Effective Stillwater Fly Fishing

The Complete Book of Fly Fishing

Describes freshwater and saltwater fly fishing equipment, techniques, and species, and includes diagrams, photographs, and charts

Colorado's Best Fly Fishing

Here fishing guide and fly designer Henry Cowen shares decades of hard-earned knowledge of stripers for the first time. Learn about the species, its food, and where and how to find them, so you can land far more and bigger stripers. Knowing where and how to find stripers is key, and Cowen offers proven techniques for locating fish in both reservoirs and rivers, including water temperature, seasonal patterns, weather patterns, locating the bait, water clarity, and wildlife and how it can help anglers. The popularity of fishing for striped bass in freshwater is growing quickly, especially as global warming allows the fish to live in waters that used to be too cold. This is the first major book on the subject, one that is sure to be part of a big trend among fly fishers. Cowen carefully outlines fishing tactics, along with detailed photographs of the steps involved, covering: Retrieving a striper Fishing a point, uphill and downhill Working a topwater fly (constant retrieve) Hooking a fish (strip strike) Fishing a hump Fishing a saddle or blow-through Fishing a breakwater Using the countdown method Fishing a deep hole in a river Fishing a creek in a river And much more! Cowen also takes a close look at freshwater striped bass, explaining how natural and stocked fisheries are managed as well as the difference between the various species. Along with help choosing equipment and some notes on wading tactics, anglers will have everything they need to improve their fishing techniques or make a start on this popular all-American outdoor sport.

Flyfisher's Guide to Michigan

The biggest, most comprehensive flyfishing guide ever on California. Includes expert coverage of: Bishop Creek Cosumnes River Crowley Lake Davis Lake Eagle Lake East Carson River East Walker River Fall River Feather River Hat Creek Hot Creek Klamath River Lake Almanor Little Truckee River Lower American River Lower Kings River Lower Owens River Lower Sacramento River Lower Stanislaus River Lower Yuba River McCloud River McGee Creek Merced River Mi. Fork Kings River So. Fork San Joaquin Truckee River Tuolumne Meadows Upper Owens River Upper Sacramento River Upper Trinity River West Carson River West Walker River Yellow Creek Author Greg Vinci brings a long-time local's point of view, with tips like access areas where vehicle numbers/parking spots are limited, campgrounds where you'll need reservations, and historical context of the fisheries. His spectacular full-color photography fills the pages with flyfishing bliss.

Oregon River Maps & Fishing Guide

The best places and times to fish Detailed maps and hatch charts plus top producing fly patterns with recipes Local guides, outfitters, and other experts on techniques and tackle, including Pat Dorsey, John Barr, Will Sands, Steve Henderson, Bill Edrington, Larry Kingery, Jackson Streit, Ed Engle, and more

Fishing Central Oregon

Amateur or expert, every angler dreams of landing the big one, but that's only part of the appeal of fly fishing. Because even when hours pass without a bite, nothing beats the rugged beauty of the surroundings. For both armchair travelers and avid outdoorsmen who may have already started a checklist of their own, *Fifty Places to Fly Fish Before You Die* maps out the meccas of the fly-fishing world. Through in-depth interviews with the sport's acknowledged gurus, author Chris Santella goes beyond standard guides to convey the very essence of the recommended locations. Readers can vicariously cast mouse patterns to fifty-pound taimen in the wilds of Mongolia, wrangle with wily permit off the Florida Keys, and match the hatch on Montana's Armstrong's Spring Creek. Jardines de la Reina, Cuba (tarpon), the Zhupanova River, Kamchatka (rainbow trout), and the Rio Negro, Brazil (peacock bass) are also included. The essays include a cultural and natural history of each site, along with colorful anecdotes based on the author's and authorities' experiences. With breath-takingly-beautiful photos of the spots, many by celebrated fly-fishing photographer R. Valentine Atkinson, the book also provides adventurous anglers with enough travel-and-tackle information so that they, too, can start planning excursions to go fish around the globe.

Flyfisher's Guide to Oregon

The Gilly

Pacific Northwest locals Terry Rudnick and Craig Schuhmann guide novice and experienced anglers alike to the finest fishing waters in the region, from Conconully Lake in Northeastern Washington to the Oregon Coast's Chetco River. Rudnick and Schuhmann offer thorough

coverage of the lakes, reservoirs, rivers, and coasts they know best in this guide, supplying expert fishing tips and advice tailored to each spot, as well as detailed descriptions, maps, and directions so fishermen can locate even the most hard-to-find places. Complete with helpful "best-of" lists for a wide variety of fishing expeditions—including Best for Steelhead, Best Family Fishing, Best for Fly-Fishing, and Best for Trophy Trout—Moon Pacific Northwest Fishing provides all the necessary tools to head outdoors.

