"Master Legal Vocabulary & Terminology: Legal Vocabulary In Use: Contracts, Prepositions, Phrasal Verbs + 425 Downloadable Expert Legal Documents & Templates in English!", provides a structured framework under which law students, lawyers and other law professionals can significantly improve their knowledge of legal vocabulary and terminology. You will be taken through the main vocabulary and grammar structures in commercial contracts and allowed to practise them through highly targeted vocabulary and grammar activities, which aim to develop, not only your lexical and grammatical skills, but also your confidence and overall competence within international legal settings. Towards the end of the book you will find a short glossary with all the main terms of contract law and legal vocabulary in English, together with a phrasal verb mini-dictionary which includes definitions and exercises to perfect your mastery of this area of English. Finally, the last section of this book, contains an amazing selection of 425 legal templates to guide you through drafting contracts, letters, affidavits and many many other documents. It will be an invaluable resource for your studies and career in the legal arena.

## IELTS Speaking 8.5 Master Plan. Master Speaking Strategies & Speaking Vocabulary for the Real Test, Including 100+ IELTS Speaking Activities

About this Professional Email Book INCLUDES 100 + BUSINESS EMAIL TEMPLATES. BUSINESS EMAIL: BUSINESS ENGLISH WRITING ESSENTIALS Professional emails are too important to mess up. They are evidence of something that you said or did, and as such, they can be your best friend or your worst nightmare. Every day a staggering amount of business communication takes place. This book will help you not only write more professional business e-mails but also improve your overall business English. "Know your context as well as your audience." Like everything in life, emails are not created equal. The same email can be digital gold or digital poop depending on the situation in which it's deployed, so you must always pay attention to context. Even if you send exactly the same email to the same audience, in a different context they will interpret your email differently, as they will approach it with a different mind-frame, together with a different set of beliefs and expectations. When you approach an email in a business setting, the first thing to do is to decide exactly what you want from the exchange and then, what context you are writing in. Is this a close colleague but there is a not-so close colleague included into the email exchange? Is this an invitation to have drinks after work with someone who has worked with you for years and has suddenly decided to change paths in their career? Are you about to fire someone you respect immensely? Are you sending a group email to organise a meeting, or are you asking someone to pay you because they haven't paid their invoice on time again? All these things matter, and are particularly important because you don't have the benefit of body language or facial expressions when you write. People also tend to forget verbal exchanges more readily, but the written word is powerful. "The pen is mightier than the sword" (Edward Bulwer-Lytton) and people will judge you based on how you use your pen. I could not possibly list all the people who have influenced me through their work, but I will try to mention a few of the ones who spring to mind in no particular order. These are my business heroes, and without their contribution through their work, I would never have been able to write this book. If you have never read their books, and are interested in business and entrepreneurship, I implore you to go out, and buy them and read them over, and over again. Gary Vaynerchuk Pat Flynn Dan Meredith Timothy Ferriss Dale Carnegie Danny Rubin Hassan Osman Megan Sharma William Strunk Jr. If I could write a note of

advice about emails and business communication to the 25-year old Marc, I would probably send him the following checklist. I wish someone had told me all this. 1. Forget your ego. Never write with the objective of impressing someone, even if that someone is you! Sometimes we write and then re-read what we have written a few times, then we give ourselves a mental round of applause before sending it. The problem is, our priority wasn't communication in this scenario, it was to feed our ego. Trying to impress people with long over-complicated sentences and words has the opposite effect. Always keep clear communication and context in mind in every exchange. 2. Aim to explain difficult concepts or problems in a simple easy-to-understand way. This shows intelligence, because it means you have digested the concepts and are skilful enough to explain them. When you make concepts sound more complicated than they are, it gives people the impression that you don't understand, because you probably don't. 3. If it's not relevant to the situation or the decision being made, don't mention it, it will clutter your communication and could cause confusion. 4. When you need to write important or sensitive emails, stick to the facts. Your emotions or opinions are not important or relevant in most cases.

