## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

Fat isn't the problem. Dieting is the problem. A society that rejects anyone whose body shape or size doesn't match an impossible ideal is the problem. A medical establishment that equates "thin" with "healthy" is the problem. The solution? Health at Every Size. Tune in to your body's expert guidance. Find the joy in movement. Eat what you want, when you want, choosing pleasurable foods that help you to feel good. You too can feel great in your body right now—and Health at Every Size will show you how. Health at Every Size has been scientifically proven to boost health and self-esteem. The program was evaluated in a government-funded academic study, its data published in well-respected scientific journals. Updated with the latest scientific research and even more powerful messages, Health at Every Size is not a diet book, and after reading it, you will be convinced the best way to win the war against fat is to give up the fight.

### **Body Respect**

In *Eat to Love*, nutritionist Jenna Hollenstein leads a spiritual revolution against pervasive attitudes towards food and dieting, and demonstrates how to free your mind from the fear, frustration, and shame often associated with eating.

## **Mindful Eating**

What is health? In today's diet-crazed culture, health is often reduced to the number on the scale, but your health is so much more than that. It's about physical health as well as mental and emotional health—and most importantly, your health is yours. You get to decide what health means to you, and what you want to do to be healthy for YOUR life! In this non-diet book, Carrie Dennett offers inspiration and practical tips to help you nourish mind, body and soul, along with insights on how to navigate nutrition news without feeling whiplashed. Oh, and she'll gently bust some nutrition myths along the way!

## **Intuitive Eating**

A gentle, comforting, body-positive approach to food It's time to explore and build new, positive relationships with food, moving away from restriction, deprivation, and obsession with body image. The Intuitive Eating Plan provides you with the information and steps necessary to heal your relationship with food and accept your body's beautiful intuition. You will be introduced to intuitive eating concepts that challenge what you previously believed about food,

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

health, and wellness. Learn about the misconceptions of dieting, the mechanics and physiology behind hunger and satisfaction, how to control emotional eating, and how to make informed choices. Waiting for you on the other side is not only a healed relationship with food but also an intuitive eating bond that will impact every area of your life. The Intuitive Eating Plan includes: A healing reality--No matter what results you have attempted to achieve, come to terms with the fact that natural body diversity exists. Interactive approach--Explore questions about your beliefs on things like food and stress levels, and document your progress with questions and journal prompts. SMART goals--Use the proven SMART (Specific, Measurable, Achievable, Relevant, and Time-Based) method to effectively set attainable goals. Learn the principles of intuitive eating and reject the common diet mentality.

### **The Intuitive Eating Workbook**

Diets aren't sustainable over the long-term, but so many of us don't know how to eat without food rules to follow. By exploring the many reasons dieting keeps us stuck in an unfulfilling relationship with food--from misguided beliefs about weight and health to social bonding to emotional management--you can finally call off the search for the

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

Secret (hot take: there isn't one) and learn how to eat according to the wisdom of your body. In her new book *Enjoy It All: Improve Your Health and Happiness with Intuitive Eating*, Sarah Berneche delivers a step-by-step process for healing your relationship with food and your body image. While nutrition recommendations frequently pepper the pages of magazines and newspapers across the country, we're left increasingly confused about food and disconnected from our bodies. Sarah teaches you that enjoying food and embracing the pursuit of pleasure can liberate you from diet culture for good while improving your health and sense of well-being. Imagine

- Feeling in control of your food choices – whether that means saying yes to double cheese pizza because it looks so good or no to the chocolate chip cookie because it doesn't
- Trusting food and your body enough to smash your scale, delete your calorie counting app, opt-out of your exhausting gym routine, and ditch the extensive Sunday meal prep
- Keeping previously off-limits foods, like ice cream and candy, in your house and eating them in a calm, kind way
- Having the freedom to enjoy pasta, pizza, and pie without a side of guilt or shame
- Understanding how all foods can fit into a healthy diet, and how to make necessary restrictions (such as for medical or religious reasons) a little more enjoyable.

*Enjoy It All* expands upon the following key points:

- The reasons we diet and keep dieting – even when we know diets don't work

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

- What's really underneath our never-ending quest for the perfect body
- How our preoccupation with “good” and “bad” foods keeps us from food freedom
- The value of habits and behaviors rooted in self-care vs. self-control
- How pleasure isn't antithetical to health – it's intrinsic to it.

