The Inklings Coloring Book

"Adult Coloring Book is absolutely a growing trend and consumers are really taking to the idea" We live in a sea of

energy where color is working within us. It shines with in our divine self, and radiates upon us from the sun. Research and observation has shown us that specific colors bring balance to our physical and emotional systems. Chromotherapy can easily be used as an alternative to Chinese acupuncture, achieving the same results in unblocking meridians without the discomfort of needles used in acupuncture.

Netter's Anatomy Coloring Book

Amazing coloring book "Magic Stippling" contains 37 beautiful illustrations for coloring. You will find on the pages of this book: a lot of flowers, portraits of beautiful ladies, cute animals! Drawings located on one side of the sheet, it is very convenient for coloring. The paper designed to work with soft colored pencils! The drawings made in the style of pointillism (stippling). I recommend that you watch the video review of this book on my YouTube channel: <https://www.youtube.com/c/NadiyaVasilkova>

Your feedback on the Amazon store is very important for me! - 37 beautiful unique hand painted drawings;- Pages printed on one side only;- Full-size paper, 8.5x11";- Pure white, 60 lb paper, acid-free for long art life; Thank you very much for your amazing coloring!

Invitation Strictly Personal

The first book in a can't-put-it-down, can't-read-it-fast-enough action-thriller trilogy that's part Hatchet, part Alien! The invasion begins--but not as you'd expect. It begins with rain. Rain that carries seeds. Seeds that sprout--overnight, everywhere. These new plants take over crop fields, twine up houses, and burrow below streets. They bloom--and release toxic pollens. They bloom--and form Venus flytrap-like pods

that swallow animals and people. They bloom--everywhere, unstoppable. Or are they? Three kids on a remote island seem immune to the toxic plants. Anaya, Petra, Seth. They each have strange allergies--and yet not to these plants. What's their secret? Can they somehow be the key to beating back this invasion? They'd better figure it out fast, because it's starting to rain again.

Mermaids in Wonderland

Evanna Amaranthine, a ruthless, 600 year old vampire, has a new assignment: to leave the walls of Benajah, her beloved vampire guild, enter the realm of humans to stalk down her prey, Rian Delmar, and kill him. At first, the prospect of being around humans any longer than the time it takes to drain them repulses Evanna, but after moving in with her new human-loving vampire housemate, she soon becomes hopelessly entangled with Messiah Scarborough, his strikingly good-looking artist friend. When dreams of a past life begin to plague her as she continues her crusade, can she control emotions that threaten to overwhelm her? Filled with fast-paced action and steeped in suspense, Benajah's Keeper by Aeryn Dougan is an urban fantasy that will capture readers' hearts as it addresses the significance of family, fate, and loyalty. Dramatic, gritty, and deeply passionate, this

Two masters of offbeat Internet humor combine the mindless fun of children's coloring books and the hilariously soul-crushing realities of modern adult life With over 150 videos and 65 million Youtube views to their credit, Ryan Hunter and

Taige Jensen know how to make people laugh. Their YouTube video, “Hipster Olympics” racked up nearly three million hits and quickly attained worldwide cult status amongst both the cool crowd (and those who like to poke fun at them). Their recent hit “The Walken Dead” was viewed over 600,000 times in less than three weeks. Now, the duo put their prolific creative talents to work in Coloring for Grown-Ups. The artwork may resemble that of a children's activity book, but look closer. Offering an ironic look at the stereotypes, habits, and challenges of modern adulthood, Coloring for Grown-Ups includes:

- A “Hipster or Homeless?” coloring page
- The 6 Steps to Abandoning Your Hopes and Dreams checklist
- An “Adulthood A to Z,” (“A is for Anti-Depressants”, “B is for Bills”)

Darkly humorous—and fun for any occasion —Coloring for Grown-Ups is the perfect stocking stuffer for reluctant adults of any age.

Color Me Your Way

The author and illustrator of the best-selling coloring book Fairies in Wonderland brings to life the enchanting, fantastical world of mermaids in this interactive coloring and activity book for all ages, featuring intricate black-and-white line art to color, riddles, and a maze connected through the illustrations,

and four perforated postcards. Mermaids in Wonderland is a whimsical, magical foray into the undersea world of the ever-popular mermaid. Divided into two parts, "Day" and "Night," renowned artist Marcos Chin reimagines these creatures in various intricately illustrated scenarios sure to enthrall coloring enthusiasts, both young and young at heart. Here are dozens of lovely line drawings to color, from mermaids riding a sea horse merry-go-round to a deep cavern filled with treasures; mermaids styling their flowing tresses to a range aquatic flora and fauna. Offering more than a standard coloring book, Mermaids in Wonderland is a meditative, interactive journey, filled with delightful riddles and puzzles that stimulate the mind. As enthusiasts add vivid color to the charming artwork and discover more of this lush wonderland, they will find images of lettered keys embedded in the drawings. Unscrambling the keys reveals the answers to a riddle and unlocks prizes—images representative of the words and tools needed to solve other riddles throughout the book. Also included are four perforated postcards to color and send or display. Featuring a heavy card stock cover with extra-wide flaps, printed on heavy white paper with excellent opacity ideal for coloring with a range of instruments—markers, pencils, crayons, or paints—and framing, Mermaids in Wonderland provides hours of entertainment and fun and encourages colorist to tap into their creative spirits.