## **Foundation IELTS Masterclass: Student's Book**

IELTS Vocabulary Masterclass 8.5 (c) BOOK 3 + IELTS Listening & Reading Dictionary - Dominate Proficiency Level Vocabulary for IELTS Listening, Reading, Writing & Speaking (IELTS VOCABULARY BOOK 3 (c))The Masterclass to 8.5 is simple: This book is not designed to be an exhaustive list of words, but instead, a focused and easy-access guide for exam preparation + an IELTS Listening & Reading Mini-Dictionary. Review any sections that you feel you need to and use them as a starting point for further research and practice. 1. Read the definitions and write down an example sentence for each vocabulary item. 2. At the end of each topic chapter, you'll find an exercise to review your understanding of the vocabulary. The examples in the exercises are fragments from IELTS Speaking, IELTS Writing, IELTS Listening and IELTS Reading style questions and answers. After reading the definitions, complete the example sentences, using the words in the chapter. 3. Check your answers. 4. Check your original sentence again and see if it needs corrections. 5. Make clean \*Notes / write a definition in your own words and an example sentence in your \*Notes. 6. Re-read your \*Notes twice per day and practise saying the sentences. 7. There is an IELTS Listening and Reading Mini-Dictionary for quick reference. 8. This is a perfect addition to IELTS Vocabulary 8.5 Masterclass Book 1 & Book 2, but also to the book IELTS Speaking 8.5 Masterclass and IELTS Writing 8.5 Masterclass. Practice answering the speaking activities (speaking cards and exam questions) at the back of the book IELTS Speaking 8.5 Masterclass in front of a mirror or with a partner if possible. When you do this, apply time limits to make it more like the real exam and use language from this book to instantly improve your speaking score! 9. Use the "Blank Notes Section" at the end of this workbook to add your own notes and record your progress.

## Vocabulary for Ielts Writing Task 2

TOLES Legal English: Advanced English for Lawyers, Plain & Simple. International Legal English for Lawyers, Law Professionals & Law Students ( "Master Legal Vocabulary & Terminology" TOLES Edition) Most lawyers whose first language is not English face a problem when it comes to setting time aside to improve their communication skills in English, mainly due to a lack of time. This self-study book aims to bridge that gap by providing a structured framework under which law students, lawyers and other law professionals can significantly improve their knowledge of Legal English, contract law and the English legal system. You will be taken through the main vocabulary and grammar structures in commercial contracts and allowed to practise them through highly targeted activities which aim to develop, not only your lexical and grammatical skills, but also your confidence and overall competence within international legal settings. At the end of the book you will find a link to a short glossary with all the main terms of contract law and legal English, together with a phrasal verb mini-dictionary which includes definitions and exercises to perfect your mastery of this area of English. This book provides a complete preparation for Advanced Legal English vocabulary and grammar (from Basic to Advanced level) in the TOLES exam (Legal English)

The material covers general and topic-specific vocabulary, as well as grammar and use of English, comprehension, pronunciation and spelling.

### **Ielts Writing: Advanced Writing Masterclass (Ielts Tasks 1 & 2): Ielts Academic Writing Book Band 7.0 - 8.5**

IELTS Speaking Masterclass is the result of many years' experience guiding students from all over the world to high band scores. It provides you with the skills you need to succeed in all three parts of the Speaking test including strategies to: Improve your pronunciation, fluency, and coherence Expand your vocabulary and enable you to use idiomatic language easily Introduce complex grammatical structures into your conversation naturally and accurately The Masterclass also features the unique Narrative+Six system, a step by step strategy for the challenging second part of the test. Containing over 200 typical speaking test questions and sample answers, this book is the ultimate resource for achieving success in the IELTS Speaking test. About the author: Charles Hooton is a native English speaker born in Nottingham. He has a master's degree in Law and Philosophy from the University of Oxford and the Cambridge CELTA English teaching qualification. He first started teaching over thirty years ago and is the Director of Studies for Britain's largest English language summer school held at Royal Holloway, University of London. He specialises in teaching English for business and commerce but focusses primarily on preparing students for the IELTS exam.

