Keep all your notes from your German language classes in one place, with a section for your personal vocabulary list at the back. Your timetable is ready to fill in so that you never miss a class and there is a grid to note all of your assignments, with dates and details, as well as tick boxes to check when you've finished them. Great gift for anyone studying German at school, college or university. Or to motivate yourself or a friend or relative to improve their German. And having your notes and vocabulary in one place will help you revise for exams, prepare for assessments. And if you are going abroad on holiday to a German speaking country, use this notebook for all the phrases and information you need to communicate. Details for this notebook: 120 pages 6x9 inches, plenty of room for writing and the right size for a bag or backpack Lined pages for class or study notes Vocabulary section for new words with translation Additional pages to write phrases using your newly learned vocabulary - this is an excellent way to improve your language skills. Want to make this a unique gift? Would you like a personalised version for your own child? To have your son or daughter's name (or anyone else's name!) put on the cover, go to our Amazon Author page for details. Notebooks available for French, German, Spanish, Italian, English and general Foreign Language learning. Perfect for your aspiring bi-lingual and multilingual kids or friends.

German vocabulary for English speakers - 3000 words

The ultimate rapid language-learning guide! For those who've despaired of ever learning a foreign language, here, finally, is a book that will make the words stick. At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school -- who does? -- rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources. In *Fluent Forever* Wyner reveals what

Free Copy Learn German English Notebook Vocabulary English And German Notebook For Beginner And Advanced Language Students English German Vocabulary Notebook

he's discovered. The greatest challenge to learning a foreign language is the challenge of memory; there are just too many words and too many rules. For every new word we learn, we seem to forget two old ones, and as a result, fluency can seem out of reach. Fluent Forever tackles this challenge head-on. With empathy for the language-challenged and abundant humor, Wyner deconstructs the learning process, revealing how to build a foreign language in your mind from the ground up. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery, rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. Soon, you'll gain the ability to learn grammar and more difficult abstract words--without the tedious drills and exercises of language classes and grammar books. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The Big Book of Words You Should Know

Keep all your notes from your German language classes in one place, with a section for your personal vocabulary list at the back. Your timetable is ready to fill in so that you never miss a class and there is a grid to note all of your assignments, with dates and details, as well as tick boxes to check when you've finished them. Report of Proceedings

The Ultimate German Notebook is a vocabulary notebook for German learners, but it's also suitable for German speakers who want to learn English, because all the content in the vocabulary section is both in German and English. The notebook has 160 pages including 65 different topics. You will learn more than 3000+ unique words and 600+ phrases with this notebook. There are 64 pages about vocabulary and 16 pages about grammar. In total the notebook has 160 pages and 73 of them are empty pages for your own notes. Every topic includes two pages, the left pages contain all the most important words and phrases in German and English. The right pages are empty so that you can add all the words and phrases that you learn. Use this notebook as the center of your German or English studies and gather all the most important vocabulary within the pages of this notebook. Use it together with other learning resources like applications, text books, German classes or whatever you like and always add the words and phrases that you have learned in this notebook.

The Everything Essential German Book

“The single most resonant and carefully imagined book of Dick’s career.” —New York Times It’s America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In San Francisco, the I Ching is as common as the Yellow Pages. All because some twenty years earlier the United States lost a war—and is now occupied by Nazi Germany and Japan. This harrowing, Hugo Award–winning novel is the work that established Philip K. Dick as an innovator in science fiction while breaking the barrier between science fiction and the serious novel of ideas. In it Dick offers a haunting vision of history as a nightmare from which it may just be possible to wake. Winner of the Hugo Award

Korean Picture Dictionary

Have you been trying to learn German and simply can't find the way to expand your vocabulary? Do your teachers recommend you boring textbooks and complicated stories that you don't really understand? Are you looking for a way to learn the language quicker without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in German, a list of terms that will expand your vocabulary to levels previously unseen. Did you know that -- according to an important study -- learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in German and their translations An example sentence for each word - in both German and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a German speaker are you ready to get involved in becoming one?

