This Maid Of Honor Gets Shit Done

Sela Sullivan is resolved to be the best maid of honor ever, even if it means tolerating the best man. Insufferable, too-handsome Luke Watters is not only the guy who humiliated her at a kissing booth in high school, but he also happens to be her best friend's older brother. Positive he's the same arrogant jock, Sela vows to focus on her duties and steer clear of the frustrating—and frustratingly tempting—Luke. As a world-renowned extreme-sports photographer, Luke is used to undertaking life-risking adventures. But risking his heart for the beautiful Sela Sullivan, who clearly still hates him for his rejection all those years ago? He didn't see that coming. Sela inspires a passion he's never known, and the more time they spend together, the more he craves her. But can he prove to the maid of honor he's become a man of honor? Each book in the Secret Wishes series is a standalone, full-length story that can be enjoyed out of order. Julie Piper and Reed Lawson have nothing in common. She's a people-pleasing sorority girl hiding behind her perfect mask. He's a take-no-prisoners SWAT commander who isolates himself from the world. But when they're forced together at their friends' posh destination wedding, one thing is clear—Reed wants Julie more than he wants his next breath. Which is why he's not about to stand by when she's dared to seduce another man. Julie wants neat, tidy sex, so she could get back to what she does best—making everybody else happy. She never expected to slip into a dark bedroom and have her mind blown by rough, demanding hands, and a sinfully filthy mouth—neither of which belong to the best man. One night should have been all Reed needed to get the blond temptress out of his system, but when one taste is nowhere near enough, he'll be forced confront the effects of his hellish past. One that may push Julie away forever just when he realizes he can't live without her. Each book in the Wedding Dare series is a standalone story that can be enjoyed out of order.
