A true story that sheds light on the dark mysteries surrounding the cultic organization of Jehovah's Witnesses. Jennifer E. Michaels's memoir details her experience of being excommunicated at the unprecedented age of thirteen. Brainwashed to believe she was dead to her family, the church and God, Jennifer reveals the excruciating spiritual abuse that follows. Told with an uncanny lack of self-pity, she takes the reader on a harrowing ride of pain and addiction. Those traumatic events, however, are not what define her. Perhaps the most incredible part is not the tragedy, but rather Jennifer's ability to overcome it. Her powerful determination to find the truth about God leads the reader on an incredible spiritual journey most people could only dream of. You will be awe-inspired by Jennifer's willingness to share her intimate conversations with God and astounded by the way God shows up. Triumphant healing takes place as God profoundly answers her most sought-after question: What is Love?

## English in Mind Starter Workbook

If you're a man who struggles with binge eating, emotional eating, stress eating, or if you repeatedly manage to lose weight only to gain it all back, you may be approaching things with the wrong mindset. Most contemporary thought on overeating and bingeing focuses on healing and self-love-a very feminine approach. But men who've overcome food and weight issues often report it was more like capturing and caging a rabid dog than learning to love their inner child Open the cage even an inch-or show that dog an ounce of fear-and it'll quickly burst out to shred your healthy eating plans, undoing all your progress in a heartbeat. From his perspective as a formerly food-obsessed psychologist-and previous consultant to major food manufacturers-Dr. Livingston shares specific techniques for isolating and permanently dis-empowering your "fat thinking self." He reveals much of his own personal journey in the process. If despite your best intentions you find yourself in one or more of the following situations then this book is for you You've tried diet after diet with no permanent success You constantly think about food and/or your weight You feel driven to eat when you're not hungry (emotional overeating) You sometimes feel you can't stop eating even though you're full You sometimes feel guilty or ashamed of what you've eaten You behave differently with food in private than you do when you're with other people You feel the need to fast and/or severely

But I'm closer to my goal weight than I've been in decades!" - Peter Borromeo "A powerful, thought provoking, and very un-ladylike approach to the problem of bingeing!" - Stephanie King "A unique and brilliant way to leverage will power; passionate, convincing, defiant and inspiring - all at the same time" - Richard Guy "Never Binge Again squelched that awful voice in the back of my mind which says 'you'll backslide eventually, no matter what.' Thanks to this book failure is no longer an option!" - Warren Start "I'm still reeling with the revelation I have the ability to Never Binge Again, just like my ability to never rob a bank, never push and old lady into traffic, or never jump off of a perfectly good cliff! [] This book is THE TOOL I need to conquer ever attempting to satisfy emotional feelings with carbo-laden calories again!" - Traci Rickards "If you follow this simple program, you CAN see results without the 'normal' struggle. No eating foods you don't like. No fancy rules, schedules or psychotic workouts. It puts you fully in charge of your eating and it's sustainable." - Keith Duncan CPT (Certified Personal Trainer) "Refreshingly unlike any other nutrition/healthy-eating/wellbeing title I've ever read and I've read quite a few! "Preachers must understand the teaching techniques of parable and hyperbole, not to mention having a good background in systematic theology, in order to understand what the Bible's writers really meant. But our responsibility is also to reduce the complexities of Bible study to such simplicities that our many listeners, ranging from busy young professional people to aging men and women of failing health to youngsters facing a variety of new temptations, can take away a saving word." (from the Preface) E. Carver McGriff provides the tools preachers need for their daunting task with some of the most timely and thought-provoking research on the lectionary texts ever made available. Included for each scriptural lesson in the lectionary are: - A listing of the applicable Revised Common, Roman Catholic, and Episcopal lectionary texts. - A description of the Psalm of the day. - A prayer for the day. - Commentary that is more than academic exegesis -- McGriff brings to the forefront those points in the lessons that relate most poignantly to our contemporary reality. - Suggested sermon titles for each of the three texts for each Sunday. - Themes and suggested directions for preaching on each text. - Several additional illustrations to enliven your preaching. "Known in the Indianapolis community as a preacher with extraordinary gifts, it is no surprise at all that this work by Carver McGriff brings remarkable insights to those who look for integrity in their preaching. Carver looks at the texts with a freshness that is sure to stimulate the thought process. Careful use of these suggestions will bring serendipities to preacher and congregation." George H. Tooze Senior Minister, First Baptist Church Indianapolis, Indiana One of America's premiere preachers, E. Carver McGriff returned home after earning two Purple Hearts during World War II to earn a degree in business administration from Butler University. Following a career as a salesman and business owner, McGriff entered Garrett Theological Seminary, where he was voted Best Preacher by the faculty and graduated with distinction. During his 26-year ministry at St. Luke's Methodist Church in Indianapolis, McGriff spearheaded his congregation's remarkable growth in membership from 900 to 4,400, with average Sunday attendance increasing from 300 to over 1,850. McGriff received an honorary degree from the University of Indianapolis and the Outstanding Alumnus award from Butler University and was voted the Distinguished Alumnus

of the year by Christian Theological Seminary. McGriff was also honored in 1993 by the Governor of Indiana with the "Sagamore of the Wabash." His sermons have been distributed nationwide by the United Methodist Publishing House.

### **Love Your Life Not Theirs**

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending

decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of Where the Light Gets In "In today's world of social media, the temptation to play the comparison game is stronger than ever. Love Your Life, Not Theirs is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast
