In the wake of his father's premature death, Jose Cemi comes of age in a turn-of-the-century Cuba described in the "Washington Post" as "an island paradise where magic and philosophy twist the lives of the old Cuban bourgeoisie into extravagant wonderful shapes."

Historians have long admired Ralph Emerson Twitchell's "The Leading Facts of New Mexican History," considered the first major history of the state. Put succinctly by former State Historian Robert J. Torrez, Twitchell's work (of which this is one of the first two volumes Sunstone Press is reprinting in its Southwest Heritage Series) has "become the standard by which all subsequent books on New Mexico history are measured." As Twitchell wrote in the preface of his first

volume, his goal in writing "The Leading Facts" was to respond to the "pressing need" for a history of New Mexico with a commitment to "accuracy of statement, simplicity of style, and impartiality of treatment." Ralph Emerson Twitchell was born in Ann Arbor, Michigan, on November 29, 1859. Arriving in New Mexico when he was twenty-three, he immediately became involved in political and civic activities. In 1885 he helped organize a new territorial militia in Santa Fe and saw active duty in western New Mexico. Later appointed judge advocate of the Territorial Militia, he attained the rank of colonel, a title he was proud to use for the rest of his life. By 1893 he was elected the mayor of Santa Fe and, thereafter, district attorney of Santa Fe County. Twitchell probably promoted New Mexico as much as any single New Mexican of his generation. An avid supporter of New Mexico statehood, he argued the territory's case for elevated political status, celebrated its final victory in 1912, and even designed New Mexico's first state flag in 1915. Just as Twitchell's first edition in 1911 helped celebrate New Mexico's entry into statehood in 1912, the newest edition of the text and illustrations, including the "Subscriber's Edition" page of Number 1,156 of 1,500, serves as a tribute to the state's centennial celebration of 2012. In the apt words of an editorial in the "Santa Fe New Mexican" at the time of Twitchell's death in 1925: "As press agent for the best things of New Mexico, her traditions, history, beauty, glamour, scenery, archaeology, and material resources, he was indefatigable and efficient."

MLN pioneered the introduction of contemporary continental criticism into American scholarship. Critical studies in the modern languages--Italian, Hispanic, German, French--and recent work in comparative literature are the basis for articles and notes in MLN. Four single-language issues and one comparative literature issue are

published each year.

History of Arizona and New Mexico

"Esta obra recoge entonces, momentos reflexivos sobre el que hacer humano e intelectual del hombre, a partir de un ciclo estructural o vertebral en el tiempo que va aunando las voces desde su nacimiento o aurora, su pleno amanecer, el medio día de su madurez hasta el verdadero despertar de su conciencia un poco más allá de la fogosidad de los días y las palabras. Descansa el libro precisamente, en el momento lúcido de la inteligencia y el consejo sereno, de la plática oportuna sobre la belleza y acaso sobre la verdad de lo dado y de lo elegido."
