This survey aims to help countries review and develop policies to make the teaching profession more attractive and more effective.

Anxious Little Pishy

Written by a senior scholar and master mariner, *Sailors and Traders* is the first comprehensive account of the maritime peoples of the Pacific. It focuses on the sailors who led the exploration and settlement of the islands and New Zealand and their seagoing descendants, providing along the way new material and unique observations on traditional and commercial seagoing against the background of major periods in Pacific history. The book begins by detailing the traditions of sailors, a group whose way of life sets them apart. Like all others who live and work at sea, Pacific mariners face the challenges of an often harsh environment, endure separation from their families for months at a time, revere their vessels, and share a singular attitude to risk and death. The period of prehistoric seafaring is discussed using archaeological data, interpretations from interisland exchanges, experimental voyaging, and recent DNA analysis. Sections on the arrival of foreign exploring ships centuries later concentrate on relations between visiting sailors and maritime communities. The more intrusive influx of commercial trading and whaling ships brought new technology, weapons, and differences in the ethics of trade. The successes and failures of Polynesian chiefs who entered trading with European-type ships are recounted as neglected aspects of Pacific history. As foreign-owned commercial ships expanded in the region so did colonialism, which was accompanied by an increase in the number of sailors from metropolitan countries and a decrease in the employment of Pacific islanders on foreign ships. Eventually small-scale island entrepreneurs expanded interisland shipping, and in 1978 the regional Pacific Forum Line was created by newly independent states. This was welcomed as a symbolic return to indigenous Pacific ocean linkages. The book's final sections detail the life of the modern Pacific seafarer. Most Pacific sailors in the global maritime labor market return home after many months at sea, bringing money, goods, a wider perspective of the world, and sometimes new diseases. Each of these impacts is analyzed, particularly in the case of Kiribati, a major supplier of labor to foreign ships.

You Should See Me in a Crown

“ Kitty O ’ Meara...offers us wisdom that can help during the COVID-19 pandemic and beyond. She is challenging us to grow.”—Deepak Chopra, MD, author, *Metahuman* “ Kitty O’Meara is the poet laureate of the pandemic”—*O, The Oprah Magazine* “An eloquent, heartwarming reflection that will resonate with generations to come... encouragement for a brighter tomorrow.”—Kate Winslet “*And the People Stayed Home* is an uplifting perspective on the resilience of the human spirit and the healing potential we have to change our world for the better.” — Shelf Awareness “ Images of nature healing show the author ’ s vision of hope for the future... The accessible prose and beautiful images make this a natural selection for young readers, but older ones may appreciate the work ’ s deeper meaning. ” — Kirkus Reviews “ This is a perfectly illustrated version of a poem that continues to be relevant. ” —School Library Journal “ A stunning and peaceful offering of introspection and hope. ” —The Children ’ s Book Review Ten Best Children ’ s Books of 2020: “A calming, optimistic read, and a salve for children trying their best to navigate this time.” —Smithsonian Magazine “ It captured the kind of optimism people need right now. ” —Esquire (UK) “ Thank you, Kitty O’Meara...for pointing out that at this very moment, this very day, we can seize the opportunity to restore wholeness to our world.”—Sy Montgomery, bestselling author of *The Good Good Pig* and *The Soul of an Octopus* “ A poem by American writer Kitty O ’ Meara has deservedly gone viral. ” —Edinburgh Evening News *And the People Stayed Home* is a beautifully produced picture book featuring Kitty O ’ Meara ’ s popular, globally viral prose poem about the coronavirus pandemic, which has a hopeful and timeless message. Kitty O ’ Meara, author of *And the People Stayed Home*, has been called the “ poet laureate of the pandemic. ” This illustrated children ’ s book (ages 4-8) will also appeal to readers of all ages. O ’ Meara ’ s thoughtful poem about the pandemic, quarantine, and the future suggests there is meaning to be found in our shared experience of the coronavirus and conveys an optimistic message about the possibility of profound healing for people and the planet. Her words encourage us to look within, listen deeply, and connect with ourselves and the earth in order to heal. O ’ Meara, a former teacher and chaplain and a spiritual director, clearly captures important aspects of the pandemic experience. Her words, written in March 2020 and shared on Facebook, immediately resonated nationally and internationally and were widely circulated on social media, covered in mainstream news media, and inspired an outpouring of creativity from musicians, dancers, artists, filmmakers, and more. The many highlights include an original composition by John Corigliano that was premiered by Ren é e Fleming.