The Orvis Guide to Beginning Fly Fishing

Despite Oregon's watery reputation, the state has lacked a field guide for its many celebrated rivers and streams—until now. Preeminent river conservationist, photographer, and author Tim Palmer's *Field Guide to Oregon Rivers* is an unprecedented reference that profiles 120 waterways throughout the state, from the Alsea to the Williamson. *Field Guide to Oregon Rivers* offers travelers, outdoor enthusiasts, and resource professionals an interpretive approach to the state's network of waterways. The book begins with a natural history of Oregon's rivers—geology, climate, hydrology, plants, animals, and ecology. Then in ten chapters organized by watersheds, Palmer presents portraits of individual rivers, with a summary of its character, notes about its nature and fish, and comments about ongoing threats along with protection efforts. He points to opportunities for seeing the river, hiking along its shores, fishing, and exploring by canoe, kayak, raft, or drift boat. The guide concludes with a series of appendices addressing the Best River Running, the Best Hiking Along Rivers, the Best Fishing, Oregon's Finest Natural Rivers, and more.

Fly-Fishing the Rocky Mountain Backcountry

A licensed fishing guide's observations on the common mistakes made by anglers, *A Guide's Guide to Fly-Fishing Mistakes* provides practical tips on how to improve fly-fishing techniques and break bad habits. Licensed fishing guide and instructor Sara Low offers remedies to freshwater anglers on topics that include correctly approaching fish, improving fly selection, proper presentation, consistent and accurate casting, efficient hooking and landing of fish, as well as pointers for fishing spring, summer, fall, and winter. Although written for anglers with experience, the notes will be just as helpful to anglers who have not had time to develop bad habits. Low elaborates on how to fix the mistakes many experienced fly-fishers make. Supplementing her methods are tales that illustrate different mistakes made on the water with her suggested correction for each mistake. Taking these suggestions to heart will provide you with that "ah-ha!" moment you've been waiting for. As a guide, Low sees the same mistakes being made over and over again. Now you can see them too with this must-have resource. More fish, bigger fish, better fish—whatever the goal, the experienced and novice angler will find meaningful advice for greater fishing success.

Fishing Oregon's Deschutes River

From kyped brown trout, lake-dwelling rainbow and brook trout and crazy numbers of smallmouth bass and native sea-run and inland cutthroat to spawning-bound salmon and the hallowed wild and native steelhead, Oregon is the place for great flyfishing. Gary Weber's all-new *Flyfisher's Guide to Oregon* details these outstanding fishing opportunities like no other guidebook on the market. Weber covers the hot spots and lesser known fisheries with personal experiences, history, effective techniques for both trout and anadromous species, appropriate gear and flies, access points, nearby fly shops, and much more. His stunning visuals paint the

full picture of the fishing in this gorgeous state. From mainstays like the Owyhee, Deschutes, North Umpqua and Sandy rivers to lesser known jewels like the Malheur and John Day rivers, Weber has put in the river-time so that you can get down to business. Many more tributaries, lakes and reservoirs are covered. Weber is a veteran Oregon writer who has covered the state's flyfishing opportunities for years. This book comes standard with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with access roads, public land and more. As Lefty once said: "If someone can't find locations from these maps - they need to stay home." Whether you're an Oregon lifer or new to the state, get an edge with this all-new guidebook.

The Orvis Guide to Beginning Fly Tying

Oregon Blue-Ribbon Fly Fishing Guide

Kids can fly fish, too! Fifteen-year-old Tyler Befus loves to fly fish. He has won awards and traveled all over the world to fish in different places. In this guide, Tyler shows that any kid can learn to fly fish. Discover fascinating information about where fish live and what fish eat, and learn tips about what equipment you'll need, casting techniques, and much, much more to get you started on your own fly-fishing adventure. Fly fishing is an awesome way to spend time outdoors with your family, and with this book, any kid can become an expert! The ORVIS Kids' Guide to Beginning Fly Fishing is filled with a personal collection of photos and drawings done by Tyler himself. Because it has been written by an actual kid, this fully revised and updated book is a one-of-a-kind guide that kids can understand and easily learn from. Filled with all kinds of great tips and tricks, this is a valuable resource for any kid who wants to know more about fishing. After all, fly fishing isn't just for the adults! For fishing enthusiasts ages 8 and up, this is the perfect first stop shop for learning all you can about fly fishing. The perfect gift for those who love to fish and want to teach younger kids the skills behind fly fishing or for that kid who just loves reading about the outdoors.

Flyfisher's Guide to Nevada

The fishing in Montana is better than ever, which is why Wilderness Adventures Press is releasing this completely revised edition of the Flyfisher's Guide to Montana, complete with full-color photography and brand new, highly detailed maps! The updated maps include all of the BLM land, National Forest, Wilderness Areas and state-owned land for all of Montana's major fisheries, and many smaller rivers and lakes. All access points, boat launches, campgrounds and more are shown with GPS coordinates, highways and access roads. You will be able to find your way to the river, whether you're familiar with the area or not. This completely revamped edition details the wealth of great flyfishing in Big Sky Country. From major rivers like the Yellowstone, Missouri, Beaverhead, Big Hole, Clark Fork, Bighorn, and Madison down to the smallest fishable creeks and lakes, veteran fishing author Chuck Robbins tells anglers everything they need to know about Montana's best fisheries. In addition to covering all the most famous rivers and streams, this book introduces flyfishers to waters well off the beaten path, including high-country lakes where many of the fish have never seen a fly or lure and hidden gems in eastern Montana. Also includes other great travel and angling information. Update your dog-eared copy of the original with this fantastic new edition!

