IELTS Speaking 8.5 Master Plan. Master Speaking Strategies & Speaking Vocabulary for the Real Test, Including 100+ IELTS Speaking Activities

Hi! My name is Bruce Stirling. Welcome to Power Synonyms. Power Synonyms is based on my innovative vocabulary strategy I call synonym substitution. This is how it works. First, I look at your active English vocabulary. Your active English vocabulary contains English words you know. Because you know them, you use them correctly, for example, a word like MANY. Now here is the problem: On test day, if you use MANY when speaking or writing, will it increase your score? No. Why not? Because MANY does not demonstrate academic language use, the very thing the raters are looking for. But wait. What if you substitute MANY with the power synonym MYRIAD? Compare the two sentences below. Which demonstrates academic word choice when writing and/or speaking? Which will score higher on test day? 1. The world has many problems, 2. The world has

myriad problems. That's right. Sentence two-and all you did was change MANY to MYRIAD. Easy, right? That is synonym substitution. That is Power Synonyms!

important things. This master plan is simple. Follow it, and you will increase your speaking band score. In this book, you have the tools you need to increase your speaking score to 8.5 by improving your vocabulary, grammar and coherence. I have not included pronunciation guides in the book, as I know that pronunciation comes from hearing English, absorbing the sounds and then practising them. No book can provide this for you unfortunately, and any books that promise to do this are not telling you the truth. The IELTS speaking test is exactly the same for both IELTS Academic and for IELTS general. It lasts for 11 to 14 minutes and consists of three parts. Part one of the IELTS speaking test is basically an introduction for you as the candidate and for the examiner. It gives you both an opportunity to get comfortable and gives the examiner an initial general idea of your level of English. There's no need to feel nervous here. I know that it's very difficult not to feel a little bit nervous but try to think of this as a friendly informal chat with a friend or an acquaintance. The examiner wants you to succeed in the IELTS test, and if you can show your personality and feel relaxed enough to show the examiner your level of English you will succeed.