Capture the Night

Unwillingly brought together to care for their ailing mother, three sisters who were named after famous Shakespearean characters discover that everything they have been avoiding may prove more worthwhile than expected. A first novel. Reprint. A New York Times best-seller.

The Weird Sisters

Young Litty is taught by her wise grandmother how to make lemonade out of the lemons that life throws her way. Funny and witty, while using metaphors to deal with real life, this is a MUST read for children struggling with self-esteem issues.

The Child Whisperer

Ollie and Moritz are two teenagers who will never meet. Each of them lives with a life-affecting illness. Contact with electricity sends Ollie into debilitating seizures, while Moritz has a heart defect and is kept

How To Download eBook Listen To Litty

alive by an electronic pacemaker. If they did meet, Ollie would seize, but turning off the pacemaker would kill Moritz. Through an exchange of letters, the two boys develop a strong bond of friendship which becomes a lifeline during dark times — until Moritz reveals that he holds the key to their shared, sinister past, and has been keeping it from Ollie all along.

Dr. White

Jennifer Weiner, author of *Good in Bed*, *In Her Shoes* and the forthcoming *Who Do You Love*, explores the nuances of female friendship with relish. Addie Downs and Valerie Adler were eight when they first met and decided to be best friends forever. But, in the wake of tragedy and betrayal during their teenage years, everything changed. Val went on to fame and fortune. Addie stayed behind in their small Midwestern town. Destiny, however, had more in store for these two. And when, twenty-five years later, Val shows up at Addie's front door with blood on her coat and terror on her face, it is the start of a wild adventure for two women joined by love and history who find strength together that they could not find alone.

Because You'll Never Meet Me

Liz Lighty has always believed she's too black, too poor, too awkward to shine in her small, rich, prom-obsessed midwestern town. But it's okay -- Liz has a plan that will get her out of Campbell, Indiana, forever: attend the uber-elite Pennington College, play in their world-famous orchestra, and become a doctor. But when the financial aid she was counting on unexpectedly falls through, Liz's plans come crashing down . . . until she's reminded of her school's scholarship for prom king and queen. There's nothing Liz wants to do less than endure a gauntlet of social media trolls, catty competitors, and humiliating public events, but despite her devastating fear of the spotlight she's willing to do whatever it takes to get to Pennington. The only thing that makes it halfway bearable is the new girl in school, Mack. She's smart, funny, and just as much of an outsider as Liz. But Mack is also in the running for queen. Will falling for the competition keep Liz from her dreams . . . or make them come true?

Believe Me

A New York Times notable book and winner of The Northern California Book Award for Best Short Fiction, these nine brave, wise, and spellbinding stories make up this debut. In "When She is Old and I Am Famous" a young woman confronts the inscrutable power of her cousin's beauty. In "Note to Sixth-Grade Self" a band of popular girls exert their social power over an awkward outcast. In "Isabel Fish" fourteen-year-old Maddy learns to scuba dive in order to mend her family after a terrible accident. Alive with the victories, humiliations, and tragedies of youth, *How to Breathe Underwater* illuminates this powerful territory with striking grace and intelligence. "These stories are without exception clear-eyed, compassionate and deeply moving. Even her most bitter characters have a gift, the sharp wit of envy. This, Orringer's first book, is breathtakingly good, truly felt and beautifully delivered."—The Guardian

Litty's Lemonade

The Untold Story

A masterful account of the assassins who hunted down the perpetrators of the Armenian Genocide. In 1921, a tightly knit band of killers set out to avenge the deaths of almost one million victims of the Armenian Genocide. They were a humble bunch: an accountant, a life insurance salesman, a newspaper

editor, an engineering student, and a diplomat. Together they formed one of the most effective assassination squads in history. They named their operation Nemesis, after the Greek goddess of retribution. The assassins were survivors, men defined by the massive tragedy that had devastated their people. With operatives on three continents, the Nemesis team killed six major Turkish leaders in Berlin, Constantinople, Tiflis, and Rome, only to disband and suddenly disappear. The story of this secret operation has never been fully told, until now. Eric Bogosian goes beyond simply telling the story of this cadre of Armenian assassins by setting the killings in the context of Ottoman and Armenian history, as well as showing in vivid color the era's history, rife with political fighting and massacres. Casting fresh light on one of the great crimes of the twentieth century and one of history's most remarkable acts of vengeance, Bogosian draws upon years of research and newly uncovered evidence. Operation Nemesis is the result--both a riveting read and a profound examination of evil, revenge, and the costs of violence.