Enjoy It All also features journaling and mantra exercises; an array of delicious recipes for breakfasts, mains, vegetable sides, and snacks; and a step-by-step process to support your health without dieting. We've been conditioned to believe we need to abide by external rules to be healthy. But what if everything you need to know is already within you? Take ownership and improve your health, happiness, and sense of well-being--all without rules or restriction!

### **In Defense of Processed Food**

### **Enjoy It All**

Reclaim your time, money, health, and happiness from our toxic diet culture with groundbreaking strategies from a registered dietitian, journalist, and host of the "Food Psych" podcast. 68 percent of

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

Americans have dieted at some point in their lives. But upwards of 90% of people who intentionally lose weight gain it back within five years. And as many as 66% of people who embark on weight-loss efforts end up gaining more weight than they lost. If dieting is so clearly ineffective, why are we so obsessed with it? The culprit is diet culture, a system of beliefs that equates thinness to health and moral virtue, promotes weight loss as a means of attaining higher status, and demonizes certain ways of eating while elevating others. It's sexist, racist, and classist, yet this way of thinking about food and bodies is so embedded in the fabric of our society that it can be hard to recognize. It masquerades as health, wellness, and fitness, and for some, it is all-consuming. In *Anti-Diet*, Christy Harrison takes on diet culture and the multi-billion-dollar industries that profit from it, exposing all the ways it robs people of their time, money, health, and happiness. It will turn what you think you know about health and wellness upside down, as Harrison explores the history of diet culture, how it's infiltrated the health and wellness world, how to recognize it in all its sneaky forms, and how letting go of efforts to lose weight or eat "perfectly" actually helps to improve people's health -- no matter their size. Drawing on scientific research, personal experience, and stories from patients and colleagues, *Anti-Diet* provides a radical alternative to diet culture, and helps readers

reclaim their bodies, minds, and lives so they can focus on the things that truly matter.

### **The Mindful Eating Workbook**

At Last, a No-Bullsh\*t, Shame-Free Strength Transformation Program Since 2011, nutrition and fitness expert Steph Gaudreau has impacted the lives of thousands of women through her fierce-love approach to strength and badassery, what she calls The Core 4. The success of her program can be found in the astounding health results from those women who have tried it—including muscle definition, body confidence, restful sleep, and a strong powerful outlook that permeates every facet of life. In THE CORE 4 Steph finally offers women a strong body and mind achieved through minimal time on the treadmill, simple workouts, targeted nutrition (that is also delicious!), and mindset practices with clear results. When you focus on The Core 4--Eat Nourishing Foods, Move with Intention, Recharge Your Energy, and Empower Your Mind--you give yourself the gifts of care, strength, and resiliency, and take a powerful step toward the life you want. “By refusing to let your weight measure your worth. By nourishing your body. By listening to your intuition as a guide. By taking your power back. I guarantee you’ll start feeling energetic, active, confident,

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

strong, resilient, and ready to change the world.”—Steph Gaudreau

### **Healthy for Your Life**

Patients with eating disorders frequently feel that they aren't "sick enough" to merit treatment, despite medical problems that are both measurable and unmeasurable. They may struggle to accept rest, nutrition, and a team to help them move towards recovery. Sick Enough offers patients, their families, and clinicians a comprehensive, accessible review of the medical issues that arise from eating disorders by bringing relatable case presentations and a scientifically sound, engaging style to the topic. Using metaphor and patient-centered language, Dr. Gaudiani aims to improve medical diagnosis and treatment, motivate recovery, and validate the lived experiences of individuals of all body shapes and sizes, while firmly rejecting dieting culture.

### **The Core 4**

“The F\*ck It Diet is not only hilarious, it is scientifically and medically sound. A must read for any chronic dieter.” -Christiane

Northrup, MD, New York Times bestselling author of *Women's Bodies, Women's Wisdom* From comedian and ex-diet junkie Caroline Dooner, an inspirational guide that will help you stop dieting, reboot your relationship with food, and regain your personal power **DIETING DOESN'T WORK** Not long term. In fact, our bodies are hardwired against it. But each time our diets fail, instead of considering that maybe our ridiculously low-carb diet is the problem, we wonder what's wrong with us. Why can't we stick to our simple plan of grapefruit and tuna fish??? Why are we so hungry? What is wrong with us??? We berate ourselves for being lazy and weak, double down on our belief that losing weight is the key to our everlasting happiness, and resolve to do better tomorrow. But it's time we called a spade a spade: Constantly trying to eat the smallest amount possible is a miserable way to live, and it isn't even working. So fuck eating like that. In *The F\*ck It Diet*, Caroline Dooner tackles the inherent flaws of dieting and diet culture, and offers readers a counterintuitively simple path to healing their physical, emotional, and mental relationship with food. What's the secret anti-diet? Eat. Whatever you want. Honor your appetite and listen to your hunger. Trust that your body knows what it is doing. Oh, and don't forget to rest, breathe, and be kind to yourself while you're at it. Once you get yourself out of survival mode, it will become easier and easier to eat what your