Colour it in psychedelic colours, in tasteful tones, in all shades of orange! But just colour it! Recapture the purest sense of creativity by colouring in the most beautiful figurative designs – flowers, birds, butterflies – provided by a leading textile designer. By adding the key ingredient of colour you add your own spark of creativity to great designs. The design team, who work closely with Tate Modern in London, provide 24 postcards with six different designs to choose from. You can experiment with the colour combinations, using crayons, pencils, felt/fibre tip pens, and even paint on these uncoated postcards. A brief introduction gives some tips on using colours and suggests colour combinations to use on the specific designs, but you are encouraged to let your own creativity get to work! Great fun for all those looking for a burst of creative expression and useful for designers of all types who want to experiment with colour. The cards can be kept together in the book or detached, framed or posted to a friend.

Romantic Country: The Third Tale

'You have only one part of the Summoning Ring, ' said the

dragon to Fianna. And neither the knowledge nor the strength to use it even if it were complete. Fianna is the only child of King Stannard and Queen Fiona, and has always expected to become the next Keeper of the Dragon Throne. She exiles herself from court when her father decides to take a second wife. Recalled to Secundus castle after Stannard's death, she has to contend with the split loyalties among the royal knights. In desperation, she agrees to summon the dragons to support her claim to the throne. Their challenge sends her to meet them in their Sacred Mountains. In the woods of the unicorn herd, the Prancer loses his milk-brother to an attack by a dragon. He travels across the human kingdoms to seek the killer, discovering the complexities of human relationships and the delights of ale along the way. They meet at the Sacred Mountains. And so begins a story of love, friendship--and betrayal.

A unique color-by-number coloring book featuring 80 vibrant animal faces designed in the popular “low poly” 3-D geometric style. Create dozens of beautiful, lifelike animal faces with this irresistible color-by-number book. Graphic designer and illustrator Hope Little uses a distinctive “low poly” graphic style to fashion clean, contemporary three-dimensional designs made up of hundreds of triangles—an approach to organic subjects that gives them a modern aesthetic that is also relaxing to color. Each picture in Trianimals comes with a numbered color palate that can be used as a guide for consistently creating amazing finished pieces. All are printed on heavy paper stock to ensure that whatever medium you use—whether ink, marker, or paint—doesn’t bleed through. The pages are also perforated, making your artworks easy to remove and display. In addition, some of the pages are also perforated around the image so that it can be pressed out and made into a mask for parties, games, playtime, Halloween, birthdays, and more. Relax and take your creativity to the next stage with this gorgeous color-by-number coloring book!

C. S. Lewis is the 20th century's most widely read Christian writer and J.R.R. Tolkien its most beloved mythmaker. For three decades, they and their closest associates formed a literary club known as the Inklings, which met every week in Lewis's Oxford rooms and in nearby pubs. They discussed literature, religion, and ideas; read aloud from works in progress; took philosophical rambles in woods and fields; gave one another companionship and criticism; and, in the process, rewrote the cultural history of modern times. In The

Fellowship, Philip and Carol Zaleski offer the first complete rendering of the Inklings' lives and works. The result is an extraordinary account of the ideas, affections and vexations that drove the group's most significant members. C. S. Lewis accepts Jesus Christ while riding in the sidecar of his brother's motorcycle, maps the medieval and Renaissance mind, becomes a world-famous evangelist and moral satirist, and creates new forms of religiously attuned fiction while wrestling with personal crises. J.R.R. Tolkien transmutes an invented mythology into gripping story in *The Lord of the Rings*, while conducting groundbreaking Old English scholarship and elucidating, for family and friends, the Catholic teachings at the heart of his vision. Owen Barfield, a philosopher for whom language is the key to all mysteries, becomes Lewis's favorite sparring partner, and, for a time, Saul Bellow's chosen guru. And Charles Williams, poet, author of "supernatural shockers," and strange acolyte of romantic love, turns his everyday life into a mystical pageant. Romantics who scorned rebellion, fantasists who prized reality, wartime writers who believed in hope, Christians with cosmic reach, the Inklings sought to revitalize literature and faith in the twentieth century's darkest years-and did so in dazzling style.