Fly Fishing for Freshwater Striped Bass

Useful and attractive, these guides are perfect for both visiting and local anglers.

A Guide's Guide to Fly-Fishing Mistakes

The Orvis Fly-Fishing Guide

Steelhead Fly Fishing

Building a Grouse Dog: From Puppy to Polished Performer by Craig Doherty, is the most comprehensive, how-to manual there is for taking an eight-week-old little squirmer of any

pointing breed and turning him or her into that most coveted game bird finder there is: a finished grouse dog. Unlike many general pointing-dog training books, this one concentrates on one species – the ruffed grouse. Grouse are notorious for their caginess, their wariness, and their difficulty in being pinned down so a hunter can get close enough to flush and shoot. It takes a dog that has been trained nearly from birth to handle that task, and no one knows how to do it better than Craig Doherty. Craig was the driving force behind Field Trial Magazine, is a columnist for The Pointing Dog Journal, regularly competes in grouse trials throughout the Northeast, professionally trains grouse dogs for clients from all over the country, and – this is important – guides grouse hunters using his own dogs trained in his outstanding methods; important because paying clients need results, and those results can only come by following dogs that know the game. A number of how-to training books tell you what to do from beginning to end; but if you have started your own training, run into problems, and consult the literature, many times you’ll find that the advice is something along the lines of, “Well, you messed up because you didn’t do X, Y, and Z. Remember that so you won’t ruin your next dog.” Not Craig – if you have run into a snag with your current dog, Craig tells you what to do to get past it and on with the dog’s completed training. So if your aim, your goal, is to own and hunt behind a finished grouse dog that knows what’s what in the coverts, Building a Grouse Dog is the best guide you’ll ever have.

Fly Fishing Basics

Updated and expanded version of the award-winning and best-selling guidebook to Oregon's premier fishing river.

Flyfisher's Guide to Northern California

Michigan is one of the best states in the nation for flyfishing, and Jon Osborn's all-new Flyfisher's Guide to Michigan details the outstanding fishing opportunities like no other guidebook on the market. The author covers the hot spots and lesser known fisheries with personal experiences, historical overviews, effective techniques for both warmwater and coldwater species and resident and anadromous species, stocking data, appropriate gear and flies, access points, nearby fly shops, approximate float times and much more. Photographer Hunter Brumels provides the visuals that paint the full picture of the fishing in this incredible state. With bonus coverage of nearby watering holes, anglers will have everything they need for many memorable days. From mainstays like the Au Sable, Pere Marquette, Muskegon and Manistee rivers to hidden gems like the Rabbit and Red Cedar rivers, Osborn has put in the river-time so that you can get down to business. Many more forks and tributaries are covered, including trout, steelhead, salmon, bass and pike fisheries. This book comes standard with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with access roads, public land and more. As Lefty once said: "If someone can't find locations from these maps - they need to stay home." Whether you're a veteran fly angler or new to the sport, get an edge with this all-new guidebook.

Building a Grouse Dog

With decades of fly-fishing experience, Ed Quigley is the perfect candidate to provide fly-fishing know-how to prospective flyfishers. For those new to fly fishing as well as for experienced anglers looking to add some “secrets” to their own bags of tricks, Fly-Fishing

Advice from an Old-Timer will illuminate the fly-fishing world. Richly illustrated and clearly written, Quigley includes down-to-earth explanations of the basics, detailed discussions of advanced topics, and ingenious tips and compelling anecdotes from his own years of experience fly fishing streams from Labrador to Costa Rica and beyond. Readers will discover: When to use emergers, caddis flies, midges, and cripples How to create flies literally "on the fly" right on the stream How to choose the best rods, reels, lines, waders, and leaders The real secret to playing a fish The lowdown on winter fishing And much more! Along with his own personal advice, Quigley provides answers on where to find more information on each topic: websites, articles, DVDs, and books. His must-read list of fly-fishing books with his own comments on the most useful information in each ties together one of the most comprehensive fly-fishing books ever written. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Complete Angler's Guide to Oregon

An easy-to-understand, user-friendly approach to tying all of the important, basic flies you need to catch trout. Liberally illustrated with beautiful color photographs.

Flyfisher's Guide to California

Top advice from a master stillwater angler and complete hatch information for lakes, ponds, and reservoirs make Effective Stillwater Fly Fishing the perfect resource for fly fishing on stillwaters. With proven fly patterns, tips on the best way to fish them, and more than 300 full-color photos, this book is a must-have for all dedicated fly fishers. The author helps you make the most of every fishing expedition--even those ego-bruising days when the fish seem to reject everything. Gorman approaches stillwater fly fishing as a puzzle and views challenging days as a chance to put together the pieces and enjoy the most cerebral, rewarding parts of the sport.