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

body really needs—a healthier relationship with food ultimately leads to a healthier you. An ex-yo-yo dieter herself, Dooner knows how terrifying it can be to break free of the vicious cycle, but with her signature sharp humor and compassion, she shows readers that a sustainable, easy relationship with food is possible. Irreverent and empowering, *The F\*ck It Diet* is call to arms for anyone who feels guilt or pain over food, weight, or their body. It's time to give up the shame and start thriving. Welcome to the F\*ck It Diet. Let's Eat.

### **Eat What You Love, Love What You Eat with Diabetes**

Do you use food to comfort yourself during stressful times? The Intuitive Eating Workbook offers a comprehensive, evidence-based program to help you develop a healthy relationship with food, pay attention to cues of hunger and satisfaction, and cultivate a profound connection with your mind and body. Have you tried fad diet after fad diet, only to gain weight back? Maybe you've tried the protein diet only to move on to vegetables only? Raw almonds and coconut water every forty-five minutes instead of big meals? Or perhaps you've tried counting calories, but the numbers on the scale still don't add up. If you are ready to throw in your hat and give up on dieting for good, take heart. You can enjoy food again—you just need to pay attention to

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

your body's natural hunger cues. Based on the authors' best-selling book, *Intuitive Eating*, this workbook can show you how. The *Intuitive Eating Workbook* offers a new way of looking at food and mealtime by showing you how to recognize your body's natural hunger signals. Structured around the ten principles of intuitive eating, the mindful approach in this workbook encourages you to abandon unhealthy weight control behaviors, develop positive body image, and—most importantly—stop feeling distressed around food! You were born with all the wisdom you need for eating intuitively. This book will help you reconnect with that wisdom and ultimately change your life—one meal at a time.

### **Anti-Diet**

On the heels of the breakaway success of *The Body Is Not an Apology* comes an action guide to help readers practice the art of radical self-love both for themselves and to transform our society. Readers of *The Body Is Not an Apology* have been clamoring for guidance on how to do the work of radical self-love. After crowdsourcing her community, Sonya Renee Taylor found her readers wanted more concrete ideas on how to apply this work in their everyday lives. *Your Body Is Not an Apology Workbook* is the action guide that gives them tools and

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

structured frameworks they can begin using immediately to deepen their radical self-love journey—such as Taylor's four pillars of practice, which help readers dismantle body shame and give them access to a lifestyle rooted in love. Taylor guides readers to move beyond theory and into doing and being radical self-love change agents in the world. “In this book, you will be asked to draw, color, doodle, talk to friends, take risks, and perhaps step outside of what feels like your natural gifts and talents,” Taylor writes. “I encourage you to release the need to be ‘good’ at what you are doing and instead strive to be authentic. Perfection is the enemy of radical self-love because it is an impossible illusion. When the voice of perfectionism chimes in, take a deep breath, remember that the work is about the process, not about the product, and give yourself permission to be fabulously unapologetically imperfect.”

### **The Intuitive Eating Workbook for Teens**

It has become popular to blame the American obesity epidemic and many other health-related problems on processed food. Many of these criticisms are valid for some processed-food items, but many statements are overgeneralizations that unfairly target a wide range products that contribute to our health and well-being. In addition,

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

many of the proposed dangers allegedly posed by eating processed food are exaggerations based on highly selective views of experimental studies. We crave simple answers to our questions about food, but the science behind the proclamations of food pundits is not nearly as clear as they would have you believe. This book presents a more nuanced view of the benefits and limitations of food processing and exposes some of the tricks both Big Food and its critics use to manipulate us to adopt their point of view. Food is a source of enjoyment, a part of our cultural heritage, a vital ingredient in maintaining health, and an expression of personal choice. We need to make those choices based on credible information and not be beguiled by the sophisticated marketing tools of Big Food nor the ideological appeals and gut feelings of self-appointed food gurus who have little or no background in nutrition.