### **Practice Makes Perfect: Basic English, Premium Third Edition**

I believe in keeping things simple whenever possible, so I'm going to keep this introduction short, so you can focus on the important things. This master plan is simple. Follow it, and you will increase your speaking band score. In this book, you have the tools you need to increase your speaking score to 8.5 by improving your vocabulary, grammar and coherence. I have not included pronunciation guides in the book, as I know that pronunciation comes from hearing English, absorbing the sounds and then practising them. No book can provide this for you unfortunately, and any books that promise to do this are not telling you the truth. The IELTS speaking test is exactly the same for both IELTS Academic and for IELTS general. It lasts for 11 to 14 minutes and consists of three parts. Part one of the IELTS speaking test is basically an introduction for you as the candidate and for the examiner. It gives you both an opportunity to get comfortable and gives the examiner an initial general idea of your level of English. There's no need to feel nervous here. I know that it's very difficult not to feel a little bit nervous but try to think of this as a friendly informal chat with a friend or an acquaintance. The examiner wants you to succeed in the IELTS test, and if you can show your personality and feel relaxed enough to show the examiner your level of English you will succeed.

### **Basic English Grammar Student Book B with Online Resources, 4e**

The IELTS Lower-level skills Practice Books are for students who aspire to take the IELTS test but need to work on their language level first. These are a lead-in to our current series which are for IELTS-ready students.

### **IELTS Vocabulary Masterclass 8.5. Master Phrasal Verbs, Essay Vocabulary, Graph Vocabulary and Speaking Vocabulary**

I was an IELTS examiner and I wrote this book with the current IELTS Task 2 topics for 2020. The goal of this book is to improve writing skills and give ideas for people who wish to receive a score of 6.0-7.0 or higher for Task 2 of IELTS Academic and General exam. This book strives to reach your desired score by giving you the ideas and vocabulary for current topics. I have many years of experience successfully developing learners for the IELTS exam and many more years as a writing examiner. The layout of this book has been used with countless students with great success. This book can be used in the classroom with a teacher or as a self-study manual. Description of Writing Task 2 Task 2 is similar to putting a jigsaw puzzle together. The exam question gives a tiny picture of what you must make. The puzzle pieces are in your mind somewhere, but you only have 40 minutes to find them and put them together. If you have ever built a jigsaw puzzle, you know how essential the corner and edge pieces are. This innovative book, unlike any other, gives you the corner and edge pieces (ideas) that match with all current exam questions. No other book does this! Having good ideas for topics is necessary to achieve 7 or higher on your IELTS writing. This book will: \*Give 5 to 10 minutes more to do Task 2. \*Give more ideas to write more. \*Give you great ideas to make your Task 2 look better. \*Give you more vocabulary and grammar. Challenges to overcome for Writing Task 2 This book dramatically helps candidates with the two most notable complaints about IELTS Writing. Candidate complaint #1 - "I do not have enough time to write Task 2 well." Solution - This book provides ALL type 2 questions and ideas so you can save time preparing before you start writing. Candidate complaint #2 - "the topic is strange or not well known to me, so it is hard to write a good essay." Solution - By looking at all the question, especially the topics less familiar, you can quickly plan a convincing essay to receive a score of 7 to 8 comfortably. Candidate complaint #3 - It is not easy to use different words to talk about the same topic. Solution - Each topic in this book has synonyms and idioms to improve your vocabulary score. This book has all the connecting words and referencing advice you need to receive a 7 to 8. Connecting words like however and there, and knowing how to refer back to previous

ideas is necessary for 7 and higher. Vocabulary - Many books give you lists of words and synonyms. However, then you lose points on your writing test because you have misused words or have the wrong collocation. By looking at how this book uses different words to describe ideas in context, you will have a much better idea when you write your exam. This book guarantees to have all you need to receive 7 or higher for 3 of the 4 categories: Task Achievement, Coherence + Cohesion, and Lexical Resource (vocabulary). Note for teachers You can format this book from epub to a Word document. There are 47 lessons which can begin with the 'vocabulary questions' included for each topic. These questions will help learners to activate schemata and personalize lexis to improve writing and speaking. For self-study students You can study alone, but more progress will be made if you have a partner or group. You can use the vocabulary questions to improve your understanding of more academic words/collocations that will help you with speaking, listening and reading. The book is not meant to be memorised but rather to give you ideas for you to add your examples. You cannot memorise an essay. You can have more ideas and vocabulary about many different topics so that when it comes time to write, you can do so much more confidently. Each essay style is provided with many examples, vocabulary and vocabulary questions to help you improve your vocabulary

## **Writing for the IELTS**