Aiden's German Notebook

Master a foreign language To master a language on a conversational day-to-day level, 2500 words are more than enough. With around 1,000 words in most languages, you will be able to ask people how they are doing, tell them about your day and navigate through everyday life situations. As you grow past the 3,000 word mark or so, you are moving beyond the words that make up everyday conversation and into specialized vocabulary for talking about your professional field, news, current events and more complex, abstract verbal feats. At this point, you should be able to reach C2 level in most languages. Check out our author page for matching notebooks. Specifications: All your vocabulary in one place 2 columns Space for over 2500 words Dimensions: 6" x 9" Interior: Lines, White Paper Pages: 110

Academic Vocabulary for Middle School Students

German vocabulary for English speakers - 7000 words

Journeying to wintry Montreal to testify at a murder trial, forensic anthropologist Tempe Brennan discovers three skeletons in the basement of a pizza parlor and realizes that she has stumbled into a crime from the past. By the author of Bare Bones. Reprint.

Vocabulary Notebook

Filled with dialogues, grammar and idiom studies, and practical exercises, this is probably the most delightful, useful, and comprehensive elementary book available for learning spoken and written German. In addition, the book features 28 sketches of specific scenes with pertinent items numbered and identified in both German and English. Includes 330 photographs and illustrations.

The Ladies' Home Journal

This is a vocabulary notebook with a difference. This notebook has space for 25 topics. Whenever you come across a new topic during your German learning, make notes of the new vocabulary in this notebook. For each topic there are four pages. The first is blank. You can use it to make a mind map or use it for doodles, or if you feel you need more writing space, use it for writing. The second page is divided into two halves for your new vocabulary. On the left you can write the new German words and on the right the English translation (or whichever language you are most familiar with). The third and fourth pages are for making sentences. Learning vocabulary out of context is not always useful and mostly boring anyway. So, use those two pages to make

Free Copy Learn German English Notebook Vocabulary English And German Notebook For Beginner And Advanced Language Students English German Vocabulary Notebook

your own sentences with the new German words. Your vocabulary will now stick a lot better in your memory!

Polyglot: How I Learn Languages

Exercises designed to develop vocabulary skills present words together with their pronunciations, definitions and use in sentences. Reissue.

The Oxford Handbook of Samuel Taylor Coleridge

A practical and comprehensive reference work, the Oxford Handbook provides the best single-volume source of original scholarship on all aspects of Coleridge's diverse writings. Thirty-seven chapters, bringing together the wisdom of experts from across the world, present an authoritative, in-depth, and up-to-date assessment of a major author of British Romanticism. The book is divided into sections on Biography, Prose Works, Poetic Works, Sources and Influences, and Reception. The Coleridge scholar today has ready access to a range of materials previously available only in library archives on both sides of the Atlantic. The Bollingen edition, of the Collected Works of Samuel Taylor Coleridge, forty years in production was completed in 2002. The Coleridge Notebooks (1957-2002) were also produced during this same period, five volumes of text with an additional five companion volumes of notes. The Clarendon Press of Oxford published the letters in six volumes (1956-1971). To take full advantage of the convenient access and new insight provided by these volumes, the Oxford Handbook examines the entire range and complexity of Coleridge's career. It analyzes the many aspects of Coleridge's literary, critical, philosophical, and theological pursuits, and it furnishes both students and advanced scholars with the proper tools for assimilating and illuminating Coleridge's rich and varied accomplishments, as well as offering an authoritative guide to the most up-to-date thinking about his achievements.

German Flashcards

Word Power Made Easy

Stationen

STATIONEN: EIN KURSBUCH FÜR DIE MITTELSTUFE, Third Edition is an intermediate German program that combines engaging cultural topics with authentic readings and contextualized grammar in a unifying context. Each chapter of STATIONEN revolves around a city or region in the German-speaking world. This overarching concept brings the program together and invites students and instructors to make connections and comparisons between chapters, topics, and cultural issues. STATIONEN also refers to the “stations” between the first beginnings of a journey into German life and language and to more advanced study and exploration on the intermediate level. In addition, the accompanying video component contains footage of videoblogs from eleven cities in Germany, Austria, and Switzerland that complements the textbooks content and serves as windows to contemporary German culture. These snapshots of everyday life connect interview clips with images of public spaces to move students beyond the realm of ordinary language instruction and into the scenarios and situations that reflect a developing German speaker's real-world needs.
