The History of the American Field Service, 1920-1955

VP/VPB-23, the oldest patrol squadron in the Navy, went out on three tours in the Pacific, from Pearl Harbor, the Solomons, and New Hebrides, and on to the Central Pacific. The PBVs of U.S. Navy Patrol Bombing Squadron 23 sighted and tracked the Japanese fleet, supplied coastwatchers, carried out bombing raids, ferried wounded, hunted submarines, and performed air-sea rescue for island carrier strikes and the B-29s operating over Japan. This compelling history, featuring stories from participants, was written by one who was there.

Hell-Patrol

Most people who attend their church services each week are not hearing the gospel. They are hearing an anti-gospel. The devil is a very subtle liar who opposes God and his gospel. See Genesis 3:1; John 8:44. That old serpent has stealthily introduced his deceptive anti-gospel into the pulpits of churches around the world. He has very craftily mixed the leaven of the Pharisees and Sadducees into the gospel and ruined the whole loaf. Matthew 16:6-12. The resulting false gospel is premised on the idea that all men are freed from the bondage to sin and therefore have the ability to choose of their own free will whether or not to believe in Jesus. This is not a dispute over a fine distinction that is only of interest to theologians. This issue goes to the heart of the gospel. It goes to the heart of salvation. It goes to the heart of who is Jesus. The bible states that man is spiritually dead and must be born again by the power of God. Ephesians 2:1-6; John 3:3-8. God has elected certain to be saved by his grace through faith in Jesus Christ. Ephesians 1:3-9; 2:8-10. He imbues his elect with the faith needed to believe in Jesus. Romans 3:21-26; John 1:12-13. The devil's false gospel reverses the order of things.

Under the false gospel preached in most churches, Jesus does not choose his elect for salvation, instead all men have a free will to choose Jesus. Instead of God choosing man, man chooses God. This mythology is not supported by the bible. It is at the heart of a devilish conspiracy against God and man. The free will anti-gospel denies the sovereignty of God and blasphemously makes God out to be a liar. The free will gospel is a heathen gospel that has a god, but that god is not the God of the bible. The calling of the true Jesus is effectual; all who are chosen for salvation will believe in him. John 6:37-40. The free will gospel has a false Jesus who only offers the possibility of salvation, with no assurance. The scriptures warn about such a false Jesus. 2 Corinthians 11:4. The free will gospel denies the total depravity of man and the sovereign election of God. The true gospel has a Jesus who loves only his children and saves them for eternity in heaven. The devilish anti-gospel has a false Jesus who loves everyone in the world, but this false Jesus casts most of those whom he loves in hell, suffering in torments for eternity in a lake of fire. The true Jesus makes it clear in Matthew 7 that he never loved those who are sent to hell. "I never knew you: depart from me, ye that work iniquity." Matthew 7:23. See also Romans 9:21-23. The true God of the bible saves those whom he has elected for salvation and he condemns those whom he has elected for condemnation. See Romans 9. The false Jesus of the anti-gospel looks on helplessly while the sinner who is spiritually dead in trespasses and sin decides whether to believe in him. The true Jesus preordained and chose his elect to believe in him before the foundation of the world. Ephesians 1:4-5. The false Jesus is an impotent Jesus, who must yield to the desires of men; if men decide after they are saved that they would rather reject Jesus and take their chances with being thrown into hell, they can forfeit their salvation. The false Jesus is powerless to stop them. The true Jesus is Lord of Lords and King of Kings, who is able to preserve his elect and will lose none of those whom he has chosen for salvation. John 10:27-29.

Out There Somewhere

The true story of the battle between Finland and Russia that erupted at the dawn of World War II. On a November morning in 1939, Soviet bombers began attacking Helsinki, Finland. In the weeks that followed, the tiny Baltic republic would wage a war—the kind of war that spawns legends—against the mighty Soviet Union, which was desperate for a buffer against Nazi Germany. With "a well-balanced blend of narrative and analysis," historian William R. Trotter tells the story of guerrillas on skis; heroic, single-handed attacks on tanks; unfathomable endurance; and the charismatic leadership of one of the twentieth century's true military geniuses (Library Journal). This little-known but dramatic battle would be decisive in Finland's fight to maintain its independence—and A Frozen Hell brings it to fascinating

life. Winner of the Finlandia Foundation Award for Arts and Letters "We will not often find a book written with such authority as this one." -The New York Times Book Review

Vietnam Combat

Some of the most brutally intense infantry combat in World War II occurred within Germany's Hurtgen Forest. Focusing on the bitterly fought battle between the American 22d Infantry Regiment and elements of the German LXXIV Korps around Grosshau, Rush chronicles small-unit combat at its most extreme and shows why, despite enormous losses, the Americans persevered in the Hurtgenwald "meat grinder". On 16 November 1944, the 22d Infantry entered the Hurtgen Forest as part of the U.S. Army's drive to cross the Roer River. During the next eighteen days, the 22d suffered more than 2,800 casualties -- or about 86 percent of its normal strength of about 3,250 officers and men. After three days of fighting, the regiment had lost all three battalion commanders. After seven days, rifle company strengths stood at 50 percent and by battle's end each had suffered nearly 140 percent casualties. Despite these horrendous losses, the 22d Regiment survived and fought on, due in part to army personnel policies that ensured that unit strengths remained high even during extreme combat. Previously wounded soldiers returned to their units and new replacements, green to battle, arrived to follow the remaining battle-hardened cadre. The German units in the Hurtgenwald suffered the same horrendous attrition, with one telling difference. German replacement policy detracted from rather than enhanced German combat effectiveness. Organizations had high paper strength but low manpower, and commanders consolidated decimated units time after time until these ever-dwindling bands of soldiers disappeared forever: killed, wounded, captured, or surrendered. The performance of American and German forces during this harrowing eighteen days of combat was largely a product of their respective backgrounds, training, and organization. Rush's work

underscores both the horrors of combat and the resiliency of American organizations. While honoring the sacrifice and triumph of the common soldier, it also compels us to reexamine our views on the requisites for victory on the battlefield.

Hell is a Foxhole

The Anti-Gospel

Hell awaits for those who deserve it and those who don't. So it's finally happened. I'm going to Hell. Some would argue, including me, that it was inevitable. But I'm not going to Hell to be punished—at least not yet—but to save my daughter's soul. Wendell Knightsbridge has me over a barrel. If I want to save Callie's soul, I have to go to Hell for him, and once I'm there, I have to find Lucifer and somehow steal the Devil's energy to send back to Knightsbridge. I'm sure it'll be a snap, like taking candy from a baby. Yeah right. But before I try to mug the Devil, I have to negotiate the travails of Hell in all its horrific glory, and while I'm down there, rescue the necromancer, Richard Solomon, from the clutches of the sinister Hell Priests. Embarking on this hell patrol with me is Eric Pike, Haedemus, and Hannah, who has to become Xaglath to lead us on this nightmare journey, which will take us to Hell's capital, Pandemonium, and the Demon Lord who runs it. One thing's for sure. If I ever make it back, I'll never take my world for granted again and Knightsbridge will know my wrath. But in the meantime, Hell awaits. Harry Bosch meets John Constantine in this gripping urban fantasy noir thriller. Grab your copy of the fifth book in the ETHAN DRAKE SERIES now!
