Progressive United Methodists announce new denomination

The 1960s through the 1990s saw great inroads for such theologies as Africa was fighting Colonialism. Liberation Theology, Black Theology, Feminist, and African Theologies were fashionable and attractive to many Africans who were in seminaries during these years. No wonder some African bishops of today resonate with liberal theology.

Bing: Liberation Theologies In The United

By Olivia Singer. During the mid-20 th century, disenchanted members of the clergy and the oppressed classes of Latin America united together to reinterpret the role of the Catholic Church in everyday society and to reclaim religion towards the pursuit of social justice. Liberation theology encouraged a break from an elitist notion of the Church and the return of control to the people.
