssey into the ruins of an ancient forgotten civilisation. But his past won't let him be: the implacable Imperial Bloodhound Toran Zorne has caught his scent, and Zorne has never yet failed to bring his quarry to ground. At the edge of the map, there's no going forward and no going back . . .

Sherlock Holmes - The Labyrinth of Death

It is 1895, and Sherlock Holmes's new client is a High Court judge, whose free-spirited daughter has disappeared without a trace. Holmes and Watson discover that the missing woman—Hannah Woolfson—was herself on the trail of a missing person, her close friend Sophia. Sophia was recruited to a group known as the Elysians, a quasi-religious sect obsessed with Ancient Greek myths and rituals, run by the charismatic Sir Philip Buchanan. Hannah has joined the Elysians under an assumed name, convinced that her friend has been murdered. Holmes agrees that she should continue as his agent within the secretive yet seemingly harmless cult, yet Watson is convinced Hannah is in terrible danger. For Sir Philip has dreams of improving humanity through classical ideals, and at any cost

It's a Firefly Night

Christopher Pratt is one of Canada's most prominent painters and printmakers. His reputation was solidified with the celebrated retrospective of his work at the National Gallery of Canada in 2005. The intense realism of Christopher Pratt's art is, at first glance, deceptively simple. But behind the recognizable images lie deeper meanings. Pratt's search for a reality that is magical and mysterious gives his work its uncanny and haunting qualities. Since the day in the mid-1950s when Pratt first saw the painting *Early Sunday Morning* by the renowned American realist, Edward Hopper, he has perfected his ability to represent the qualities of natural and artificial light. Pratt stands in the line of other great Canadian artists, including Alex Colville, Lawren P. Harris, Jean Paul Lemieux and Lionel LeMoine Fitzgerald, all of whom influenced him and the way he represents the land. Others who figured in his development include Americans Winslow Homer, Edward Hopper and Thomas Eakins. The unique and beautiful island of Newfoundland, with its culture, history, geography and weather, has also influenced his work. This handsomely designed book, published in association with the Art Gallery of Sudbury, traces Pratt's development as a painter and printmaker from his early watercolors through to the iconic paintings of his mature years. It features more than 100 works, all beautifully reproduced, many of which have never been published before. Christopher Pratt was born in 1935 in St. John's, Newfoundland. He studied at the Glasgow School of Art and at Mount Allison University, in Sackville, New Brunswick, and is universally acknowledged as one of the most important Canadian artists of the period. His work is included in the permanent collections of the National Gallery of Canada, the Vancouver Art Gallery, the Art Gallery of Ontario, the McMichael Canadian Art Collection, the Beaverbrook Art Gallery, the Musée d'Art Contemporain of Montreal and Memorial University of Newfoundland, as well as in private and corporate collections in North America and around the world. He is represented by the Mira Godard Gallery in Toronto. Pratt lives and works in the village of St. Mary's Bay on the Salmonier River in Newfoundland. Over the years, he has exhibited both nationally and internationally, with exhibitions in New York (1976); at Canada House Cultural Centre Gallery in London, England (an exhibition that traveled to Paris, Brussels and Dublin in 1982-83); and at the 49th Parallel Gallery in New York (1988).

Firefly - Artbook

The first original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. The Battle of Serenity Valley was the turning point that led the Independents to their defeat at the hands of the Alliance. Yet the Browncoats had held the valley for weeks against all odds, before being ordered to lay down their arms. Command stated they refused to send in airpower because the ground war was "too hot." But the soldiers

who were there insist that was not true While picking up a new cargo on Persephone, Captain Malcolm Reynolds is kidnapped by a bunch of embittered veteran Browncoats who suspect him of sabotaging the Independents during the war. As the rest of the crew struggle to locate him, Mal is placed on trial for his life, fighting compelling evidence that someone did indeed betray them to the Alliance all those years ago. As old comrades and old rivals crawl out of the woodwork, Mal must prove his innocence, but his captors are desperate and destitute, and will settle for nothing less than the culprit's blood.

Retribution Falls

Kicking off a new Firefly epic, discover the secret history of Mal and his mother, and a new brewing war to end all wars from New York Times bestselling writer Greg Pak (Star Wars, X-Men), and artists Davide Gianfelice (Wolverine: Weapon X) and Lalit Kumar Sharma (Daredevil). Mal has handed himself into the Alliance but it turns out he's not the one they want. The infamous Ma Reynolds—that's Mal's mom—is at the top of the Alliance's Most Wanted, and if Mal doesn't get to her first, the Alliance will! Collects Firefly: The Outlaw Ma Reynolds #1 and Firefly #13-15.

Firefly - The Ghost Machine

The Southern Appalachians are home to a breathtakingly diverse array of living things—from delicate orchids to carnivorous pitcher plants, from migrating butterflies to flying squirrels, and from brawny black bears to more species of salamander than anywhere else in the world. Mountain Nature is a lively and engaging account of the ecology of this remarkable region. It explores the animals and plants of the Southern Appalachians and the webs of interdependence that connect them. Within the region's roughly 35 million acres, extending from north Georgia through the Carolinas to northern Virginia, exists a mosaic of habitats, each fostering its own unique natural community. Stories of the animals and plants of the Southern Appalachians are intertwined with descriptions of the seasons, giving readers a glimpse into the interlinked rhythms of nature, from daily and yearly cycles to long-term geological changes. Residents and visitors to Great Smoky Mountains or Shenandoah National Parks, the Blue Ridge Parkway, or any of the national forests or other natural attractions within the region will welcome this appealing introduction to its ecological wonders.

Firefly - Big Damn Hero
