In July 1998, GOD approached a man, to assist GOD and channel his will into the

written word. This book is the result of that conversation. GOD is responsible for the flow, topics and discussions. The man simply wrote what GOD spoke and what thoughts he received. "GOD is speaking - Are you listening? My Story" is GOD'S full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is, a friend of GOD'S, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far fetched not to believe? He speaks to Steve of his worldHeaven. He speaks of his Love for his human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth, GOD'S Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you, through my friend Steve, are stories to teach, inspire and to create hope. Hope, in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation and moral imperatives, necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration and most of all understanding. I have tried to conquer you, and your fears, by sending messengers to your world, Moses, Abraham, Isaac and Jesus the Christ. I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many, told countless times in my Kingdom.

Awaken

There are thousands of great women of God who were pioneers of the faith and the gospel. Though many of their names are lost to us forever, the record of their exploits for the sake of the Kingdom are engraved in the eternal and living chronicles of heaven. They represent the hues and colors of Gods rainbow and are present in the history of every denomination, faith and religion. Women have dug out churches, cleaned them, closed them and built them. They were visionaries,

ground-breakers, pathfinders, the bridges that brought us over, trend-setters, armor-bearers, leaders, agents for change and disciples. They cooked, cried, sang, marched, testified, organized, did the holy dance, counseled, and prayed while everybody else slept. They carried the "work" on their bare knuckles, tear drops, hips, lips and hearts. In the pages of this delightful book filled with powerful scriptural revelation, candor, insight and instruction, Elaine Rose Penn delivers a challenge to women called to the gospel ministry to be true to their femininity, and adhere to a high standard of excellence and accountability in the conduct of their service to Christ.

If you've ever experienced loss, loneliness, or seasons of great change or difficulty, then you can immediately identify with the events and people in the book of Ruth. While Ruth begins as a story of heartache, it doesn't stop there. Mourning turns to dancing as themes of loyalty, kindness, boldness, acceptance, love, and redemption are uncovered. But ultimately, Ruth is a book about the providence of God. We should never underestimate the seemingly small events in our lives. Whether it is caring for family, getting married, working, showing kindness to our neighbors, or raising children all of it is being used by God for the good of those who love Him, for His glory, and for the salvation of others. The book of Ruth reminds us that no event or person is insignificant in the plan of God. We're thrilled that you're joining us in this four-week Love God Greatly study as we read and write what God speaks into our hearts along the way.