### **Train Happy**

Killing a person is in general among the most seriously wrongful forms of action, yet most of us accept that it can be permissible to kill people on a large scale in war. Does morality become more permissive in a state of war? Jeff McMahan argues that conditions in war make no difference to what morality permits and the justifications for killing

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

people are the same in war as they are in other contexts, such as individual self-defence. This view is radically at odds with the traditional theory of the just war and has implications that challenge common sense views. McMahan argues, for example, that it is wrong to fight in a war that is unjust because it lacks a just cause.

### **The F\*ck It Diet**

Shows chronic dieters how to restore their intuition about how much food their body needs, how to rediscover the delights of food, how to lose weight naturally, and how to discover their natural weight. Tour.

### **Health at Every Size**

Do you find yourself eating food that doesn't energize you? Munching mindlessly or emotionally? Thinking about food and your body too much? ## **The Eating Instinct**

If you restrict, binge, purge, excessively diet or weigh yourself, exercise compulsively, or engage routinely and obsessively in any other food or weight related behaviors, this book will help you find the road to recovery. The authors, one a former patient of the other, both have their own histories battling the disorder. Interweaving personal narrative with the perspective of their own therapist-client relationship, their insights bring an unparalleled depth of awareness into just what it takes to successfully beat this clinical issue.

## **Body Kindness**

Turn food from foe to friend with this bestselling guide to developing healthy eating habits through mindfulness—from a Zen teacher Food. It should be one of life's great pleasures, yet many of us have such a conflicted relationship with it that we miss out on that most basic of satisfactions. But it is possible—and not really all that difficult—to reclaim the joy of eating, according to Dr. Jan Bays. Mindfulness is the key. Her approach involves bringing one's full attention to the process of eating—to all the tastes, smells, thoughts, and feelings

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

that arise during a meal. She shows you how to:

- Tune into your body's own wisdom about what, when, and how much to eat
- Eat less while feeling fully satisfied
- Identify your habits and patterns with food
- Develop a more compassionate attitude toward your struggles with eating
- Discover what you're really hungry for

Whether you are overweight, suffer from an eating disorder, or just want to get more out of life, this book offers a simple tool that can transform your relationship with food into one of ease and delight. This new edition, updated throughout, contains a new chapter on how to provide children with a foundation in mindful eating that will serve them well all the rest of their lives. It also includes a link to a 75-minute on-line audio program of mindful eating exercises led by the author.

### **Intuitive Eating, 4th Edition**

Turn picky eaters into happy, healthy eaters! Breaking down intuitive eating in a way that's easy to understand and even easier to implement, this book shows you how to help your children develop a positive relationship with food. It offers a system that builds healthy habits and better mindsets that will last a lifetime. Through the techniques and tips in this book, you'll discover how to eliminate stress, anxiety and food battles and instead enjoy feeding your

your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

### **Intuitive Eating, 4th Edition**

'Truly life-changing' Dolly Alderton 'The only 'diet' book worth reading this new year' Alexandra Heminsley, Grazia Just Eat It isn't just a book. It's part of a movement to help us take back control over our bodies. To free us from restrictive dieting, disordered eating and punishing exercise. To reject the guilt and anxiety associated with eating and, ultimately, to help us feel good about ourselves. This anti-diet guide from registered nutritionist Laura Thomas PhD can help you sort out your attitude to food and ditch punishing exercise routines. As a qualified practitioner of Intuitive Eating - a method that helps followers tune in to innate hunger and fullness cues - Thomas gives you the freedom to enjoy food on your own terms. There are no rules: only simple, practical tools and exercises including mindfulness techniques to help you recognise physiological and emotional hunger, sample conversations with friends and colleagues, and magazine and blog critiques that call out diet culture. So, have

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

you ever been on a diet? Spent time worrying that you looked fat when you could have been doing something useful? Compared the size of your waistline to someone else's? Felt guilt, actual guilt, about the serious crime of . . . eating a doughnut? You're not alone. Just Eat It gives you everything you need to develop a more trusting, healthy relationship with food and your body.

### **The Mindful Eating Journal**

Are you unhappy with your body but fed up with constant dieting? Would you like to lose weight without depriving yourself of the food you love? Serial dieters for years, Sophie and Audrey Boss finally overcame their weight problems when they discovered the key to success: break free from the diet mentality and learn how to listen to your body so that you can make food choices that really work for you. This book sets out a new, liberating approach to establishing a healthy and satisfying relationship with food, and a positive body image. Based on extensive research and workshops for women with weight issues, *Beyond Chocolate* will help you to: Eat whatever you want without feeling guilty. Lose weight and not worry that you'll put it back on. Only think about food when you are hungry. Stop when you are satisfied. Feel comfortable in your body. Wear clothes you like and

## Read Free Intuitive Eating A Revolutionary Anti Diet Approach

feel good in Beyond Chocolate is your passport to freedom!

