## **Handwriting Practice Paper for Kids: ABC 120 Pages Lined Paper for Kindergarten Writing**

Handwriting Practice Paper for Kids with grey highlighted area for lower case letters Traditional and regular notebook paper can be overwhelming, confusing and visually overstimulating for children and teens trying to keep their letters organized on the lines. Kids who are first learning to write will find the dotted lines and grey highlighted areas to be a very helpful guide for the placement and sizing of letters. This notebook offers great support for children who struggle and are having difficulty staying within the limits of the midline and baseline. This is an excellent way to start teaching kids the difference between where to start the lower case letters and the upper case letters. In addition, older children with learning difficulties or special education needs, attention disorders or dysgraphia may also find the grey highlighter paper to be beneficial for their handwriting practice. Inside the book you will find highlighted grey lines which are reserved for lower case letters black lined paper with grey area designed to limit the amount of visual information kids need to process soft and glossy cover This notebook will make handwriting easy and fun.