Sailors and Traders

13-year-old Timothy Magee was ready for another birthday-the one time a year that he got to see his spirited, feisty grandfather. He was prepared for the usual festivities-gluttonous consumption of treats, a few interesting presents, and hours of gaming with his friends. What he wasn't expecting was his life to be forever changed by a magical birthday gift he is sworn to keep secret and safe until his grandfather magically reappears. This is the beginning of a new series; infused with the magical fantasy of Harry Potter and humorous wit of A Series of Unfortunate Events-Timothy and His Magic Key will fill your sails with the winds of adventure like no other!

Oh, Kitty!

A New York Times Notable Book of 2012 Food, and in particular the lack of it, was central to the experience of World War II. In this richly detailed and engaging history, Lizzie Collingham establishes how control of food and its production is crucial to total war. How were the imperial ambitions of Germany and Japan - ambitions which sowed the seeds of war - informed by a desire for self-sufficiency in food production? How was the outcome of the war affected by the decisions that the Allies and the Axis took over how to feed their troops? And how did the distinctive ideologies of the different combatant countries determine their attitudes towards those they had to feed? Tracing the interaction between food and strategy, on both the military and home fronts, this gripping, original account demonstrates how the issue of access to food was a driving force within Nazi policy and contributed to the decision to murder hundreds of thousands of 'useless eaters' in Europe. Focusing on both the winners and losers in the battle for food, *The Taste of War* brings to light the striking fact that war-related hunger and famine was not only caused by Nazi Germany and Imperial Japan, but was also the result of Allied mismanagement and neglect, particularly in India, Africa and China. American dominance both during and after the war was not only a result of the United States' immense industrial production but also of its abundance of food. This book traces the establishment of a global pattern of food production and distribution and shows how the war subsequently promoted the pervasive influence of American food habits and tastes in the post-war world. A work of great scope, *The Taste of War* connects the broad sweep of history to its intimate impact upon the lives of individuals.

Before We Were Yours

Finalist for the Pulitzer Prize for Biography *Winner of the Los Angeles Times Prize for Biography*
Winner of the 2019 Hitchens Prize "Portrays Holbrooke in all of his endearing and exasperating self-willed glory Both a sweeping diplomatic history and a Shakespearean tragicomedy If you could read one book to comprehend American's foreign policy and its quixotic forays into quicksands over the past 50

years, this would be it."--Walter Isaacson, The New York Times Book Review "By the end of the second page, maybe the third, you will be hooked There never was a diplomat-activist quite like [Holbrooke], and there seldom has been a book quite like this -- sweeping and sentimental, beguiling and brutal, catty and critical, much like the man himself."--David M. Shribman, The Boston Globe Richard Holbrooke was brilliant, utterly self-absorbed, and possessed of almost inhuman energy and appetites. Admired and detested, he was the force behind the Dayton Accords that ended the Balkan wars, America's greatest diplomatic achievement in the post-Cold War era. His power lay in an utter belief in himself and his idea of a muscular, generous foreign policy. From his days as a young adviser in Vietnam to his last efforts to end the war in Afghanistan, Holbrooke embodied the postwar American impulse to take the lead on the global stage. But his sharp elbows and tireless self-promotion ensured that he never rose to the highest levels in government that he so desperately coveted. His story is thus the story of America during its era of supremacy: its strength, drive, and sense of possibility, as well as its penchant for overreach and heedless self-confidence. In *Our Man*, drawn from Holbrooke's diaries and papers, we are given a nonfiction narrative that is both intimate and epic in its revelatory portrait of this extraordinary and deeply flawed man and the elite spheres of society and government he inhabited.