### **The Binge Eating Prevention Workbook**

Create a healthier and happier life by treating yourself with compassion rather than shame. Imagine a graph with two lines. One indicates happiness, the other tracks how you feel about your body. If you're like millions of people, the lines do not intersect. But what if they did? This practical, inspirational, and visually lively book shows you the way to a sense of well-being attained by understanding how to love, connect, and care for yourself—and that includes your mind as well as your body. Body Kindness is based on four principles. WHAT YOU DO: the choices you make about food, exercise, sleep, and more HOW YOU FEEL: befriending your emotions and standing up to the unhelpful voice in your head WHO YOU ARE: goal-setting based on your personal values WHERE YOU BELONG: body-loving support from people and communities that help you create a meaningful life With mind and body exercises to keep your energy spiraling up and prompts to help you identify what YOU really want and care about, Body Kindness helps you let go of things you can't control and embrace the things you can by finding the workable, daily steps that fit you best. It's the anti-diet book that leads to a more joyful and meaningful life.

energy--mindful eating isn't a diet, it is a way of life. Start practicing mindful eating with The Mindful Eating Workbook.

### **Just Eat It**

Make peace with food. Free yourself from chronic dieting forever. Rediscover the pleasures of eating. The go-to resource--now fully revised and updated--for building a healthy body image and making peace with food, once and for all. When it was first published, Intuitive Eating was revolutionary in its anti-dieting approach. The authors, both prominent health professionals in the field of nutrition and eating disorders, urge readers to embrace the goal of developing body positivity and reconnecting with one's internal wisdom about eating--to unlearn everything they were taught about calorie-counting and other aspects of diet culture and to learn about the harm of weight stigma. Today, their message is more relevant and pressing than ever. With this updated edition of the classic bestseller, Evelyn Tribole and Elyse Resch teach readers how to:

- Follow the ten principles of Intuitive Eating to achieve a new and trusting relationship with food
- Fight against diet culture and reject diet mentality forever
- Find satisfaction in their food choices
- Exercise kindness toward their feelings, their bodies, and themselves
- Prevent

to raise an intuitive eater • The incredible science behind intuitive eating • How eating disorders can be healed through Intuitive Eating This revised edition is entirely updated throughout. It includes new material on diet culture, weight stigma, and baby-led weaning. These expansions will help readers properly integrate intuitive eating into their daily lives and make peace with food.

### **Intuitive Living**

A leading neuroscientist and pioneer in the study of mindfulness explains why addictions are so tenacious and how we can learn to conquer them We are all vulnerable to addiction. Whether it's a compulsion to constantly check social media, binge eating, smoking, excessive drinking, or any other behaviors, we may find ourselves uncontrollably repeating. Why are bad habits so hard to overcome? Is there a key to conquering the cravings we know are unhealthy for us? This book provides groundbreaking answers to the most important questions about addiction. Dr. Judson Brewer, a psychiatrist and neuroscientist who has studied the science of addictions for twenty years, reveals how we can tap into the very processes that encourage addictive behaviors in order to step out of them. He describes the mechanisms of habit and addiction formation, then explains how the

practice of mindfulness can interrupt these habits. Weaving together patient stories, his own experience with mindfulness practice, and current scientific findings from his own lab and others, Dr. Brewer offers a path for moving beyond our cravings, reducing stress, and ultimately living a fuller life.

### **How to become naturally thin by eating more**

Let go of the 'exercise rules' and learn to love working out and moving your body in a multitude of ways! Personal Trainer and Broadcaster Tally Rye is on a mission to change the way we think about exercise, encouraging you to approach it with a mindset of self-care rather than the traditional self-punishment narrative. Join Tally as she helps you to ditch diet culture and all its associations with fitness. Gain knowledge and tools that enable you to navigate your path to a health first, holistic approach to fitness which includes insights from leading experts in body image, mental health and intuitive eating. As you read you will discover the wonderful physical and mental health benefits of regular activity and then start to feel their effects as you follow Tally's 10-week training plan. The plan is designed to slot into your life in a sustainable and flexible way, providing resistance workouts, bodyweight workouts and weekly

challenges to keep mixing it up which can all be done in the comfort of your own home. Through personal insight, and as a Trainer, Instructor and host of the podcast Fit And Fearless with BBC 5 Live, Tally wants to help you build a positive and intuitive relationship with fitness, food and your body that is sustainable for the long term and ultimately help you to Train Happy.

