Creative Haven Celestial Mandalas Coloring Book

Mandalas are circular designs containing lines, patterns, and colors that have been used in personal devotions throughout history and often symbolize a desire to mark or set aside a special time or place. Coloring mandalas is a creative activity that can help us feel connected to ourselves and to the world. In her latest collection of mandalas for coloring, Susanne Fincher focuses on using mandalas as a way to claim our own truths and to find our way in the world. The original designs she presents are associated with being and doing. The “being” mandalas represent a sense of balance, integration, and self-realization. They can be reminiscent of the designs of heraldic shields carried as the emblem of personal power. The “doing” mandalas represent action, energy, and functioning in the world. These mandalas are associated with creativity, ingenuity, teamwork, and productivity. Coloring the mandalas in this book allows you to interact with forms that evoke both steady, centered being,