Amazing Stories

Carol Tuttle has worked in the field of self-help and personal development for over 20 years. Well-known for her work in the areas of energy psychology and energy healing, she has helped hundreds of thousands of people worldwide to live better lives with her inspiring books and life-changing programs – *Energy Profiling and Dressing Your Truth*. Carol now applies her expertise in human nature to the world of parenting. In her latest work, *The Child Whisperer*, she shines great light and understanding on what it takes to raise a child true to his or her nature. As the original *Child Whisperer* – and mother of five of her own grown children – Carol is esteemed by parents and children alike for her ability to resolve parent-child conflicts and struggles quickly, and increase cooperation and harmony. Her book turns longstanding parenting assumptions on their heads, and shows how parenting can be an even more intuitive, cooperative, fulfilling experience than any good parent has ever imagined.

Adopt a Cat

THE BLOCKBUSTER HIT—Over two million copies sold! A New York Times, USA Today, Wall Street Journal, and Publishers Weekly Bestseller Look for Lisa Wingate ' s powerful new historical novel, *The Book of Lost Friends*, available now! " Poignant, engrossing. " —People • " Lisa Wingate takes

an almost unthinkable chapter in our nation's history and weaves a tale of enduring power." —Paula McLain *Memphis*, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life.

Creating Effective Teaching and Learning Environments: First Results from TALIS

In her bestselling novels Kristin Hannah has plumbed the depths of friendship, the loyalty of sisters, and the secrets mothers keep. Now, in her most emotionally powerful story yet, she explores the intimate landscape of a troubled marriage with this provocative and timely portrait of a husband and wife, in love and at war. All marriages have a breaking point. All families have wounds. All wars have a cost. . . . Like many couples, Michael and Jolene Zarkades have to face the pressures of everyday life---children, careers, bills, chores---even as their twelve-year marriage is falling apart. Then an unexpected deployment sends Jolene deep into harm's way and leaves defense attorney Michael at home, unaccustomed to being a single parent to their two girls. As a mother, it agonizes Jolene to leave her family, but as a soldier she has always understood the true meaning of duty. In her letters home, she paints a rose-colored version of her life on the front lines, shielding her family from the truth. But war will change Jolene in ways that none of them could have foreseen. When tragedy strikes, Michael must face his darkest fear and fight a battle of his own---for everything that matters to his family. At once a profoundly honest look at modern marriage and a dramatic exploration of the toll war takes on an ordinary American family, *Home Front* is a story of love, loss, heroism, honor, and ultimately, hope.

Listen to Litty . . .

We've all pretended to be something we're not. But Rupen Najarian, an eighty-three-year-old musician living in Glendale, California, has built his whole existence on a lie. The day his village in Turkey was torched by soldiers, seven-year-old Rupen became the last survivor of his family. Bearing a terrible secret, he joined the Armenian "Trail of Tears" into the Syrian Desert. Now, in 1992, Maestro Rupen is rich and famous with the trappings of high-class Armenian living thanks to his talent on the duduk, an ancient shepherd's flute. As he performs at his birthday tribute, an earthquake-literal and figurative-rattles his world. Because if you have a secret, everything can be undone by a single person who knows the truth. Meet Haik, a twenty-year-old Armenian immigrant who becomes stalker, blackmailer and Rupen's personal Lucifer. But even as this young man gains control of the Maestro's life, he soon realizes he's in over his head. For Rupen is more than just the master of the duduk From the wastes of the Syrian Desert to the streets of Beirut, from the canals of Venice to the sprawl of contemporary Los Angeles, *The*

Musician's Secret is a compelling tale of hidden identities, intricate mysteries and the tantalizing possibility of redemption.

KSI: I Am a Bellend

Sara's mother told her that she shouldn't marry Conrad - that the twenty-five-year age gap between them would tell in the end. The end is now (apparently) approaching fast. Conrad, a famous painter, has decided that it would be good to die before he gets seriously old and so spends his time sorting out his chaotic life. Sara, teaching art at a local college, finds that she has plenty of male company - other people's husbands, ones she tells Conrad all about, who are just good friends to her. But there's one she, somehow, doesn't get round to mentioning

The Moment of Everything

Pretty Kitty

'Dr. White' is the true story of a small dog whose love of sick children has a healing power that conventional care cannot match. This story is a moving illustration of the increasingly popular practice of 'Pet Assisted Therapy', which can benefit patients of all ages.