### **Sick Enough**

An exploration, both personal and deeply reported, of how we learn to eat in today's toxic food culture. Food is supposed to sustain and nourish us. Eating well, any doctor will tell you, is the best way to take care of yourself. Feeding well, any human will tell you, is the most important job a mother has. But for too many of us, food now feels dangerous. We parse every bite we eat as good or bad, and judge our own worth accordingly. When her newborn daughter stopped eating after a medical crisis, Virginia Sole-Smith spent two years teaching her how to feel safe around food again – and in the process, realized just how many of us are struggling to do the same thing. The Eating Instinct visits kitchen tables around America to tell Sole-Smith's own story, as well as the stories of women recovering from weight loss surgery, of people who eat only nine foods, of families with unlimited

grocery budgets and those on food stamps. Every struggle is unique. But Sole-Smith shows how they're also all products of our modern food culture. And they're all asking the same questions: How did I learn to eat this way? Why is it so hard to feel good about food? And how can I make it better?

### **Beyond Chocolate**

#### **Nourish**

A national spokesperson for the American Dietetic Association and the food and nutrition editor for "Shape" magazine helps readers eat nutritiously in spite of a busy lifestyle. Tribole promotes meals that take one minute or less to fix, plus worthwhile brand name snacks, nutritional food items.

workbook for teens addresses the ten principles of intuitive eating to help you listen to your body's natural hunger and fullness cues. Do you struggle with stress eating, overeating, emotional eating, or binge eating? You aren't alone. Sometimes, when we're not feeling so good, food can seem like a great comfort. The problem is that over time, overeating can lead to several physical health problems, as well as depression and lowered self-esteem. So, how can you put a stop to unhealthy eating behaviors before they become ingrained, lifelong habits? With this breakthrough workbook, you'll learn to notice and respect your body's natural hunger and fullness signals, find real eating satisfaction, cultivate body positivity, and build a profound connection to your mind and body for years to come. Each chapter includes an important principle of intuitive eating, and includes worksheets and activities to help you connect with and deepen your skills. Whether you're a teen, a parent, a clinician, or a certified intuitive eating counselor, this proven-effective workbook is an essential resource.

## **Intuitive Eating, 2nd Edition**

It's time to throw away the diet book and start living intuitively. In our increasingly busy world, how to be healthy has become more and more confusing and our relationship with food is ever-changing and often complex. We're bombarded with so many messages that it's causing a disconnect between us and what true health really is: a connection to our body's innate wisdom. In other words, our intuition. This six-week guide introduces the concept that by using our intuition, we can become experts on ourselves and, in turn, learn how to best navigate our own health and happiness. Each week is broken down into steps, giving you the tools and techniques to make the right food and health choices for you. Through celebrating food, encouraging kindness and embracing a positive body image, Holistic Nutritionist and Life Coach, Pandora Paloma takes you on a journey to reconnect with your body and transform your life.

## **Conjectures and Refutations**

Mainstream health science has let you down. Weight loss is not the key to health, diet and exercise are not effective weight-loss strategies

and fatness is not a death sentence. You've heard it before: there's a global health crisis, and, unless we make some changes, we're in trouble. That much is true—but the epidemic is NOT obesity. The real crisis lies in the toxic stigma placed on certain bodies and the impact of living with inequality—not the numbers on a scale. In a mad dash to shrink our bodies, many of us get so caught up in searching for the perfect diet, exercise program, or surgical technique that we lose sight of our original goal: improved health and well-being. Popular methods for weight loss don't get us there and lead many people to feel like failures when they can't match unattainable body standards. It's time for a cease-fire in the war against obesity. Dr. Linda Bacon and Dr. Lucy Aphramor's *Body Respect* debunks common myths about weight, including the misconceptions that BMI can accurately measure health, that fatness necessarily leads to disease, and that dieting will improve health. They also help make sense of how poverty and oppression—such as racism, homophobia, and classism—affect life opportunity, self-worth, and even influence metabolism. Body insecurity is rampant, and it doesn't have to be. It's time to overcome our culture's shame and distress about weight, to get real about inequalities and health, and to show every body respect.
