predecessor, this audiobook contains a lexicon of some of the most used words in everyday Chinese conversation. It makes use of the age-old learning techniques of repetition and rote memorization, to condition the brain for learning Chinese as quickly as possible. In addition, an auxiliary feature called story mode has been included to aid the listener in a test for comprehension. And so, from the beautiful city of Beijing, the city of love and all things fashionable, we present to you The Simple Way to Learn Chinese 2.