How to Breathe Underwater

In the tradition of *The Cookbook Collector* comes a funny, romantic novel about a young woman finding her calling while saving a used bookstore. Maggie Dupriv®, recently "involuntarily separated from payroll" at a Silicon Valley startup, is whiling away her days in *The Dragonfly's Used Books*, a Mountain View institution, waiting for the Next Big Thing to come along. When the opportunity arises for her to network at a Bay Area book club, she jumps at the chance—even if it means having to read *Lady Chatterley's Lover*, a book she hasn't encountered since college, in an evening. But the edition she finds at the bookstore is no Penguin Classics *Chatterley*—it's an ancient hardcover with notes in the margins between two besotted lovers of long ago. What Maggie finds in her search for the lovers and their fate, and what she learns about herself in the process, will surprise and move readers. Witty and sharp-eyed in its treatment of tech world excesses, but with real warmth at its core, *The Moment of Everything* is a wonderful read.

Against Everything

Hitty is a doll of great charm and character. It is indeed a privilege to publish her memoirs, which, besides being full of the most thrilling adventures on land and sea, also reveal her delightful personality. One glance at her portrait will show that she is no ordinary doll. Hitty, or *Mehitable* as she was really named, was made in the early 1800s for Phoebe Preble, a little girl from Maine. Young Phoebe was very proud of her beautiful doll and took her everywhere, even on a long sailing trip in a whaler. This is the story of Hitty's years with Phoebe, and the many that follow in the life of a well-loved doll.

And the People Stayed Home (Family Book, Coronavirus Kids Book, Nature Book)

A warm and wonderful story of the creation of the timeless hymn, *Silent Night*, and its creator Joseph Mohr. *Silent Night* celebrates the 200th anniversary of the beloved hymn, and shares the story behind the creation of one of the world's most recognizable tunes.

Our Man

Linda Bonanno, a.k.a. Litty, is an enthusiastic and determined supporter of a new model of awareness using innovative tools and approachable methods meant to penetrate young minds in a subliminal way. It uses tools such as literature, music, videos, and everything related to the new technology and social media era that our millennials love and are acquainted to. A pioneer in implementing the earliest breast-health education, stressing the need for a breast health mandate in every school in the country, she spent the last two years in numerous classrooms across Suffolk County, sharing lifesaving facts with over 20,000 young minds. Her Got Checked? plan-of-action workshops and her new and fresh formula to reach youth was awarded a health grant by Senator Phil Boyle, allowing her to reach a great portion of young Long Island residents and their communities. Along with education, the Got Checked? campaign is pushing a bill to lower mammogram age to thirty-five and requesting a national Got Checked? day. Shes the coauthor of a published book named *Decode Your Future*, for which she designed the format and oversaw the content according to her progressive educational style. A current and easy manual for youth, the book will soon become a collective. With this new manual called *Listen to Litty . . .*, Linda aims to reach as far as early childhood students through fun read alongs of a simple set of tips adapted and tailored to young and impressionable minds. Linda oversees all the creative content creation for the brand and campaign, from music recording and video production to media publishing and brand placements. A former model and actress, Linda serves as vice president of First Company Pink, the charity, and cofounder, partner, and creative director of Got Checked?, the brand and campaign. Linda is forty-seven years old and is a breast cancer survivor who currently resides in Roslyn, New York, with her husband and two young sons. Adamant in leaving a legacy of hope and courage, Linda is a tireless advocate for civil rights and womens rights in her community and beyond. For all her commitments, she was awarded numerous certificates of merit, appreciation, and recognition from many local politicians, such as Senator Boyle, Babylon Town supervisor Rich Schaffer, and assembly woman Kimberly Jean-Pierre, to name a few. In 2017 Linda started an independent record label called Got Checked? Records,

the perfect addition to a fast-growing brand and the first of its kind. Got Checked? the record label is an hybrid between a music label and a social movement, meant to let youth thrive in the studio instead of failing in the streets, creating music with a lifesaving message of awareness and action. Linda remains committed to youth and the new generation, with an emphasis on prevention and early detection.

Best Friends Forever

Over the past eleven years, Greif has been publishing superb, and in some cases already famous, essays in *n+1*, the high-profile little magazine that he co-founded. These essays address such key topics in the cultural, political, and intellectual life of our time as the tyranny of exercise, the tyranny of nutrition and food snobbery, the sexualization of childhood (and everything else), the philosophical meaning of Radiohead, the rise and fall of the hipster, the impact of the Occupy Wall Street movement, and the crisis of policing. Four of the selections address, directly and unironically, the meaning of life--what might be the right philosophical stance to adopt toward one's self and the world. Each essay in *Against Everything* is learned, original, highly entertaining, and, from start to finish, dead serious. They are the work of a young intellectual who, with his peers, is reinventing and reinvigorating what intellectuals can be and say and do. Mark Greif manages to reincarnate and revivify the thought and spirit of the greatest of American dissenters, Henry David Thoreau, for our time and historical situation.--Publisher website.

