As Lena reaches a safe haven where she can study and develop her powers alongside handsome but mysterious mage Emris, Constance maneuvers her way back into the home she left behind, unsure whether she trust the people she once considered her family and friends. All the while, the girls are connected by the dark, terrifying storm clouds that hang over the land and devastate everything in their wakes. Only Lena and Constance hold the keys to dispelling the storm and keeping their home safe--if they can uncover who cast the spell that generated the clouds to begin with. But the truth is far more sinister than anyone could imagine, and it could mean that one of the girls will lose everything.
