### **How to Prepare for the Firefighters Exam**

This 87 pages and 5,632 words book deals with dating or courtship advice, relationship advice, sex advice, resolving martial conflicts and marriage repair, money management in the home and Child training principles. Issues covered in this book include the following: \*MONEY MANAGEMENT IN THE HOME: Your goals in money management should include Giving unto the Lord, Avoiding financial bondage through debt, Providing for the needs of the family and Save for emergency. Read books and other materials on finance regularly. Say no to pressure from family and friends. Pray about all financial issues, companies that you invested in and commit your monthly plans to God. \*EXTENDED FAMILY AND VISITATION: Extended family and in-laws are close relations from both angles. Love, care and understanding should be your guiding principles in relating with in-laws and extended family. Religious programmes supersede all extended family programmes. All close ties to extended family or in-laws before marriage should be broken-off after marriage. You should endeavor not to tell in-laws about your family. Rather you should take all family needs to God in prayer first or consult spirit filled leaders. In-laws should be visited in times of needs and whenever you dim necessary they should be visited. \*CRISIS MANAGEMENT IN THE HOME: Conflict is a reality of life. One of the causes of crisis in the home is allowing pressure from friends and relatives to increase demand on spouse. Why you should resolve crisis among you should be based on Love for each other, Stability of home and ministry and Good example to our children. \* CHILD REARING AND TRAINING: The minimum of two years child spacing is encouraged by family planning experts. You need to agree on the type of family planning method e.g. calendar method, use of condom at times. Guide them on how to choose friends and to avoid corrupting relationship. We will nurture our children to spiritual

and physical maturity. Inculcate personal study skills in our children and encourage them to study for at least 2 hours at home. Taking away privilege that the child cherish and Proximity time-out (involving isolating the child emotionally without physical distance) are effective methods of training your children. . \*SEX AND PREPARING FOR HONEYMOON THROUGHOUT YOUR MARRIAGE: Sex questions that you need to answer while in courtship are -How frequent should you have sex? What are other ways to promote excitement in your marriage apart from sex? Sex like any other human activity, can be planned and learnt. Make time for each other at least once a week: not family, no friends, and no business. It is also a way to sparkle one's sex life. Marriage is created for the following reasons, companionship completeness and communication. \*SENSUAL LOVING ? THE GATEWAY TO LASTING RELATIONSHIP: According to some sex experts, the best sex is married sex, as long as it contains the ingredient that many happy husbands and wives secretly share sensuality. The stress reducing effects of sensual touch can set the stage for fulfilling love-making. If sex is the fire in marriage, I can conclude that sensuality is the spark that keeps it burning. \*WONDERFUL HEALTH BENEFITS OF MARRIED SEX: Some people argued that sex can reduce the lifespan of a man. Sex Boosts Immunity: Good sexual health may be equated to better physical health. Sex Relieves Stress: One major benefit of sex is lower blood pressure and overall stress reduction as opined by Scottish researchers in the journal Biological psychology.. Other benefits of sex were stated in this book. Keywords Dating or courtship advice, Relationship advice, Sex advice, Resolving Martial conflicts and marriage repair, Money management in the home, Child training principles

There are an endless number of disasters to worry about. Preparing for every possible disaster leaves you with a long, disorganized list of things to buy or do, which may not match personal needs. Preparation can seem unattainable. We check off the first few items from our list, give up, and hope the zombies eat us first. It's time to start preparing with one simple change: Prepare for disruptions, not disasters. It doesn't matter whether a power outage was caused by a flood, backhoe, or grandma backing into a pole. Just prepare for the power outage! Preparing for a few disruptions will prepare you for any disaster. You really can prepare for everything. We prepare better when we prepare together. How to Prepare for Everything gives you a simple, step-by-step approach to prepare yourself and your neighbors for emergencies, accidents, adventures, and life's ups and downs. This book will give you: More hope for

Studying for major medical exams can be a confusing and stressful task. In HOW TO PREPARE FOR THE MEDICAL BOARDS, third-year medical students Adeleke T. Adesina and Farook W. Taha present a useful guide for medical students studying for both the United States Medical Licensing Exam (USMLE) Step 1 and the Comprehensive Osteopathic Medical Licensing Exam (COMLEX) Level I. Using a system-based learning method, HOW TO PREPARE FOR THE MEDICAL BOARDS provides a plan to study for the major topics tested on the board exams and suggests a unique approach to reading and keeping mental notes. It discusses the use of First Aid for the USMLE Step 1 and question banks in the preparation process. A bonus chapter addresses how to survive medical schools rigorous education requirements and the most efficient ways to maximize education while still enjoying life. Based on personal experience, Adesina and Taha help medical students discover the secrets, learn the rules, and avoid common costly mistakes when preparing for and taking important national medical board examinations. These students have developed a unique stepwise approach to help students score above 95 on their medical boards.

Disruption is changing the playing field - keep your successful business on top Thriving businesses on top of their game are targets for disruption. But for savvy business owners and managers who understand the coming changes, the time to future-proof their successful companies is now. Following over a decade of research into future trends, business reinvention and disruptive innovation, author Michael McQueen presents How to Prepare Now for What's Next, a blueprint for top companies to thrive in turbulent times. McQueen brings rare insight to the topic of business disruption. The book first explores the notion of disruption itself, and confirms that the term is much more than just guru-speak. The book outlines the four primary forms of disruption that McQueen sees playing out over the next 5-10 years, and quickly moves on to the in-depth tools, tips and techniques that healthy businesses will need to stay on top. Use a simple tool to assess just how vulnerable to disruption your company is Read case studies, research and trend reports that highlight real-world examples to complement the book's concepts Understand the four forms of disruption, namely widescale automation, empowered consumers, unconventional competition and emerging generations Apply the 9 keys to future-proof your business against disruption and make it impervious to change The time to act is now for the businesses who want