Operation Nemesis

The year 2006 was very memorable. Based in the Caribbean island Haiti. I share with you my memories of the laughter we made, the sadness and maturity I went through, the ups and downs of having sisters, the culture, politics and true nature of this amazing place and time of my life. Just barely 6 years old but yet I was more mature then your average 10 year old. Powerful friendships, heartwarming family moments and a great adventure throughout, from port-au-prince to Hinche to Maissade. Read with me and see the world from my young point of view.

Hitty Her First Hundred Years

From the star of *The Real Housewives of Beverly Hills* comes an emotional and eye opening behind-the-scenes look at her descent into uncovering the mystery of chronic Lyme disease. In early 2011, Yolanda was struck by mysterious symptoms including brain fog, severe exhaustion, migraines and more. Over the months and years that followed, she went from being an outspoken, multi-tasking, hands-on mother of three, reality TV star, and social butterfly, to a woman who spent most of her time in bed. Yolanda was turned inside out by some of the country 's top hospitals and doctors, but due to the lack of definitive diagnostic testing, she landed in a dark maze of conflicting medical opinions, where many were quick to treat her symptoms but could never provide clear answers to their possible causes. In this moving, behind the scenes memoir, Yolanda Hadid opens up in a way she has never been able to in the media before. Suffering from late stage Lyme, a disease that is an undeniable epidemic and more debilitating than anyone realizes, Yolanda had to fight with everything she had to hold onto her life. While her struggle was lived publicly, it impacted her privately in every aspect of her existence, affecting her family, friends and professional prospects. Her perfect marriage became strained and led to divorce. It was the strong bond with her children, Gigi, Bella and Anwar, that provided her greatest motivation to fight through the darkest days of her life. Hers is an emotional narrative and all-important read for anyone unseated by an unexpected catastrophe. With candor, authenticity and an unwavering inner strength, Yolanda reveals intimate details of her journey crisscrossing the world to find answers for herself and two of her children who suffer from Lyme and shares her tireless research into eastern and western medicine. *Believe Me* is an inspiring lesson in the importance of having courage and hope, even

in those moments when you think you can ' t go on.

Silent Night

Finalist for the Pulitzer Prize for Biography *Winner of the Los Angeles Times Prize for Biography*
Winner of the 2019 Hitchens Prize "Portrays Holbrooke in all of his endearing and exasperating self-willed gloryBoth a sweeping diplomatic history and a Shakespearean tragicomedy If you could read one book to comprehend American's foreign policy and its quixotic forays into quicksands over the past 50 years, this would be it."--Walter Isaacson, The New York Times Book Review "By the end of the second page, maybe the third, you will be hookedThere never was a diplomat-activist quite like [Holbrooke], and there seldom has been a book quite like this -- sweeping and sentimental, beguiling and brutal, catty and critical, much like the man himself."--David M. Shribman, The Boston Globe Richard Holbrooke was brilliant, utterly self-absorbed, and possessed of almost inhuman energy and appetites. Admired and detested, he was the force behind the Dayton Accords that ended the Balkan wars, America's greatest diplomatic achievement in the post-Cold War era. His power lay in an utter belief in himself and his idea of a muscular, generous foreign policy. From his days as a young adviser in Vietnam to his last efforts to end the war in Afghanistan, Holbrooke embodied the postwar American impulse to take the lead on the global stage. But his sharp elbows and tireless self-promotion ensured that he never rose to the highest levels in government that he so desperately coveted. His story is thus the story of America during its era of supremacy: its strength, drive, and sense of possibility, as well as its penchant for overreach and heedless self-confidence. In *Our Man*, drawn from Holbrooke's diaries and papers, we are given a nonfiction narrative that is both intimate and epic in its revelatory portrait of this extraordinary and deeply flawed man and the elite spheres of society and government he inhabited.

Other People's Husbands

Home Front

Joined together in a hasty marriage of convenience with a handsome stranger, Madeline Christophe and her new husband head for Texas with a band of colonists, and along the way, they discover true passion. Original.
