Are You Still a Slave?

In *The Four Agreements*, a New York Times bestseller for over seven years, don Miguel Ruiz revealed how the process of our education, or "domestication," can make us forget the wisdom we were born with. Throughout our lives, we make many agreements that go against ourselves and create needless suffering. The Four Agreements help us to break these self-limiting agreements and replace them with agreements that bring us personal freedom, happiness, and love. Now don Miguel Ruiz joins his son don Jose Ruiz to offer a fresh perspective on the Four Agreements, and a powerful new agreement for transforming our lives into our personal heaven: the fifth agreement. *The Fifth Agreement* takes us to a deeper level of awareness of the power of the Self, and returns us to the authenticity we were born with. In this Spanish-language sequel to the book that has changed the lives of millions of people around the world, we are reminded of the greatest gift we can give ourselves: the freedom to be who we really are.

The Healing Power of Mind

Perspective is a powerful thing. Andy Andrews has spent the past five years doing a double take at every white-haired old man he sees, hoping to have just one more conversation with the person to whom he owes his life. Through a chance encounter at a local bookstore, Andy is reunited with the man who changed everything for him — Jones, also known as “The Noticer.” As the story unfolds, Jones uses his unique talent of noticing little things that make a big difference. And these “little things” grant the people of Fairhope, Alabama, a life-changing gift — perspective. Along the way, families will be united, financial opportunities will be created, and readers will be left with powerfully simple solutions to the everyday problems we all face. Through the lens of a parenting class at the Grand Hotel in Point Clear, Alabama, Jones guides a seemingly random group to ask specific questions inspired by his curious advice that “You can’t believe everything you think.” Those questions lead to answers for which people have been searching for centuries: How do we begin to change the culture in which we live? What is the key to creating a life of success and value? What if what we think is the end is only the beginning? What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone looking to create the life for which they were intended.

Building on the principles found in his father's international bestseller (2.5 million copies sold in the US), Don Miguel explores the ways in which we attach ourselves inappropriately to beliefs and the world. This is ancient wisdom for finding your true self. Ruiz explores the five levels of attachment that cause suffering in our lives. The five levels are: • Authentic Self • Preference • Identification • Internalization • Fanaticism Accessible and practical, *The Five Levels of Attachment* invites us to look at our own lives and see how an unhealthy level of attachment can keep us trapped in a psychological and spiritual fog. He then teaches us to reclaim our true freedom by cultivating awareness, detaching, and discover our true selves.

Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. The Mastery of Love: a Practical Guide to the Art of Relationship: a Toltec Wisdom Book by Don Miguel Ruiz

Hidden Madrid

In The Voice of Knowledge, Miguel Ruiz reminds us of a profound and simple truth: The only way to end our emotional suffering and restore our joy in living is to stop believing in lies — mainly about ourselves. Based on ancient Toltec wisdom, this breakthrough book shows us how to recover our faith in the truth and return to our own common sense. Ruiz changes the way we perceive ourselves, and the way we perceive other people. Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. “ We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection. ” — don Miguel Ruiz • From the international bestselling author of The Four Agreements • A New York Times bestseller • Over 300,000 copies sold in the U.S.

Agreements, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz's transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.

Summary of The Four Agreements

La voz del conocimiento

Miguel Ruiz nos recuerda una verdad sencilla y profunda: el único modo de acabar con nuestro sufrimiento emocional y recuperar nuestra dicha de vivir consiste en dejar de creer en mentiras ¿ principalmente sobre nosotros mis-mos. Este penetrante libro nos enseña a recuperar nuestra fe en la verdad y a regresar a nuestro propio sentido común.

The true nature of our minds is enlightened and peaceful, as the depth of the ocean is calm and clear. But when we mentally grasp and emotionally cling to our wants and worries with all our energy, we lose our own enlightened freedom and healing power, only to gain stress and exhaustion, suffering and overexcitement, like the turbulent waves rolling on the surface of the ocean. Our minds possess the power to heal pain and stress, and to blossom into peace and joy, by loosening the clinging attitudes that Buddhists call "grasping at self." If we apply the mind's healing power, we can heal not only our mental and emotional afflictions, but physical problems also. This book is an invitation to awaken the healing power of mind through inspiring images and sounds, mindful movements, positive perceptions, soothing feelings, trusting confidence, and the realization of openness. The healing principle on which these exercises are based is the universal nature and omnipresent power envisioned in Mahayana Buddhism. Yet for healing, we don't have to be believers in any particular faith. We can heal body and mind simply by being what we truly are, and by allowing our own natural healing qualities to manifest: a peaceful and open mind, a loving and positive attitude, and warm, joyful energy in a state of balance and harmony.

The Five Levels of Attachment

The ancient Toltecs believed that life as we perceive it is a dream. We each live in our own personal dream, and all of our dreams come together to make the Dream of the Planet. Problems arise when we forget that the dream is just a dream and fall victim to believing that we have no control over it. "The Mastery of Self" takes the Toltec philosophy of the Dream of the Planet and the personal dream and explains how a person can: Wake upLiberate themselves from illusory beliefs and storiesLive with authenticity Once released, we can live

Resumen De "Los Cuatro Acuerdos: Una Guia Practica Para La Libertad Personal - De Don Miguel Ruiz"

How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.

The Mastery of Self

Fear is the source of all of the negative agreements we've made with life. It can alienate us from the joy that is our birthright. When we are able to look at our lives without fear or judgments, we realize that reality can be whatever we want it to be. Beyond Fear leads seekers of the Toltec way of freedom and joy on their spiritual journey into a state of empowerment. More expansive and in-depth than The Four Agreements, Beyond Fear contains information on life after death, prophecies about the evolution of humanity, and exercises and ceremonies to walk readers through the process of shedding fear and becoming spiritually and emotionally alive.
